This Form 6-K/A amends Form 6-K filed on February 17, 2004. Attached to the original Form 6-K was a press release containing unaudited financial information for the quarter and year ended December 31, 2003 for Ceragon Networks Ltd. This Form 6-K/A makes the following amendments to reflect the recognition of a non-cash charge for the year ended December 31, 2003 totaling \$3,432,000 (\$2,289,000 for the quarter ended September 30, 2003 and \$1,143,000 for the quarter ended December 31, 2003) resulting from recording of a warrant at fair value. On October 31, 2002, the Company entered into a supplementary arrangement with one of its suppliers, according to which, the Company issued a warrant to the supplier to purchase an aggregate of 700,000 Ordinary shares of the Company. The Company recorded the carrying amount of the warrant at inception as a liability of \$875,000. During November 2003, the supplier exercised the warrant by a cashless exercise into 699,624 Ordinary shares. Accordingly, the Company reclassified the fair value of the warrant at the date of exercise from a liability to equity. During 2003, as a result of the adoption and implementation of SFAS 150 Accounting for Certain Financial Instruments with Characteristics of Both Liabilities and Equity (FAS 150) (effective at the beginning of the first interim period beginning after June 15, 2003) the Company recognized a non-cash charge in the financial statements. As a result, at and for the year ended December 31, 2003, the Company revised net loss to (\$7,722,000), basic and diluted net loss per share to (\$0.33), additional paid-in capital to \$175,043,000 and accumulated deficit to (\$126,026,000) and for the quarter ended December 31, 2003, the Company revised net loss to (\$1,418,000) and basic and diluted net loss per share to (\$0.06). This non-cash charge had no impact on first quarter 2004 operating results.
