## EXPLANATORY NOTE

G. Willi-Food International Ltd. (the "Company") is filing this Amendment No. 1 (the "Amendment") to its Annual Report on Form 20-F for the year ended December 31, 2011, which was originally filed on April 30, 2012 (the "Original Filing"), to reflect the amendment and restatement of its consolidated statements of cash flows in its financial statements for the year ended December 31, 2011. The Company has amended and restated its statements of cash flows for the year ended December 31, 2011 and for the quarter ended March 31, 2012 to reflect the correct classification of the change in the receivable balance related to the sale by the Company of its holdings in Shamir Salads (2006) Ltd. ("Shamir Salads") as a reconciling item to adjust net cash from operating activities.

As explained more fully in Note 28 to our Consolidated Financial Statements contained in this report, after filing the Original Filing, the Company determined that in the Company's consolidated statements of cash flows for the year ended December 31, 2011, the Company inadvertently classified the increase in the receivable balance related to the sale of its holdings in Shamir Salads as a reconciling item to reduce net cash from operating activities. Consequently, net cash from investing activities in the consolidated statements of cash flows for the year ended December 31, 2011 inadvertently increased by approximately NIS 13.5 million (US \$ 3.5 million) and net cash flow from operating activities was inadvertently decreased by the same amount. The abovementioned adjustments have no impact on the Company's consolidated statements of financial position or its consolidated statements of income or its consolidated statements of changes in equity.

Accordingly, to reflect the effects of the restatement, information in the following sections of this report have been revised: (i) "Item 5. Operating and Financial Review and Prospects - Liquidity and Capital Resources – Cash Flow from Operating Activities" and (ii) "Item 8. Financial Information – Consolidated Statements and Other Financial Information" (the "Amended Sections").

Except as required to reflect the effects of the restatement for the items above, the Company has not made any modifications or updates to the Original Filing on Form 20-F. Information not affected by the restatement remains unchanged and reflects the disclosures made at the time of the Original Filing. This Amendment does not describe other events occurring after the Original Filing, or modify or update those disclosures affected by subsequent events. This Amendment should be read in conjunction with the Company's filings made with the SEC subsequent to the filing of the Original Filing, as information in such reports and documents may update or supersede certain information contained in this Amendment. Accordingly, this Amendment only amends and restates the Amended Sections described above, in each case, solely to reflect the restatement, and no other information in the Original Filing is amended hereby. Currently dated certificates of the Company's Chief Executive Officer and Chief Financial Officer have been attached as Exhibits 12.1, 12.2, 13.1 and 13.2, and a currently dated consent of Independent Registered Accounting Firm has been attached as Exhibit 15.(a).1.
