FOR IMMEDIATE RELEASE

G. WILLI-FOOD REPORTS Q3 2012 NET INCOME UP 179% FROM Q3 2011

YAVNE, Israel – November 28, 2012 -- G. Willi-Food International Ltd. (NASDAQ: WILC) (the “Company” or “Willi-Food”), a global company specializing in the development, marketing and international distribution of kosher foods, today announced its unaudited financial results for the third quarter and the nine-months ended September 30, 2012.

Third Quarter Fiscal 2012 Highlights

- Sales increased 8.0% from third quarter of 2011 to NIS 70.1 million (US\$ 17.9 million)
- Gross profit increased 5.4% from third quarter of 2011 to NIS 16.3 million (US\$ 4.2 million), or 23.2% of sales
- Operating income increased 34.7% from third quarter of 2011 to NIS 5.7 million (US\$ 1.5 million), or 8.1% of sales
- Net income increased 179.1% from third quarter of 2011 to NIS 6.3 million (US\$ 1.6 million), or 9.0% of sales
  - Cash and securities balance of NIS 216.1 million (US\$ 55.2 million) as of September 30, 2012

Willi-Food’s operating divisions include Willi-Food, a distributor of a broad variety of kosher foods, and its wholly-owned Gold Frost, a designer, developer and distributor of branded kosher dairy food products.

Third Quarter Fiscal 2012 Summary

Sales for the third quarter of 2012 increased by 8.0% to NIS 70.1 million (US\$ 17.9 million) from NIS 64.9 million (US\$ 16.6 million) recorded in the third quarter of 2011. The increase in sales in the third quarter of 2012 was mostly driven by the introduction of new products in the third quarter and the increased awareness of the Company's new products following increased sales activities initiated during the past year.

Gross profit for the third quarter of 2012 increased by 5.4% to NIS 16.3 million (US\$ 4.2 million) compared to NIS 15.4 million (US\$ 3.9 million) recorded in the third quarter of 2011. Third quarter gross margin was 23.2% compared to gross margin of 23.8% for the same period in 2011. The decrease in gross margins was primarily due to the continued pressure from our customers to reduce prices as a result of the ongoing national protest against the cost of food products.

Willi-Food’s operating income for the third quarter of 2012 increased by 34.7% to NIS 5.7 million (US\$ 1.5 million) compared to NIS 4.2 million (US\$ 1.1 million) recorded in the third quarter of 2011. Selling expenses decreased by 7.3% from the comparable quarter of 2011, primarily due to a decrease in vehicles and transport expenses. Selling expenses as a percentage of sales decreased in the third quarter of 2012 to 9.7% compared to 11.3% in the third quarter of 2011. General and administrative expenses increased by 1.3% from the comparable quarter of 2011, primarily due to an increase in management profit-related bonuses. General and administrative expenses as a percentage of sales decreased in the third quarter of 2012 to 5.5% from 5.9% in the third quarter of 2011.

Willi-Food’s income before taxes for the third quarter of 2012 increased by 125.4% to NIS 8.1 million (US\$ 2.1 million) compared to NIS 3.6 million (US\$ 0.9 million) recorded in the third quarter of 2011. Willi-Food’s profit from continuing operations for the third quarter of 2012 increased by 157.5% to NIS 6.3 million (US\$ 1.6 million) from

NIS 2.4 million (US\$ 0.6 million) recorded in the third quarter of 2011.

---

Willi-Food's net income in the third quarter of 2012 increased by 179.1% to NIS 6.3 million (US\$ 1.6 million) from NIS 2.3 million (US\$ 0.6 million) recorded in the third quarter of 2011. Willi-Food's net income attributed to the owners of the Company in the third quarter of 2012 increased by 168.2% to NIS 6.3 million (US\$ 1.6 million), or NIS 0.49 (US\$ 0.13) per share, compared to NIS 2.3 million (US\$ 0.6 million), or NIS 0.17 (US\$ 0.04) per share, recorded in the third quarter of 2011.

Willi-Food generated NIS 12.6 million (US\$ 3.2 million), or NIS 0.97 (US\$ 0.25) per share from continuing operating activities in the third quarter of 2012.

Willi-Food ended the third quarter of 2012 with NIS 216.1 million (US\$ 55.2 million) in cash and securities and with no short-term debt. Willi-Food's shareholders' equity at the end of September 2012 was NIS 324.9 million (US\$ 83.0 million).

#### Nine-Month Results

Willi-Food's sales for the nine-month period ending September 30, 2012 increased by 2.3% to NIS 210.1 million (US\$ 53.7 million) compared to sales of NIS 205.4 million (US\$ 52.5 million) in the first nine-month of 2011. Gross profit for the period decreased by 10.9% to NIS 48.5 million (US\$ 12.4 million) compared to gross profit of NIS 54.4 million (US\$ 13.9 million) for the nine-month period in 2011. First nine-month gross margins in 2012 were 23.1% compared to gross margins of 26.5% in the same period of 2011.

Operating income for the first nine months of 2012 decreased by 24.8% to NIS 16.0 million (US\$ 4.1 million) from NIS 21.2 million (US\$ 5.4 million) reported in the comparable period of last year. Income before taxes for the first nine months of 2012 increased by 0.9% to NIS 20.1 million (US\$ 5.1 million) compared to NIS 19.9 million (US\$ 5.1 million) recorded in the first nine months of 2011. Net income for the first nine months of 2012 decreased by 3.2% to NIS 15.2 million (US\$ 3.9 million) from NIS 15.7 million (US\$ 4.0 million) in the first nine months of 2011. Net income attributable to the owners of the Company for the first nine months of 2012 decreased by 0.9% to NIS 15.2 million (US\$ 3.9 million), or NIS 1.17 (US\$ 0.30) per share compared to net income attributable to the owners of the Company for the first nine months of 2011 of NIS 15.4 million (US\$ 3.9 million), or NIS 1.13 (US\$ 0.29) per share.

#### Business Outlook

Mr. Zwi Williger, Chairman of Willi-Food commented, "We are pleased with our overall performance and our third quarter 2012 results, especially in the current challenging environment of increased competition resulting from customer demand to reduce prices despite the global inflation in the purchase prices of food commodities. We grew sales and gross profits while controlling SG&A expense growth. Third quarter operating income increased by nearly 35% and net income increased by nearly 180%, despite pressure imposed on the Company by the supermarket chains to reduce prices and despite the well-known pressures in commodity costs inflicted worldwide. Throughout 2011 and 2012 we have introduced great-tasting, higher margin food products developed together with our suppliers. We implemented our plan to increase the awareness to our newly added products, by initiating promotion and hard sale activities that we believe created broad awareness to our new and old products and broaden our customer base. This plan has helped us achieve our goals to strengthen our position in the market, due to our broad range of quality food products."

Mr. Williger concluded, "Looking forward, we are confident that we can deliver sales and profit growth in the fourth quarter of 2012 and in 2013 compared to the comparable periods. The fourth quarter of 2012 is off to a good start, and we believe that the positive momentum will continue in recently introduced products, and that several new product line introductions can further boost sales. We are understandably cautious regarding ongoing global commodity price inflation and the impact of the ongoing national protest against the cost of food products, but we

believe we are well-positioned to limit any impacts. We will sustain our flexible purchasing strategy and are highly focused on reducing production costs and SG&A expenses. We continue to look for opportunities to create additional value for our shareholders.”

---

## Conference Call

The Company will host a conference call to discuss results on Wednesday, November 28, 2012 at 10:00 AM Eastern time. Interested parties may participate in the conference call by dialing 1-877-941-2068 (US), or 1-480-629-9712 (International), approximately 10 minutes prior to the scheduled start time. Interested parties can also listen via a live Internet webcast, which will be available on the day of the call through the following link:

<http://public.viavid.com/index.php?id=102717>

A replay of the conference call will be available for 14 days from 1:00 PM EST on November 28, 2012 through 11:59 PM EST on December 12, 2012 by dialing 1-877-870-5176 (US), or 1-858-384-5517 (International), access code 4577670. In addition, a recording of the call will be available via the following link for one year:

<http://public.viavid.com/reports/eventparticipantreporttab.php?id=o5akppie>

### NOTE A: Convenience Translation to Dollars

The convenience translation of New Israeli Shekels (NIS) into U.S. dollars was made at the rate of exchange prevailing on September 30, 2012, U.S. \$1.00 equals NIS 3.912. The translation was made solely for the convenience of the reader.

### NOTE B: IFRS

The Company's consolidated financial results for the three-month and nine-month ended September 30, 2012 are presented in accordance with International Financial Reporting Standards ("IFRS").

### NOTE C: Discontinued Operations

Discontinued operations are measured and presented in accordance with the provisions of IFRS 5 "Non-current Assets Held for Sale and Discontinued Operations". The results of discontinued operations are presented in the income statement in a separate item below income from continuing operations.

## ABOUT G. WILLI-FOOD INTERNATIONAL LTD.

G. Willi-Food International Ltd. (<http://www.willi-food.com>) is an Israeli-based company specializing in high-quality, great-tasting kosher food products. Willi-Food is engaged directly and through its subsidiaries in the design, import, marketing and distribution of over 600 food products worldwide. As one of Israel's leading food importers, Willi-Food markets and sells its food products to over 1,500 customers in Israel and around the world including large retail and private supermarket chains, wholesalers and institutional consumers. The company's operating divisions include Willi-Food in Israel and Gold Frost, a wholly owned subsidiary who designs, develops and distributes branded kosher, dairy-food products.

This press release contains forward-looking statements within the meaning of safe harbor provisions of the Private Securities Litigation Reform Act of 1995 relating to future events or our future performance, such as statements regarding trends, demand for our products and expected sales, operating results, and earnings. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied in those forward-looking statements. These risks and other factors include but are not limited to: monetary risks including changes in marketable securities or changes in currency exchange rates- especially the NIS/U.S. Dollar exchange rate, payment default by any of our major clients, the loss of one of more of our key personnel, changes in laws and regulations, including those relating to the food distribution industry, and inability to meet and maintain regulatory qualifications and approvals for our products, termination of

arrangements with our suppliers, in particular Arla Foods, loss of one or more of our principal clients, increase or decrease in global purchase prices of food products, increasing levels of competition in Israel and other markets in which we do business, changes in economic conditions in Israel, including in particular economic conditions in the Company's core markets, our inability to accurately predict consumption of our products, our inability to successfully integrate our recent acquisitions, insurance coverage not sufficient enough to cover losses of product liability claims and risks associated with product liability claims. We cannot guarantee future results, levels of activity, performance or achievements. The matters discussed in this press release also involve risks and uncertainties summarized under the heading "Risk Factors" in the Company's Annual Report on Form 20-F for the year ended December 31, 2011, filed with the Securities and Exchange Commission on April 30, 2012 and its amendment, filed with the Securities and Exchange Commission on August 30, 2012. These factors are updated from time to time through the filing of reports and registration statements with the Securities and Exchange Commission. We do not assume any obligation to update the forward-looking information contained in this press release.
