Spinnaker Exploration Announces Addition to Management Team

---

HOUSTON, November 5/PRNewswire FirstCall/ Spinnaker Exploration Company (NYSE: SKE) today announced the appointment of Gonzalo Enciso as its Vice President and Chief Geoscientist.

Prior to joining Spinnaker, Mr. Enciso was Chief Geologist for Devon Energy, having joined Devon following their merger with Ocean Energy. Mr. Enciso came to Ocean when the company acquired Seagull Energy in 1999, where he served as Director of New Ventures. Mr. Enciso began his career with Shell Oil Company in 1981.

Mr. Enciso earned both his Bachelor of Science and Master of Science degrees in geology from the University of Kansas. He has presented a number of papers on deepwater sedimentation topics and risk analysis. He is Chairman of the Diversity Membership Sub-Committee of the American Association of Petroleum Geologists.

Spinnaker Exploration Company is an independent energy company engaged in the exploration, development and production of natural gas and oil in the U.S. Gulf of Mexico. To learn more about Spinnaker, the Company's web site may be accessed at [www.spinnakerexploration.com](http://www.spinnakerexploration.com).
