This Proxy Statement is dated March 22, 2004, and is being furnished to our shareholders in connection with our solicitation of appointments of proxy in the enclosed form for use at the 2004 Annual Meeting of our shareholders and at any adjournments of the meeting. The Annual Meeting will be held at the main office of First-Citizens Bank & Trust Company located at 239 Fayetteville Street Mall, Raleigh, North Carolina, at 1:00 p.m. on Monday, April 26, 2004.

In this Proxy Statement, the terms *you*, *your* and similar terms refer to the shareholder receiving it. The terms *we*, *us*, *our* and similar terms refer to First Citizens BancShares, Inc. *FCB* and *IronStone* refer to our banking subsidiaries, First-Citizens Bank & Trust Company and IronStone Bank, and *the Banks* refers to our bank subsidiaries collectively.

Solicitation and Voting of Proxies

A form of appointment of proxy is included with this Proxy Statement that provides for you to name George H. Broadrick, Lewis R. Holding, Frank B. Holding, James B. Hyler, Jr., Frank B. Holding, Jr., Lewis T. Nunnelee II, and David L. Ward, Jr. to act as your Proxies and vote your shares at the Annual Meeting. We ask that you sign and date an appointment of proxy and return it to us in the enclosed envelope so that your shares will be represented at the meeting.

If you sign an appointment of proxy and return it to us before the Annual Meeting, the shares of our voting securities you hold of record will be voted by the Proxies according to your instructions. If you sign and return an appointment of proxy but do not give any voting instructions, then your shares will be voted by the Proxies **FOR** the election of each of the 22 nominees for director named in Proposal 1 below. If, before the Annual Meeting, any nominee named in Proposal 1 becomes unable or unwilling to serve as a director for any reason, the Proxies will have the discretion to vote for a substitute nominee named by our Board of Directors. We are not aware of any other business that will be brought before the Annual Meeting but, if any other matter is properly presented for action by our shareholders, the Proxies will be authorized to vote your shares according to their best judgment. The Proxies also will be authorized to vote your shares according to their best judgment on matters incident to the conduct of the meeting, including adjournments.

Revocation of Appointment of Proxy

If you sign and return an appointment of proxy, you can revoke it at any time before the voting takes place at the Annual Meeting either by filing with our Secretary a written instrument revoking it or an executed appointment of proxy dated as of a later date, or by attending the Annual Meeting and announcing your intention to vote in person.

Expenses and Method of Solicitation

We will pay all costs of our solicitation of appointments of proxy for the Annual Meeting, including costs of preparing and mailing this Proxy Statement. In addition to solicitation by mail, the Banks and our directors, officers and employees may solicit appointments of proxy, personally or by telephone, without additional compensation.

Record Date

The close of business on March 11, 2004, is the Record Date for determining which shareholders are entitled to receive notice of and to vote at the Annual Meeting. You must have been a record holder of our common stock on that date in order to be eligible to vote at the meeting.

Voting Securities

Our voting securities are the 8,758,670 shares of Class A Common Stock (Class A Common) and 1,677,675 shares of Class B Common Stock (Class B Common) that were outstanding on the Record Date. You may cast one vote for each share of Class A Common and 16 votes for each share of Class B Common you held of record on the Record Date on each director to be elected and on each other matter voted on by shareholders at the Annual Meeting.

Voting Procedures; Votes Required for Approval

Our directors are elected by a plurality of the votes cast in elections. So, in the election of directors at the Annual Meeting, the 22 nominees receiving the highest numbers of votes will be elected. Abstentions and broker non-votes will have no effect in the voting for directors, but they will have the same effect as votes against any other matter voted on by our shareholders at the Annual Meeting. You may not vote cumulatively in the election of directors.

Holding covering eight purchases (all by his related interests), and one report by Frank B. Holding, Jr. covering one purchase. Also, our director, Carmen Holding Ames, and the trustees of a trust for Ms. Ames benefit that holds more than 10% of our Class B Common, each filed one report after its due date relating to a transfer of shares between the trust and another trust.

Director Compensation

Each of our directors serves and is compensated as a director of FCB. FCB's and our Boards meet jointly, and directors do not receive any additional compensation for their services as our directors. Except as described below, each director (other than executive officers) receives an annual retainer of \$12,000 and a fee of \$600 for attendance at each Board meeting and at each meeting of a committee held other than in conjunction with a Board meeting. In addition, Mr. Durham, who serves as Chairman of our Audit Committee, receives an annual fee of \$25,000 for his services on that Committee. As executive officers, Lewis R. Holding, Frank B. Holding, James B. Hyler, Jr., and Frank B. Holding, Jr. receive no compensation for their services as directors. In addition to the above fees, certain of our directors receive other compensation from FCB as described below.

Since his retirement from active employment during 1987, George H. Broadrick has received payments of \$4,778 per month under an agreement with FCB under which he agreed to provide consultation services to, and that he will not compete (as defined in the agreement) with, FCB. The agreement expires during 2007.

Charles B. C. Holt, Lucius S. Jones, Joseph T. Maloney, Jr., Victor E. Bell III, and Robert T. Newcomb serve on FCB's local advisory boards in their respective communities and receive a fee of \$125 for attendance at each quarterly advisory board meeting.

Attendance by Directors at Meetings

Board of Directors Meetings. Our Board of Directors met five times during 2003. Each director attended at least 75% of the aggregate number of those meetings and meetings of any committees on which he served.

Annual Meetings. Attendance by our directors at Annual Meetings gives directors an opportunity to meet, talk with and hear the concerns of shareholders who attend those meetings, and it gives those shareholders access to our directors that they may not have at any other time during the year. Our Board of Directors recognizes that directors have their own business interests and are not our full-time employees and that it is not always possible for them to attend Annual Meetings. However, our Board's policy is that attendance by directors at our Annual Meetings is beneficial to us and to our shareholders and that our directors are strongly encouraged to attend each Annual Meeting whenever possible. All of our directors then in office attended our last Annual Meeting which was held during April 2003.

Committees

Our Board of Directors has several standing committees, including an Audit Committee, a Nominating Committee and a Compensation Committee which are described below.

Audit Committee

Function. The Audit Committee acts under a written charter that was revised and reapproved by our Board of Directors during 2003 and again during January 2004. Under its revised charter, the Committee, among other things, appoints our independent accountants each year and approves the compensation and terms of engagement of our accountants, approves services proposed to be provided by the independent accountants, and monitors and oversees the quality and integrity of our accounting process and systems of internal controls. The Committee reviews various reports by our independent accountants (including its annual report on our audited consolidated financial statements) and reports of examinations by our regulatory agencies, and it oversees our internal audit program. At least quarterly the Committee reviews reports on the work of FCB's Audit, Corporate Finance and Commercial Credit Administration Departments. FCB's General Auditor reports directly to the Committee as to all internal audit matters. He reports to FCB's Chief Operating Officer as to all administrative matters. A copy of the Audit Committee's revised charter is attached as an Appendix to this Proxy Statement. The Committee met eight times during 2003.

Members. The current members of the Audit Committee are H. Lee Durham, Jr. (Chairman), John M. Alexander, Jr., H. M. Craig III, and Charles B. C. Holt. We believe that each member of the Committee is an independent director as that term is defined by the listing standards of The Nasdaq Stock Market, and our Board of Directors believes that Mr. Durham is an audit committee financial expert as that term is defined by rules of the Securities and Exchange Commission.

Audit Committee Report. Our management is responsible for our financial reporting process, including our system of internal controls and disclosure controls and procedures, and for the preparation of our consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. Our independent accountants are responsible for auditing those financial statements. The Audit Committee oversees and reviews those processes. In connection with the preparation and audit of our consolidated financial statements for 2003, the Audit Committee has:

- reviewed our audited consolidated financial statements for 2003 and discussed them with management;
- discussed with our independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, as amended;
- received written disclosures and a letter from our independent accountants required by Independence Standards Board Standard No. 1; and

- discussed the independence of our independent accountants with the accountants.

Based on the above reviews and discussions, the Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our 2003 Annual Report on Form 10-K as filed with the Securities and Exchange Commission.

Nominations Committee

Function. During January 2004, our Board of Directors established a Nominations Committee that will act under a written charter approved by the Board. The Board previously did not have a standing nominations committee or any committee serving a similar purpose. Under the Committee's charter, and among other duties and responsibilities assigned from time to time by the Board, the Committee will, in the future, identify individuals who are qualified to become directors and recommend candidates to the Board for selection as nominees for election as directors at our Annual Meetings and for appointment to fill vacancies on the Board. A copy of the Nominations Committee's charter is attached as an Appendix to this Proxy Statement. Since it was only recently appointed, the Committee did not meet during 2003 or take any action with respect to nominees for election as directors at this year's Annual Meeting.

The Committee's Charter provides that the Committee will consider recommendations of candidates submitted in writing by shareholders and that, in identifying candidates to be recommended to the Board of Directors, the Committee will seek to identify and recommend individuals who have high personal and professional integrity, who demonstrate exceptional ability and judgment, and who, with other members of the Board, will be effective in collectively serving the long-term interests of our shareholders. Candidates also must satisfy applicable requirements of state and federal banking regulators. We intend for the Committee to develop procedures to be followed by shareholders who wish to recommend candidates to the Committee (including deadlines for submitting recommendations and information regarding candidates that shareholder should provide with their recommendations). The Committee also may develop other criteria or minimum qualifications for use in identifying candidates, but it has not yet done so.

Members. The members of the new Nominations Committee are R. C. Soles, Jr. (Chairman), Joseph T. Maloney, Jr. and Robert T. Newcomb. We believe that each member of the Committee is an independent director as that term is defined by the listing standards of The Nasdaq Stock Market.

Compensation Committee

Function. Our executive officers serve as officers and employees of and are compensated by the Banks, and they receive no separate compensation from us. For that reason, in the past our Board of Directors has not had a compensation committee. Compensation matters relating to FCB's executive officers have been handled primarily by FCB's Board of Directors and the Compensation Committee of that Board, and compensation matters relating to IronStone's executive officers have been handled primarily by its Board. FCB's Compensation Committee met twice during 2003.

During January 2004, FCB's and our Boards of Directors established a new, joint Compensation Committee that will act under a written charter approved by both Boards. Under the Committee's charter, and among other duties and responsibilities assigned from time to time by the Boards, the Committee will, in the future, make recommendations to FCB's, IronStone's and our Boards of Directors with respect to the compensation paid or provided to our Chief Executive Officer and to other persons considered to be our executive officers. The Committee will assume the duties and responsibilities of FCB's previous committee with respect to FCB's overall compensation program. After receipt of recommendations from the Committee, the Boards of Directors will make all final decisions regarding executive compensation matters. Since it was only recently established, the new Committee did not meet or take any action during 2003.

Members. The members of the new Compensation Committee are Freeman R. Jones (Chairman), Lewis M. Fetterman, and Lewis T. Nunnelee II. The same members served as the members of FCB's separate Committee during 2003. We believe that each of those individuals is an independent director as that term is defined by the listing standards of The Nasdaq Stock Market.

Report on Executive Compensation. FCB's goal is to provide compensation that will enable it to attract and retain qualified and motivated individuals as executive officers. Currently, FCB's executive compensation program includes base salary, discretionary bonuses based upon merit, and contributions to the individual accounts of all participating employees (including executive officers) under FCB's Section 401(k) salary deferral plan. However, FCB also provides retirement and other employee benefit and welfare plans customary for companies of its size.

For 2003, FCB's Compensation Committee made recommendations to FCB's Board of Directors, and that Board made final decisions, regarding the amounts of the 2003 salaries of Lewis R. Holding, Frank B. Holding, James B. Hyler, Jr., and Frank B. Holding, Jr., and the maximum aggregate amount for 2003 merit increases in the salaries of

FCB's other officers and employees. With respect to the above executive officers, the Committee's recommendations were based on its evaluation of their individual levels of responsibility and performance and, in the case of Lewis R. Holding, his current leadership, direction, and historical importance in the development and growth of FCB. With respect to the salaries of other executive officers, the Vice Chairman, with the consent of the Chairman, was directed by the Board to set 2003 salaries on an individual merit basis. The performance of individual executive officers and FCB's financial performance were considered by the Committee in connection with the setting of compensation for 2003. However, that process largely is subjective and there are no specific formulae, objective criteria or other such mechanisms by which the salary or other compensation of executive officers (including the executive officers named above) is tied empirically to their individual performance or to FCB's financial performance. The amounts of contributions to the separate accounts of executive officers under FCB's 401(k) plan were determined solely by the terms of that plan.

FCB's Compensation Committee:

Lewis M. Fetterman

Freeman R. Jones

Lewis T. Nunnelee II

- (1) Includes amounts of salary deferred at each officer's election under our Section 401(k) plan.
- (2) FCB is reimbursed for portions of Mr. F. Holding's salary by First Citizens Bank and Trust Company, Inc., Columbia, South Carolina, and Southern Bank and Trust Company, Mount Olive, North Carolina, pursuant to separate agreements between FCB and those entities. (See Transactions with Related Parties.)
- (3) In addition to compensation paid in cash, the Banks and our executive officers receive various personal benefits. Except in the case of Mr. L. Holding, the value of those non-cash benefits received each year by each named officer did not exceed the lesser of \$50,000 or 10% of his cash compensation for that year. The 2003 amount shown for Mr. L. Holding includes portions of the salaries and benefits of staff personnel that we attribute to their services related to Mr. Holding's personal business (\$33,066), the rental value of warehouse space owned by FCB that was used by Mr. Holding (\$12,000), and other miscellaneous items (\$15,209).
- (4) The 2003 amounts consist entirely of matching contributions on behalf of each named officer under our Section 401(k) plan.

Pension Plan. The following table shows, for various numbers of years of service and levels of compensation, the estimated benefits payable to a participant at normal retirement age under our qualified defined benefit pension plan (the Pension Plan) based on federal tax laws currently in effect.

Benefits shown in the table are computed as straight life annuities beginning at age 65 and are not subject to a deduction for Social Security benefits or any other offset amount. Those benefits will be actuarially increased or decreased if benefit payments begin after or before age 65. A participant's annual compensation covered by the Pension Plan includes base salary, overtime and regular bonuses. A participant's benefits are based on his or her years of service and final average compensation, which is the participant's highest average covered compensation for any five consecutive years during his or her last ten complete calendar years as a Pension Plan participant. However, under current tax laws, \$205,000 is the maximum amount of annual compensation for 2004 that can be included for purposes of calculating a participant's final average compensation, and the maximum annual benefit that may be paid to a retiring participant generally is \$165,000. In the case of participants who begin receiving benefits before or after age 65, the maximum permitted benefit amount is actuarially adjusted. The maximum years of credited service that may be counted in calculating benefits under the Pension Plan is 40 years.

The credited years of service and final average compensation, respectively, as of January 1, 2004, for each of the executive officers named in the Summary Compensation Table above are as follows: Mr. L. Holding 40 years and \$219,224; Mr. F. Holding 40 years and \$219,224; Mr. Hyler 24 years and \$180,000; Mr. F. Holding, Jr. 20 years and \$180,000; and Mr. Parker 37 years and \$180,000. Mr. L. Holding and Mr. F. Holding each remain actively employed by FCB. However, because they each beneficially own more than 5% of our voting securities, federal law required that they begin receiving distributions from the Pension Plan and our Section 401(k) plan after they reached age 70½.

Post-Retirement Consulting Agreements. FCB and IronStone each is party to separate agreements with certain of its senior officers under which it has agreed to make monthly payments to the officers for a period of ten years following their retirement at age 65 or at another age agreed upon between it and an officer. In return for those payments, each officer has agreed to provide limited consultation services to, and not to compete (as defined in the agreements) against, FCB or IronStone during the payment period. If an officer dies prior to retirement, or during the payment period following retirement, the payments due under his or her agreement will be paid to the officer's designated beneficiary or estate. The amounts of monthly payments provided for in the agreements currently in effect between FCB or IronStone and each of the executive officers named in the Summary Compensation Table above are as follows: Mr. L. Holding \$27,904; Mr. F. Holding \$27,904; Mr. Hyler, Jr. \$22,155; Mr. F. Holding, Jr. \$12,366; and Mr. Parker \$11,497. None of those officers have begun receiving payments under their agreements.

Transactions with Related Parties

FCB and IronStone have had, and expect to have in the future, banking transactions in the ordinary course of their business with certain of their and our current directors, nominees for director, executive officers, principal shareholders, and their associates. All loans included in those transactions during 2003 were made on substantially the same terms, including interest rates, repayment terms and collateral, as those prevailing at the time the loans were made for comparable transactions with other persons, and those loans did not involve more than the normal risk of collectibility or present other unfavorable features.

FCB is party to separate contracts (the Services Contracts) with First Citizens Bank and Trust Company, Inc., Columbia, South Carolina (FCB/SC), Southern Bank and Trust Company, Mount Olive, North Carolina (Southern), The Fidelity Bank, Fuquay-Varina, North Carolina (Fidelity), and The Heritage Bank, Lucama, North Carolina (Heritage). Under the Services Contracts, FCB provides to each of those banks and their parent holding companies various services, including data and item processing services, securities portfolio management services, courier services, management consulting services (including, in the case of FCB/SC and Southern, the services of Frank B. Holding as director), and services as trustee for each bank's pension plan and Section 401(k) plan. Aggregate fees billed by FCB for all those services during 2003 totaled approximately \$12,250,000 for FCB/SC, \$3,636,000 for Southern, \$3,684,000 for Fidelity, and \$859,000 for Heritage. Those affiliated banks also purchase supplies, forms and equipment through FCB. Of the amounts billed to FCB/SC and Southern for services, \$112,463 and \$93,538, respectively, represented reimbursement to FCB for a portion of Mr. F. Holding's salary paid by FCB. Mr. F. Holding receives no salary, directors' fees, or other compensation directly from FCB/SC or Southern for the services he renders to them. Mr. F. Holding and Lewis R. Holding, who are our directors, executive officers, and principal shareholders, also are principal shareholders of the parent holding companies of FCB/SC, Southern and Fidelity, and Mr. F. Holding also is a principal shareholder of Heritage.

During 2003, FCB sold the assets (including premises and loans) of four of its branch offices to Fidelity. The total amount of assets transferred was approximately \$33,415,312. In connection with the transaction Fidelity assumed approximately \$114,727,498 in deposit liabilities associated with the branch offices, and it paid a deposit premium to FCB of approximately \$7,589,646.

David L. Ward, Jr., one of our directors, is the senior member of Ward and Smith, P.A., the law firm that serves as our General Counsel and provides legal services to us, FCB and IronStone. An aggregate of \$4,925,256 was paid to that firm for its services during 2003, and the firm will continue to provide legal services to us during 2004.

Robert T. Newcomb, one of our directors, is President of Newcomb and Company, a mechanical contracting firm. During 2003, that firm provided services as a subcontractor in connection with the construction or renovation of, or other services related to, certain of FCB's banking offices. The aggregate amount received by Mr. Newcomb's company for those services was \$81,588.

INDEPENDENT ACCOUNTANTS

Appointment of Independent Accountants

KPMG LLP served as our independent accountants for 2003. Representatives of KPMG LLP are expected to attend the Annual Meeting and be available to respond to appropriate questions, and they will have the opportunity to make a statement if they desire to do so.

Our Audit Committee's charter gives it the responsibility and authority to select and appoint our independent accountants and to approve the compensation and terms of the engagement of our accountants. The Committee has appointed KPMG LLP to serve as our independent accountants again for 2004.

Services and Fees During 2002 and 2003

As our independent accountants for 2002 and 2003, KPMG LLP provided various audit and other services for which we and our subsidiaries were billed for fees as further described below. Except as described below, under its current procedures our Audit Committee pre-approves all audit services and other services provided by our accountants. Since it is difficult to determine in advance the exact nature and extent of the tax services or advice we will need during the year, the Committee authorizes our management to obtain tax services from our accountants during the year up to specified maximum amounts of fees set by the Committee by category of service. Requests for advice in addition to those amounts require further Committee approval. The entire Audit Committee generally participates in the pre-approval of services. However, in the case of proposals that arise during the year to obtain services from our accountants beyond what has been pre-approved by the Committee, the Committee delegates authority to its Chairman to approve those additional services on behalf of the Committee. Any such action by the Chairman is to be communicated to the full Committee at its next regularly scheduled meeting.

Our Audit Committee has considered whether KPMG LLP's provision of non-audit services is compatible with maintaining its independence. The Committee believes that those services do not affect KPMG LLP's independence.

Edgar Filing: FIRST CITIZENS BANCSHARES INC /DE/ - Form DEF 14A

Audit Fees. For 2002 and 2003, KPMG LLP audited our consolidated financial statements included in our Annual Reports on Form 10-K, reviewed the condensed interim financial statements included in our Quarterly Reports on Form 10-Q, and provided various other audit services. The aggregate amounts of fees billed to us for these services were \$380,000 for 2002 and \$450,750 for 2003.

Audit-Related Fees. During 2002 and 2003, we paid KPMG LLP \$258,000 and \$269,000, respectively, for audit-related services consisting of audits of employee benefit plans and collective investment funds and third-party review reports.

Tax Fees. During 2002 and 2003, we paid KPMG LLP \$35,585 and \$43,600, respectively, for reviews of our tax returns and consultations regarding general tax matters.

All Other Fees. During 2002 and 2003, KPMG LLP provided no services other than those listed above.

PROPOSALS FOR 2005 ANNUAL MEETING

Any proposal of a shareholder that is intended to be presented for action at our 2005 Annual Meeting must be received by us in writing at our main office in Raleigh, North Carolina, no later than November 22, 2004, to be considered timely received for inclusion in the Proxy Statement and form of appointment of proxy that we will distribute in connection with that meeting. In order to be included in our proxy materials for a particular meeting, the person submitting the proposal must own, beneficially or of record, at least 1% or \$2,000 in market value of shares of our stock entitled to be voted on that proposal at the meeting and must have held those shares for a period of at least one year and continue to hold them through the date of the meeting. Also, the proposal and the shareholder submitting it must comply with certain other eligibility and procedural requirements contained in rules of the Securities and Exchange Commission.

Under our Bylaws, written notice of a shareholder proposal intended to be presented at our 2005 Annual Meeting but which is not intended to be included in our Proxy Statement and form of appointment of proxy, or of a shareholder's intent to nominate a person for election as a director at our 2005 Annual Meeting, must be received by us at our main office in Raleigh, North Carolina, no earlier than December 22, 2004, and no later than February 5, 2005, in order for that proposal or nomination to be brought before that Annual Meeting. The same notice requirements apply in the case of a shareholder proposal other than a nomination in order for that proposal to be considered timely received for purposes of the Proxies' discretionary authority to vote on other matters presented for action by shareholders at our 2005 Annual Meeting. However, if, following our 2004 Annual Meeting, our Board of Directors increases the number of our directors, thereby creating an unfilled vacancy that will be filled at our 2005 Annual Meeting, and if there is no public announcement naming the nominee to fill the vacancy at least 100 days prior to the first anniversary of our 2004 Annual Meeting, then a shareholder's written notice of a nomination to fill the vacancy will be treated as timely if it is received by us not later than the close of business on the tenth day following the day on which our public notice actually is given. To be effective, notices of shareholder proposals or nominations are required to contain certain information specified in our Bylaws. Shareholder proposals or nominations not made as provided in our Bylaws will not be considered at Annual Meetings.

CHARTER OF THE AUDIT COMMITTEE OF THE BOARDS OF DIRECTORS

January 26, 2004

PURPOSE

The Audit Committee of the Board of Directors of First Citizens BancShares, Inc. (FCBS) and First-Citizens Bank & Trust Company (FCBT), and of their respective subsidiaries, IronStone Bank (IronStone) and First Citizens Bank, National Association (FCBNA) (the Audit Committee), shall be appointed jointly by the Boards of Directors of FCBS and FCBT to assist the Boards of Directors of FCBS, FCBT, IronStone and FCBNA (collectively, the Companies) in fulfilling their oversight responsibilities and to perform the duties of an independent Audit Committee of each of the Companies.

LIMITATION

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to ensure that the Companies' financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Each member of the Audit Committee shall be entitled to rely on the advice, expertise and integrity of those persons and organizations within and outside the Companies that provide information to the Audit Committee and the accuracy and completeness of the financial and other information provided to the Audit Committee by such persons or organizations, absent actual knowledge that such reliance is not reasonable or warranted.

AUTHORITY

The Audit Committee shall have the authority to:

- Employ, discharge, compensate, and oversee the work of independent auditors selected by the Audit Committee to conduct the annual audit of FCBS consolidated financial statements. This independent audit firm shall report directly to the Audit Committee.
- Resolve any disagreements between management and the independent auditors regarding financial reporting or any other matter.
- Retain, at its discretion and without management or the Board's prior permission, independent counsel, accountants, or others to advise the Audit Committee or assist it in carrying out its duties, and to direct the Companies to pay reasonable compensation for such services at the Companies' expense.
- Seek any information it requires from employees - all of whom are directed to cooperate with the Audit Committee's requests - or external parties.
- Meet with company officers, independent auditors, or outside counsel, as necessary.

To the extent not inconsistent with other sections of this Charter or applicable laws or regulations, the Audit Committee may delegate authority to subcommittees or individual members.

COMPOSITION

The Audit Committee shall consist of at least three and no more than seven members of the Board. Each member of the Audit Committee shall (i) be an independent director of FCBS under regulations of the Securities and Exchange Commission and the listing requirements of The Nasdaq Stock Market (except to the extent otherwise permitted by those regulations or requirements), and (ii) be able to read and understand fundamental financial statements. No person shall be appointed as an Audit Committee member if he or she owns or controls 20% or more of FCBS voting securities.

The Boards of FCBS and FCBT shall appoint Audit Committee members and the Audit Committee Chair for terms of one year or until their successors shall be elected, whichever is longer; provided, however, that the term of an Audit Committee member shall end upon his or her death or resignation, the termination of the member's service as a director of FCBS, or the occurrence of any event that causes the member to no longer qualify to serve as a Director of FCBS or to be eligible to continue as a member of the Audit Committee. The Board, in its discretion, may designate an Audit Committee member as an audit committee financial expert. The audit committee financial expert is an Audit Committee member who has the experience and knowledge that, in the judgment of the Board, qualifies him or her to be so designated under the regulations of the Securities and Exchange Commission. At least two members of the Audit Committee shall have banking or related financial management expertise sufficient to comply with applicable regulations of the Federal Deposit Insurance Corporation.

MEETINGS

The Audit Committee shall meet at least four times per year, and it shall have the authority to convene additional meetings, as circumstances require. It shall meet separately and independently, on a periodic basis, with management and with the Companies' General Counsel, internal auditors and independent auditors. It shall also meet periodically in executive session. Appropriate briefing materials shall be prepared and provided in advance to members. Minutes of all meetings shall be prepared and maintained.

CHARTER OF THE NOMINATIONS COMMITTEE

As approved by the Board of Directors on January 26, 2004

This Charter sets forth the composition, authority, duties and responsibilities of the Nominations Committee of the Board of Directors of First Citizens BancShares, Inc. (the Corporation).

Purpose

The Nominations Committee (the Committee) is established as a committee of the Corporation's Board of Directors generally to identify and make recommendations to the Board regarding candidates for service as directors and members of committees of the Corporation and its two subsidiaries, First-Citizens Bank & Trust Company (the Bank) and IronStone Bank (IronStone). The Committee will have such other duties and responsibilities as are described in this Charter or as are assigned to it from time to time by the Board of Directors.

Composition and Appointment

The Committee will be comprised of not less than three members who will be appointed annually by the Board of Directors. Members of the Committee will serve at the pleasure of, and may be removed at any time by, the Board of Directors. The Board will appoint one of the members of the Committee to serve as Committee Chairman. Except to the extent otherwise permitted by the listing standards of The Nasdaq Stock Market, each member of the Committee must be a director of the Corporation who is independent as that term is defined in those listing standards. Members of the Committee also must satisfy any other requirements of Nasdaq or the Securities and Exchange Commission that from time to time apply to the Corporation's Nominations Committee.

Committee Meetings

The Committee will meet as often as its members consider necessary in order to carry out the Committee's responsibilities. Dates, times and locations of meetings will be determined by the Committee or by its Chairman. A majority of the number of regular members then serving on the Committee will constitute a quorum. The Committee itself will determine who, if anyone, other than Committee members may be present during its deliberations or voting on any matter. The Committee will keep minutes of its meetings and, following each Committee meeting, the Chairman will make a report to the Board of Directors at its next scheduled meeting regarding the deliberations of or actions taken by the

Committee.

Responsibilities

The Committee will:

- identify individuals who are qualified to become directors of the Corporation, the Bank and IronStone;
- recommend candidates to the Corporation's Board of Directors each year for selection as nominees for election as directors of the Corporation at annual meetings of the Corporation's shareholders;
- recommend candidates to the Corporation's Board of Directors from time to time for selection as nominees for appointment to fill vacancies on the Board of Directors;
- recommend candidates to the Corporation's Board of Directors from time to time for election by it as directors of the Bank and IronStone;
- make recommendations to the Corporation's, the Bank's and IronStone's Boards of Directors each year or from time to time regarding their appointment of members of committees of the Boards of Directors;

B-1

- make recommendations to the Corporation's Board of Directors from time to time regarding the size and composition of the Corporation's, the Bank's and IronStone's Boards and Board Committees; and
- undertake other specific duties and responsibilities within the scope of its primary functions outlined above as the Committee or Board of Directors may from time to time determine.

In identifying candidates to be recommended to the Corporation's Board of Directors for selection as nominees or for appointment to fill vacancies, the Committee will seek to identify and recommend individuals who have high personal and professional integrity, who demonstrate exceptional ability and judgment, and who, in conjunction with other members of the Boards of Directors, will be effective in collectively serving the long-term interests of the Corporation's shareholders. Candidates recommended by the Committee must satisfy applicable requirements of state and federal banking regulators pertaining to qualifications to serve as directors of the Corporation, the Bank and/or IronStone, and, in performing its duties, the Committee may develop other criteria or lists of minimum qualifications for use in its identification of individuals to be recommended or selected for consideration as directors (including, without limitation, independence, business experience relevant to the needs of the Corporation and its subsidiaries, leadership qualities, diversity, and special ability to represent shareholders). Any such criteria will be subject to the review and approval of the Board of Directors.

In identifying candidates to be recommended to the Board of Directors for selection as nominees for election as directors of the Corporation or for appointment to fill vacancies on the Corporation's Board, the Committee will consider individuals recommended by shareholders. The Committee may develop procedures to be followed in connection with shareholder recommendations (including without limitation deadlines for receipt of recommendations in connection with annual meetings, required information to be provided regarding a candidate, required consents of candidates to be considered by the Committee, and the treatment of previously recommended individuals). Any such procedures will be subject to the review and approval of the Board of Directors.

After receipt of recommendations from the Committee regarding candidates for election or appointment as directors of the Corporation, the Bank or IronStone, the Corporation's Board of Directors will make all final decisions regarding the nomination or appointment of those persons.

Authority

The Committee is authorized to perform each of its duties and responsibilities listed in this Charter. If it considers it appropriate, the Committee may delegate any of its responsibilities to a subcommittee, provided that any such subcommittee is composed entirely of independent directors. In discharging its responsibilities, the Committee is authorized to retain outside counsel or other consultants (including a search firm) in accordance with procedures established by the Committee, and it has the authority to approve all terms of the engagement of those consultants, including their fees or other compensation.

In performing its duties under this Charter, the Committee may conduct such investigation and request and consider such information (from management or otherwise) as it shall consider necessary, relevant or helpful in its deliberations and the formulation of its recommendations. In connection with any such investigation, the Committee may rely on information provided to it by management without any further verification. However, whenever the Committee takes an action, it will exercise its independent judgment on an informed basis and in a manner it considers to be in the best interests of the Corporation and its shareholders.

Annual Assessment of Adequacy of Policy

The Committee will, on an annual basis, review and reassess the adequacy of this Charter and recommend any proposed changes to the Board of Directors for approval.

March 22, 2004

Dear Shareholder:

I am pleased to present First Citizens BancShares' 2004 Proxy Statement and the 2003 Annual Report.

In the enclosed materials, you will learn about our major accomplishments and strategic objectives in 2003:

Despite a historic low interest rate environment, our financial position in 2003 reflected our disciplined approach to balance sheet liquidity and focus on strong asset quality.

We continued building our IronStone Bank franchise, opening new offices in Arizona and California and announcing new markets in Colorado and New Mexico. In 2004, we received regulatory approval to expand into Oregon, and we filed an application for entry into Washington.

Our growing geographic reach across the United States prompted our decision to change the Atlantic States Bank subsidiary name in Georgia and Florida to IronStone Bank. You will learn more about the name change on the other side of this statement.

We strengthened our business offerings through a new subsidiary, acquisitions and expanded delivery channels.

And we continued to integrate and strengthen retail, business and wealth management services to heighten our competitive advantage.

At First Citizens, we are excited about the future. Our strategic objectives, strong balance sheet and investments in technology and expansion strongly position us for greater success in attracting and retaining customers across our expanding franchise.

Sincerely,

Lewis R. Holding

Chairman of the Board
