DEAR CISCO SYSTEMS SHAREHOLDER:

You are cordially invited to attend the Annual Meeting of Shareholders of Cisco Systems, Inc., which will be held at the Santa Clara Convention Center in Exhibit Hall A, located at 5001 Great America Parkway, Santa Clara, California on Thursday, November 18, 2004, at 10:00 a.m. Pacific Time. You will find a map with directions to the meeting on the outside back cover of the Proxy Statement.

Details of the business to be conducted at the meeting are given in the attached Notice of Annual Meeting of Shareholders and the attached Proxy Statement.

Whether or not you plan to attend the meeting, please vote as soon as possible. You may vote over the Internet, by telephone or by mailing a completed proxy card as an alternative to voting in person at the meeting. Voting by any of these methods will ensure your representation at the meeting.

We look forward to seeing you at the meeting.

John T. Chambers

President and Chief Executive Officer

San Jose, California

YOUR VOTE IS IMPORTANT

In order to ensure your representation at the meeting, please complete, sign and date the enclosed proxy as promptly as possible and return it in the enclosed envelope (to which no postage need be affixed if mailed in the United States) or submit your proxy and voting instructions over the Internet or by telephone. Please refer to the section entitled "Voting via the Internet, by Telephone or by Mail" on page 2 of the Proxy Statement for a description of these voting methods.

NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

To Be Held November 18, 2004

The Annual Meeting of Shareholders of Cisco Systems, Inc. will be held at the Santa Clara Convention Center in Exhibit Hall A, located at 5001 Great America Parkway, Santa Clara, California on Thursday, November 18, 2004, at 10:00 a.m. Pacific Time for the following purposes:

1. To elect twelve members of Cisco's Board of Directors;
2. To ratify the appointment of PricewaterhouseCoopers LLP as Cisco's independent registered public accounting firm for the fiscal year ending July 30, 2005;
3. To vote upon a proposal submitted by shareholders, if properly presented at the meeting; and
4. To act upon such other matters as may properly come before the meeting or any adjournments or postponements thereof.

The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice. The record date for determining those shareholders who will be entitled to notice of, and to vote at, the meeting and at any adjournments thereof is September 20, 2004. The stock transfer books will not be closed between the record date and the date of the meeting. A list of shareholders entitled to vote at the meeting will be available for inspection at Cisco's principal executive offices.

Whether or not you plan to attend the meeting, please vote as soon as possible. You may vote via the Internet, by telephone or by mailing a completed proxy card as an alternative to voting in person at the meeting. For detailed information regarding voting instructions, please refer to the section entitled "Voting via the Internet, by Telephone or by Mail" on page 2 of the Proxy Statement. You may revoke a previously delivered proxy at any time prior to the meeting. If you decide to attend the meeting and wish to change your proxy vote, you may do so automatically by voting in person at the meeting.

PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

These proxy materials are provided in connection with the solicitation of proxies by the Board of Directors of Cisco Systems, Inc., a California corporation, for the Annual Meeting of Shareholders to be held at 10:00 a.m. Pacific Time on November 18, 2004, at the Santa Clara Convention Center in Exhibit Hall A, located at 5001 Great America Parkway, Santa Clara, California, and at any adjournments or postponements of the meeting. These proxy materials were first mailed on or about September 28, 2004 to all shareholders entitled to vote at the meeting.

PURPOSE OF MEETING

The specific proposals to be considered and acted upon at the meeting are summarized in the accompanying Notice of Annual Meeting of Shareholders. Each proposal is described in more detail in this Proxy Statement.

VOTING RIGHTS AND SOLICITATION

Voting

Only shareholders of record of Cisco common stock on September 20, 2004, the record date, will be entitled to vote at the meeting. Each shareholder of record will be entitled to one vote on each matter for each share of common stock held on the record date. On the record date, there were 6,646,175,633 shares of common stock outstanding. A majority of the outstanding shares of common stock must be present or represented by proxy at the meeting in order to have a quorum. Abstentions and broker non-votes will be treated as shares present for the purpose of determining the presence of a quorum for the transaction of business at the meeting. In the election of directors, the twelve nominees receiving the highest number of affirmative votes will be elected. Proposal Nos. 2 and 3 require the approval of the affirmative vote of a majority of the shares of common stock present or represented by proxy and voting at the meeting, together with the affirmative vote of a majority of the required quorum. Abstentions and broker non-votes can have the effect of preventing approval of a proposal where the number of affirmative votes, though a majority of the votes cast, does not constitute a majority of the required quorum. If the persons present or represented by proxy at the meeting constitute the holders of less than a majority of the outstanding shares of common stock as of the record date, the meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum. The inspector of elections appointed for the meeting will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Recommendations of the Board of Directors

Cisco's Board of Directors recommends that you vote **FOR** each of the nominees of the Board of Directors (Proposal No. 1), **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as Cisco's independent registered public accounting firm for the fiscal year ending July 30, 2005 (Proposal No. 2) and **AGAINST** the shareholder proposal (Proposal No. 3).

Table of Contents

Voting via the Internet, by Telephone or by Mail

Shareholders whose shares are registered in their own names may vote via the Internet, by telephone or by mailing a completed proxy card as an alternative to voting in person at the meeting. Instructions for voting via the Internet or by telephone are set forth on the enclosed proxy card. To vote by mailing a proxy card, sign and return the enclosed proxy card in the enclosed prepaid and addressed envelope, and your shares will be voted at the meeting in the manner you direct. In the event that you return a signed proxy card on which no directions are specified, your shares will be voted **FOR** each of the nominees of the Board of Directors (Proposal No. 1), **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as Cisco's independent registered public accounting firm for the fiscal year ending July 30, 2005 (Proposal No. 2), **AGAINST** the shareholder proposal (Proposal No. 3) and in the discretion of the proxy holders as to any other matters that may properly come before the meeting. You may revoke or change a previously delivered proxy at any time before the meeting by delivering another proxy with a later date or by sending written notice of revocation of your proxy to Cisco's Secretary at Cisco's principal executive offices before the beginning of the meeting. You may also revoke your proxy by attending the meeting and voting in person, although attendance at the meeting will not in and of itself revoke a valid proxy that was previously delivered.

If your shares are registered in the name of a bank or brokerage firm you will receive instructions from your holder of record that must be followed in order for the record holder to vote the shares per your instructions. Many banks and brokerage firms have a process for their beneficial holders to provide instructions over the phone or via the Internet. If Internet or telephone voting is unavailable from your bank or brokerage firm, please complete and return the enclosed voting instruction card in the addressed, postage paid envelope provided. Shareholders who elected to receive the 2004 Proxy Statement and Annual Report to Shareholders over the Internet will be receiving an e-mail on or about October 8, 2004 with information on how to access shareholder information and instructions for voting.

Proxy Solicitation Costs

Cisco will bear the entire cost of this solicitation of proxies, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy, and any additional solicitation material that Cisco may provide to shareholders. Copies of solicitation material will be provided to brokerage firms, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners. In addition, Cisco has retained Georgeson Shareholder Communications, Inc. to act as a proxy solicitor in conjunction with the meeting. Cisco has agreed to pay that firm \$15,000, plus reasonable out of pocket expenses, for proxy solicitation services. The original solicitation of proxies by mail may be supplemented by solicitation by telephone, telegram and other means by directors, officers and employees of Cisco. No additional compensation will be paid to these individuals for any such services.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS****General**

The names of persons who are nominees for director and their positions and offices with Cisco are set forth in the table below. The proxy holders intend to vote all proxies received by them for the nominees listed below unless otherwise instructed. The authorized number of directors is presently twelve. Each of the current directors has been nominated by the Nomination and Governance Committee for election and has decided to stand for re-election. Ms. Burns was appointed to the Board of Directors in November 2003 upon the recommendation of the Nomination and Governance Committee. Ms. Burns was brought to the attention of the Nomination and Governance Committee as a candidate by Mr. Chambers, Cisco's Chief Executive Officer. Mr. Chambers had previously served on the board of directors of Wal-Mart Stores, Inc. with Ms. Burns.

Proxies may not be voted for more than twelve directors. In the event any nominee is unable or declines to serve as a director at the time of the meeting, the proxies will be voted for any nominee, if any, who may be designated by the Board of Directors to fill the vacancy. As of the date of this Proxy Statement, the Board of Directors is not aware that any nominee is unable or will decline to serve as a director. The twelve nominees receiving the highest number of affirmative votes of the shares entitled to vote at the meeting will be elected to the Board of Directors to serve until the next annual meeting of shareholders and until their successors have been elected and qualified. Shareholders may not cumulate votes in the election of directors.

Corporate Governance

Cisco maintains a corporate governance page on its website which includes key information about its corporate governance initiatives, including Cisco's Corporate Governance Policies, Cisco's Code of Business Conduct, and charters for the committees of the Board of Directors. The corporate governance page can be found at www.cisco.com, by clicking on About Cisco, and then on Corporate Governance, under Investor Relations.

Cisco's policies and practices reflect corporate governance initiatives that are compliant with the listing requirements of Nasdaq and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

The Board of Directors has adopted clear corporate governance policies;

A majority of the board members are independent of Cisco and its management;

All members of the key board committees—the Audit Committee, the Compensation and Management Development Committee, and the Nomination and Governance Committee—are independent;

The independent members of the Board of Directors meet regularly without the presence of management;

Cisco has a clear code of business conduct that is monitored by its ethics office and is annually affirmed by its employees;

The charters of the board committees clearly establish their respective roles and responsibilities;

Cisco has an ethics office with a hotline available to all employees, and Cisco's Audit Committee has procedures in place for the anonymous submission of employee complaints on accounting, internal accounting controls, or auditing matters;

Cisco has adopted a code of ethics that applies to its principal executive officer and all members of its finance department, including the principal financial officer and principal accounting officer; and

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

Cisco's internal audit control function maintains critical oversight over the key areas of its business and financial processes and controls, and reports directly to Cisco's Audit Committee.

Independent Directors

The Board of Directors has affirmatively determined that each member of the Board of Directors other than Mr. Carter, Mr. Chambers and Mr. Morgridge is independent under the criteria established by Nasdaq for independent board members. In addition, the Board of Directors has determined that the members of the Audit Committee meet the additional independence criteria required for audit committee membership.

Board Committees and Meetings

During Cisco's fiscal year ended July 31, 2004, the Board of Directors held six meetings. During this period, all of the directors attended or participated in more than 75% of the aggregate of the total number of

Table of Contents

meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which each such director served, except for Mr. Yang. Cisco's directors are strongly encouraged to attend the annual meeting of shareholders. All of Cisco's directors standing for re-election attended last year's annual meeting.

Cisco has six standing committees: the Acquisition Committee, the Audit Committee, the Compensation and Management Development Committee, the Investment/Finance Committee, the Nomination and Governance Committee and the Technology Committee. Each of these committees has a written charter approved by the Board of Directors. A copy of each charter can be found under the Investor Relations section of our website at www.cisco.com. Additionally, a copy of the charter for the Audit Committee is attached hereto as [Appendix A](#). The members of the committees are identified in the following table.

Acquisition Committee

The Acquisition Committee reviews acquisition strategies and opportunities with management, approves certain acquisitions and investment transactions and also makes recommendations to the Board of Directors. This committee held four meetings during the last fiscal year.

Audit Committee

The Audit Committee is responsible for reviewing the financial information which will be provided to shareholders and others, reviewing the systems of internal controls which management and the Board of Directors have established, appointing, retaining and overseeing the performance of the independent registered public accounting firm, overseeing Cisco's accounting and financial reporting processes and the audits of Cisco's financial statements, and pre-approving audit and permissible non-audit services provided by the independent registered public accounting firm. This committee held fourteen meetings during the last fiscal year. The Board of Directors has determined that each of Ms.

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

Burns and Mr. McGeary is an audit committee financial expert as defined in Item 401(h) of Regulation S-K. Each member of this committee is an independent director and meets each of the other requirements for audit committee members under applicable Nasdaq listing standards.

Table of Contents

Compensation and Management Development Committee

The Compensation and Management Development Committee's basic responsibility is to review the performance and development of management in achieving corporate goals and objectives and to assure that Cisco's senior executives are compensated effectively in a manner consistent with Cisco's strategy, competitive practice, and the requirements of the appropriate regulatory bodies. Toward that end, this committee oversees, reviews and administers all of Cisco's compensation, equity and employee benefit plans and programs. This committee held six meetings during the last fiscal year. Each member of this committee is an independent director under applicable Nasdaq listing standards, an outside director as defined in Section 162(m) of the Internal Revenue Code and a non-employee director as defined in Rule 16b-3 under the Securities Exchange Act of 1934.

Investment/Finance Committee

The Investment/Finance Committee reviews and approves Cisco's global investment policy, reviews minority investments, fixed income assets and insurance risk management policies and programs, oversees Cisco's stock repurchase programs, and also reviews Cisco's currency, interest rate and equity risk management policies. This committee is also authorized to approve the issuance of debt securities, certain real estate acquisitions and leases, and charitable contributions made on behalf of Cisco. This committee held three meetings during the last fiscal year.

Nomination and Governance Committee

The Nomination and Governance Committee is responsible for overseeing, reviewing and making periodic recommendations concerning Cisco's corporate governance policies, and for recommending to the full Board of Directors candidates for election to the Board of Directors. This committee held five meetings during the last fiscal year. Each member of this committee is an independent director under applicable Nasdaq listing standards.

Nominees for the Board of Directors should be committed to enhancing long-term shareholder value and must possess a high level of personal and professional ethics, sound business judgment and integrity. The Board of Directors' policy is to encourage selection of directors who will contribute to Cisco's overall corporate goals: responsibility to its shareholders, technology leadership, effective execution, high customer satisfaction and superior employee working environment. The Nomination and Governance Committee may from time to time review the appropriate skills and characteristics required of board members, including such factors as business experience, diversity, and personal skills in technology, finance, marketing, international business, financial reporting and other areas that are expected to contribute to an effective Board of Directors. In evaluating potential candidates for the Board of Directors, the Nomination and Governance Committee considers these factors in the light of the specific needs of the Board of Directors at that time.

In recommending candidates for election to the Board of Directors, the Nomination and Governance Committee considers nominees recommended by directors, officers, employees, shareholders and others, using the same criteria to evaluate all candidates. The Nomination and Governance Committee reviews each candidate's qualifications, including whether a candidate possesses any of the specific qualities and skills desirable in certain members of the Board of Directors. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate. Upon selection of a qualified candidate, the Nomination and Governance Committee would recommend the candidate for consideration by the full Board of Directors. The Nomination and Governance Committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees. To recommend a prospective nominee for the Nomination and Governance Committee's consideration, submit the candidate's name and qualifications to Cisco's Secretary in writing to the following address: Cisco Systems, Inc., Attn: Secretary, 170 West Tasman Drive, San Jose, California 95134, with a copy to Cisco Systems,

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

Inc., Attn: General Counsel at the same address. When submitting candidates for nomination to be elected at the Company's annual meeting of shareholders, shareholders must also follow the notice procedures and provide the information required by Cisco's bylaws.

Table of Contents

In particular, for the Nominating and Governance Committee to consider a candidate recommended by a shareholder for nomination at the 2005 annual meeting, the recommendation must be delivered or mailed to and received by the Secretary between June 30, 2005 and July 30, 2005 (or, if the 2005 annual meeting is not held within 30 days of the anniversary of the date of the 2004 annual meeting, within 10 days after Cisco's public announcement of the date of the 2005 annual meeting). The recommendation must include the information specified in Cisco's bylaws, including the following:

The shareholder's name and address and the beneficial owner, if any, on whose behalf the nomination is proposed;

The shareholder's reason for making the nomination at the annual meeting, and the signed consent of the nominee to serve if elected;

The number of shares owned by, and any material interest of, the record owner and the beneficial owner, if any, on whose behalf the record owner is proposing the nominee;

A description of any arrangements or understandings between the shareholder, the nominee and any other person regarding the nomination; and

Information regarding the nominee that would be required to be included in Cisco's proxy statement by the rules of the Securities and Exchange Commission, including the nominee's age, business experience for the past five years and any other directorships held by the nominee.

Technology Committee

The Technology Committee is responsible for reviewing Cisco's technology development and strategic opportunities, including in the context of Cisco's long term strategic planning in both new and existing businesses and markets. This committee, which was established in March 2004, did not hold any meetings during the last fiscal year.

Director Compensation

During the 2004 fiscal year, non-employee directors were each paid a \$75,000 annual retainer fee for serving on the Board of Directors. The chair of the Audit Committee received an additional annual retainer of \$25,000, the chair of the Compensation and Management Development Committee received an additional annual retainer of \$10,000 and each non-employee member of each standing committee received an additional fee of \$2,000 per meeting attended. During the 2004 fiscal year, non-employee directors were eligible to participate in the Discretionary Option Grant Program in effect under the 1996 Stock Incentive Plan and to receive periodic option grants under the Automatic Option Grant Program in effect under the 1996 Stock Incentive Plan.

On November 11, 2003, the date of the last Annual Meeting of Shareholders, each of the following non-employee directors re-elected to the Board of Directors received option grants under the 1996 Stock Incentive Plan for 20,000 shares of common stock with an exercise price of \$22.35 per share: Ms. Bartz, Dr. Gibbons, Dr. Hennessy, Mr. Morgan, Mr. Valentine, Mr. West and Mr. Yang. The shares subject to these options vest in two equal annual installments upon the completion of each year of board service. Ms. Burns received initial option grants under the 1996 Stock Incentive Plan for 50,000 shares upon her appointment to the Board of Directors on November 11, 2003, with an exercise price of \$22.35 per share. The shares subject to these options vest in four equal annual installments upon the completion of each year of board service.

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

The exercise price for each option is equal to the closing selling price per share of common stock on the grant date. Each option has a term of nine years measured from the grant date, subject to earlier termination following the optionee's cessation of board service. Each option is immediately exercisable for all of the shares underlying the option; however, any shares so purchased that remain unvested at the time of the optionee's cessation of board service will be subject to Cisco's right to repurchase, at the option exercise price paid per share. Shares underlying the options vest immediately in full upon certain changes in control or ownership of Cisco or upon the optionee's death or disability while a member of the Board of Directors.

Shareholder Communications with the Board of Directors

Shareholders may communicate with Cisco's Board of Directors through Cisco's Secretary by sending an email to bod@cisco.com, or by writing to the following address: Board of Directors, c/o Secretary, Cisco Systems, Inc., 170 West Tasman Drive, San Jose, California 95134. Cisco's Secretary will forward all correspondence to the Board of Directors, except for spam, junk mail, mass mailings, product complaints or inquiries, job inquiries, surveys, business solicitations or advertisements, or patently offensive or otherwise inappropriate material. Cisco's Secretary may forward certain correspondence, such as product-related inquiries, elsewhere within Cisco for review and possible response.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote **FOR** the election of each of the nominees listed herein.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

Cisco is asking the shareholders to ratify the Audit Committee's appointment of PricewaterhouseCoopers LLP as Cisco's independent registered public accounting firm for the fiscal year ending July 30, 2005. In the event the shareholders fail to ratify the appointment, the Audit Committee will reconsider this appointment. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in Cisco's and its shareholders' best interests.

PricewaterhouseCoopers LLP has audited Cisco's consolidated financial statements annually since Cisco's 1988 fiscal year. Representatives of PricewaterhouseCoopers LLP are expected to be present at the meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

Principal Accountant Fees and Services

The following is a summary of the fees billed to Cisco by PricewaterhouseCoopers LLP for professional services rendered for the fiscal years ended July 31, 2004 and July 26, 2003:

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

Fee Category	Fiscal 2004 Fees	Fiscal 2003 Fees
Audit Fees	\$ 3,902,000	\$ 2,805,000
Audit-Related Fees	6,401,000	730,000
Tax Fees	10,600,000	12,895,000
All Other Fees	884,000	837,000
Total Fees	\$ 21,787,000	\$ 17,267,000

Audit Fees. Consists of fees billed for professional services rendered for the audit of Cisco's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by PricewaterhouseCoopers LLP in connection with statutory and regulatory filings or engagements.

Table of Contents

Audit-Related Fees. Consists of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of Cisco's consolidated financial statements and are not reported under Audit Fees. These services include professional services requested by Cisco in connection with its preparation for compliance with Section 404 of the Sarbanes-Oxley Act of 2002, employee benefit plan audits, accounting consultations in connection with acquisitions, attest services that are not required by statute or regulation, and consultations concerning financial accounting and reporting standards. Approximately \$6,050,000 of the fiscal 2004 Audit-Related Fees relate to the additional professional services requested by Cisco in connection with its preparation for compliance with Section 404 of the Sarbanes-Oxley Act of 2002. Cisco is required to comply with Section 404 as of its fiscal year ending July 30, 2005.

Tax Fees. Consists of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and international tax compliance, assistance with tax reporting requirements and audit compliance, assistance with customs and duties compliance, value-added tax compliance, mergers and acquisitions tax compliance, and tax advice on international and state tax matters. Tax compliance fees were \$10,256,000 and \$11,824,000 in fiscal 2004 and 2003, respectively. All other tax fees were \$344,000 and \$1,071,000 in fiscal 2004 and 2003, respectively. Cisco is currently transitioning a significant portion of the tax services to other service providers and anticipates a substantial decrease in Tax Fees paid to PricewaterhouseCoopers LLP beginning in fiscal 2005.

All Other Fees. Consists of fees for products and services other than the services reported above. These services included expatriate relocation coordination services provided to Cisco employees on international job assignments, translation of filings, and other miscellaneous services. There were no management consulting services provided.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services to be provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP to serve as Cisco's independent registered public accounting firm for the fiscal year ending July 30, 2005.

PROPOSAL NO. 3

SHAREHOLDER PROPOSAL

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

The Sisters of the Holy Names of Jesus and Mary, Washington Province, 2911 West Fort Wright Drive, Spokane, Washington 99224, who are the beneficial owners of 10,000 shares of Cisco common stock, joined by other filers (whose names, addresses and shareholdings will be provided by Cisco promptly upon receipt by Cisco Investor Relations of any oral or written request), have notified us that they intend to present the following proposal at the meeting:

WHEREAS, in its 2003 survey of pay for U.S. chief executive officers, *Business Week* noted that, while average exec pay plunged by a third, the median pay for our 365 CEOs actually rose by 5.9%, to

Table of Contents

\$3.7 million. *BW* stated: With the most gargantuan pay packages scaled back that is not to say that pay for performance has been embraced everywhere. (*BW* 04/21/03). Other studies show that CEO pay rose from 100 times the average worker wage in 1980 to more than 1,000 times the average worker wage in 1995 (*FT* 09/19/03).

Earlier *Business Week* editorialized (04/22/02): The size of CEO compensation is simply out of hand. For its part The Conference Board issued a report acknowledging that executive compensation has become excessive in many instances and bears no relationship to a company's long-term performance and that changes must be made (09/17/02).

New York Fed President, William J. McDonough, while acknowledging a market economy requires that some people will be rewarded more than others, has asked: should there not be both economic and moral limitations on the gap created by the market-driven reward system? According to *The Wall Street Journal*, McDonough has cited the biblical admonition to love thy neighbor as thyself as justification for voluntary CEO pay cuts beginning with the strongest companies. He has said: CEOs and their boards should simply reach the conclusion that executive pay is excessive and adjust it to more reasonable and justifiable levels (09/12/02).

A 2002 Harris Poll found that 87 percent of all adults believe that most top company managers are paid more than they deserve, and that they become rich at the expense of ordinary workers. Two-thirds of respondents believed that rewards in the workplace were distributed less fairly than they had been five years before (Harris Interactive press release, 10/18/02).

RESOLVED, shareholders request the Board's Compensation Committee to initiate a review of our company's executive compensation policies and to make available, upon request, a report of that review by January 1, 2005 (omitting confidential information and processed at a reasonable cost). We request the report include:

1. A comparison of the total compensation package of top executives and our company's lowest paid workers in the United States in July, 1994 and July, 2004.
2. An analysis of changes in the relative size of the gap between the two groups and the rationale justifying this trend.
3. An evaluation of whether our top executive compensation packages (including, but not limited to, options, benefits, perks, loans and retirement agreements) are excessive and should be modified.
4. An explanation of whether the issues of sizable layoffs or the level of pay of our lowest paid workers should result in an adjustment of executive pay to more reasonable and justifiable levels as suggested by William J. McDonough above.

The Proponents Statement in Support of Proposal No. 3

When our top officials are given such excessive packages shareholders need to provide checks and balances. Please support this resolution.

Cisco's Statement in Opposition to Proposal No. 3

The Board of Directors believes this proposal does not serve the best interests of Cisco or its shareholders and recommends a vote AGAINST it.

The Board of Directors believes that Cisco currently has in place a fair and reasonable pay package for all employees. Our compensation structure is egalitarian in that the same components of compensation (base salary, annual cash bonus and stock options) are used at all levels of the organization and no other compensation is used at any level (except certain commission-based compensation for our sales force). Performance, both at the company and individual level, is the primary criterion used to determine the amount of all variable compensation

Table of Contents

awards. Because performance is the primary driver of the majority of compensation programs at Cisco, the annual amount received and the disparity from one individual to the next with the same level of responsibility is the direct result of the individual's performance for that year. Not surprisingly, the employees with the most responsibility in the organization have the largest percentage of their compensation at risk based on achievement of both company and individual performance goals. The Compensation and Management Development Committee, which is comprised solely of independent directors, oversees all compensation awarded to Cisco's senior executives and the equity and employee benefit plans and programs in which they participate. The Compensation and Management Development Committee reviews the performance of Cisco's senior executives in achieving Cisco's goals and objectives to ensure that they are reasonably and effectively compensated in a manner consistent with Cisco's strategy and performance. We refer you to the Compensation Philosophy and Objectives of the Compensation and Management Development Committee on page 16 of this proxy statement for more information on the philosophy and objectives followed in structuring compensation for Cisco's senior executives.

We also refrain from offering exclusive perquisites to any employee or group of employees, including senior executives. We do not offer country club memberships, private use of corporate assets (such as aircraft, apartments or luxury boxes), supplemental retirement funds, tax-sheltered accounts or any similar perquisites to any segment of our employee base. Senior executives at Cisco have the same components (base salary, annual cash bonuses and stock options) of total compensation as do all Cisco employees.

We further note that as a public reporting company, information about the compensation levels of our CEO and other highest paid executives is furnished in our annual proxy materials. We refer you to the Summary Compensation Table on page 19 of this proxy statement for the compensation earned by Cisco's Chief Executive Officer and the four other highest paid executive officers.

We believe that our egalitarian performance-based compensation structure is both equitable and appropriate for our workforce while still creating incentive to drive value creation for our shareholders.

Recommendation of the Board of Directors

For all the reasons set forth above, the Board of Directors recommends a vote **AGAINST** Proposal No. 3.

OWNERSHIP OF SECURITIES

The following table sets forth information known to Cisco with respect to beneficial ownership of Cisco common stock as of July 31, 2004 for (i) each director and nominee, (ii) Cisco's Chief Executive Officer and the four other highest paid executive officers named in the Summary Compensation Table below (the Named Executive Officers) and (iii) all executive officers and directors as a group. To Cisco's knowledge, there are no beneficial owners of five percent or more of the outstanding shares of Cisco common stock as of July 31, 2004.

Beneficial ownership is determined under the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. Except as indicated in the footnotes to this table and pursuant to applicable community property laws, to Cisco's knowledge the persons named in the table below have sole voting and investment power with respect to all shares of common stock beneficially owned. The number of shares beneficially owned by each person or group as of July 31, 2004 includes shares of common stock that such person or group had the right to acquire on or within 60 days after July 31, 2004, including, but not limited to, upon the exercise of options. References to options in the footnotes of the table below include only options to purchase shares that were exercisable on or within 60 days after July 31,

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

2004. For each individual and group included in the table below, percentage ownership is calculated by dividing the number of shares beneficially owned by such person or group by the sum of the 6,735,231,840 shares of common stock outstanding on July 31, 2004 plus the number of shares of common stock that such person or group had the right to acquire on or within 60 days after July 31, 2004.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Cisco's executive officers, directors and persons who own more than 10% of Cisco's common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These persons are required to provide Cisco with copies of all Section 16(a) forms that they file. Based solely on Cisco's review of these forms and written representations from the executive officers and directors, Cisco believes that all Section 16(a) filing requirements were met during fiscal year 2004, except that a late Form 4 was filed on behalf of John Morgridge relating to a gift transaction in each of fiscal year 2004 and fiscal year 2003 covering 22,700 shares in the aggregate, and a late Form 4 was filed on behalf of Betsy Rafael relating to an option grant for 20,000 shares in fiscal year 2004. These forms were promptly filed upon discovery that such reports were not timely filed.

Equity Compensation Plan Information

The following table provides information as of July 31, 2004 with respect to the shares of Cisco common stock that may be issued under existing equity compensation plans. The category "Equity compensation plans approved by security holders" in the table below consists of the 1996 Stock Incentive Plan, the Employee Stock Purchase Plan and its sub-plan, the International Employee Stock Purchase Plan. The category "Equity compensation plans not approved by security holders" in the table below consists of the 1997 Supplemental Stock Incentive Plan and options to purchase shares of Cisco common stock that were issued to replace cancelled options in connection with Cisco's acquisition of Latitude Communications, Inc. The table does not include information with respect to shares subject to outstanding options granted under equity compensation arrangements assumed by Cisco in connection with mergers and acquisitions of the companies that originally granted those options.

- (2) Includes shares available for future issuance under the Employee Stock Purchase Plan including its sub-plan, the International Employee Stock Purchase Plan. As of July 31, 2004, as reported in Cisco's 2004 Annual Report on Form 10-K, an aggregate of 138,580,359 shares of common stock were available for future issuance under this purchase plan. Also includes up to 979,169 shares that may be granted to independent, non-employee consultants as direct issuances under the 1996 Stock Incentive Plan.

Table of Contents

- (3) Includes outstanding options to purchase 3,259,899 shares of Cisco common stock under the 1997 Supplemental Stock Incentive Plan and options to purchase 490,215 shares of Cisco common stock that were issued to replace cancelled options in connection with Cisco's acquisition of Latitude Communications, Inc.
- (4) Excludes options, warrants and other equity rights assumed by Cisco in connection with mergers and acquisitions. As of July 31, 2004, a total of 28,099,615 shares of Cisco common stock were issuable upon exercise of outstanding options under those assumed arrangements. The weighted average exercise price of those outstanding options is \$10.77 per share. No additional options may be granted under those assumed equity rights.
- (5) These securities may be issued as options or as direct share issuances.
- (6) As of July 31, 2004, the aggregate number of shares issuable upon exercise of outstanding options as reported in Cisco's 2004 Annual Report on Form 10-K were 1,349,502,045 shares, which included the 28,099,615 shares under the assumed equity rights described in footnote (4) above.
- (7) As of July 31, 2004, 384,010,477 shares were available for future issuance under the 1996 Stock Incentive Plan and 5,554,343 shares were available for future issuance under the 1997 Supplemental Stock Incentive Plan for an aggregate total of 389,564,820 shares available for future issuance under stock incentive plans, as reported in Cisco's 2004 Annual Report on Form 10-K. The shares available for future issuance under the purchase plan were 138,580,359 shares, as reported in Cisco's 2004 Annual Report on Form 10-K.

The 1997 Supplemental Stock Incentive Plan

The 1997 Supplemental Stock Incentive Plan (the Supplemental Plan) was implemented by the Board of Directors on July 31, 1997. The Supplemental Plan is a non-shareholder approved plan. Options may be granted and direct share issuances of common stock may be made under the Supplemental Plan to employees of Cisco (or any parent or subsidiary corporation) who are neither officers nor board members at the time of grant. The Board of Directors has authorized 9,000,000 shares of common stock for issuance under the Supplemental Plan. All option grants will have an exercise price per share, and all share issuances will have a purchase price per share, equal to the closing selling price per share of common stock on the grant or issuance date. Each option or share issuance may be subject to vesting. Any unvested options or share issuances will immediately vest and become exercisable in full upon certain changes in ownership of Cisco if the options are not assumed or replaced by the acquiring entity or the repurchase rights relating to share issuances are not assigned to the acquiring entity, as applicable. All options are non-statutory options under the Federal tax law. As of July 31, 2004, options covering 3,259,899 shares of common stock were outstanding under the Supplemental Plan, 5,554,343 shares remained available for future option grants or share issuances, and options covering 185,758 shares had been exercised.

Replacement Latitude Options

On January 12, 2004, Cisco acquired Latitude Communications, Inc. (Latitude). As part of this transaction, options to purchase Latitude common stock held by employees who continued to be employed by Cisco or Latitude following the transaction were cancelled and replaced with an aggregate of 492,985 options to purchase shares of Cisco common stock. The Latitude replacement options vest on the same vesting schedule as the cancelled options, and have a maximum term of nine (9) years. Each Latitude replacement option may accelerate with respect to 50% of the then-unvested shares if the related employee is terminated under certain circumstances within two years of the effective date of the transaction.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation and Management Development Committee Report

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Compensation and Management Development Committee's (the Committee) basic responsibility is to review the performance and development of Cisco's management in achieving corporate goals and objectives and to assure that Cisco senior executives are compensated effectively in a manner consistent with Cisco's strategy, competitive practice, and the requirements of the appropriate regulatory bodies. Toward that end, the Committee oversees all compensation, equity and employee benefit plans and programs.

Compensation Philosophy and Objectives

Cisco operates in the extremely competitive and rapidly changing high technology industry. The Committee believes that the compensation programs for the executive officers should be designed to attract, motivate and retain talented executives responsible for the success of Cisco and should be determined within a framework based on the achievement of designated financial targets, individual contribution, customer satisfaction and financial performance relative to that of Cisco's competitors. Within this overall philosophy, the Committee's objectives are to:

Offer a total compensation program that takes into consideration the compensation practices of a group of specifically identified peer companies (the Peer Companies) and other selected companies with which Cisco competes for executive talent.

Provide annual variable cash incentive awards that take into account Cisco's overall financial performance in terms of designated corporate objectives, as well as individual contributions and a measure of customer satisfaction.

Align the financial interests of executive officers with those of shareholders by providing significant equity-based, long-term incentives.

Compensation Components and Process

The three major components of Cisco's executive officer compensation are: (i) base salary, (ii) variable cash incentive awards and (iii) long-term, equity-based incentive awards.

The Committee determines the compensation levels for the executive officers with the assistance of Cisco's Human Resources Department, which works with independent consulting firms which furnish the Committee with executive compensation data drawn from multiple nationally

Edgar Filing: CISCO SYSTEMS INC - Form DEF 14A

recognized surveys of similarly sized technology companies identified as Peer Companies. A significant number of the Peer Companies are listed in the S & P Information Technology Index, which is included in the Stock Performance Graph for this Proxy Statement. Certain companies not included in this Index were considered Peer Companies because Cisco competes for executive talent with those companies. However, some organizations in the S & P Information Technology Index were excluded from the Peer Company list because they were not considered competitors for executive talent or because compensation information was not available.

The positions of Cisco's Chief Executive Officer and executive officers were compared with those of their counterparts at the Peer Companies, and the market compensation levels for comparable positions were examined to determine base salary, target incentives and total cash compensation. In addition, the practices of the Peer Companies concerning long-term, equity-based incentive awards were reviewed.

Table of Contents

Base Salary. The base salary for each executive officer is determined at levels considered appropriate for comparable positions at the Peer Companies. Cisco's policy is to target base salary levels for executive officers between the 25th and 50th percentile of compensation practices at Peer Companies, with the Chief Executive Officer target base salary level at the 10th percentile.

Variable Cash Incentive Awards. The Committee believes that a substantial portion of the annual compensation of each executive officer should be in the form of variable cash incentive pay. The annual cash incentive awards for executive officers, other than the Chief Executive Officer whose annual cash incentive award is described in the below section entitled "CEO Compensation," for fiscal year 2004 were determined under Cisco's 2004 Professional and Leadership Incentive Plan (the "PLI Plan") with reference to Cisco's achievement of established financial performance goals, customer satisfaction criteria and the executive's individual contribution. Under the PLI Plan, a target award is set for each participating executive officer and such target award is stated as a percentage of the executive officer's base salary for fiscal 2004. Actual awards, if any, are based on the extent to which Cisco achieves its financial performance goals, the level of customer satisfaction and an assessment of the executive's contribution. No award payments are made under the PLI Plan if Cisco fails to attain minimum revenue and profit objectives for the fiscal year. In fiscal 2004, Cisco exceeded its financial performance goals and met its customer satisfaction goals. The awards paid reflect these results along with the recognition of individual contribution.

Long-Term, Equity-Based Incentive Awards. The goal of Cisco's long-term, equity-based incentive awards is to align the interests of executive officers with shareholders and to provide each executive officer with a significant incentive to manage Cisco from the perspective of an owner with an equity stake in the business. The Committee determines the size of the long-term, equity-based incentives according to each executive's position within Cisco and sets a level it considers appropriate to create a meaningful opportunity for reward predicated on increasing shareholder value. In addition, the Committee takes into account an individual's performance history, his or her potential for future responsibility and promotion, and competitive total compensation targets for the individual's position and level of contribution. The relative weight given to each of these factors varies among individuals at the Committee's discretion.

During fiscal year 2004, the Committee made option grants to Cisco's executive officers under Cisco's 1996 Stock Incentive Plan. Each grant allows the executive officer to acquire shares of Cisco's common stock at a fixed price per share (the market price on the grant date) over a specified period of time. Options granted to this group of individuals during fiscal year 2004 vest in periodic installments over a five-year period, contingent upon the executive officer's continued service with Cisco. Accordingly, the option grants will provide a return only if the executive officer remains with Cisco and only if the market price appreciates over the option term.

CEO Compensation. On April 1, 2001, Mr. Chambers requested that his base salary be lowered to a rate of \$1.00 annually until the recognition of a recovery in Cisco's performance. On May 11, 2001, the Committee agreed to honor this request until such a time as the Committee deemed it appropriate to return Mr. Chambers' base salary to a market competitive level. Prior to his reduction in salary, Mr. Chambers' annual base salary was \$350,000. For fiscal year 2004, Mr. Chambers' annual base salary remained at \$1.00, consistent with prior fiscal years. In recognition of Cisco's increased revenues and earnings and the increase in shareholder value since the end of fiscal 2002, the Committee determined in July 2004 that it was appropriate to increase Mr. Chambers' annual base salary as of the beginning of fiscal 2005. The Committee determined that Mr. Chambers' annual base salary would be reinstated to the fiscal year 2001 level of \$350,000.

For fiscal year 2004, Mr. Chambers' annual bonus was determined independent of the PLI Plan. Based on Cisco's financial results and its attainment of its stated performance goals and Mr. Chambers' own performance in producing those favorable results, the Committee awarded Mr. Chambers a discretionary annual cash bonus of \$1,900,000. The Committee considers this amount of annual base salary and bonus competitive and appropriate for the following reasons: Mr. Chambers' success in achieving greater profits and higher returns on equity; his actions to improve Cisco's cash flows; his critical role in achieving positive financial results in an extremely competitive national and global economic environment; and his overall personal example and actions in enhancing customer relations.

Table of Contents

In fiscal year 2004, no stock options were awarded to Mr. Chambers. At the Committee's meeting in July 2004, the Committee determined that on August 23, 2004 it would grant Cisco's fiscal year 2005 merit-based, companywide stock option grant to eligible employees. On August 23, 2004, as part of that grant, an option to purchase up to 1,500,000 shares of Cisco common stock at an exercise price of \$19.18 per share was awarded to Mr. Chambers. The exercise price represented the closing selling price per share of Cisco's common stock on the Nasdaq National Market on the grant date. The stock option becomes exercisable upon Mr. Chambers' completion of seven years of service from the grant date or, if sooner, three years after he ceases to be President and Chief Executive Officer, provided vesting shall occur no earlier than the fifth anniversary of the grant date, and is subject to his continued service through that date. For purposes of Mr. Chambers' stock option agreement, service includes providing services directly to Cisco or employment by educational or governmental institutions if those institutions' policies preclude continued service to Cisco. The option has a term of nine years measured from the grant date and, if vested, will remain exercisable for the full term even after his cessation of service except in limited circumstances. In addition, the option would become immediately exercisable in the case of Mr. Chambers' death or permanent disability. The option grant places a significant portion of his total compensation at risk, since the option grant delivers a return only if Cisco's common stock appreciates over the option term. The Committee considers this option grant competitive and appropriate for the following reasons: the option grant is comparable to equity grants provided to chief executive officers of similarly situated Peer Companies; the size of Mr. Chambers' option grant constituted less than one percent of the companywide grant; the vesting provisions are designed to retain the services of Mr. Chambers for an extended duration; and Mr. Chambers' performance and leadership with Cisco were instrumental in producing the financial results that Cisco achieved in fiscal year 2004.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code disallows a Federal income tax deduction to publicly held companies for certain compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered officer in any fiscal year. This limitation applies only to compensation which is not considered performance-based under the Section 162(m) rules. Cisco's 1996 Stock Incentive Plan has been structured so that any compensation deemed paid in connection with the exercise of option grants made under that plan will qualify as performance-based compensation which will not be subject to the \$1 million limitation. While the variable performance awards discussed above are based on company and individual performance, they are not considered performance-based under the technical Section 162(m) definition. However, the amount of non-performance based compensation in excess of \$1 million paid to executive officers for the 2004 fiscal year was not material, and the Committee has decided that it is not appropriate at this time to limit Cisco's alternatives in designing the cash compensation packages payable to Cisco's executive officers.

Table of Contents**Compensation Committee Interlocks and Insider Participation**

The members of the Compensation and Management Development Committee for the 2004 fiscal year were Carol A. Bartz, Dr. James F. Gibbons, James C. Morgan and, effective March 25, 2004, Jerry Yang. No member of this committee was at any time during the 2004 fiscal year or at any other time an officer or employee of Cisco, and no member had any relationship with Cisco requiring disclosure under Item 404 of Regulation S-K. No executive officer of Cisco has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of the Board of Directors or the Compensation and Management Development Committee during the 2004 fiscal year.

Summary of Cash and Certain Other Compensation

The following table sets forth the compensation earned by the Named Executive Officers for services rendered in all capacities to Cisco and its subsidiaries for each of the last three or fewer fiscal years during which such individuals served as executive officers. Cisco has not granted restricted stock or stock appreciation rights to any of the persons listed below during the past three fiscal years. No executive officer who would have otherwise been includable in such table on the basis of salary and bonus earned for Cisco's 2004 fiscal year has been excluded by reason of his or her termination of employment or change in executive officer status during that fiscal year.

Table of Contents**Stock Options**

The following table provides information with respect to the stock option grants made during Cisco's 2004 fiscal year under Cisco's 1996 Stock Incentive Plan to each Named Executive Officer. No stock appreciation rights were granted to the Named Executive Officers during the fiscal year. Options have a maximum term of nine years measured from the applicable grant date, subject to earlier termination in the event of the optionee's cessation of service with Cisco. Each of the options will vest and become exercisable for 20% of the option shares upon the completion of one year of service measured from the grant date and will become exercisable for the remaining shares in equal monthly installments over the next 48 months of service thereafter. However, each of the options will immediately become exercisable for all of the option shares in the event Cisco is acquired by merger or asset sale, unless the options are assumed or replaced by the acquiring entity, or in the event there is a hostile change in control or ownership of Cisco. The exercise price of each option may be paid in cash or in shares of common stock valued at the closing selling price on the exercise date or may be paid with the proceeds from a same-day sale of the purchased shares.

There is no assurance provided to any executive officer or any other holder of Cisco's securities that the potential realizable values shown in this table, which are based on assumed 5% and 10% annual rates of compounded stock price appreciation over the nine-year term of the options as required under the rules of the Securities and Exchange Commission, will be realized. Actual gains, if any, on option exercises are dependent on the future performance of Cisco common stock and overall market conditions.

Option Exercises and Holdings

The following table sets forth information concerning the exercise of options by each of the Named Executive Officers during Cisco's 2004 fiscal year and the unexercised options held by them as of the end of the fiscal year. The value realized represents the difference between the aggregate closing selling price of the shares on the date of exercise less the aggregate exercise price paid. The value of unexercised in-the-money options is based on the closing price of Cisco common stock on July 30, 2004 of \$20.92 per share, minus the exercise price, multiplied by the number of shares issuable upon exercise of the option. These values have not been, and may never be, realized. No stock appreciation rights were exercised during the fiscal year, and no stock appreciation rights were outstanding at the end of the fiscal year.

Employment Contracts, Termination of Employment, and Change in Control Agreements

None of Cisco's executive officers have employment or severance agreements with Cisco, and their employment could be terminated at any time at the discretion of the Board of Directors.

Each outstanding option under Cisco's 1996 Stock Incentive Plan will vest and become immediately exercisable for all of the option shares at the time subject to that option in the event there should occur a hostile takeover of Cisco, whether through a tender or exchange offer for more than thirty-five percent of Cisco's outstanding voting securities which the Board of Directors does not recommend the shareholders to accept, or a change in the majority of the members of the Board of Directors as a result of one or more contested elections for board membership.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee has reviewed and discussed with Cisco's management and PricewaterhouseCoopers LLP the audited consolidated financial statements of Cisco contained in Cisco's Annual Report on Form 10-K for the 2004 fiscal year. The Audit Committee has also discussed with PricewaterhouseCoopers LLP the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other items, matters related to the conduct of the audit of Cisco's consolidated financial statements.

The Audit Committee has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with PricewaterhouseCoopers LLP its independence from Cisco.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Cisco's Annual Report on Form 10-K for its 2004 fiscal year for filing with the Securities and Exchange Commission.

SHAREHOLDER PROPOSALS FOR 2005 ANNUAL MEETING OF SHAREHOLDERS

Requirements for Shareholder Proposals to be Considered for Inclusion in Cisco's Proxy Materials. Shareholders of Cisco may submit proposals on matters appropriate for shareholder action at meetings of Cisco's shareholders in accordance with Rule 14a-8 promulgated under the Securities Exchange Act of 1934. For such proposals to be included in Cisco's proxy materials relating to its 2005 Annual Meeting of Shareholders, all applicable requirements of Rule 14a-8 must be satisfied and such proposals must be received by Cisco no later than May 31, 2005. Such proposals should be delivered to Cisco Systems, Inc., Attn: Secretary, 170 West Tasman Drive, San Jose, California 95134-1706 (and we encourage you to send a copy via e-mail to CorporateSecretary@cisco.com), with a copy to Cisco Systems, Inc., Attn: General Counsel at the same address.

Requirements for Shareholder Proposals to be Brought Before the Annual Meeting. Cisco's bylaws provide that, except in the case of proposals made in accordance with Rule 14a-8, for shareholder nominations to the Board of Directors or other proposals to be considered at an annual meeting, the shareholder must have given timely notice thereof in writing to the Secretary of Cisco not less than sixty nor more than ninety days prior to the anniversary of the date on which Cisco first mailed its proxy materials for its immediately preceding annual meeting of shareholders (as specified in Cisco's proxy materials for its immediately preceding annual meeting of shareholders). To be timely for the 2005 annual meeting, a shareholder's notice must be delivered to or mailed and received by the Secretary at the principal executive offices of Cisco between June 30, 2005 and July 30, 2005. However, in the event that the annual meeting is called for a date that is not within thirty days of the anniversary of the date on which the immediately preceding annual meeting of shareholders was called, to be timely, notice by the shareholder must be so received not later than the close of business on the tenth day following the date on which public announcement of the date of the annual meeting is first made. In no event will the public announcement of an adjournment of an annual meeting of shareholders commence a new time period for the giving of a shareholder's notice as provided above. A shareholder's notice to the Secretary must set forth the information required by Cisco's bylaws with respect to each matter the shareholder proposes to bring before the annual meeting.

In addition, the proxy solicited by the Board of Directors for the 2005 Annual Meeting of Shareholders will confer discretionary authority to vote on (i) any proposal presented by a shareholder at that meeting for which Cisco has not been provided with notice on or prior to July 30, 2005 and (ii) any proposal made in accordance with the bylaw provisions, if the 2005 proxy statement briefly describes the matter and how management's proxy holders intend to vote on it, if the shareholder does not comply with the requirements of Rule 14a-4(c)(2) under the Securities Exchange Act of 1934.

SHAREHOLDERS SHARING THE SAME ADDRESS

Cisco has adopted a procedure called "householding," which has been approved by the Securities and Exchange Commission. Under this procedure, Cisco is delivering only one copy of the annual report and proxy statement to multiple shareholders who share the same address and have the same last name, unless Cisco has received contrary instructions from an affected shareholder. This procedure reduces Cisco's printing costs, mailing costs and fees. Shareholders who participate in householding will continue to receive separate proxy cards.

Cisco will deliver promptly upon written or oral request a separate copy of the annual report and the proxy statement to any shareholder at a shared address to which a single copy of either of those documents was delivered. To receive a separate copy of the annual report or proxy statement, you may write or call Cisco's Investor Relations Department at Cisco Systems, Inc., 170 West Tasman Drive, San Jose, California 95134-1706, Attention: Investor Relations, telephone (408) 526-6945. You may also access Cisco's annual report and proxy statement on the Investor Relations section of Cisco's website at www.cisco.com.

Table of Contents

If you are a holder of record and would like to revoke your householding consent and receive a separate copy of the annual report or proxy statement in the future, please contact Automatic Data Processing, Inc. (ADP), either by calling toll free at (800) 542-1061 or by writing to ADP, Household Department, 51 Mercedes Way, Edgewood, New York 11717. You will be removed from the householding program within 30 days of receipt of the revocation of your consent.

Any shareholders of record who share the same address and currently receive multiple copies of Cisco's annual report and proxy statement who wish to receive only one copy of these materials per household in the future, please contact Cisco's Investor Relations Department at the address or telephone number listed above to participate in the householding program.

A number of brokerage firms have instituted householding. If you hold your shares in street name, please contact your bank, broker or other holder of record to request information about householding.

FORM 10-K

CISCO WILL MAIL WITHOUT CHARGE, UPON WRITTEN REQUEST, A COPY OF CISCO'S ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED JULY 31, 2004, INCLUDING THE CONSOLIDATED FINANCIAL STATEMENTS, SCHEDULES AND LIST OF EXHIBITS, AND ANY PARTICULAR EXHIBIT SPECIFICALLY REQUESTED. REQUESTS SHOULD BE SENT TO: CISCO SYSTEMS, INC., 170 WEST TASMAN DRIVE, SAN JOSE, CALIFORNIA 95134-1706, ATTN: INVESTOR RELATIONS. THE ANNUAL REPORT ON FORM 10-K IS ALSO AVAILABLE AT WWW.CISCO.COM.

OTHER MATTERS

The Board of Directors knows of no other matters to be presented for shareholder action at the meeting. However, if other matters do properly come before the meeting or any adjournments or postponements thereof, the Board of Directors intends that the persons named in the proxies will vote upon such matters in accordance with their best judgment.

APPENDIX A

CISCO SYSTEMS, INC.

CHARTER FOR THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

As Revised March 25, 2004

1. PURPOSE

The purpose of the Audit Committee (the "Committee") is to assist the Board of Directors (the "Board") in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the shareholders and others; reviewing the systems of internal controls which management and the Board have established; appointing, retaining and overseeing the performance of independent accountants; and overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements.

The Committee will fulfill these responsibilities by carrying out the activities enumerated in Section 3 of the Charter. The Committee shall be given full and direct access to the Company's Internal Control Services group, the Board Chairman, Company executives and independent accountants as necessary to carry out these responsibilities. However, the Committee's function is one of oversight only and shall not relieve the Company's management of its responsibilities for preparing financial statements which accurately and fairly present the Company's financial results and condition, or the responsibilities of the independent accountants relating to the audit or review of financial statements.

2. COMPOSITION OF THE COMMITTEE

The Committee shall be comprised of not less than three directors, each of whom will be independent as required by Section 10A(m) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), any rules and regulations promulgated thereunder by the Securities and Exchange Commission (the "SEC"), and the rules of The Nasdaq Stock Market, Inc. ("Nasdaq"). No member of the Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the preceding three years. Each appointed Committee member shall be subject to annual reconfirmation and may be removed by the Board at any time.

All members of the Committee shall be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

3. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Committee shall:

1. Review annually the Committee Charter for adequacy and recommend any changes to the Board.

2. Review the significant accounting principles, policies and practices followed by the Company in accounting for and reporting its financial results of operations in accordance with generally accepted accounting principles (GAAP).

3. Review the financial, investment and risk management policies followed by the Company in operating its business activities.

A-1

Table of Contents

4. Review the Company's annual audited financial statements, related disclosures, including the MD&A portion of the Company's filings, and discuss with the independent accountants the matters required to be discussed by Auditing Standard No. 61, including (a) the quality as well as acceptability of the accounting principles applied in the financial statements, and (b) new or changed accounting policies; significant estimates, judgments, uncertainties or unusual transactions; and accounting policies relating to significant financial statement items.

5. Review any management letters or internal control reports prepared by the independent accountants or the Company's internal auditors and responses to prior management letters, and review with the independent accountants the Company's internal financial controls, including the budget, staffing and responsibilities of the Company's Internal Control Services department.

6. Review the effectiveness of the independent audit effort, including approval of the scope of, and fees charged in connection with, the annual audit, quarterly reviews and any non-audit services being provided.

7. Be directly responsible for the appointment, determination of the compensation for, retention and oversight of the work of the independent accountant employed to conduct the audit (including resolution of disagreements between the independent accountants and management regarding financial reporting) or other audit, review or attest services. The independent accountants shall report directly to the Committee.

8. Pre-approve all audit services and permissible non-audit services by the independent accountants, as set forth in Section 10A of the Exchange Act and the rules and regulations promulgated thereunder by the SEC. The Committee may establish pre-approval policies and procedures, as permitted by Section 10A of the Exchange Act and the rules and regulations promulgated thereunder by the SEC, for the engagement of independent accountants to render services to the Company, including but not limited to policies that would allow the delegation of pre-approval authority to one or more members of the Committee, provided that any pre-approvals delegated to one or more members of the Committee are reported to the Committee at its next scheduled meeting.

9. Review the hiring policies for any employees or former employees of the independent accountants.

10. Obtain on an annual basis a formal written statement from the independent accountants delineating all relationships between the accountants and the Company consistent with Independence Standards Board Standard No. 1, and review and discuss with the accountants any disclosed relationships or services the accountants have with the Company which may affect the accountants' independence and objectivity. The Committee is responsible for taking, or recommending that the full Board take, appropriate action to oversee the independence of the independent accountants.

11. For each of the first three fiscal quarters and at year end, at a Committee meeting review with management the financial results, the proposed earnings press release and formal guidance which the Company may plan to offer, and review with the independent accountants the results of their review of the interim financial information and audit of the annual financial statements.

12. Review management's analysis of any significant accounting issues, changes, estimates, judgments or unusual items relating to the financial statements and the selection, application and effects of critical accounting policies applied by the Company (including an analysis of the effect of alternative GAAP methods) and review with the independent accountants the reports on such subjects delivered pursuant to Section 10A(k) of the Exchange Act and the rules and regulations promulgated thereunder by the SEC.

13. Following completion of the annual audit, review separately with the independent accountants, the Internal Control Services department, and management any significant difficulties encountered during the course of the audit.

14. Engage and determine funding for such independent professional advisers and counsel as the Committee determines are appropriate to carry out its functions hereunder. The Company shall provide appropriate funding to the Committee, as determined by the Committee, for payment of (1) compensation to

A-2

Table of Contents

the independent accountants for services approved by the Committee, (2) compensation to any outside advisers retained by the Committee, and (3) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

15. Report to the Board on a regular basis on the major events covered by the Committee and make recommendations to the Board and management concerning these matters.

16. Perform any other activities consistent with this charter, the Company's Bylaws and governing law as the Committee or the Board deems necessary or appropriate, including but not limited to the Company's legal and regulatory compliance.

17. Approve all related party transactions, as defined by applicable Nasdaq Rules, to which the Company is a party.

18. Establish procedures for:

(a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and

(b) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

4. COMMITTEE MEETINGS

The Committee will meet on a regular basis at least 4 times each year, and will hold special meetings as circumstances require. The timing of the meetings to be scheduled for an upcoming fiscal year shall be determined by the Committee prior to the beginning of such fiscal year. A calendar of proposed meetings will be reviewed by the Committee at the same time as the annual Committee Charter review. The calendar shall include appropriate meetings to be held separately with representatives of the independent accountants, management and the Internal Control Services department, including a meeting to conduct the reviews required under Section 3.13 above. In addition, the Committee will meet at any time that the independent accountants believe communication to the Committee is required.

At all Committee meetings a majority of the total number of members shall constitute a quorum. All meetings shall be held subject to and in accordance with Section 307 (including without limitation notice, quorum and votes/actions of the committee) and other applicable sections of the General Corporation Law of California. Minutes shall be kept of each meeting of the Committee.
