This Amendment No. 3 supplementally amends the statement on Schedule 13D previously filed on December 22, 2004 (as amended by Amendment No. 1 thereto previously filed on January 11, 2005 and Amendment No. 2 thereto previously filed on February 28, 2005, the Schedule 13D, and collectively with this Amendment No. 3, the Statement). The Statement relates to the Common Stock, par value \$.01 per share (the Shares), of Exide Technologies, a Delaware corporation (the Issuer). The Statement is being filed on behalf of (1) Soros Fund Management LLC, a Delaware limited liability company (SFM LLC), and (2) George Soros, a United States citizen. SFM LLC and Mr. Soros are sometimes collectively referred to herein as the Reporting Persons. Initially capitalized terms used herein and not otherwise defined have the meanings ascribed thereto in the Schedule 13D.

The Reporting Persons filed a statement on Schedule 13G on November 26, 2004 to report the acquisition of Shares which are the subject of the Statement, as a result of which the Reporting Persons may be deemed to be the beneficial owners of more than 5% of the outstanding Shares, and filed the original Schedule 13D because, in connection with their ongoing evaluation of the investment in the Issuer and their options with respect to such investment, they decided to seek to meet with the board of directors and/or members of senior management of the Issuer to indicate their views on issues relating to the strategic direction undertaken by the Issuer and other matters of interest to stockholders generally.

Item 4. Purpose of Transaction

Item 4 of the Statement is hereby amended by adding the following as the fifth and sixth paragraphs of such Item:

The Reporting Persons are encouraged by the recent initiatives of the Issuer's Board of Directors with respect to corporate governance matters, including:

the selection of Gordon A. Ulsh as the Issuer's new Chief Executive Officer;

the upcoming election of one of its nominees as a director of the Issuer and the appointment of such nominee to the Board's Nominating and Corporate Governance Committee;

the proposed amendments to the Issuer's certificate of incorporation and bylaws publicly announced by the Board of Directors on March 3, 2005, which would, among other things, (i) eliminate the classified board structure so that all directors will be up for election at the 2005 annual meeting (and each annual meeting thereafter), (ii) eliminate the prohibition on the Issuer's stockholders calling special meetings and create a provision that would allow for such special meeting(s) upon the request of holders of 15% of the Issuer's stock and (iii) eliminate the cap on the number of directors, although the Board of Directors would have the right to set the number of directors and fill vacancies on the Board under the Issuer's by-laws; and

the Issuer's publicly announced intention to review committee assignments and chairmanships (including Chairman of the Board) annually after each annual meeting.

In light of the announcement by the Issuer that the Board of Directors will select nominees for election to the Board of Directors at the 2005 annual meeting based on a recommendation from the Issuer's Nominating and Corporate Governance Committee based on its consideration of, among others, the existing directors and any nominees proposed by the Issuer's stockholders, the Reporting Persons will not vote against the slate of nominees proposed by the Board of Directors for such annual meeting if all nominees that the Reporting Persons propose to the Nominating and Corporate Governance Committee are nominated by the committee and by the Board for election at that meeting (or if the Reporting Persons do not

propose any such nominees) and if the Board of Directors carries out each of these publicly announced proposals with respect to corporate governance matters.
