These proxy solicitation materials, together with our 2004 Annual Report to Shareholders, were mailed on or about April 8, 2005, to all shareholders entitled to vote at the Annual Meeting.

Record Date

Only shareholders of record at the close of business on March 23, 2005 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. We have one class of outstanding voting securities, our Common Stock. As of the Record Date, 6,262,524 shares of our Common Stock were outstanding. For information regarding security ownership by management and by the beneficial owners of 5.0% or more of our Common Stock, see Share Ownership by Principal Shareholders and Management.

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

Each shareholder is entitled to one vote for each share of Common Stock on all matters presented at the Annual Meeting. The holders of Common Stock will vote together as one group in the election of directors and other matters presented at the Annual Meeting. Shareholders do not have the right to cumulate their votes in the election of directors.

Solicitation

We will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement. A majority of the shares of our Common Stock outstanding on the Record Date must be present or represented at the Annual Meeting in order to have a quorum for the transaction of business. We treat shares that

We count abstentions in determining whether a quorum is present, but not in determining the number of shares voted for or against any nominee for election as a director or any proposal.

Fiscal Year End

SRI's fiscal year ends on the Sunday nearest December 31.

CORPORATE GOVERNANCE

Generally

Our policies and practices comply with existing standards of the Nasdaq Stock Market and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

The Board of Directors has determined that four of our seven directors are independent under the standards of the Nasdaq Stock Market, and all but one director (Mr. Carlton) are outside directors;

The outside members of the Board of Directors meet regularly without the presence of management;

Each member of the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee meet the appropriate tests for independence as defined in the listing standards of the Nasdaq Stock Market;

Messrs. James M. Emanuel and N. John Simmons, Jr. of the Audit Committee are designated to be audit committee financial experts, as that term is defined by the Securities and Exchange Commission;

The Audit Committee meets with management and the auditors to receive information concerning the design and operation of internal controls;

Grant Thornton LLP, our independent auditors, reports directly to the Audit Committee; and

On the recommendation of the Audit Committee, our Board of Directors adopted a code of ethics for the principal executive officers and a compliance policy to allow for confidential and anonymous reporting to a compliance officer, who reports to the Audit Committee.

Our Board of Directors has adopted written charters for its Audit Committee, Compensation Committee, and the Nominating and Governance Committee that clearly establish their respective roles and responsibilities. Each charter provides that the respective committee is authorized to

obtain advice and independently seek assistance from outside advisors.

We maintain a corporate governance page on our web site, which includes key information about our corporate governance initiatives, including the charters for the Audit Committee, Compensation Committee, and Nominating and Governance Committee, as well as our compliance policy and code of conduct. The corporate governance page can be found at <http://www.surgicalexpress.com> by clicking on Financials, then Corporate Governance.

Communications with Directors

You may communicate with any of our directors or with all directors as a group c/o Christopher Carlton, Chief Executive Officer, at SRI/Surgical Express, Inc., 12425 Race Track Road, Tampa, Florida 33626.

Communications are distributed to the Board of Directors, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communication. Our Board of Directors has requested that certain items that are unrelated to their duties and responsibilities be excluded, such as spam, junk mail and mass mailings, product or service complaints, resumés and other forms of job inquiries, and business solicitations or advertisements. In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded, with the provision that any communication that is filtered out will be made available to any outside director upon request.

Board Meetings and Committees

Our Board of Directors held six meetings and took action by written consent two times during 2004. Our Board of Directors has a Compensation Committee, an Audit Committee, a Nominating and Governance Committee, and an Executive Committee which it added in September 2004.

Compensation Committee. The Compensation Committee, which currently consists of Messrs. Kemberling (chair), Orsatti, Simmons, and Emanuel, reviews specific compensation plans, salaries, bonuses, and other benefits payable to our executive officers and makes recommendations to the Board of Directors regarding those matters. The Compensation Committee held two meetings during 2004.

Audit Committee. The Audit Committee currently consists of Messrs. Emanuel (chair), Kemberling, and Simmons. Among other things, the Audit Committee selects and retains (subject to our shareholders' approval) the independent auditor, sets the independent auditor's compensation, reviews and evaluates the results and scope of the audit and other services provided by our independent auditors, reviews reports from management, legal counsel, and third parties relating to legal compliance, and establishes procedures for receipt and treatment of confidential, anonymous submissions by our employees of concerns regarding accounting, auditing, and internal controls matters.

Our Board of Directors has approved a written charter for the Audit Committee, which the committee reviews annually and updates as appropriate. During 2004, the Audit Committee held seven meetings.

Nominating and Governance Committee. Our Nominating and Governance Committee, which consists of Messrs. Simmons (chair), Orsatti, Kemberling, and Emanuel, provides assistance to the Board of Directors in (a) identifying and recommending qualified Board nominees; (b) evaluating the performance and effectiveness of the Board and its committees; and (c) evaluating and recommending corporate governance guidelines and practices. The Committee may, in its sole discretion, engage director search firms and may consult with outside advisors to assist it in carrying out its duties to SRI. The Committee has the sole authority to approve the fees and other retention terms with respect to any such firms. The Nominating and Governance Committee held two meetings during 2004.

To fulfill its responsibility to recruit and recommend to the full Board of Directors nominees for election as directors, the Nominating and Governance Committee reviews the composition of the full Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board and works with management in attracting candidates with those qualifications. Appropriate criteria for Board membership include the following:

Directors should be individuals of high integrity and independence and substantial accomplishments.

Directors should have demonstrated leadership ability and the ability to exercise sound business judgment.

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

The background and experience of directors should be in areas important to our company, such as business, finance, operations, and healthcare industry experience.

The Committee considers candidates for director suggested by our shareholders, provided that the recommendations are made in accordance with the procedures required under applicable law and described in

this Proxy Statement under the heading Requirements to Submit Shareholder Proposals and Director Nominations. Shareholder nominations that comply with these procedures and that meet the criteria outlined above receive the same consideration that the Committee's nominees receive.

Executive Committee. Our Executive Committee, which consists of Messrs. Orsatti (Chair), Simmons, and Boosales, assists the Board of Directors in (a) evaluating the performance and effectiveness of the Chief Executive Officer; and (b) assisting the Chief Executive Officer in fulfilling his duties as directed by the Board of Directors. The Executive Committee held eight meetings during 2004 and was active in the transition from our former Chief Executive Officer to Mr. Carlton.

All Other Fees		
Total	\$ 178,500	\$ 205,895

- (1) Audit Fees consist of fees for professional services rendered by Grant Thornton for 2004 and Ernst & Young for 2003 related to the audits of our financial statements and reviews of our interim financial statements included in our quarterly reports.
- (2) Audit-Related Fees consist of fees billed or accrued for professional services rendered by Ernst & Young in 2003 that are reasonably related to the performance of the audit or review and are not included in Audit Fees. These services include consultations related to the Sarbanes-Oxley Act and financial accounting and reporting standards.
- (3) Tax Services consist of fees billed for professional services rendered for tax compliance services. Another firm provided tax services to us in 2004.

The Audit Committee considered whether the provision of services is compatible with maintaining the independence of Grant Thornton, and determined that the services were compatible with that independence. The Audit Committee approves all non-audit services, including tax services.

Required Vote; Recommendation of the Board of Directors

The Audit Committee of the Board of Directors has conditioned its appointment of our independent auditors upon the receipt of the affirmative vote of a majority of the shares represented, in person or by proxy, and voting at the Annual Meeting, which shares voting affirmatively also constitute at least a majority of the required quorum. In the event that the shareholders do not approve the selection of Grant Thornton, the appointment of the independent auditors will be reconsidered by the Audit Committee of the Board of Directors.

The Board of Directors Unanimously Recommends a Vote For This Proposal.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of SRI/Surgical Express, Inc. reviews its financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, we have met and held discussions with management and the independent auditors. Management represented to us that SRI's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. We discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, we received from the independent auditors the written disclosures and the letter relating to the independent auditors' independence, as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we discussed with the independent auditors the auditors' independence from SRI and its management.

We discussed with SRI's independent auditors the overall scope and plan for their audit. We met with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of SRI's internal controls, and the overall quality of SRI's financial reporting.

In reliance on the reviews and discussions referred to above, we recommended to the Board of Directors, and the Board has approved, including the audited financial statements in SRI's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

The Audit Committee and the Board also have recommended, subject to shareholder approval, the selection of SRI's independent auditors for the year ended December 31, 2005 - see Proposal No. 2.

⁽¹⁾ In accordance with SEC rules, the binomial option pricing method was chosen to estimate the Grant Date Value of the options set forth in this table. Our use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock options valuation models, including the binomial model, require a prediction about the future movement of the stock price. The following assumptions were made for purposes of collecting the original Grant Date Value: an option term of 5.8 years, volatility at 73.0%, no dividend yield, and an interest rate of 3.78%. The real value of the options in this table depends on the actual performance of the Common Stock during the applicable period.

CERTAIN TRANSACTIONS

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS**

The Compensation Committee of the Board of Directors has furnished the following report on the executive compensation program of SRI/Surgical Express, Inc. Our Committee, which consists of the four independent directors listed at the end of this report, reviews and establishes specific compensation plans, salaries, option grants, and other benefits payable to our executive officers. Following our review and approval, we submit all issues pertaining to executive compensation to the entire Board of Directors for its review and approval.

Our primary objective with respect to executive compensation is to establish programs that attract and retain executive officers and align their compensation with our overall business strategies, values, and performance. For executive officers and key managers, SRI grants stock options as a component of total consideration to closely align their interests with the shareholders' long-term interests. Further, in evaluating annual compensation of executive and key managers, we place a relatively heavy emphasis on stock options as a percentage of total compensation, consistent with its philosophy that stock incentives more closely align the interests of company managers with the long-term interests of shareholders.

The components of SRI's total compensation program for executive officers have been:

1. *Salary:* We intend base salary paid to executives to be competitive with that paid to comparable executives and to reflect consideration of an officer's experience, business judgment, and role in developing and implementing our overall business strategy. We determine salaries based on qualitative and subjective factors, and do not apply a specific formula to determine the weight of each factor.
2. *Bonuses:* Bonuses for executive officers are intended to reflect our belief that a significant portion of annual compensation of the executive should be contingent on the performance of SRI, as well as the individual's contribution. Bonuses are paid on an annual basis and are based on both objective and subjective factors that the Committee determines each year.
3. *Long-Term Stock Incentives:* Our 1995 Stock Option Plan, 1998 Stock Option Plan, and 2004 Stock Compensation Plan provide for the grant to employees of incentive or nonqualified stock options or restricted stock. Grants to executives are designed to align a significant portion of the executive compensation package with the long-term interests of our shareholders by providing an incentive that focuses attention on managing SRI from the perspective of an owner with an equity stake in the business.

We generally limit grants of stock options to our senior executives and other key employees and managers who are in a position to contribute substantially to our growth and success. We grant stock options for terms up to ten years and design them to reward exceptional performance with a long-term benefit, facilitate stock ownership, and deter recruitment of our key personnel by competitors and others. Vesting requirements encourage loyalty.

Since its inception, SRI's executive officers have held stock ownership or options that closely align their interests with its shareholders' long-term interests, consistent with the compensation philosophies set forth above. We expect this close alignment to contribute to a renewal of SRI's growth and profitability.
