Meetings and Committees of the Board

The business and affairs of the Company are managed under the direction of the Board of Directors. Members of the Board keep informed of the Company's business and activities by reports and proposals sent to them periodically and in advance of each Board meeting and reports made to them during these meetings by the President and other Company officers. The Board is regularly advised of actions taken by the Executive Committee and other committees of the Board, as well as significant actions taken by management. Members of management are available at Board meetings and other times to answer questions and discuss issues. During the Company's fiscal year ended April 30, 2006, the Board of Directors held ten meetings.

Currently, the standing committees of the Board of Directors of the Company are the Executive Committee, Audit Committee, Compensation Committee, Financial/Planning Committee, and Nominating Committee. The functions and membership of the committees are described below.

The Executive Committee, consisting of Messrs. Rhind (Chairman), Campbell, Manchester and Shumaker and Ms. Bruemmer, exercises the authority of the Board between meetings of the full Board, subject to the limitations of the Delaware General Corporation Law. The Executive Committee met one time during the Company's last fiscal year.

The Audit Committee, consisting of Messrs. Keehn (Chairman), Campbell and Rhind, each an independent director, performs the responsibilities and duties described in the Company's Audit Committee Charter and is responsible for annually appointing the independent auditor for the Company, approving services to be performed by the independent auditor, reviewing the independent auditor's reports, and reviewing the Company's quarterly and annual financial statements before release to the public. The Audit Committee met six times during the Company's last fiscal year. The Board of Directors has determined that Mr. Keehn, the Chairman of the Audit Committee, is a financial expert within the meaning of the current rules of the Securities and Exchange Commission.

The Compensation Committee, consisting of Messrs. Caldwell (Chairman), Keehn and Rhind and Ms. Bruemmer, each an independent director, considers and provides recommendations to the Board of Directors with respect to the compensation (salaries and bonuses) of officers of the Company; short- and long-range compensation programs for officers and other key employees of the Company; benefit programs for all employees of the Company; and stock option grants to key employees. The Compensation Committee also acts as the Stock Option Committee, administering and interpreting the stock option plans for officers and other key employees. The Compensation Committee met three times during the Company's last fiscal year.

The Financial/Planning Committee, consisting of Messrs. Manchester (Chairman), Caldwell, Keehn and Shumaker and Ms. Bruemmer, reviews and provides recommendations to the Board of Directors with respect to the annual budget for the Company, the Company's strategic plan and the annual budget for capital expenditures. The Financial/Planning Committee also reviews the investment results of the assets of the Company's retirement plans. The Financial/Planning Committee met three times during the Company's last fiscal year.

The Nominating Committee consisting of Messrs. Rhind (Chairman), Campbell and Ms. Bruemmer, each an independent director, makes recommendations to the full Board with respect to candidates for Board membership, officers of the Company, and Board committee membership. The Nominating Committee will consider as prospective Board nominees persons brought to its attention by officers, directors and stockholders. Proposals may be addressed to the Nominating Committee at the address shown on the cover of this Proxy Statement, attention of the Corporate Secretary. The Nominating Committee does not have a written charter. At a minimum, a candidate for the Board must

demonstrate significant accomplishment in his or her field, the capacity and experience to understand the broad business operations of the Company, and the vision to assist the Company in its development and expansion. The Nominating Committee is responsible for assessing the appropriate balance of criteria required of Board members. The Nominating Committee did not meet during the Company's last fiscal year. Recommendations of nominations for fiscal year 2006 were approved at a meeting of the Nominating Committee held on March 22, 2005 and recommendations of nominations for fiscal year 2007 were approved at a meeting of the Nominating Committee held on June 20, 2006.

Executive sessions of independent directors are held in connection with each regularly scheduled Board of Directors and Audit Committee meetings and at other times as necessary. The Board of Directors' policy is to hold executive sessions without the presence of management, including the chief executive officer and other non-independent directors.

The Company does not have a formal policy regarding attendance by members of the Board of Directors at the Annual Meeting of Stockholders, although all directors are expected to attend. All members of the Board of Directors attended the Company's 2005 Annual Meeting of Stockholders. In the Company's last fiscal year, no director attended less than 75% of the aggregate of all meetings of the Board and all meetings held by committees of the Board on which such director served.

Stockholder Communications with the Board of Directors

The Board of Directors recommends that any communications from stockholders be in writing and addressed to the Board in care of the Corporate Secretary, 2700 West Front Street, Statesville, North Carolina 28677-2927. The name of any specific Board member to whom a communication is intended to be addressed should be noted in the communication. The Corporate Secretary will forward such correspondence only to the intended recipient if one is noted; however, the Corporate Secretary, prior to forwarding any correspondence, will review the correspondence, and in his discretion, will not forward certain items if they are deemed frivolous, of inconsequential commercial value or otherwise inappropriate for Board consideration.

No executive officer of the Company served as a member of the Compensation Committee or as a director of any other entity, one of whose executive officers serves on the Compensation Committee or is a director of the Company. Mr. Rhind is of counsel to the law firm of Bell, Boyd & Lloyd LLC, which serves as counsel to the Company.

PSAR Grants in Last Fiscal Year

The following table sets forth certain information with respect to performance stock appreciation rights (PSARs) granted under the Company's Long-Term Performance Incentive Plan during fiscal year 2006 to each named executive officer.

PSAR GRANTS IN FISCAL YEAR 2006

Name	# of PSARs Granted(1)	% of Total PSARs Granted in Fiscal Year	Basic Price Per share (\$)	Expiration Date	Potential Realized \$ Value at Assumed Annual Rates of Stock Price Appreciation for PSAR Term(2)	
					@ 5%	@ 10%
William A. Shumaker	16,000	28.8	8.00	4/30/08	20,176	42,368
D. Michael Parker	8,000	14.4	8.00	4/30/08	10,088	21,184

Kurt P. Rindoks	4,000	7.2	8.00	4/30/08	5,044	10,592
Steve Vadehra						

- (1) All PSARs were granted at a base price equal to the fair market value of the Company's common stock on the grant date. PSARs vest in one-third increments at the end of each fiscal year during the PSAR term, subject to the attainment of annual specified performance targets. The PSARs that were eligible for vesting at the end of fiscal year 2006 did not vest because the specified performance targets for the year were not met and those PSARs were forfeited by the plan participants. Vesting of the PSARs may be accelerated under certain circumstances in the event of a Change of Control of the Company as defined in the Plan.
- (2) These amounts represent hypothetical gains that could be achieved for PSARs if they all are vested as of the end of the PSAR term. These gains are based on assumed rates of stock price appreciation of 5% and 10% compounded annually from the date the PSARs are granted to the end of the PSAR term. Actual gains, if any, on PSAR grants are dependent on the attainment of annual specified performance targets required for vesting and the future performance of the Company's common stock. There can be no assurance that the amounts reflected in this table will be achieved.

The following table sets forth certain information with respect to options exercised during fiscal year 2006 by the named executive officers and with respect to options and PSARs held at the end of the year.

Equity Compensation Plans

(1) Represents shares available for future issuance under the Company's 2000 Key Employee Stock Option Plan. No options were available for grant under any of the other equity compensation plans of the Company.

Retirement Plan

The named executive officers of the Company participate in the Company's Pension Plan. The Plan provides retirement benefits for participating employees. The annual benefit amount is calculated as 40% of the 10-year final average annual compensation (salary and bonus) minus 50% of the Primary Social Security Benefit, all multiplied by a fraction, the numerator of which is the number of years of credited service up to 30 years, and the denominator of which is 30. Participants in the Plan may elect among several payment alternatives. As of April 30, 2005, the Company froze the benefits under the Plan. As a result, no further benefits will be earned by current participants under the Plan after that date and no additional participants will be added to the Plan.

The following table shows estimated annual benefits payable to employees participating in the Pension Plan as of April 30, 2005 with the indicated years of service and final average annual compensation. The estimated annual benefits are based upon the terms of the Plan in effect as of April 30, 2005, and the assumption that the participant retires at age 65 and that the participant does not elect any alternate payment option under the Plan. To the extent ERISA rules restrict the amount otherwise payable under the Plan, the amount in excess of the restrictions will be paid by the Company under the provisions of the Company's Pension Equalization Plan. At April 30, 2005, the credited years of service under the Plan for Messrs. Shumaker, Parker, Dahlgren, Rindoks and Vadehra were 11.6, 14.7, 15.7, 20.5 and 6.2, respectively.

Final Average Compensation	Years of Service

In accordance with rules promulgated by the Securities and Exchange Commission, the information included under the captions "Compensation Committee Report on Executive Compensation," "Audit Committee Report" and "Performance Graph" will not be deemed to be filed or to be proxy soliciting material or incorporated by reference in any prior or future filings by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Executive compensation is administered by the Compensation Committee of the Board, which is composed of four independent directors.

The objective of the Company's executive compensation program is to attract, motivate, reward and retain management talent critical to the Company's achievement of its objectives. Salaries and other compensation for the Company's executive officers are based on each executive officer's responsibilities, level of experience, and performance over time, as well as on the recommendation of the Chief Executive Officer. In order to assure that salaries and compensation remain competitive, the Company subscribes to and consults various published surveys on executive compensation.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deduction for federal income tax purposes of certain compensation paid by any publicly-held corporation to its chief executive officer and its four other most highly compensated officers to \$1 million per year for each such executive. This deduction limit is not relevant to the Company at the current levels of compensation of its executive officers.

Executive Officer Compensation

The four principal components of the Company's compensation program for executive officers are discussed below.

Base Salary

The Compensation Committee annually reviews the base salaries of executive officers. Prior to the meeting at which the annual review occurs, the Committee is furnished with historical data on the total compensation for each executive, marketplace data for comparable positions at other manufacturing and service companies with generally similar annual sales volume, individual performance appraisals and recommended adjustments by the Chief Executive Officer for each executive officer except himself. The Committee further considers the executive officer's particular qualifications, level of experience, sustained performance over time, and pay position within his or her established base salary range. These factors are also considered in determining an adjustment to the salary of the Chief Executive Officer. Base salaries are traditionally adjusted as of July 1 of each year.

Annual Incentive Compensation

All of the Company's executive officers are eligible to participate in an annual incentive bonus plan, pursuant to which each executive officer is eligible to earn a cash bonus for each fiscal year of the Company, based primarily on the attainment of earnings goals established in the incentive bonus plan and, to a lesser extent, on the executive officer's achievement of established personal goals to the degree determined by the Board of Directors upon the recommendation of the Chief Executive Officer.

At the beginning of each fiscal year, the Board of Directors approves earnings goals for the Company for such year and, upon recommendation of the Compensation Committee, establishes specified percentages of each executive officer's beginning-of-the-year base salary that will be available for bonuses if the Company and/or its operating businesses achieves specified earnings goals and the executive officer achieves his or her personal goals. The percentages increase as the earnings reach various established levels. Only Mr. Vadehra qualified for a cash bonus under the incentive bonus plan for fiscal year 2006.

Long-Term Incentive Plans

In recent fiscal years, through fiscal year 2003, the Company used stock options as its primary long-term incentive plan for executive officers. Stock option awards were normally made annually in August by the Board of Directors, based on the recommendations of the Chief Executive Officer, with respect to all stock options other than his own, and the Compensation Committee. The exercise price of the granted stock options was the fair market value of the Company's common stock on the date of the grant. Individual awards were based on an individual's performance, his or her comparative base salary level and the number of stock option grants previously made.

Beginning with fiscal year 2004, the Company has used a performance-based long-term incentive plan, instead of stock options, as its primary long-term incentive plan for its executive officers. Under this plan, performance stock appreciation rights (PSARs) are normally granted annually in May by the Board of Directors to participating employees. This plan provides executive officers an opportunity to receive awards in the form of cash payments at the end of a three-year performance period based upon the occurrence of both (i) the Company's attainment of specified annual financial goals established by the Board of Directors and (ii) an increase in the market price of the Company's stock from the beginning to the end of the three-year period.

Other Compensation Plans

Each of the Company's executive officers is entitled to receive additional compensation in the form of payments, allocations, or accruals under various group compensation and benefit plans. Benefits under these plans are not directly, or indirectly, tied to employee or Company performance.

Chief Executive Officer Compensation

The Compensation Committee considers the Chief Executive Officer's leadership an important factor in the future success of the Company. The compensation of the CEO has traditionally included base salary, annual incentive compensation, long-term incentive compensation, and benefits under various group plans. In establishing Mr. Shumaker's base salary for each fiscal year, the Compensation Committee considers operating results for the prior year and the outlook for the current year, continued development of the management team, operational improvements, compensation of chief executive officers of other companies with comparable sales, and the price of the Company's common stock. The CEO's annual incentive compensation and long-term incentive compensation are determined pursuant to the Company's incentive plans for executive officers. Mr. Shumaker did not earn a cash bonus under the annual incentive bonus plan for fiscal year 2006, as the Company did not meet its established consolidated earnings goals.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of three independent directors and is responsible for overseeing the Company's financial reporting process and other duties as described in the Audit Committee Charter.

In fulfilling its oversight responsibilities, the Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended April 30, 2006 with management and the Company's registered independent public accounting firm. Management of the Company is responsible for those financial statements and the Company's financial reporting process, including the Company's system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit. The Committee has received the written disclosures and the letter from Cherry, Bekaert & Holland, L.L.P. required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with Cherry, Bekaert & Holland, L.L.P. their independence. The Audit Committee also considered whether the provision of non-audit services by Cherry, Bekaert & Holland, L.L.P., if any, was compatible with maintaining its independence. Based on the Committee's review of the audited financial statements and the review and discussions described in this paragraph, the Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended April 30, 2006 be included in the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2006 for filing with the Securities and Exchange Commission. All members of the Committee meet the independence standards established by the Nasdaq Stock Market, Inc.

PERFORMANCE GRAPH

The graph below sets forth a comparison of the Company's annual stockholder return with the annual stockholder return of (i) the Nasdaq Market Index, and (ii) an index of Nasdaq, non-financial companies with similar market capitalizations to the Company¹. The graph is based on an investment of \$100 on May 1, 2001 (the first trading day of the Company's fiscal year beginning on that date) in the Company's common stock, assuming dividend reinvestment. The graph is not an indicator of the future performance of the Company. Thus, it should not be used to predict the future performance of the Company's stock. The graph and related data were furnished by Hemscott, Inc., Richmond, Virginia.

Comparison of 5-Year Cumulative Total Return

Kewaunee Scientific Corporation, Nasdaq Market Index

and Similar Market Capitalization Index

¹ In addition to the Company, the Similar Market Capitalization Index is comprised of the following companies: Amtech Systems, Inc.; Arotech Corporation; Jaco Electronics, Inc.; Max & Erma's Restaurants, Inc.; Point.360; Pyramid Breweries Inc.; and Tripos, Inc. Consistent with the prior year, the Company used for an index companies with a market capitalization similar to that of the Company (the Peer Group). The Peer Group index was used because there exists no applicable published industry index or line-of-business index, and the Company does not believe it can reasonably identify a peer group of companies in its industry because the Company's primary competitors are either divisions of larger corporations or are privately owned.

AGREEMENTS WITH CERTAIN EXECUTIVES

The Company entered into agreements with Messrs. Shumaker, Parker, and Rindoks in fiscal year 2000 and Messrs. Dahlgren and Keith D. Smith, Vice President-Manufacturing, in fiscal year 2005 that provide for the payment of compensation and benefits in the event of termination of their employment within three years following a Change of Control of the Company, as defined in the agreements. Each executive whose employment is so terminated will receive compensation if the termination of his employment was by the Company or its successor without cause, or by the executive for good reason, as defined in the agreements. Upon such a termination of employment within one year following a Change of Control, the Company or its successor will be required to make, in addition to unpaid ordinary compensation and a lump-sum cash payment for certain benefits, a lump-sum cash payment equal to the executive's annual compensation with respect to Messrs. Rindoks, Dahlgren and Smith and two (2) times the executive's annual compensation with respect to Messrs. Shumaker and Parker. Upon a termination of employment occurring after the first anniversary, but within three years, of the date of the Change of Control, in addition to unpaid ordinary compensation and a lump-sum cash payment for certain benefits, Messrs. Rindoks, Dahlgren and Smith will be entitled to a lump-sum payment equal to one-half ($\frac{1}{2}$) of their annual compensation and Messrs. Shumaker and Parker will be entitled to a lump-sum payment equal to their annual compensation.

In August 2004, the Company entered into an employment letter agreement with K. Bain Black, Vice President and General Manager of the Technical Products Group, which provides that if he is terminated without cause, the Company will be obligated to pay him separation pay equal to his current base salary for nine (9) months, reduced by any income earned by him during the payment period.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On July 8, 2005, the Company dismissed PricewaterhouseCoopers LLP (PwC) as the Company s independent registered public accounting firm. This dismissal, which was immediately effective, was approved by the Audit Committee of the Board of Directors of the Company.

The reports of PwC on the financial statements of the Company for the years ended April 30, 2005 and 2004 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the years ended April 30, 2005 and 2004 and through July 8, 2005, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused PwC to make reference thereto in its reports on the financial statements of the Company for such years.

During the years ended April 30, 2005 and 2004 and through July 8, 2005, there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

Also on July 8, 2005, the Company engaged Cherry, Bekaert & Holland, L.L.P. (CB&H) as its new independent registered public accounting firm to audit the Company s financial statements for the year ending April 30, 2006 and to review the financial statements to be included in the Company s quarterly reports on Form 10-Q, beginning with the quarter ending July 31, 2005. The decision to engage CB&H was approved by the Company s Audit Committee.

Prior to the engagement of CB&H, neither the Company nor anyone on behalf of the Company consulted with CB&H during the Company s two most recent fiscal years and through July 8, 2005, in any manner regarding either: (A) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company s financial statements; or (B) any matter that was the subject of either a disagreement or a reportable event (as defined in Item 304(a)(1)(iv) and (v), respectively, of Regulation S-K).

It is expected that a representative of Cherry, Bekaert & Holland, L.L.P. will be present at the Annual Meeting of Stockholders to be held on August 23, 2006 to answer any appropriate questions and such representative will have an opportunity to make a statement if he or she desires.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services

The Audit Committee s policy is to pre-approve all audit and non-audit services to be provided by the Company s independent auditors on a case-by-case basis. In making such determination, the Audit Committee considers whether the provision of non-audit services is compatible with maintaining the auditor s independence. All of the audit and non-audit services provided by the Company s independent auditors on behalf of the Company in 2006, 2005, and 2004 were pre-approved in accordance with this policy.

Audit Fees and Non-Audit Fees

The following fees were paid or will be paid to the Company's independent registered accounting firm for professional services rendered on behalf of the Company related to the past two fiscal years:

	2006	2005
Audit of Financial Statements	79,000	97,000
Audit-Related Services		19,500
Tax Services		29,000
All Other Fees	15,750	
Total	\$ 94,750	\$ 145,500

For each of 2006 and 2005, audit services consisted of the audit of the Company's annual consolidated financial statements and the review of the Company's quarterly financial statements. Audit-related services in 2005 consisted of assistance in responding to the routine review of the Company's Form 10-K report for the most recently completed fiscal year by the Securities and Exchange Commission. Tax services included federal and state tax returns and compliance. All other fees consisted of the audit of the Company's benefit plans.

PROXIES AND VOTING AT THE MEETING

The expense of solicitation of proxies is to be paid by the Company. The Company will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxies and proxy material to the beneficial owners of the Company's common stock.

At the close of business on July 5, 2006, the record date for determination of stockholders entitled to vote at the annual meeting, there were 2,492,270 shares of common stock of the Company outstanding and entitled to vote.

Each share of common stock is entitled to one vote. Any stockholder giving a proxy has the power to revoke it at any time before it is voted, by written notice to the Secretary, by delivery of a later-dated proxy or in person at the meeting.

The holders of a majority of the total shares of common stock issued and outstanding, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the meeting. The vote of a plurality of the shares represented at the meeting, in person or by proxy, is required to elect the three nominees for director. Approval of any other matter submitted to the stockholders for their consideration at the meeting requires the affirmative vote of the holders of a majority of the shares of common stock represented at the meeting, in person or by proxy, and entitled to vote. Abstentions, directions to withhold authority, and broker non-votes are counted as shares present in the determination of whether the shares of stock represented at the meeting constitute a quorum. Abstentions, directions to withhold authority, and broker non-votes are not counted in tabulations of the votes cast on proposals presented to stockholders. Thus, an abstention, direction to withhold authority, or broker non-vote with respect to a matter other than the election of directors, may have the same legal effect as a vote against the matter. With respect to the election of directors, an abstention, direction to withhold authority or broker non-vote will have no effect. An automated system administered by the Company's transfer agent will be used to tabulate votes.

A stockholder entitled to vote for the election of directors can withhold authority to vote for any of the nominees.

STOCKHOLDER PROPOSALS

The deadline for receipt of stockholder proposals for inclusion in the Company's 2007 proxy material is March 17, 2007. Any stockholder proposal should be submitted in writing to the Secretary of the Company at its principal executive offices. The stockholder proposal must include the stockholder's name and address as it appears on the Company's records and the number of shares of the Company's common stock beneficially owned by such stockholder. In addition, (i) for proposals other than nominations for the election of directors, such notice must include a description of the business desired to be brought before the meeting, the reasons for presenting such business at the meeting, and any material interest of the stockholder in such business, and (ii) for proposals relating to stockholder nominations for the election of directors, such notice must also include, with respect to each person nominated, the information required by Regulation 14A under the Exchange Act. All other proposals to be presented at the meeting must be delivered to the Secretary of the Company, in writing, by June 2, 2007.

Stockholders are referred to the report for financial and other information about the Company, but such report is not incorporated in this Proxy Statement and is not a part of the proxy soliciting material.

OTHER MATTERS

Management of the Company knows of no other matters which are likely to be brought before the annual meeting. If any such matters are brought before the meeting, the persons named in the enclosed proxy will vote thereon according to their judgment.
