**Item 1.01. Entry into a Material Definitive Agreement.**

On August 15, 2006, the Board of Directors of Mercury Computer Systems, Inc. (the "Company") granted a stock option under the Company's 2005 Stock Incentive Plan (the "2005 Plan") to James R. Bertelli, the Company's President and Chief Executive Officer, covering 75,000 shares of the Company's common stock. The exercise price of the stock option is \$12.41 per share. The option becomes exercisable as to 1/4 of the covered shares on each of the first four anniversaries of the date of grant, provided that Mr. Bertelli remains either an employee or a director of the Company as of each such date, and expires on August 15, 2016.

The form of Stock Option Agreement with respect to the above-referenced grant provides that the stock option shall terminate and no portion will be exercisable on the earliest of the following:

the expiration date;

the date the grantee ceases to be an employee of the Company due to dismissal for cause or because the grantee is in breach of any employment agreement with the Company;

12 months following the date the grantee ceases to be an employee of the Company due to permanent disability;

12 months following the date of the grantee's death;

five years following the date the grantee ceases to be an employee of the Company due to retirement; and

90 days following the date the grantee ceases to be an employee of the Company for any reason other than as described above. The stock option will be exercisable as described above after the grantee's death or after the grantee otherwise ceases to be an employee of the Company only to the extent it was vested and exercisable immediately prior to the grantee's death or cessation or termination of employment.

If the grantee, either on the date of grant of the stock option or subsequent thereto, is or becomes a director of the Company, and thereafter ceases to be an employee while remaining a non-employee director, such change in status does not constitute a termination of employment for purposes of the last two bulleted clauses set forth above until the grantee's service as a director has ceased.

Mr. Bertelli has previously entered into a change in control severance agreement with the Company which provides, among other things, that if he is employed by the Company upon the occurrence of a change in control (as defined in the agreement), vesting of all his then outstanding stock options and other stock-based awards immediately accelerates and all such awards become exercisable or non-forfeitable.

The form of Stock Option Agreement under the 2005 Plan is filed herewith as Exhibit 10.1 and incorporated herein by reference.
