**Item 3.02 Unregistered Sales of Equity Securities.**

On September 20 and 21, 2006, BioMarin Pharmaceutical Inc. (the Company) entered into agreements with four of its existing holders of its 3.50% Convertible Subordinated Notes due 2008 (the Notes), pursuant to which such holders have converted \$76.56 million face amount of the Notes, in accordance with their terms, into 5,249,033 shares of the Company's common stock, par value \$.001 per share. In addition to issuing the requisite number of shares of common stock of the Company required pursuant to the Notes, the Company also paid each of those holders varying cash premiums for agreeing to convert their Notes, which, in aggregate, totaled approximately \$3.3 million. The issuance of the common stock of the Company upon conversion of the Notes was made in reliance on the exemption from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 3(a)(9) thereof, as the conversion of the Notes into common stock of the Company was made by the Company with its existing security holders exclusively in a series of privately negotiated transactions where no commission or other remuneration was paid.

The Company's press release issued on September 25, 2006 related to this transaction is attached hereto as Exhibit 99.1.
