Item 8.01. Other Events

On December 21, 2006, Seagate Technology issued a press release to announce the signing of a definitive agreement to acquire privately-held Evault, Inc., a leading provider of online backup services. A copy of this press release is attached to this Current Report on Form 8-K as Exhibit 99.1.

Evault is one of the industry's largest, and most profitable, suppliers of online network backup, recovery and data protection solutions for small-medium businesses and remote enterprise computing. Founded in 1997, the company is based in Emeryville, CA, with over 250 employees.

Seagate will acquire EVault in a cash transaction valued at approximately \$185 million. The acquisition is subject to various standard closing conditions, including applicable regulatory approvals, and is expected to close in the third quarter of Seagate's fiscal year 2007.

The information contained in this report and the attached press release is furnished but not filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended.
