ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On January 9, 2007, Crown Castle Operating Company (Borrower), a subsidiary of Crown Castle International Corp. (Company), entered into a credit agreement (Credit Facility) with a syndicate of lenders, pursuant to which such lenders agreed to provide the Borrower with a \$250 million senior secured revolving credit facility maturing January 8, 2008.

The Credit Facility is secured by a pledge of certain equity interests of certain existing and future subsidiaries of the Company (including, upon consummation of the planned merger of Global Signal Inc. with and into CCGS Holdings LLC, a wholly owned subsidiary of the Company (Global Signal Acquisition), CCGS Holdings LLC and certain of its existing and future subsidiaries), as well as a security interest in the Borrower s deposit accounts and securities accounts. The Credit Facility is guaranteed by the Company and certain of its existing and future subsidiaries.

The proceeds of the Credit Facility may be used for general corporate purposes, which may include the financing of capital expenditures, acquisitions and purchases of the Company s securities. Availability under the Credit Facility at any time will be determined by certain financial ratios. As of January 10, 2007, the Credit Facility remained undrawn.

Revolving borrowings under the Credit Facility bear interest at a rate per annum, at the Borrower s election, equal to the prime rate of The Royal Bank of Scotland plc plus 1.00% or LIBOR plus 2.0%. Interest on prime rate loans is due monthly, while interest on LIBOR loans is due at the end of the interest period (one, two, three or six months) for which such LIBOR rate is in effect.

The Credit Facility requires the Company, the Borrower and certain of its subsidiaries to maintain compliance with certain financial covenants and places certain restrictions on the ability of the Company and/or certain of its subsidiaries to, among other things, incur debt and liens, purchase Company securities, make capital expenditures, dispose of assets, undertake transactions with affiliates, make other investments and pay dividends.

The Credit Facility contains customary events of default, including payment defaults, breaches of representations and warranties, covenant defaults, cross-defaults to other indebtedness (including defaults under (i) the Indenture dated as of June 1, 2005, as amended, pursuant to which certain subsidiaries of the Borrower issued the Senior Secured Tower Revenue Notes, and (ii) upon consummation of the Global Signal Acquisition, the Amended and Restated Loan and Security Agreements dated December 7, 2004, and February 28, 2006, respectively, pursuant to which certain subsidiaries of Global Signal Inc. borrowed mortgage loans) and certain events of bankruptcy and insolvency.

The Credit Facility replaces the Borrower s prior credit facility dated as of June 1, 2006, which was repaid in full on November 29, 2006, in connection with the issuance of Senior Secured Tower Revenue Notes, Series 2006-1 by certain of the Borrower s indirect subsidiaries, including Crown Castle Towers LLC.

The above summary of the Credit Facility is qualified in its entirety by reference to the complete terms and provisions of the Credit Facility filed herewith as Exhibit 10.1.
