PROXY STATEMENT FOR 2007

ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished by the Board of Directors of Superior Uniform Group, Inc. (the Company) in connection with the solicitation of proxies to be voted at the Company's 2007 Annual Meeting of Shareholders, which will be held at 10:00 a.m. Local Time on May 4, 2007 at the offices of the Company, 10055 Seminole Boulevard, Seminole, Florida, 33772 (the Meeting).

Any proxy delivered pursuant to this solicitation may be revoked, at the option of the person executing the proxy, at any time before it is exercised by delivering a signed revocation to the Secretary of the Company, by submitting a later-dated proxy, or by attending the Meeting in person and casting a ballot. If proxies are signed and returned without voting instructions, the shares represented by the proxies will be voted as recommended by the Board of Directors. Shares that are not voted, either by casting a ballot in person or by returning a signed proxy, by the shareholders or brokers entitled to vote them, or through abstention, will not be considered in the final tabulation.

The cost of soliciting proxies will be borne by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone by regular employees of the Company. The Company does not expect to pay any compensation for the solicitation of proxies, but may reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expenses in sending proxy materials to their principals and obtaining their proxies. The approximate date on which this Proxy Statement and enclosed form of proxy are first being mailed to shareholders is March 30, 2007.

The close of business on March 14, 2007 (the Record Date) has been designated as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting. As of March 2, 2007, 6,637,909 shares of the Company's common stock, par value \$.001 per share, (the Common Stock) were issued and outstanding. Each shareholder will be entitled to one vote for each share of Common Stock registered in his or her name on the books of the Company on the close of business on the Record Date for the Meeting on all matters that come before the Meeting.

The Company's Bylaws provide that the holders of a majority of the issued and outstanding shares of common stock outstanding on the Record Date must be present or represented at the Meeting in order to have a quorum for the transaction of business. Abstentions (votes withheld) will be counted as present for purposes of determining the presence of a quorum. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a broker non-vote). If a quorum is present and voting, the nine nominees for director receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors. Abstentions and broker non-votes will not affect the outcome of the vote on such proposal.

Pursuant to SEC rules, services that deliver the Company's communications to shareholders that hold their stock through a bank, broker, or other holder of record may deliver to multiple shareholders sharing the same address a single copy of the Company's annual report to shareholders and this proxy statement. Upon written or oral request, the Company will promptly deliver a separate copy of the annual report and this proxy statement to any shareholder at a shared address to which a single copy of each document was delivered. Shareholders may notify the Company of their requests by calling (727) 397-9611, extension 1309 or by sending a written request addressed to the Company, Attention: Secretary, 10055 Seminole Boulevard, Seminole, Florida, 33772.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Programs and Process

The policies and procedures of the Compensation Committee are to:

determine and approve the compensation of the Company's Chief Executive Officer (the CEO);

make recommendations to the Board with respect to executive compensation for non-CEO executive officers, incentive compensation for executives and equity-based plans that are subject to board approval;

assist the Board in its oversight of the development, implementation and effectiveness of the Company's policies and strategies relating to its human capital management function, including but not limited to those policies and strategies regarding recruiting, retention, career development and progression, management succession, diversity and employment practices; and

prepare any report on executive compensation required by the rules and regulations of the Securities and Exchange Commission.

The primary objectives of the Compensation Committee of our Board of Directors with respect to executive compensation are to attract and retain the best executive talent available to us and to align our executive compensation structure with shareholder value creation. To achieve these objectives, the Compensation Committee has established an incentive system based on performance and benchmarked against an established peer group in which long-term continued improvement in pre-tax profit is the goal. More specifically, the Compensation Committee believes that executive compensation should:

help attract and retain the most qualified individuals by being competitive with compensation paid to persons having similar responsibilities and duties in other companies in the same and closely related businesses;

relate to the value created for shareholders by being directly tied to financial performance and condition of the Company and the particular executive officers contribution thereto;

reward individuals who help the Company achieve its short-term and long-term objectives and thereby contribute significantly to the success of the Company; and

reflect the qualifications, skills, experience, and responsibilities of the particular executive officer.

Role of Management in Awarding Executive Compensation

Our Chief Executive Officer currently initiates the compensation discussions with the Compensation Committee, providing requests and seeking approval from the Committee and the Board of Directors before finalizing any employment arrangements or bonus plans related to executives of the Company. The Compensation Committee approves the annual incentive award for the Chairman, the Chief Executive Officer and for each officer below the Chief Executive Officer level, based on the Chief Executive Officer's recommendations.

Compensation Components

The Company's executive compensation program currently consists of three key elements: base salary and benefits, annual incentives and stock-settled stock appreciation rights.

Base Salary. Base salaries for our executives are established based on the scope of their responsibilities, taking into account competitive market compensation paid by other companies for similar positions. Generally, we believe that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions and with similar responsibilities at comparable companies in line with our compensation philosophy. Base salaries are reviewed annually, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience.

Annual Incentives. Our annual incentive bonuses are intended to compensate officers for achieving our annual financial goals at corporate levels (and for achieving measurable individual annual performance objectives). Our annual incentive bonus plan provides for a cash bonus, dependent upon the level of achievement of the stated corporate goals (and personal performance goals), calculated as a percentage of the officer's base salary. The annual incentive bonus ties incentive compensation to net earnings per share (EPS) as reported in the Company's audited financial statements. Under this plan, the Compensation Committee establishes an EPS target that must be reached before any bonuses are earned. The target EPS is based upon the annually established financial growth plan and goal. The Compensation Committee also establishes for each participant in the Plan, including executive officers, individual incentive amounts (TIA) that may be earned, in whole or in part, depending upon whether the EPS target is reached and by how much it is exceeded during the fiscal year. At the target EPS level, a bonus equal to 100% of the TIA will be earned by the plan participants. For 2007, the target bonus awards (as a percentage of base salary) will be as follows: Chief Executive Officer, 40%; Chief Financial Officer, 40%; Chairman, 40% and Executive Vice President, 40%. The payout continues to increase as EPS increases and there is no maximum payout for the target bonus. The target EPS level for 100% payout is equal to \$0.75 per share. The Company's net earnings per share were \$0.32 for the year ended December 31, 2006 and \$0.17 for the year ended December 31, 2005.

Stock Option and Equity Incentive Programs

We intend that our stock option and equity incentive program is the primary vehicle for offering long-term incentives and rewarding our executive officers and key employees. We also regard our stock option and equity incentive program as a key retention tool. This is a very important factor in our determination of the type of award to grant and the number of underlying shares that are granted in connection with that award. Because of the direct relationship between the value of an option or stock appreciation right and the market price of our common stock, we believe that granting such awards is the best method of motivating the executive officers to manage the Company in a manner that is consistent with the interests of the Company and our stockholders.

Stock Awards Granted

We grant stock-settled stock appreciation rights and options to our executive officers and key employees based upon prior performance, the importance of retaining their services and the potential for their performance to help us attain our long-term goals. However, there is no set formula for the granting of awards to individual executives or employees. In each of the past three fiscal years, we have granted stock-settled stock appreciation rights and options, to purchase an average of approximately 248,000 shares of our common stock. Of this amount, approximately 28% has been granted to the named executive officers, and the balance has been granted to other officers, non-employee directors and other employees. During fiscal year 2006, a total of 136 employees and 5 non-employee directors received stock-settled stock appreciation rights or options to acquire an aggregate of approximately 238,000 shares of our common stock, including the five named executive officers, who received stock-settled stock appreciation rights to acquire an aggregate of 75,000 shares or 31.5% of the total stock-settled stock appreciation rights and options granted in 2006.

Timing of Grants

Stock-settled stock appreciation rights and options to our executive officers and other key employees are granted annually in conjunction with the review of the individual performance of our executive officers. This review takes place at the regularly scheduled meeting of the compensation committee, which is held in conjunction with the quarterly meeting of our Board in February. It is our Compensation Committee's intention to continue the practice of granting annual awards at the time of the Compensation Committee's February meeting. Stock option awards are granted to our non-employee directors on the date of our annual meeting of stockholders, in accordance with the terms of our 2003 plan. The exercise price of all stock options is set at the closing price of our common stock on the American Stock Exchange on the date of grant.

Other Compensation

Consistent with our pay-for-performance compensation philosophy, we intend to continue to maintain modest executive benefits and perquisites for officers; however, the Compensation Committee at its discretion may revise, amend or add to the officer's executive benefits and perquisites if it deems it advisable. We believe these benefits and perquisites are currently at competitive levels for companies similar to ours. We have no current plans to make changes to either the employment arrangements or levels of benefits and perquisites provided thereunder.

Retention Agreements

We have entered into retention agreements with each of our named executive officers. The retention agreements generally provide that, if within 24 months following a change in control the executive officer's employment is terminated for reasons other than for cause (as defined in the retention agreement) or by the executive for good reason (as defined in the retention agreement, including the ability for the executive to make an election within a forty-five day period beginning 180 days after a change in control), we will make a lump-sum cash payment to the executive officer equal to two times the sum of the executive officer's base salary at the rate in effect at the termination date or, if greater, the highest rate in effect at any time during the ninety day period prior to a change in control and the average of the annual cash bonuses paid to the executive during the three full fiscal years prior to the termination date or, if greater, the three full fiscal years immediately prior to the change in control date. The retention agreements also provide that we will continue to provide benefits to each executive for a period of two years after the date of his or her termination. Additionally, the agreements provide for each executive to be paid additional amounts under the Company's defined benefit plans and defined contribution plans as though they were employed for an additional two years. The current agreements expire on November 23, 2007 but are subject to automatic one-year extension unless we give the executive officer prior notification. The retention agreements are intended to promote stability and continuity of management should the Company consider a change in control transaction.

Had a change in control occurred during 2006 and had their employment been terminated on December 31, 2006, the named executive officers would have been eligible to receive the payments set forth in the table below.

Potential Payments Under Retention Agreements

Name	Salary & Bonus (\$)	Benefits (\$)(1)	Total (\$)
Michael Benstock, Chief Executive Officer	624,240	56,550	680,790

- (1) Consists of health and dental insurance coverage that the Company is responsible for continuing to provide to the executives for up to two years as though the executive were still employed. The executive is responsible to pay the employee portion of premiums consistent with the rates in effect at the date of the termination of employment. The value is based upon the type of insurance coverage we carried for each executive officer as of December 31, 2006 and is valued at the premiums in effect on December 31, 2006. Also includes payment for the equivalent amounts that would have been earned had the executive completed two additional years of service in both the defined benefit plan and the defined contribution plan.

Summary Compensation Table

The following table sets forth for each of the named executive officers: (i) the dollar value of base salary and bonus earned during the year ended December 31, 2006; (ii) the aggregate grant date fair value of stock and option awards granted during the year, computed in accordance with FAS 123 (R); (iii) the dollar value of earnings for services pursuant to awards granted during the year under non-equity incentive plans; (iv) the change in pension value and non-qualified deferred compensation earnings during the year; (v) all other compensation for the year; and, finally, (vi) the dollar value of total compensation for the year.

Pension Benefits/Retirement Plans

Since 1942, the Company has had a retirement plan (the Basic Plan) which has been qualified under the Internal Revenue Code. The Basic Plan is a defined benefit plan, with benefits normally beginning at age 65, is non-contributory by an employee, and the Company's contributions are not allocated to the account of any particular employee. All employees of the Company (except employees included in a retirement plan negotiated as part of a union contract) are eligible to participate in the Basic Plan. The Company also commenced effective November 1, 1994, the Superior Uniform Group, Inc. Supplemental Pension Plan (the Supplemental Plan) available to certain eligible employees of the Company. Retirement benefits available under the Supplemental Plan are based on the same provisions as in the qualified plan but ignore the salary limitations imposed by the Internal Revenue Service (\$200,000 in 2006). Accordingly, all eligible employees, regardless of earnings, will receive exactly the same formula distribution upon retirement. The following table shows estimated annual retirement benefits for the Basic Plan and Supplemental Plan (the Plan) combined, which are payable to employees of the Company upon retirement in specified compensation and years of service classifications.

The following table sets forth the actuarial present value of each named executive officer's accumulated benefit under each defined benefit plan, assuming benefits are paid at normal retirement age based on current levels of compensation. The table also shows the number of years of credited service under each such plan, computed as of the same pension plan measurement date used in the Company's audited financial statements for the year ended December 31, 2006. The table also reports any pension benefits paid to each named executive officer during the year.

Name	Plan Name	Number of Years of Credited Service	Present Value of Accumulated Benefit	Payments during Last Fiscal Year
		(#)	(\$)	(\$)
Michael Benstock, Chief Executive Officer	Superior Uniform Group, Inc. Employees Pension Plan	25.00	238,283	
	Supplemental Retirement Plan	25.00	161,976	
Andrew D. Demott, Jr., Senior V.P. & CFO	Superior Uniform Group, Inc. Employees Pension Plan	8.33	42,071	
	Supplemental Retirement Plan	25.00		
Gerald M. Benstock, Chairman of the Board	Superior Uniform Group, Inc. Employees Pension Plan	25.00		
	Supplemental Retirement Plan	25.00		
Alan D. Schwartz, President	Superior Uniform Group, Inc. Employees Pension Plan	25.00	398,413	
	Supplemental Retirement Plan	25.00	185,676	
Peter Benstock, Executive V. P.	Superior Uniform Group, Inc. Employees Pension Plan	23.75	159,166	
	Supplemental Retirement Plan	23.75	29,684	

The Plan provides benefits based on years of service and earnings above and below the covered Compensation Base. The normal monthly retirement benefit is 17.5% of an employee's average monthly compensation during the highest paid five years of the ten years immediately preceding retirement up to his Covered Compensation Base plus 32.5% of such average monthly compensation in excess of his Covered Compensation Base, reduced in the event such employee has less than 25 years of service. An employee's compensation includes overtime pay, commissions and any bonus received and therefore includes executive officers compensation as described in Salary and Bonus in the Summary Compensation Table shown above. There is no offset in retirement benefits for Social Security benefits or other retirement plans or statutory benefits. Of the five most highly compensated executive officers, Mr. G. Benstock, Mr. M. Benstock and Mr. Schwartz have the maximum years of service credited. The Basic Plan was amended as of November 1, 1989. Prior to the amendment, the Basic Plan provided benefits based on years of service and earnings in excess of the Covered Compensation Base (the wage bases on which maximum Social Security taxes are payable). Benefits accrued to November 1, 1989, under the Basic Plan prior to the recent amendment would be paid, if higher than the sums set forth above.

Nonqualified Deferred Compensation

The Company has no nonqualified defined contribution or other nonqualified deferred compensation plans.

The remaining Directors are compensated on the basis of \$1,500 quarterly and \$1,500 per meeting attended. Directors attending Audit or Compensation Committee meetings on a day other than the day of the Directors' meeting receive \$300 per meeting of such Committee. Beginning in July 2004, the Chairman of the Audit Committee received an additional \$500 per quarter in Directors' fees. Directors are entitled to reimbursement for expenses incurred in connection with their attendance at Board of Directors meetings and committee meetings. In addition, outside Directors are also eligible to receive stock option grants pursuant to Superior's 2003 Incentive Stock and Awards Plan. During fiscal year 2006, each Director was granted 2,500 stock options under the 2003 Incentive Stock and Awards Plan that were exercisable at a price of \$12.84 (the trading price of such stock on the date of grant).

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the above Compensation Discussion and Analysis with management, and, based on such review and discussion, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's proxy statement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and directors, and persons who beneficially own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC and the American Stock Exchange. Officers, directors and greater than ten percent beneficial owners are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it and written representations from certain reporting persons that no Forms 5 were required for them, the Company believes that during its most recently completed fiscal year ended on December 31, 2006, all Section 16(a) reports required to be filed by its officers, directors, and greater than ten percent beneficial owners were timely filed.

CERTAIN TRANSACTIONS

Director and Officer Liability Insurance

As authorized by Section 607.0850(12) of the Florida Business Corporation Act, the Company maintains insurance to indemnify it and its Directors and officers from certain liabilities to the extent permitted by law; such insurance is in the face amount of \$10,000,000 with Federal Insurance Company, under contract dated August 27, 2006 at an annual premium of \$85,000. No sums have been paid or sought under any such indemnification insurance.

Review, Approval and Ratification of Transactions with Related Persons

The Company's policy is to require that any transaction with a related party required to be reported under applicable SEC rules, other than compensation-related matters, be reviewed and approved or ratified by a majority of independent, disinterested directors. The Company has not adopted procedures for review of, or standards for approval of, these transactions, but instead reviews such transactions on a case by case basis. The Company's policy is to require that all compensation-related matters be recommended for Board approval by the Compensation Committee. During the last fiscal year, no transactions with a related party have occurred that required a waiver of this policy nor have any transactions with a related party occurred in which the Company did not follow this policy.

REPORT OF THE AUDIT COMMITTEE

The Company's Audit Committee serves to assist the Board in fulfilling the Board's responsibilities relating to safeguarding of assets and oversight of the quality and integrity of the accounting, auditing and reporting practices of the Company. The members of the Audit Committee meet the independence and experience requirements of the American Stock Exchange and the Securities and Exchange Commission.

The Company's management has primary responsibility for the preparation, presentation and integrity of the Company's financial statements and its financial reporting process. The Company's independent auditing firm, Grant Thornton LLP, is responsible for expressing an opinion on the conformity of the Company's audited financial statements to accounting principles generally accepted in the United States of America. The Audit Committee's responsibility is to monitor and oversee these processes. In connection with these responsibilities, the Audit Committee reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2006 with the Company's management.
2. The Audit Committee has discussed with Grant Thornton LLP the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1., AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.
3. The Audit Committee has received the written disclosures and the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standards No. 1, Independence Discussions with Audit Committees) and has discussed with Grant Thornton LLP its independence.
4. Based on the review and discussions referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Proposal 2)

Although the Audit Committee has the sole authority to appoint the independent auditors, the Audit Committee will continue its long-standing practice of recommending that the Board ask the shareholders, at their annual meeting, to ratify their appointment of the independent auditors. The Audit Committee has appointed Grant Thornton LLP, independent certified public accountants, to audit the financial statements of the Company for the year ending December 31, 2007.

The Company expects representatives of Grant Thornton LLP to be present at and available to respond to appropriate questions at the Meeting. Representatives of Grant Thornton LLP will have the opportunity to make a statement if they so desire.

Shareholder ratification of the Company's independent registered public accountants is not required by the Company's Bylaws or otherwise. The Audit Committee and the Board of Directors has elected to seek such ratification as a matter of good corporate practice. If the shareholders do not ratify this appointment, the Audit Committee will consider the appointment of other auditors.

Audit Fees and All Other Fees

The following table sets forth information regarding fees paid by the Company to Grant Thornton LLP during 2006, 2005 and 2004:

	2006	2005	2004
Audit Fees ⁽¹⁾	\$ 445,336	\$ 409,159	\$ 369,292
Tax Fees ⁽¹⁾	6,500	7,080	
Total Fees	\$ 451,836	\$ 416,239	\$ 369,292

⁽¹⁾ Fees for audit services include fees associated with the annual audit and the audit of internal control over financial reporting in 2006, 2005 and 2004 and the reviews of the Company's quarterly reports on Form 10-Q. Tax fees for 2006 and 2005 include fees for the review of the Company's Federal tax return. There were no other fees paid to Grant Thornton LLP during 2006, 2005 or 2004.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has concluded that Grant Thornton LLP's provision of the audit and permitted non-audit services described above is compatible with maintaining Grant Thornton LLP's independence. The Audit Committee pre-approved all of such services. The Audit Committee has established pre-approval policies and procedures with respect to audit and permitted non-audit services to be provided by its independent auditors. Pursuant to these policies and procedures, the Audit Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate to grant such pre-approvals, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. The Audit Committee's pre-approval policies do not permit the delegation of the Audit Committee's responsibilities to management.

OTHER BUSINESS

Management of the Company does not know of any other business that may be presented at the Meeting. If any matter not described herein should be presented for shareholder action at the Meeting, the persons named in the enclosed Proxy will vote or refrain from voting the shares represented thereby in accordance with their best judgment on such matters after consultation with the Board of Directors.

SHAREHOLDER PROPOSALS FOR

PRESENTATION AT THE 2008 ANNUAL MEETING

If a qualified shareholder desires to present a proposal for action at the annual meeting of shareholders to be held in 2008, and such proposal conforms to the rules and regulations of the Securities and Exchange Commission and is in accordance with other federal laws as well as the laws of the State of Florida, such proposal must be received by the Company by December 1, 2007, to be

included in the Company's Proxy Statement and proxy for such 2008 meeting (unless the date of the 2008 annual meeting is not held within 30 days of May 2, 2008, in which case the deadline will be a reasonable time before we begin to print and mail the proxy material for the 2008 annual meeting of shareholders). In addition, the proxy solicited by the Board for the 2008 annual meeting will confer discretionary authority on the persons named in such Proxy to vote on any shareholder proposal presented at that meeting if the Company receives notice of such proposal later than February 14, 2008, without the matter having been discussed in such Proxy.
