Item 1.01 Entry into a Material Definitive Agreement

On April 20, 2007, Google Inc. entered into a Distribution Agreement (the "Distribution Agreement") with Morgan Stanley & Co. Incorporated, Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC and UBS Securities LLC (the "Bidders") relating to shares of Google's Class A common stock to be offered and sold by the participating financial institutions in connection with Google's Transferable Stock Option ("TSO") program, in which eligible employees will be able to sell certain vested, transferable stock options to the participating financial institutions. The participating financial institutions will offer and sell shares of Google's Class A common stock in connection with short sales of Google's Class A common stock to hedge the options they purchase under the TSO program.

In addition, on April 20, 2007, Google also entered into a Bidding Rules Agreement (the "Bidding Rules Agreement") with the Bidders, which authorizes the participating financial institutions to bid on the transferable stock options offered for sale under the TSO program, and a Warrant Agreement (the "Warrant Agreement") with the Bidders, pursuant to which certain terms governing such transferable stock options pursuant to their respective stock option agreements will automatically be amended when transferable stock options are sold under the TSO program.

Copies of the forms of the Distribution Agreement, the Bidding Rules Agreement and the Warrant Agreement are filed as Exhibits 1.01, 1.02 and 4.01, respectively, to this Form 8-K and are incorporated herein by reference. The descriptions of the material terms of the Distribution Agreement, the Bidding Rules Agreement and the Warrant Agreement are qualified in their entirety by reference to such exhibits.
