**Item 1.01 Entry into a Material Definitive Agreement.**

On February 20, 2009, Career Education Corporation (the Company) entered into Option Extension and Amendment Agreements with its non-employee directors (other than Gregory L. Jackson, who entered into a separate agreement addressed immediately below) regarding outstanding option grants held by the Company's non-employee directors. These agreements amend such outstanding option grants to (i) increase the stock ownership threshold upon which a change in control is deemed to occur from twenty percent (20%) to thirty-five percent (35%) and (ii) extend the post-termination exercise period of such options to the earlier of (a) three (3) years following termination of service as a director of the Company, and (b) the original expiration date of the option, except in the case of termination of service as a director of the Company at a time when Cause (as defined in the Career Education Corporation 2008 Incentive Compensation Plan (the 2008 Plan)) exists. The forms of such agreements are attached hereto as Exhibits 10.1 and 10.2.

On February 20, 2009, the Company entered into an Option Extension Agreement with Gregory L. Jackson, a non-employee director of the Company who holds Company options only under the 2008 Plan. The purpose of such agreement is to extend the post-termination exercise period of such options to the earlier of (a) three (3) years following termination of service as a director of the Company, and (b) the original expiration date of the option, except no such extension will be granted in the case of termination of service as a director of the Company at a time when Cause (as defined in the 2008 Plan) exists. The form of such agreement is attached hereto as Exhibit 10.3.

On February 20, 2009, the Company entered into Option and Restricted Stock Amendment Agreements with the Company's Section 16 reporting officers (each, an Officer) amending all outstanding Company options and restricted stock held by such Officers under the Career Education Corporation 1998 Employee Incentive Compensation Plan (the 1998 Plan). These agreements amend such outstanding options and restricted stock awards to (i) increase the stock ownership threshold upon which a change in control is deemed to occur from twenty percent (20%) to thirty-five percent (35%) and (ii) provide that, upon the Termination of Employment (as defined in the 1998 Plan) of any Officer by the Company without Cause (as defined in the 1998 Plan), the options held by such Officer under the 1998 Plan shall become fully exercisable and the shares of restricted stock held by such Officer under the 1998 Plan shall become fully vested. The form of such agreement is attached hereto as Exhibit 10.4.

On February 20, 2009, the Company entered into a Restricted Stock Amendment Agreement with Gary E. McCullough, the President and Chief Executive Officer of the Company, regarding 72,000 shares of restricted stock issued pursuant to that certain Restricted Stock Agreement dated March 7, 2007 between the Company and Mr. McCullough. As of February 20, 2009, 36,000 of such shares remain unvested. The agreement increases the stock ownership threshold upon which a change in control is deemed to occur from twenty percent (20%) to thirty-five percent (35%) for these restricted shares. The form of such agreement is attached hereto as Exhibit 10.5.

The foregoing descriptions of the Option Extension and Amendment Agreements, Option Extension Agreement, Option and Restricted Stock Amendment Agreements, and Restricted Stock Amendment Agreement are qualified in their entirety by reference to the text of the agreements, filed as Exhibits 10.1, 10.2, 10.3, 10.4 and 10.5 hereto and incorporated herein by reference.
