Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers.

(f) Disclosure of Bonuses and Total Compensation of Certain Officers.

On March 1, 2010, the Compensation Committee of the Board of Directors (the Compensation Committee) of Cell Therapeutics, Inc. (the Company) approved cash incentive awards for 2009 for each of the Company's named executive officers in the amounts reported in the Bonus column in the table below. In accordance with the rules of the Securities and Exchange Commission (the SEC), the table below also updates the Summary Compensation Table - Fiscal 2007-2009, which appears in the Company's definitive proxy statement filed with the SEC on February 23, 2010 (the Proxy Statement) and in the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2009, filed with the SEC on February 26, 2010 (the Form 10-K), to include the 2009 bonus information.

The Company's 2009 cash incentive program is described in detail in the Proxy Statement and the Form 10-K. In determining the cash incentive amounts, the Compensation Committee determined that the Company had achieved the maximum performance goal established under the program for operating capital raised in 2009 and had achieved the target performance goal for the tender of its then-outstanding notes due in 2010-2011 in its publicly registered tender offers for those notes. In addition, the Compensation Committee noted that the Company had completed its new drug application submission for pixantrone in 2009. Based on these achievements and its subjective assessment of each named executive officer's individual performance during fiscal 2009, the Compensation Committee determined to award cash incentives to each of the named executive officers in the following amounts (expressed as a percentage of such executive's base salary): James A. Bianco, M.D., 90%; Craig W. Philips, 60%; Louis A. Bianco, 62%; Daniel G. Eramian, 57.5%; and Jack W. Singer, M.D., 35%. These amounts are reflected in the Bonus column of the table below.
