**Item 1.01. Entry Into A Material Definitive Agreement.**

On September 7, 2010, Microtune, Inc. ( **Microtune** or the **Company** ) entered into an Agreement and Plan of Merger (the **Merger Agreement** ), by and between the Company, Zoran Corporation ( **Parent** or **Zoran** ) and Maple Acquisition Corp., a wholly owned subsidiary of Parent ( **Sub** ).

*Merger Agreement*

The Merger Agreement provides for a business combination whereby Sub will merge with and into the Company (the **Merger** ). As a result of the Merger, the separate corporate existence of Sub will cease and the Company will continue as the surviving corporation in the Merger. At the effective time of the Merger, each share of common stock of the Company (other than shares owned by the Company, Parent and Sub) will be converted into the right to receive \$2.92 in cash, without interest. In addition, restricted stock units denominated in shares of Company common stock outstanding immediately prior to the consummation of the Merger will be converted into restricted stock units denominated in shares of Parent common stock based on the formula contained in the Merger Agreement, except for restricted stock units held by non-employee directors, which, in accordance with the terms of the 2000 Director Stock Plan, will be converted into the right to receive cash. Each option to purchase shares of Company common stock outstanding immediately prior to the consummation of the Merger will fully accelerate and be 100% vested immediately prior to the effective time in accordance with the terms of the Company's stock plans. At the effective time, each outstanding and unexercised option will be canceled. Holders of canceled options with a per share exercise price less than \$2.92 will be entitled to receive a cash payment equal to the difference between the per share exercise price and \$2.92, multiplied by the number of shares subject to such option, less any applicable tax withholding.

The Merger, anticipated to close before the end of the year, is subject to the approval of the Company's stockholders representing a majority of the outstanding shares of common stock of the Company. In addition, the Merger is subject to clearance under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as well as other customary closing conditions.

The Merger Agreement contains various representations, warranties and covenants of the Company, Parent and Sub, including, among others, covenants by the Company to:

call and hold a stockholder meeting to adopt the Merger Agreement;

have its board of directors recommend that the Company's stockholders adopt the Merger Agreement (subject to certain exceptions);

abide by a non-solicitation or no shop provision described below; and

conduct its business in the ordinary course during the period between the date of the Merger Agreement and the closing of the Merger and to refrain from certain kinds of transactions and activities during that period.

The Merger Agreement contains a non-solicitation or no shop provision restricting the Company from soliciting alternative acquisition proposals from third parties and from furnishing non-public information to and engaging in discussions with third parties regarding alternative acquisition proposals. The no-shop provision is subject to a customary fiduciary-out provision, which allows the Company under certain circumstances to furnish non-public information to and participate in discussions with third parties with respect to a bona fide unsolicited written alternative acquisition proposal that constitutes or is reasonably likely to lead to a superior offer and, under certain circumstances, to terminate the Merger Agreement. The Merger Agreement contains certain termination rights for both the Company and Parent and further provides that, upon termination of the Merger Agreement under certain circumstances, including a termination in connection with a superior offer, the Company may be obligated to pay Parent a termination fee of \$5,000,000.

The foregoing description of the Merger Agreement is only a summary, does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement and as of specified dates, were solely for the benefit of the parties to the Merger Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Merger Agreement. The representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Parent or Sub or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's or Parent's public disclosures.

### ***Rights Amendment***

Immediately prior to the execution of the Merger Agreement, on September 7, 2010, the Company entered into a First Amendment (the **Amendment**) to its Rights Agreement, dated as of March 4, 2002, between the Company and Computershare Investor Services, LLC (the **Rights Agreement**). The Amendment provides that the execution of the Merger Agreement and the consummation of the transactions contemplated thereby shall not cause (i) the rights to purchase one-thousandth of a share of the Company's Series A Preferred Stock to become exercisable under the Rights Agreement, (ii) Parent or any of its subsidiaries, including Sub, to be deemed an Acquiring Person, or (iii) the Distribution Date, the Share Acquisition Date or a Triggering Event (as each is defined in the Rights Agreement) to occur. The Amendment also provides that the Rights Agreement shall terminate immediately prior to the consummation of the Merger.

A copy of the Amendment is incorporated herein by reference to the Company's Form 8-A/A filed with the Securities and Exchange Commission (the **Commission**) on September 8, 2010. The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment which is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

### **Item 3.03 Material Modification to Rights of Security Holders**

Please see the disclosure set forth under Item 1.01 Entry into a Material Definitive Agreement Rights Amendment which is incorporated by reference into this Item 3.03.

### **Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On September 7, 2010, in connection with the Merger, the Company entered into severance agreements with James A. Fontaine, the Company's Chief Executive Officer and President, Justin M. Chapman, the Company's Chief Financial Officer, Phillip D. Peterson, the Company's General

Counsel, Barry F. Koch, the Company's Executive Vice President and Robert S. Kirk, the Company's Vice President of Worldwide Sales (the **Severance Agreements**). The Severance Agreements replace the existing Amended and Restated Severance and Change in Control agreements that the Company has in place with each of the executives listed above (the **Existing Agreements**), effective as of, and contingent upon, the closing of the Merger. The Company's Board of Directors and the Compensation Committee of the Board of Directors have approved the Severance Agreements.

The Severance Agreements with Mr. Fontaine, Chapman and Peterson provide (i) a cash payment at the closing of the Merger equal to the accrued bonus as provided in the Severance Agreements, (ii) a transition services period following the Merger (varying from 2 to 4 months for each executive) during which time the executives will provide integration-related services to the Company and Parent, and (iii) an agreement that the Company will terminate each executive's employment at the conclusion of the transition services period in exchange for a cash lump sum severance payment equal to the executive's base salary, target bonus opportunity, as provided in the Existing Agreements, and the estimated cash value of service-vested RSUs vesting in May 2011. In addition, a portion of the severance equal to \$200,000 payable to each of Mr. Fontaine and Mr. Chapman is conditioned on their compliance with their respective one-year post-termination, non-competition and non-solicitation agreements, which agreements are contingent upon and effective immediately prior to the closing of the Merger. Mr. Fontaine and Mr. Peterson are also entitled to reimbursement of COBRA medical continuation coverage premiums for 12 months after termination.

The Severance Agreements with Mr. Koch and Mr. Kirk provide upon a termination of service by the Company without cause or resignation by the executive for good reason (as such terms are defined in the Severance Agreements), or the executive's employment terminates due to death or disability, in each case occurring within 12 months after the Merger, each executive will receive cash severance in an amount equal to base salary, target bonus opportunity, as provided in the Existing Agreements, and the estimated cash value of RSUs vesting in May 2011. In addition, Mr. Kirk is entitled to reimbursement of COBRA medical continuation coverage premiums for 12 months after termination. The agreements provide for severance equal to one-half the above amounts (other than RSU vesting which is unreduced but not available for the entire severance period) upon a termination of service by the Company without cause or resignation by the executive for good reason or the executive's employment terminates due to death or disability, in each case occurring between 12 and 24 months after the Merger and no severance for terminations after 24 months.

The foregoing description of the Severance Agreements is not a complete description and is qualified by reference to the full text of the Severance Agreements (including the non-competition and non-solicitation agreement exhibits thereto), which the Company has filed herewith as Exhibits 10.1, 10.2, 10.3, 10.4 and 10.5 to this Current Report on Form 8-K.

Also on September 7, 2010, Microtune GmbH & Co. KG entered into an agreement amending the Managing Director Contract dated October 29, 2007, with Mr. Koch (the **Amendment Agreement**). The Amendment Agreement sets forth the terms and conditions applying to Mr. Koch's temporary assignment to perform services for Zoran Corporation in the United States for a period of two years following the Merger. During the assignment Mr. Koch will serve as Vice President and General Manager, Broadband Receivers Unit of Home Entertainment Division. The Amendment Agreement provides that Mr. Koch will receive an annual gross salary of \$240,000 during the assignment in addition to certain travel, relocation and tax equalization benefits described in an assignment agreement, attached as an exhibit to the Amendment Agreement. The foregoing description is not a complete description of the Amendment Agreement and is qualified in its entirety by the full text of the Amendment Agreement (including the assignment agreement exhibit) filed herewith as Exhibit 10.6 to this Current Report on Form 8-K.

**Item 8.01 Other Events**

On September 8, 2010, Parent issued a press release announcing the execution of the Merger Agreement.

A copy of the press release is furnished as Exhibit 99.1.
