On the evening of March 25, 2011, the plaintiffs and the defendants in the Delaware Consolidated Action entered into a Memorandum of Understanding (*MOU*) providing for the settlement of the Delaware Consolidated Action. The MOU resolves the allegations by the plaintiffs against the defendants in connection with the Merger Agreement and, pending confirmatory discovery and approval of the court, provides for a general release by the class of Clinical Data shareholders of all claims against the defendants and their affiliates in connection with the Offer and the Merger. In the MOU, the parties agreed to negotiate in good faith an appropriate Settlement Agreement, which will provide that upon approval of the settlement, the Delaware Consolidated Action shall be dismissed with prejudice. In the event that the settlement is not approved, the defendants will continue to vigorously defend against the allegations set forth in the Delaware Consolidated Action. There has been no substantive activity with respect to the two actions in Massachusetts.
