**Item 3. Source and Amount of Funds or Other Consideration**

Not applicable.

**Item 4. Purpose of Transaction**

The purpose of this filing is to report (1) the termination, on December 6, 2011, of a prepaid variable forward sale contract that was entered into by the Reporting Person on December 22, 2010 with an unaffiliated third party buyer (the December 2010 Forward Contract ), and (2) the entry into a new prepaid variable forward sale contract, solely for the purpose of replacing the December 2010 Forward Contract, with a different and unrelated third party buyer on December 6, 2011 (the December 2011 Forward Contract ).

The Reporting Person terminated the December 2010 Forward Contract for a negotiated settlement price of \$59,156,000 payable by the Reporting Person. The December 2010 Forward Contract obligated the Reporting Person to deliver to the buyer up to 9,200,000 Common Shares (or, at the Reporting Person 's election, an equivalent amount of cash based on the market price of the Common Shares at that time) on the third day following the maturity date of the contract (January 5, 2012). In exchange for assuming this obligation, the Reporting Person received a cash payment of \$55,265,158. The Reporting Person pledged 9,200,000 Common Shares to secure his obligations under the December 2010 Forward Contract, and retained voting and certain dividend rights in the pledged Common Shares during the term of the pledge. The December 2010 Forward Contract provided that the number of Common Shares to be delivered

to the buyer on the maturity date would be determined as follows: (a) if the average of the closing prices of a Common Share on each of the twenty (20) NYSE trading days ending on and including January 5, 2012 (the Settlement Price) would be less than or equal to \$7.5847, the Reporting Person would deliver to the buyer 9,200,000 Common Shares; (b) if the Settlement Price would be between \$7.5847 and \$37.9235, the Reporting Person would deliver to the buyer a number of Common Shares equal to 9,200,000 multiplied by a fraction, the numerator of which would be \$7.5847 and the denominator of which would be the Settlement Price; and (c) if the Settlement Price would be greater than \$37.9235, the Reporting Person would deliver to the buyer the number of Common Shares equal to 9,200,000 multiplied by a fraction, the numerator of which would be \$7.5847 plus the excess of the Settlement Price over \$37.9235, and the denominator of which would be the Settlement Price.

The December 2011 Forward Contract obligates the Reporting Person to deliver to the buyer up to 1,840,000 Common Shares (or, at the Reporting Person's election, an equivalent amount of cash based on the market price of the Common Shares at that time) on each of January 4, 7, 8, 9 and 10, 2013 (each, a Maturity Date). In exchange for assuming this obligation, the Reporting Person received a cash payment of \$49,117,226.80. The Reporting Person pledged 9,200,000 Common Shares to secure his obligations under the December 2011 Forward Contract, and retained voting and certain dividend rights in the pledged shares during the term of the pledge. The December 2011 Forward Contract provides that the number of Common Shares to be delivered to the buyer with respect to each Maturity Date is to be determined as follows: (a) if the closing price of a Common Shares on such Maturity Date (the New Settlement Price) is less than or equal to \$6.43, the Reporting Person will deliver to the buyer 1,840,000 Common Shares; (b) if the New Settlement Price is between the \$6.43 and \$9.645, the Reporting Person will deliver to the buyer a number of Common Shares equal to 1,840,000 multiplied by a fraction, the numerator of which is the \$6.43 and the denominator of which is the New Settlement Price; and (c) if the New Settlement Price is greater than \$9.645, the Reporting Person will deliver to the buyer the number of Common Shares equal to 1,840,000 multiplied by a fraction, the numerator of which is the \$6.43 plus the excess of the New Settlement Price over \$9.645, and the denominator of which is the New Settlement Price.

The Reporting Person may, from time to time, acquire additional Common Shares for investment purposes if market conditions are favorable. The Reporting Person may also dispose of some or all of the Common Shares that he beneficially owns, periodically, by public or private sale, gift, pledge or otherwise, including, without limitation, sales of Common Shares by the Reporting Person pursuant to Rule 144 under the Securities Act of 1933, as amended, through additional prepaid variable forward sale contracts, or otherwise. The Reporting Person reserves the right not to acquire Common Shares or not to dispose of all or part of such Common Shares if he determines such acquisition or disposal is not in his best interests at that time.

Other than as described above and the 2009 Forward Contract, the August 10, 2011 Forward Contract and the August 19, 2011 Forward Contract (as defined in notes 3, 4 and 5 to Item 5 below, respectively), the Reporting Person does not have any current plans or proposals which relate to, or would result in, (a) any acquisition or disposition of securities of PHM, (b) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving PHM or any of its subsidiaries, (c) any sale or transfer of a material amount of assets of PHM or any of its subsidiaries, (d) any change in the present board of directors or
