PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON WEDNESDAY, FEBRUARY 1, 2012

ABOUT THE ANNUAL MEETING

We are furnishing this proxy statement to stockholders of record of Spectrum Brands Holdings, Inc. (*Spectrum* or the *Company*) in connection with the solicitation of proxies for use at the annual meeting of stockholders to be held on Wednesday, February 1, 2012 at 8:00 a.m., Central Time, at the offices of our subsidiary, United Industries Corporation, located at One Rider Trail Plaza Drive, Suite 300, Earth City, Missouri 63045, and at any adjournments or postponements thereof (the *Annual Meeting*).

The Notice of Annual Meeting of Stockholders (the *Annual Meeting Notice*), this proxy statement, the accompanying proxy card, and an Annual Report to stockholders for the fiscal year ended September 30, 2011 (the *Annual Report*) containing financial statements and other information of interest to stockholders are expected to be mailed to stockholders on or about January 4, 2012.

Matters to be Voted Upon at the Annual Meeting

At the Annual Meeting you will be voting on the following proposals:

1. to elect three Class II directors to the Board of Directors for a three-year term expiring at the 2015 annual meeting; and
2. to ratify the appointment by the Board of Directors of KPMG LLP as our independent registered public accounting firm for our fiscal year ending on September 30, 2012 (*Fiscal 2012*).

You will also be voting on such other business as may properly come before the meeting or any adjournment thereof.

Recommendations of Our Board of Directors

Our Board of Directors recommends that you vote your shares as follows:

1. **FOR** the election of three Class II directors to the Board of Directors for a three-year term expiring at the 2015 annual meeting (**PROPOSAL 1**); and
2. **FOR** the ratification of the appointment by the Board of Directors of KPMG LLP as our independent registered public accounting firm for Fiscal 2012 (**PROPOSAL 2**).

Stockholders Entitled to Vote at the Meeting

Stockholders of Record

Only stockholders of record of the *Company*'s common stock, par value \$.01 per share (the *Common Stock*), as of December 21, 2011 (the *Record Date*) are entitled to receive notice of and to vote at the Annual Meeting. You are considered the stockholder of record with respect to your shares if your shares are registered directly in your name with Mellon Investor Services LLC, the *Company*'s stock transfer agent. If you are a stockholder of record, you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held at 8:00 a.m., Central Time, at the offices of our subsidiary, United Industries Corporation, located at One Rider Trail Plaza Drive, Suite 300, Earth City, Missouri 63045.

Table of Contents

If you choose to vote by proxy you may do so by using the Internet, the telephone, or by completing, signing, dating, and returning the enclosed proxy card in the envelope provided. Whichever method you use to vote by proxy, each valid proxy received in time will be voted at the Annual Meeting in accordance with your instructions. To ensure that your proxy is voted, your proxy, whether given by Internet, the telephone, or by mailing the proxy card, should be received by 5:00 p.m., Eastern Time, on January 31, 2012. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

On the Record Date, there were 52,184,241 shares of Common Stock issued and outstanding, constituting all of our issued and outstanding voting securities. Stockholders of record are entitled to one vote for each share of Common Stock they held as of the Record Date.

Shares Held with a Bank, Broker, or Other Nominee

If your shares are held in an account with a bank, broker, or another third party that holds shares on your behalf, referred to herein as a nominee, then you are considered the beneficial owner of these shares, and your shares are referred to as being held in street name. If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker, or other nominee how to vote your shares.

If your shares are held by a bank, broker, or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares. Brokers, banks, and other nominees have the authority under the rules of the New York Stock Exchange (NYSE) to vote shares held in accounts by their customers in the manner they see fit, or not at all, on routine matters if their customers do not provide them with voting instructions. Proposal 1 is not considered to be a routine matter, but Proposal 2 is considered to be a routine matter. When a proposal is not routine and the bank, broker, or other nominee has not received your voting instructions, a bank, broker, or other nominee will not be permitted to vote your shares and a broker non-vote will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker, or other nominee.

Quorum

A quorum of stockholders is necessary to hold the Annual Meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Broker non-votes and shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting, but who have abstained from voting or have not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting, will be counted as present for purposes of establishing a quorum.

Votes Required with Respect to Each Proposal

To be elected as a Class II director at the Annual Meeting (Proposal 1), each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. In a plurality vote, the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the Board of Directors' appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2012 (Proposal 2).

Table of Contents

With regards to Proposal 1 (election of directors), shares represented by proxies that are marked **WITHHELD** and shares that are not voted will be excluded entirely from the vote and will have no effect on the outcome of this vote because the directors are elected by a plurality vote. With regards to Proposal 2 (ratification of KPMG LLP's appointment as auditor), shares marked as **ABSTAIN** and shares which are not voted will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against the proposal because approval of the proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting.

Proxies and Voting Procedures

What is a Proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. For the purposes of the Annual Meeting, if you use the Internet or telephone, or complete the attached proxy card and return it to us by 5:00 p.m., Eastern Time, on January 31, 2012, you will be designating the officers of the Company named on the proxy card to act as your proxy and to vote on your behalf in accordance with the instructions you have given via the Internet, by telephone, or on the proxy card at the Annual Meeting.

Voting by Proxy

Stockholders of Record

If you are a stockholder of record you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held at 8:00 a.m., Central Time, at the offices of our subsidiary, United Industries Corporation, located at One Rider Trail Plaza Drive, Suite 300, Earth City, Missouri 63045. We recommend that you vote by proxy even if you currently plan to attend the Annual Meeting so that your vote will be counted if you later decide not to or are unable to attend the Annual Meeting. You may revoke your vote at any time before 5:00 p.m. Eastern Time, on January 31, 2012, by:

signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or via the Internet, since only your latest proxy received by 5:00 p.m., Eastern Time, on January 31, 2012 will be counted; or

Attending the Annual Meeting in person and voting again.

If you are a stockholder of record, there are several ways for you to vote your shares by proxy:

By Mail. You may submit your proxy by completing, signing, and dating the attached proxy card and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received by 5:00 p.m., Eastern Time, on January 31, 2012.

By Telephone or Over the Internet. You may submit your proxy by telephone or via the Internet by following the instructions provided in the proxy card. If you submit your proxy by telephone or via the Internet, you do not need to return a proxy card by mail. Internet and telephone proxy submission is available 24 hours a day. Proxies submitted by telephone or the Internet must be received by 5:00 p.m., Eastern Time, on January 31, 2012.

In Person at the Annual Meeting. You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy by telephone or via the Internet, or by completing, signing, dating, and returning the attached proxy card by the applicable deadline so that your vote will be counted if you later decide not to attend the meeting.

Table of Contents

Voting instructions are included on your proxy card. If you properly submit your proxy by telephone, the Internet, or by mail in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed. **If you submit your proxy by telephone, the Internet, or by mail, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, as necessary to vote your shares on each proposal, your shares will be voted in accordance with the recommendations of our Board of Directors: (1) FOR the election of the director nominees, (2) FOR the ratification of the appointment KPMG LLP as the Company's independent registered public accounting firm for Fiscal 2012, and (3) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

Shares Held with a Bank, Broker, or Other Nominee

If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card for you to use in directing the bank, broker, or other nominee on how to vote your shares. To ensure that your shares are voted according to your wishes, be certain that you provide instructions to your bank, broker, or other nominee on how to vote your shares in the manner that they specify. Your bank, broker, or other nominee will be permitted to vote your shares without instruction from you on Proposal 2, but will not be permitted to vote your shares on Proposal 1 without your instructions. As a result, if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares with respect to Proposal 2, your bank, broker, or other nominee may vote your shares in a different manner than you would have voted if you had provided instructions to your bank, broker, or other nominee, and your vote will not be cast for Proposal 1.

Revoking Your Proxy

If you are a stockholder of record, you may revoke your proxy before it is voted by:

signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or the Internet, since only your last proxy received by 5:00 p.m., Eastern Time, on January 31, 2012 will be counted;

notifying the Secretary of the Company in writing by 5:00 p.m., Eastern Time, on January 31, 2012 that you have revoked your proxy; or

voting in person at the Annual Meeting.

If you hold your shares in street name, you must contact your bank, broker, or other nominee to revoke your proxy.

Voting in Person

If you are a stockholder of record and you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting.

If your shares are held in the name of your broker, bank, or other nominee, and you plan to attend the Annual Meeting and wish to vote in person, you must bring a legal proxy from your broker, bank, or other nominee authorizing you to vote your street name shares held as of the Record Date in order to be able to vote at the Annual Meeting. A legal proxy is an authorization from your bank, broker or other nominee to vote the shares that it holds in its name.

Table of Contents

Proxy Solicitation

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. The Company will bear the costs of the solicitation. We have engaged Georgeson Inc. to assist us in soliciting proxies for a fee of approximately \$7,500 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers, and employees in person or by telephone, e-mail, or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Delivery of Proxy Materials and Annual Report to Households

The rules of the Securities and Exchange Commission (the SEC) permit companies and banks, brokers, or other nominees to deliver a single copy of an annual report and proxy statement to households at which two or more stockholders reside (commonly referred to as householding). Beneficial owners sharing an address who have been previously notified by their broker, bank, or other nominee and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of the Annual Meeting Notice, our Annual Report and this proxy statement. If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of the Annual Meeting Notice, our Annual Report, and this proxy statement is delivered may obtain a separate copy of the Annual Meeting Notice, our Annual Report, and/or this proxy statement without charge by sending a written request to Spectrum Brands Holdings, Inc., 601 Rayovac Drive, Madison, Wisconsin 53711, Attention: Vice President, Investor Relations, by calling us at (608) 275-3340, or by writing to us via e-mail at investorrelations@spectrumbrands.com. We will promptly deliver an Annual Meeting Notice, Annual Report, and/or this proxy statement upon request.

Not all banks, brokers, or other nominees may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your bank, broker, or other nominee directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your bank, broker, or other nominee to revoke your consent.

Risk Management and the Board's Role

The Company's risk assessment and management function is led by the Company's senior management, which is responsible for day-to-day management of the Company's risk profile, with oversight from the Board of Directors and its Committees. Central to the Board of Directors oversight function is our Audit Committee. In accordance with the Audit Committee Charter, the Audit Committee is responsible for the oversight of the financial reporting process and internal controls. In this capacity, the Audit Committee is responsible for reviewing guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company, including the internal auditing department, assess and manage the Company's exposure to risk, as well as the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Audit Committee has approved a formal risk assessment methodology used by management to conduct the Company's annual risk assessment.

In accordance with the approved methodology, a committee (the Risk Management Steering Committee) of certain members of senior management has the responsibility to identify, assess, and manage risk to the Company. The Risk Management Steering Committee consists of: the Chief Financial Officer, the Vice President Treasurer, the General Counsel, the Vice President Business Technology, and the Company's head of internal audit. This committee obtains input from other members of management as required. Management uses the collective input received to measure the potential impact of key risks and to determine the appropriate risk management strategy. Periodically this committee reports to the chief executive officer on its activities and the Company's risk exposure.

The Compensation Committee also has delegated responsibility with respect to risk. This committee is responsible for identifying and managing potential risks related to our compensation policies and programs. The Company has determined that the risks from the Company's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

The risk oversight responsibility of the Board of Directors and its Committees is then facilitated by established management reporting processes designed to, among other goals, provide visibility to the Board of Directors and its Committees into the Company's risk management practices.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis section sets forth a description of our practices regarding executive compensation matters, with respect to our named executive officers. You should read this section together with the executive compensation tables and narratives which follow, as those sections and this section inform one another.

Executive Summary

Our compensation programs are designed to attract and retain highly qualified executives, to align the compensation paid to executives with the business strategies of our Company, and to align the interests of our executives with the interests of our stockholders. These programs are based on our pay for performance philosophy in which variable compensation represents a majority of an executive's potential compensation. In Fiscal 2012, the percentage of annual compensation for our named executive officers which is tied to achievement of the Company's performance objectives as set by the Compensation Committee, ranges from 70% to 93%.

In terms of our Fiscal 2011 performance, we reported increased net sales and adjusted EBITDA that was in line with the guidance we provided to the financial community, and consolidated free cash flow that significantly exceeded that guidance. Management continued to execute the Spectrum Value Model in a challenging economic environment, and maintained a disciplined focus on cost controls and realizing synergies from the Russell Hobbs transaction and restructuring of the Global Pet Supplies business.

Compensation decisions for the named executive officers (NEOs) in 2011 were consistent with our pay for performance philosophy and our corporate goals of increased growth and free cash flow generation. These decisions included the following:

There were no base pay increases for the named executive officers;

Our fiscal results produced annual cash incentive compensation that was above target;

We maintained our performance-based equity incentive grants at the same levels as the prior year; and

Table of Contents

The Spectrum 500 equity incentive program, which has a two-year performance period ending September 30, 2012, continues to provide incentives to the named executive officers and other key members of management to achieve increased adjusted EBITDA growth and accelerated free cash flow generation, in each case above our forecasted plans at the beginning of Fiscal 2011.

In establishing our compensation programs, our Compensation Committee obtains the advice of its independent outside advisor, Towers Watson, and evaluates the Company's programs with reference to a peer group of 15 companies.

At our 2011 Annual Meeting of Stockholders, our stockholders approved, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Compensation Discussion and Analysis, compensation tables, and related narrative disclosure in the proxy statement for the 2011 Annual Meeting. Our compensation practices as discussed in this proxy statement are materially consistent with those discussed in the proxy statement for the 2011 Annual Meeting. Also at the 2011 Annual Meeting, our stockholders held a separate vote, on an advisory basis, relating to the frequency of the advisory vote on the compensation of the Company's named executive officers, pursuant to which our stockholders indicated their preference that such vote be held every three years, which was the frequency recommended by the Board of Directors. Accordingly, the next stockholder advisory vote on executive compensation will be held at the Company's 2014 Annual Meeting of Stockholders.

Our Named Executive Officers

The Company's named executive officers for Fiscal 2011 consist of the following persons:

Named Executive Officer	Position
David R. Lumley	Chief Executive Officer; President, Global Batteries; President, Home & Garden; and Director
Anthony L. Genito	Executive Vice President, Chief Financial Officer and Chief Accounting Officer
John A. Heil	President - Global Pet Supplies
Terry L. Polistina	President - Global Appliances; and Director
Nathan E. Fagre	General Counsel and Secretary

Our Compensation Committee

The Compensation Committee of our Board of Directors (the "Compensation Committee") is responsible for developing, adopting, reviewing, and maintaining the Company's executive compensation programs in order to ensure that they continue to benefit the Company. The current members of the Compensation Committee are Kenneth C. Ambrecht, Eugene I. Davis, and David M. Maura.

Background on Compensation Considerations

The Company pursues several objectives in determining its executive compensation programs. It seeks to attract and retain highly qualified executives and ensure continuity of senior management for the Company as a whole and for each of the Company's business segments, to the extent consistent with the overall objectives and circumstances of the Company. It seeks to align the compensation paid to our executives with the overall business strategies of the Company while leaving the flexibility necessary to respond to changing business priorities and circumstances. It also seeks to align the interests of our executives with those of our stockholders and seeks to reward our executives when they perform in a manner that creates value for our stockholders. In order to carry out this function, the Compensation Committee:

Considers the advice of independent compensation consultants engaged to advise on executive compensation issues and program design, including advising on the Company's compensation program as it compares to similar companies;

Table of Contents

Reviews compensation summaries for each named executive officer at least once a year, including the compensation and benefit values offered to each executive, accumulated value of equity and other past compensation awards, and other contributors to compensation;

Consults with our Chief Executive Officer and other management personnel and Company consultants, including our Vice President of Global Human Resources, in regards to compensation matters and periodically meets in executive session without management to evaluate management's input; and

Solicits comments and concurrence from other board members regarding its recommendations and actions at the Company's regularly scheduled board meetings.

Philosophy on Performance Based Compensation

The Compensation Committee has designed the Company's executive compensation programs so that, at target levels of performance, a significant portion of the value of each executive's annual compensation (consisting of salary and incentive awards) is based on the Company's achievement of performance objectives set by the Compensation Committee. We believe that a combination of annual fixed base pay and incentive performance-based pay provides our named executive officers with an appropriate mix of current cash compensation (which will allow our management to stay focused on their duties) and performance compensation, (which will encourage our management to work toward the success of our business). However, in applying these compensation programs to both individual and Company circumstances, the percentage of annual compensation based on the Company's achievement of performance objectives set by the Compensation Committee varies by individual, and the Compensation Committee is free to design compensation programs that provide for target-level performance-based compensation to be an amount greater than, equal to, or less than 50% of total annual compensation. For example, for Fiscal 2012, the percentage of annual compensation based on the Company's achievement of performance objectives set by the Compensation Committee is as set forth below for each named executive officer who continues to be employed by the Company:

Named Executive	% Performance Based
David R. Lumley	92.8%
Anthony L. Genito	93.2%
John A. Heil	92.2%
Terry L. Polistina	92.0%
Nathan E. Fagre	69.6%

The remainder of each executive's compensation is made up of amounts that do not vary based on performance. For all named executive officers, these non-performance based amounts are set forth in such executive's employment agreement or written terms of employment, as described below, subject to review and potential increase by the Compensation Committee. These amounts are determined by the Compensation Committee taking into account current market conditions, the Company's financial condition at the time such compensation levels are determined, compensation levels for similarly situated executives with other companies, experience level, and the duties and responsibilities of such executive's position.

A component of compensation (whether performance-based or time-based) also consists of multi-year incentive programs. We believe that awards that vest over time enhance the stability of our senior management team and provide greater incentives for our named executive officers to remain at the Company.

Role of Committee-Retained Consultants

Our Compensation Committee has retained an outside consultant, Towers Watson, to assist us in formulating and evaluating executive and director compensation programs. The Compensation Committee, directly or through our Vice President of Global Human Resources, periodically requests Towers Watson to:

Provide comparative market data for our peer group, and other groups on request, with respect to compensation matters;

Table of Contents

Analyze our compensation and benefit programs relative to our peer group;

Advise the Compensation Committee on compensation matters and management proposals with respect to compensation matters;

Assist in the preparation of this report and the compensation tables provided herewith; and

On request, participate in meetings of the Compensation Committee.

In order to encourage an independent view point, the Compensation Committee and its members have access to Towers Watson at any time without management present and have consulted from time to time with Towers Watson without management present.

Towers Watson, with input from management and the Compensation Committee, has developed a peer group of 15 companies based on a variety of criteria, including type of business, revenue, assets and market capitalization. The peer group utilized consists of Fortune Brands, Inc., Newell Rubbermaid Inc., Clorox Corporation, Mattel Inc., Jarden Corp., Hasbro Inc., Energizer Holdings, Inc., The Scotts Miracle-Gro Co., Exide Technologies, Church & Dwight Co. Inc., Tupperware Brands Corporation, Central Garden & Pet Co., Alberto-Culver Co., Revlon, Inc. and Elizabeth Arden, Inc. While the Compensation Committee does not target a particular range for total compensation as compared to our peer group, it does take this information into account when establishing compensation programs. The fees paid to Towers Watson for services other than executive and director compensation were less than \$120,000 during Fiscal 2011.

Use of Employment Agreements

Current Employment Agreements

The Compensation Committee evaluates from time to time the appropriateness of entering into employment agreements or other written agreements with members of the Company's management to govern compensation and other aspects of the employment relationship. The Company has historically limited the use of employment agreements and instead uses simplified severance protection agreements for executives that do not head a business unit (other than the Chief Financial Officer). With respect to the named executive officers, at the direction of the Compensation Committee (or its predecessor), the Company has entered into the following written employment agreements with our current executive officers: (i) an Amended and Restated Employment Agreement with Mr. Lumley dated as of August 11, 2010, as amended by the First Amendment to the Employment Agreement dated as of November 16, 2010, (collectively, the Lumley Employment Agreement); (ii) an Employment Agreement dated as of June 9, 2008 with Mr. Genito, as amended by the Amendment to Employment Agreement dated as of February 24, 2009, the description of the Second Amendment to the Employment Agreement dated as of August 28, 2009 and the Third Amendment to the Employment Agreement dated November 16, 2010 (collectively, the Genito Employment Agreement); (iii) an Amended and Restated Employment Agreement with Mr. Heil dated January 16, 2007, as amended by the Amendment to the Amended and Restated Employment Agreement dated as of November 10, 2008, the Second Amendment to the Amended and Restated Employment Agreement dated as of February 24, 2009, the description of the Third Amendment to Employment Agreement dated as of August 28, 2009, and the Fourth Amendment to the Employment Agreement dated November 16, 2010 (collectively, the Heil Employment Agreement); and (iv) an Employment Agreement dated as of August 16, 2010 with Mr. Polistina, as amended by the First Amendment to the Employment Agreement dated as of November 16, 2010 (collectively, the Polistina Employment Agreement). The Lumley Employment Agreement is with both SBI and the Company. Other than with respect to the Lumley Employment Agreement, all of the employment agreements are with SBI. As Mr. Fagre is not the head of a business unit, SBI and Mr. Fagre are parties to a severance agreement dated as of January 31, 2011, which governs severance, confidentially, non-competition, and certain other post-employment matters in connection with a potential termination of Mr. Fagre's employment (the Fagre Severance Agreement).

Table of Contents

Term and Renewal of Current Employment Agreements

The current term of the employment agreements for the continuing named executive officers expires, for Mr. Lumley on April 14, 2013, and for each of Messrs. Genito, Heil, and Polistina on September 30, 2012. The Lumley Employment Agreement provides that upon each anniversary of the commencement date, the term will automatically extend for an additional one year, unless either party provides the other with notice of non-renewal at least 90 days prior to the next occurring anniversary of the commencement date. The employment agreements for each of Mr. Genito and Mr. Heil provide that upon expiration of the current term (and any subsequent renewal term), unless earlier terminated in accordance with such agreement, the agreement will automatically renew for an additional one-year period. The Polistina Employment Agreement provides that upon expiration of the current term, the agreement will automatically renew for an additional one year term unless either party provides the other with notice of non-renewal at least 90 days prior to September 30, 2012. Thereafter, such agreement would continue to be automatically renewed for one-year terms unless either party provides the other with notice of non-renewal at least 90 days prior to the expiration of the then-occurring term.

Retention Agreement in Connection with Headquarters Relocation

In addition to these employment agreements, in connection with the relocation of the Company's corporate headquarters from Atlanta, Georgia to Madison, Wisconsin, the Company entered into a letter agreement dated August 11, 2010 governing the terms of Mr. Genito's relocation to Madison, Wisconsin (the "Genito Retention Agreement"), as described below under the heading "Genito Retention Agreement."

Early Termination of Agreements

The employment agreements with each of the continuing named executive officers permit the Company to terminate the executive's employment upon written notice in the event of "cause" (as defined below under the heading "Termination and Change in Control Provisions"). In the case of Mr. Lumley, if the behavior giving rise to "cause" is his willful failure or refusal to (i) perform his duties, or (ii) follow the direction of the Board of Directors, then Mr. Lumley will have 15 days to cure such behavior, however if the behavior giving rise to "cause" is a breach of the Lumley Employment Agreement or other material agreement with the Company, he will have 30 days to remedy such behavior. In the case of each of Mr. Genito, Mr. Heil, and Mr. Polistina, if the behavior giving rise to "cause" is (i) his willful failure or refusal to perform his duties or follow the direction of the Chief Executive Officer (or the Board of Directors in the case of Mr. Polistina), or (ii) his material breach of his employment agreement or any other agreement with the Company, then he will have 30 days to cure such behavior following notice.

The employment agreements for Mr. Lumley and Mr. Polistina permit the Company to terminate such executive's employment without "cause" for any reason upon 60 days prior written notice or payment in lieu thereof. The Heil Employment Agreement permits the Company to terminate such executive's employment without "cause" for any reason upon 60 days prior written notice. The Genito Employment Agreement permits the Company to terminate such executive's employment without "cause" for any reason upon 30 days prior written notice.

The employment agreements with each of the continuing named executive officers permit the Company to terminate the executive's employment upon 30 days written notice in the event that the executive is unable to perform his or her duties for a period of at least 6 months by reason of any mental, physical, or other disability. Each agreement also terminates immediately upon the death of the executive.

The employment agreements for each of Mr. Lumley, Mr. Heil, and Mr. Polistina allow the executive to voluntarily terminate his employment for any reason upon 60 days prior written notice. The Genito Employment Agreement allows Mr. Genito to voluntarily terminate his employment for any reason upon 30 days prior written notice.

The employment agreements with each of Messrs. Lumley, Genito, Heil, and Polistina also provide that if the executive officer resigns upon the occurrence of specified circumstances that would constitute "good reason"

Table of Contents

(as defined below under the heading "Termination and Change in Control Provisions"), the executive's resignation will be treated as a termination by the Company without cause and entitle the executive to the payments and benefits due with respect to a termination without cause. In order to constitute "good reason" under the respective employment agreements certain specific notice requirements and cure periods must be satisfied. In the case of Mr. Lumley and Mr. Polistina, each would have to provide the Company with 30 days advance written notice of his intent to resign for "good reason" within 60 days following the occurrence of the facts or circumstances giving rise to "good reason" and the Company will have 30 days thereafter to cure such facts or circumstances. If not cured, Mr. Lumley or Mr. Polistina must terminate his employment within 6 months of the initial occurrence of the facts or circumstances giving rise to "good reason" in order to constitute "good reason". In the case of Mr. Genito, he would have 90 days following the occurrence of the facts or circumstances giving rise to "good reason" to give written notice of his intent to terminate for "good reason" and the Company will have 30 days thereafter to cure such facts or circumstances. The required relocation of Mr. Genito's principal place of employment from Atlanta, Georgia to Madison, Wisconsin triggered Mr. Genito's right to terminate his employment for "good reason". However, pursuant to the Genito Retention Agreement, Mr. Genito agreed not to exercise this right in connection with the relocation of his principal place of employment from Atlanta, Georgia to Madison, Wisconsin.

The Fagre Severance Agreement permits the Company to terminate Mr. Fagre's employment at any time upon written notice for any reason. However, in order for such termination by the Company to be treated as a termination for cause (as defined below under the heading "Termination and Change in Control Provisions") as a result of Mr. Fagre's (i) willful failure or refusal to perform his duties and responsibilities to the Company or any of its affiliates which failure or refusal to perform, or (ii) breach of any of the terms of the separation agreement or any other agreement between Mr. Fagre and the Company, then Mr. Fagre will have 30 days in which to remedy or cure such failure, refusal, or breach. Mr. Fagre may also terminate his employment with the Company at any time upon written notice.

The amounts and benefits payable to each such executive upon the termination of such executive's employment in accordance with their employment agreements are further described under the heading "Termination and Change in Control Provisions".

Compensation Components

For Fiscal 2011, the basic elements of our executive compensation program, as designed by the Compensation Committee, were:

Base salary;

A performance-based annual cash incentive program, referred to as our Management Incentive Plan ("MIP");

A performance and time-based equity incentive program tied to achievement of performance goals in Fiscal 2011 and continued employment through Fiscal 2012, referred to as the Equity Incentive Plan ("EIP"); and

A multi-year performance and time-based equity incentive program tied to achievement of long term superior results by the end of Fiscal 2012 and continued employment through the end of Fiscal 2013, referred to as the Spectrum 500 Plan.

For Fiscal 2012, the basic elements of our executive compensation program, as designed by our Compensation Committee, remained consistent with those outlined above for Fiscal 2011. The Spectrum 500 Plan is a two-year plan for which the performance period extends through the end of Fiscal 2012, and therefore it is an element of the compensation program for both Fiscal 2011 and Fiscal 2012. No new multi-year incentive program has been adopted for Fiscal 2012 or beyond. In addition, based on individual circumstances, title, position and responsibilities, each named executive officer received certain other compensation components and limited perquisites as described herein.

Table of Contents**Base Salary**

Annual base salary for each of Messrs. Lumley, Polistina, Genito, and Heil is set forth in the applicable employment agreements, subject to subsequent increases by the Compensation Committee. Mr. Fagre's base salary was set by the Chief Executive Officer at the time he joined the Company in January 2011. In determining the annual base salary reflected in each named executive officer's employment agreement, the Compensation Committee considered current market conditions, the Company's financial condition at the time such compensation levels were determined, compensation levels for similarly situated executives at other companies, experience level, the duties and responsibilities of such executive's position, and the relative sizes of the business segments they manage. This base salary level is subject to evaluation from time to time by the Compensation Committee to determine whether any increase in the base salary is appropriate. As of the end of Fiscal 2011, the annual base salaries were as set forth below for the named executive officers.

Named Executive	Annual Base Salary at
	FYE
	\$
David R. Lumley	900,000
Anthony L. Genito	425,000
John A. Heil	500,000
Terry L. Polistina	500,000
Nathan E. Fagre	300,000

For Messrs. Lumley, Genito, Heil, and Polistina, there has been no change in their annual base salaries since the end of Fiscal 2011. For Mr. Fagre, who joined the Company during Fiscal 2011, there has been no change in his annual base salary since he joined the Company.

Management Incentive Plan**General Description**

Our management personnel, including our named executive officers, participate in the Company's annual performance-based cash bonus program referred to as the Management Incentive Plan (MIP), which is designed to compensate executives and other managers based on achievement of annual corporate, business segment and/or divisional goals. Under the MIP, each participant has the opportunity to earn a threshold, target or maximum bonus amount that is contingent upon achieving the performance goals set by the Compensation Committee and reviewed by the Board of Directors. Particular performance goals are established prior to or during the first quarter of the relevant fiscal year and reflect the Compensation Committee's views at that time of the critical indicators of Company success in light of the Company's then-current primary business priorities.

The specific targets with respect to performance goals are set by the Compensation Committee based on the Company's annual operating plan, as approved by our Board of Directors. The annual operating plan includes performance targets for the Company as a whole as well as for each business segment. In the case of divisional managers within those business segments, divisional level performance targets have also been established.

Fiscal 2011 MIP Program

For Fiscal 2011, after taking into account the goals of increased growth and Free Cash Flow generation described above under the heading Philosophy on Performance Based Compensation, the Compensation Committee established adjusted EBITDA and Free Cash Flow (as defined below) as the performance goals of the Company, with adjusted EBITDA weighted at 50% and Free Cash Flow weighted at 50%.

For purposes of the 2011 MIP, adjusted EBITDA was measured as earnings (defined as operating income (loss) of the Company plus other income less other expenses) before interest, taxes, depreciation and amortization and excluding restructuring, acquisition and integration charges, and other one-time charges. This

Table of Contents

amount was then adjusted so as to negate the effects of acquisitions or dispositions during the Fiscal 2011 performance period with the proviso that adjusted EBITDA resulting from businesses or products lines acquired (in transactions approved by the Board of Directors) during the performance period were included in the calculation from the date of acquisition up to a maximum of \$10 million dollars in the aggregate. Free Cash Flow means adjusted EBITDA plus or minus changes in current and long term assets and liabilities, less cash payments for taxes, restructuring and interest, but excluding proceeds from acquisitions or dispositions (with the exception of the Ningbo, China facility). Any reductions in Free Cash Flow resulting from transaction costs or financing fees incurred in connection with any acquisition or refinancing approved by the Board of Directors (in each case during the Fiscal 2011 performance period) was added back to Free Cash Flow.

Consistent with prior practice, in order to keep members of management involved primarily in the operations of one or more of our business segments or smaller business units focused on the performance of those segments or units, the Compensation Committee also subdivided the performance targets for those members of management to give greater weight to the performance of those segments or units versus the performance of the Company as a whole. For Fiscal 2011 the performance targets for each of Mr. Lumley, Mr. Genito and Mr. Fagre were equal to those established for the Company as a whole. With respect to Mr. Heil, the Fiscal 2011 MIP performance targets for adjusted EBITDA were based 80% on the performance targets established for the Global Pet Supplies business segment and 20% on the performance targets established for the Company as a whole, and for Free Cash Flow were based 100% on the performance for the Company as a whole. With respect to Mr. Polistina, the Fiscal 2011 MIP performance targets for adjusted EBITDA were based 80% on the performance targets established for the Global Appliances portion of the Global Batteries and Appliances business segment and 20% on the performance targets established for the Company as a whole, and for Free Cash Flow were based 100% on performance for the Company as a whole.

The target 2011 MIP award levels achievable (that is the amount achievable if 100% of the applicable performance targets were met) by each of Mr. Lumley, Mr. Genito, Mr. Heil and Mr. Polistina were as set forth in each such named executive officer's employment agreement, expressed as a percentage of annual base salary. Mr. Fagre's target MIP award level was set by the Chief Executive Officer when he joined the Company in January 2011. For purposes of the 2011 MIP, the target award percentages for the named executive officers were as follows:

Named Executive	MIP Target as % of Annual Base
David R. Lumley	115%
Anthony L. Genito	100%
John A. Heil	100%
Terry L. Polistina	75%
Nathan E. Fagre	50%

It was possible to receive an award amount under the 2011 MIP above or below the target award percentage. The potential 2011 MIP awards for each of our named executive officers, expressed as a percentage of the target award, ranged from 0% for achievement of threshold performance levels established by the Compensation Committee, 100% for performance at the target performance levels and increasing up to a maximum payout of 200% of the target award if actual performance had risen to the specified upper achievement thresholds.

Table of Contents

The chart below reflects for each named executive officer who participated in the 2011 MIP the percentage of his target award achievable pursuant to the performance goals applicable to his award, the performance required to achieve the threshold, target and maximum payouts based on those performance goals, and the actual percentage of the target award achieved with respect to each performance goal. In addition, for the 2011 MIP awards, the named executive officers voluntarily capped their actual payouts at lower percentage levels than the payouts that would have been awarded under the original formulas: these caps were 145% for Messrs. Lumley, Genito, Polistina, and Fagre; and 102.5% for Mr. Heil. The dollar amount of the awards for each named executive are set forth in the Summary Compensation Table. These award amounts were paid in December 2011.

	Consolidated Adjusted Cash Flow	50%	146.64	156.0	170.04	100.0	

Fiscal 2012 MIP Program

The Fiscal 2012 MIP program closely parallels the Fiscal 2011 MIP program and remains consistent with the corporate goals of increased growth and Free Cash Flow generation described above under the heading Philosophy on Performance Based Compensation. For Fiscal 2012, the Compensation Committee continued the same performance metrics of adjusted EBITDA and Free Cash Flow (each as defined below) as the performance goals of the Company, with adjusted EBITDA weighted at 50% and Free Cash Flow weighted at 50%, the same weightings used in Fiscal 2011.

For Fiscal 2012, adjusted EBITDA means earnings (defined as operating income (loss) of the Company plus other income less other expenses) before interest, taxes, depreciation and amortization and excluding restructuring, acquisition and integration charges, and other one-time charges. The result of the formula in the preceding sentence shall then be adjusted so as to negate the effects of acquisitions or dispositions; provided, however that adjusted EBITDA resulting from businesses or products lines acquired (in transactions approved by the Board of Directors) during the performance period shall be included in the calculation from the date of acquisition up to a maximum of \$20 million dollars in the aggregate. Free Cash Flow means adjusted EBITDA plus or minus changes in current and long term assets and liabilities, less cash payments for taxes, restructuring and interest, but excluding proceeds from acquisitions or dispositions. Any reductions in Free Cash Flow resulting from transaction costs or financing fees incurred in connection with any acquisition or refinancing approved by the Board of Directors (in each case during the performance period) shall be added back to Free Cash Flow.

Following the same approach used in Fiscal 2011, in order to focus members of management involved primarily in the operations of one or more of our business segments or smaller business units on the performance of those segments or units, the Compensation Committee has also subdivided the performance targets for those members of management to give greater weight to the performance of those segments or units versus the performance of the Company as a whole. For Fiscal 2012 the performance targets for each of Mr. Lumley, Mr. Genito and Mr. Fagre are equal to those established for the Company as a whole. With respect to Mr. Heil, the

Table of Contents

Fiscal 2012 MIP performance targets for adjusted EBITDA are based 80% on the performance targets established for the Global Pet Supplies business segment and 20% on the performance targets established for the Company as a whole, and for Free Cash Flow are based 100% on the performance for the Company as a whole. With respect to Mr. Polistina, the Fiscal 2012 MIP performance targets for adjusted EBITDA are based 80% on the performance targets established for the Global Appliances portion of the Global Batteries and Appliances business segment and 20% on the performance targets established for the Company as a whole, and for Free Cash Flow are based 100% on performance for the Company as a whole.

The target 2012 MIP award levels achievable (that is, the amount achievable if 100% of the applicable performance targets are met) by each of Mr. Lumley, Mr. Genito, Mr. Heil and Mr. Polistina are as set forth in each such named executive officer's employment agreement, expressed as a percentage of annual base salary. Mr. Fagre's target MIP award level was set by the Chief Executive Officer when he joined the Company in January 2011. As of the date of this proxy statement, for purposes of the 2012 MIP, the target award percentages for each participating named executive officer are as follows:

Named Executive	MIP Target as % of Annual Base
David R. Lumley	115%
Anthony L. Genito	100%
John A. Heil	100%
Terry L. Polistina	75%
Nathan E. Fagre	50%

It is possible to receive an award amount under the 2012 MIP above or below the target award percentage. The potential 2012 MIP awards for each of our named executive officers, expressed as a percentage of the target award, ranged from 50% for achievement of threshold performance levels established by the Compensation Committee, 100% for performance at the target performance levels and increasing from there up to a maximum payout of 200% (250% in the case of Mr. Lumley) of the target award if actual performance had risen to the specified upper achievement thresholds.

The table below reflects for each current named executive officer the percentage of his target award achievable pursuant to the performance goals applicable to his award, and the performance required to achieve the threshold, target and maximum payouts based on those performance goals.

NEO	Performance Metric	Weight (% of Target Bonus)	Threshold (50%)	Performance Required to Achieve Bonus % Indicated (in \$ millions)		Maximum (200%, 250% for Mr. Lumley)

Table of Contents**Russell Hobbs Legacy 2010 Annual Bonus Program**

As described above, upon consummation of the Merger, the employees of Russell Hobbs, including Mr. Polistina, were allowed to continue with the annual bonus program then in effect for Russell Hobbs, which had a performance period of January 1, 2010 through December 31, 2010 (the RH Bonus Program). This program was established by the management and board of directors of Russell Hobbs prior to the Merger and not by the Compensation Committee or Board of Directors of the Company. Russell Hobbs established adjusted EBITDA and free cash flow as the performance goals of Russell Hobbs, with adjusted EBITDA weighted at 50% and Free Cash Flow weighted at 50%. It was possible to receive an award amount under the RH Bonus Program above or below the target award percentage. The potential RH Bonus Program, expressed as a percentage of the target award, ranged from 50% for achievement of threshold performance levels established by Russell Hobbs, 100% for performance at the target performance levels, increasing from there up to a maximum payout of 200% of the target award if actual performance had risen to the specified upper achievement thresholds.

2010 RH PLAN PERCENTAGES

NEO (Target Bonus as % of Base Salary)	Performance Metric	Weight (% of Target Bonus)	Performance Required to Achieve Bonus (in \$ millions)		
			Threshold (50%)	Target (100%)	Maximum (200%)
Terry L. Polistina (75%)	Russell Hobbs Adjusted EBITDA	50%	429.58	457.0	498.13
	Russell Hobbs Free Cash Flow	50%	146.64	156.0	170.08

For Mr. Polistina, whose base salary was increased effective June 16, 2010, the bonus was based on his base salary for the entire year.

As a retention tool, Russell Hobbs, prior to the Merger but with the consent of SBI, elected to guarantee a minimum payout under the RH Bonus Program in the amount of 75% of each participant's target award amount. The actual performance of the Russell Hobbs business for the performance period would have resulted in a payment of less than this amount. As a result, each participant received a payout equal to 75% of the target payout amount, which was paid in February 2011, and which was \$211,859 for Mr. Polistina.

Long Term Incentive Plans Background

In Fiscal 2010, the Company had two long term incentive programs which were referred to as the Company's LTIP and came in two forms, as a cash-based plan (Cash LTIP) and an equity-based plan (Equity LTIP) involving the issuance of restricted stock. Members of management were eligible to participate in one or the other form, as designated by the Compensation Committee, but not both.

For the Fiscal 2011 incentive compensation program, the Compensation Committee re-examined the long term incentive portion of its compensation programs and determined to eliminate the cash component, reduce the number of participants, and provide incentives to the remaining participants through the issuance of restricted stock units. The purpose of these changes was to seek better alignment of the incentives of the key members of management with the interests of the shareholders and to enhance long term shareholder value. As a result, the LTIP program was discontinued on a going forward basis (although existing awards with continuing vesting periods continued in effect) and the Compensation Committee instituted a new Equity Incentive Plan (EIP) for Fiscal 2011.

2010 Equity LTIP

For Fiscal 2010, all grants under the Equity LTIP were implemented through grants of restricted stock under the Spectrum Brands, Inc. 2009 Incentive Plan (the 2009 Incentive Plan). As a result of the Company's

Table of Contents

emergence from bankruptcy, each member of management began Fiscal 2010 owning no shares of SBI's equity. The Compensation Committee of SBI believed equity ownership was an important component of matching the interests of management with the interests of SBI's stockholders as well as a valuable retention tool. Consistent with discussions between the senior management team and the Company's pending new owners prior to SBI's emergence from bankruptcy, the Compensation Committee of SBI felt it would be appropriate for each of the then-members of the senior management team to receive an initial grant of restricted stock that would vest based on continued employment and the passage of time rather than on the achievement of a particular set of performance standards. Given the recent experiences of management with the impact of bankruptcy on equity compensation, the Compensation Committee believed it appropriate to limit the initial pool of participants to a limited number of senior executives, including Messrs. Lumley, Genito and Heil.

Those grants were scheduled to vest based on continued employment and the passage of time. Accordingly, the restrictions on 75% of such shares lapsed on October 1, 2010 and the restrictions on the remaining 25% of such shares lapsed on October 1, 2011. It was the intention of the Compensation Committee of SBI that for future fiscal years, awards made under SBI's Equity LTIP would be earned based on the performance of SBI over time and continued employment with SBI. With respect to the Fiscal 2010 Equity LTIP awards, those awards were made for each participant based on a specified number of shares, rather than based on a percentage tied to salary or any other amount.

The number of shares of restricted stock granted to each of Mr. Genito, Mr. Lumley and Mr. Heil under the 2010 Equity LTIP are set forth below.

Named Executive	Shares of Restricted Stock Granted
Anthony L. Genito	111,111
John A. Heil	111,111
David R. Lumley	166,667

None of the current named executive officers participated in the 2010 Cash LTIP program.

2011 EIP

The 2011 EIP was implemented through the granting of performance-based restricted stock unit (RSU) award agreements at the beginning of Fiscal 2011. Under the award agreements, the RSUs will vest based on the achievement by the Company of performance goals established by the Compensation Committee that were tied to the Company's annual operating plan and continued employment. The Fiscal 2011 performance goals were established as adjusted EBITDA and Free Cash Flow targets tied to the Company's annual operating plan, measured in the same manner and with the same weighting as was done for the 2011 MIP.

The 2011 EIP was designed so that it was possible that the performance of the Company would result in less than the full amount of the award vesting. The potential 2011 RSUs that could have been earned for each of our participating named executive officers, expressed as a percentage of the award amount, ranged from 50% for achievement of threshold performance levels established by the Compensation Committee to 100% for achieving the performance goals in full at the target performance levels. The award agreements for Fiscal 2011 provided that if 100% of the established performance goals for Fiscal 2011 were met, then 50% of the RSUs awarded would vest as soon as practical after certification of the results by the Compensation Committee, but no later than 74 days following the end of Fiscal 2011. The remaining RSUs awarded would vest on the first anniversary of the vesting date, subject to continued employment on such anniversary. Performance between threshold and target levels would vest pro-rata. Performance below the threshold levels would have resulted in the forfeiture of all awarded units. Performance above the target level of performance would not have earned additional shares.

Table of Contents

The table below reflects for each participating named executive officer the RSU award amount, the performance metrics selected, the weighting of each performance metric, the percentage of his target award achievable pursuant to the performance goals applicable to his award, and the performance required to achieve the threshold and target vesting eligibility based on those performance goals.

NEO # of (RSU Award)	Performance Metric	Weight (% of Target Award)	Performance Required to Be Eligible To Vest Indicated % of RSUs (in \$ millions)	
			Threshold (50%)	Target (100%)
David R. Lumley (173,600)	Consolidated Adjusted EBITDA	50%	429.58	457
	Consolidated Free Cash Flow	50%	146.64	156
Anthony L. Genito, John A. Heil, and Terry L. Polistina (88,888 each)	Consolidated Adjusted EBITDA	50%	429.58	457
	Consolidated Free Cash Flow	50%	146.64	156
Nathan E. Fagre (10,000)	Consolidated Adjusted EBITDA	50%	429.58	457
	Consolidated Free Cash Flow	50%	146.64	156

2012 EIP

The 2012 EIP program is similar to the 2011 EIP plan and also incorporates features of the 2012 MIP. RSU award agreements for the 2012 EIP were granted in November 2011. Under the award agreements, the RSUs will vest based on the achievement by the Company of performance goals established by the Compensation Committee that were tied to the Company's 2012 annual operating plan and continued employment. The Fiscal 2012 performance goals were established as adjusted EBITDA and Free Cash Flow targets tied to the Company's annual operating plan, measured in the same manner and weighted in the same way as is the case for the 2012 MIP.

The 2012 EIP is designed so that it is possible that the performance of the Company would result in less than the full amount of the award vesting. The potential 2012 RSUs that may be earned for each of our participating named executive officers, expressed as a percentage of the award amount, range from 50% for achievement of threshold performance levels established by the Compensation Committee, 100% for achieving the performance goals in full at the target performance levels, up to a maximum of 154% of the target award for Messrs. Lumley, Genito, Heil, and Polistina, and 165% of the target award for Mr. Fagre, if actual performance reaches the specified upper achievement thresholds. The 2012 EIP is designed such that participants are not eligible to receive RSUs for over-achieving the EIP performance targets and also to receive RSUs under the Spectrum 500 Plan. The award agreements for the 2012 EIP, just as with the 2011 EIP, provide that if 100% of the established performance goals for Fiscal 2012 are met, then 50% of the RSUs awarded would vest as soon as practical after certification of the results by the Compensation Committee, but no later than 74 days following the end of Fiscal 2012. The remaining RSUs awarded would vest on the first anniversary of the vesting date, subject to continued employment on such anniversary. Performance between threshold and target levels, and between target and maximum levels, would vest pro-rata. Performance below the 50% threshold levels will result in the forfeiture of all awarded units.

Table of Contents

The table below reflects for each participating named executive officer the RSU award amount, the performance metrics selected, the weighting of each performance metric, the percentage of his target award achievable pursuant to the performance goals applicable to his award, and the performance required to achieve the threshold, target, and maximum vesting eligibility based on those performance goals:

NEO # of (RSU Award)	Performance Metric	Weight (% of Target Award)	Performance Required to Be Eligible To Vest		
			Threshold (50%)	Target (100%)	Maximum(1) (154% 165%)
David R. Lumley	Consolidated Adjusted EBITDA	50%	457.1	475.0	495.0
(173,600)	Consolidated Adjusted Cash Flow	50%	174.9	185.5	350.0(2)
Anthony L. Genito, John A. Heil, and Terry L. Polistina	Consolidated Adjusted EBITDA	50%	457.1	475.0	495.0
(88,888 each)	Consolidated Adjusted Cash Flow	50%	174.9	185.5	350.0(2)
Nathan E. Fagre (10,000)	Consolidated Adjusted EBITDA	50%	457.1	475.0	495.0
	Consolidated Adjusted Cash Flow	50%	174.9	185.5	350.0(2)

(1) Maximum is 154% for Messrs. Lumley, Genito, Polistina, and Heil, and 165% for Mr. Fagre.

(2) The \$350.0 million consolidated adjusted cash flow goal is a combined total for Fiscal 2011 and Fiscal 2012. All other figures in this table are goals with respect to Fiscal 2012 only.

Spectrum 500

During the course of the design and creation of the Fiscal 2011 incentive programs, the Compensation Committee reviewed the Company's forecasted performance for the 2011, 2012 and 2013 fiscal years and considered incentives to drive performance in excess of these forecasted amounts and attempted to accelerate the growth of stockholder value. As drivers of this value, the Compensation Committee focused on (i) incentivizing increased adjusted EBITDA growth, both organically and through small, add-on acquisitions approved by the Board of Directors and (ii) incentivizing accelerated Free Cash Flow generation, in each case beyond that reflected in the Company's forecasted plans, for the period between October 1, 2010 and September 30, 2012. Following consideration of these goals, the Compensation Committee, with the approval of the Board of Directors, created in October 2010 a superior achievement incentive program, which is referred to herein as the Spectrum 500.

The Spectrum 500 is targeted to those members of the Company's management identified as key drivers of the Company's goals of accelerating stockholder value. For all participants, the Spectrum 500 has been implemented through an award of RSUs. For Spectrum 500 award recipients, a portion of the award will vest based on the achievement of \$500 million in adjusted EBITDA during the period from October 1, 2010 through September 30, 2012. Adjusted EBITDA for purposes of the Spectrum 500 is determined in the same manner as that used for the 2011 MIP and 2011 EIP. The portion of the award subject to this adjusted EBITDA performance goal is earned in full if the \$500 million adjusted EBITDA goal is achieved as of September 30, 2012, but would be forfeited in total if performance is less than \$500 million.

For Spectrum 500 award recipients, a portion of the award will vest based on achievement of a cumulative Free Cash Flow performance goal during the period from October 1, 2010 through September 30, 2012. Free Cash Flow for purposes of the Spectrum 500 is determined in the same manner as that used for the 2011 MIP and 2011 EIP. The full award amount would be earned upon achievement of a target of \$375 million in cumulative Free Cash Flow, and it is possible to earn a portion of the award tied to the Free Cash Flow award for performance at less than the target (provided that at least \$351 million is achieved) ranging from a payout of 50% of the award amount at threshold performance up to 100% if the target is achieved or exceeded.

Table of Contents

For all participants in the Spectrum 500 other than Messrs. Lumley, Genito, Heil and Polistina, 50% of the award amount will be earned, if at all, based on achievement of the adjusted EBITDA performance goal and 50% of the award will be earned based on achievement of the Free Cash Flow performance goal.

In addition to the adjusted EBITDA and Free Cash Flow performance goals, the Spectrum 500 awards granted to Messrs. Lumley, Genito, Heil and Polistina also include a performance goal tied to management objectives. Management objectives are the successful integration and achievement of synergy targets communicated publicly, integration of the Russell Hobbs business and the transitioning of the Company's headquarters from Atlanta, Georgia to Madison, Wisconsin. Thus for Messrs. Lumley, Genito, Heil and Polistina, one-third of the total award amount will be earned, if at all, based on achievement of the adjusted EBITDA performance goal, one-third of the total award will be earned based on achievement of the Free Cash Flow performance goal and one-third of the total award amount will be earned based on the achievement of the management objectives. In order to be eligible to receive any shares to be earned based on the management objectives, the \$500 million adjusted EBITDA goal must also be achieved. However, the cash flow portion of the total award is not dependent upon achievement of the \$500 million adjusted EBITDA target. Determination of achievement of the management objectives is determined by the Compensation Committee.

For all participants in the Spectrum 500, the award agreements provide that up to 50% of the total award may vest, if at all, as soon as practical after certification of the results by the Compensation Committee, but no later than 74 days following the end of Fiscal 2012. The remaining 50% of the total award earned would vest, if at all, on the first anniversary of the prior vesting date. In each case, vesting is subject to the participant not being terminated for cause or voluntarily terminating his or her employment other than for good reason prior to the applicable vesting date. In no event may a participant in the Spectrum 500 earn shares in excess of his or her award amount under the Spectrum 500.

The table set forth below describes for Messrs. Genito, Heil, Lumley, and Polistina the performance metrics used, the percentage of his target award achievable pursuant to the performance goals applicable to his award, and the performance required to achieve the threshold (where applicable) and target vesting eligibility based on those performance goals. Mr. Lumley was awarded 216,999 RSUs under the Spectrum 500 Plan; Messrs. Genito, Heil, and Polistina each were awarded 111,111 RSUs; and Mr. Fagre was awarded 10,000 RSUs.

Performance Metric	Weight (% of Target Award)	Threshold (50%)	Performance Required to Be Eligible To Vest
			Indicated % of RSUs (in \$ millions)
			Target (100%)
Consolidated Adjusted EBITDA	33-1/3%	n/a	500.0
Consolidated Cumulative Free Cash Flow	33-1/3%	351.0	375.0

Genito Retention Agreement

SBI and Mr. Genito entered into a retention agreement in Fiscal 2010 relating to the desire of SBI that Mr. Genito relocate from Atlanta, Georgia to Madison, Wisconsin in connection with the move of the corporate headquarters to Madison, given the importance of Mr. Genito to the continuing performance of the Company, particularly during a period of transition.

Pursuant to the Genito Retention Agreement, Mr. Genito was entitled to receive a retention bonus of up to \$500,000 (with a minimum of \$100,000) based upon completion of the following responsibilities: (i) transition of all finance functions from Atlanta to Madison; (ii) successful completion of all required public filings during this

Table of Contents

transition period; (iii) identification of replacements for all key finance functions being relocated to Madison not being filled by relocating employees; and (iv) compliance with all of Mr. Genito's contractual obligations. Final determination of the amount of the retention bonus (up to the maximum amount) is subject to the discretion of the Chief Executive Officer. The retention bonus, in the amount of \$500,000 was paid on June 16, 2011.

In addition, pursuant to the Genito Retention Agreement, Mr. Genito was entitled to receive a restricted stock grant with a value of \$500,000 upon his relocation to Madison, Wisconsin. Pursuant to this provision, Mr. Genito received a grant of 17,364 RSUs in November 2010. As provided in the Genito Retention Agreement, one-third of this award vested on September 30, 2011, one-third of this award will vest on September 30, 2012, and the final one-third of this award will vest on September 30, 2013, provided that Mr. Genito is not terminated for cause and does not voluntarily terminate his employment other than for good reason prior to that applicable vesting date.

Prior Retention Agreements

During Fiscal 2008, each of Mr. Lumley, Mr. Heil and Mr. Genito executed retention agreements with the Company. The Compensation Committee of SBI, in evaluating the critical roles performed by the then members of Spectrum's leadership team and the potential negative impact on the Company as a whole if any of those executives were to end their employment relationship with the Company, determined it to be in the best interests of the Company to put in place for those executives a retention program designed to give those executives additional incentive not to seek alternative employment opportunities. For each executive, the retention agreement provided such executive with the opportunity to earn an additional cash amount equal to 150% of such executive's annual base salary as in effect on the date the retention agreement was executed in two installments contingent upon such executive remaining employed by the Company through December 31, 2009. If the executive continued to be an employee of the Company on through December 31, 2008, such executive received the first payment in an amount equal to 75% of such executive's annual base salary. Each of Mr. Genito, Mr. Lumley and Mr. Heil received this payment in January 2009. If the executive continued to be employed by the Company through December 31, 2009, such executive would receive the second and final payment in an amount equal to 75% of such executive's annual base salary. Each of Mr. Genito, Mr. Lumley and Mr. Heil received this payment in January 2010.

Payments to Mr. Polistina in Connection with the Merger

Pursuant to a pre-Merger agreement between Mr. Polistina, Russell Hobbs and Harbinger Capital Partners Master Fund I, Ltd. (the Harbinger Master Fund), Harbinger Capital Partners Special Situations Fund, L.P (the Harbinger Special Situations Fund), and Global Opportunities Breakaway Ltd. (the Breakaway Fund and, collectively, the Harbinger Parties), Mr. Polistina received a cash payment of \$2 million from Russell Hobbs in June 2010 immediately following the Merger. Pursuant to this agreement, Mr. Polistina was entitled to receive an additional \$1 million cash payment in December 2010, which was paid by the Company in December 2010.

Additional Share Grant to Mr. Heil

Immediately prior to the Merger, the Compensation Committee and Board of Directors of SBI, in recognition of the importance of Mr. Heil to the ongoing success of the Company, awarded Mr. Heil a restricted stock award in the amount of 17,600 shares. Subject to Mr. Heil's continued employment, one-third of the awarded shares vested on June 15, 2011, one-third of the awarded shares are scheduled to vest on June 15, 2012, and the final one-third of the awarded shares are scheduled to vest on June 15, 2013.

and Mr. Lumley, in recognition of efforts exerted during the bankruptcy process above and beyond the normal management functions for those members of management. Mr. Lumley received \$100,000, Mr. Genito received \$200,000, and Mr. Heil received \$100,000, in each case in September 2009.

Deferral and Post-Termination Rights

Retirement Benefits

The Company maintains a 401(k) plan for its employees, including the named executive officers.

Supplemental Executive Life Insurance Program

Each of Messrs. Genito, Heil, Lumley, and Polistina participates in a program instituted by the Company pursuant to which the Company on behalf of each participant makes an annual contribution on October 1 each year equal to 15% of such participant's base salary as of that date into a company-owned executive life insurance policy for such participant. The investment options for each such policy are selected by the participant from among a limited number of alternatives provided by the insurance provider. Upon termination of a participant for any reason, ownership of the policy would transfer to the participant and no further contributions would be made by the Company.

Post-Termination Benefits

As described above, the Company has entered into agreements with all its current named executive officers which govern, among other things, post-termination benefits payable to such named executive officers should his employment with the Company terminate. A detailed description of the post-termination rights and benefits pursuant to each of the agreements described in this paragraph is set forth under the heading Termination and Change in Control Provisions.

Perquisites and Benefits

The Company provides certain limited perquisites and other special benefits to certain executives, including the named executive officers. Among these benefits are financial planning services, tax planning services, car allowances or leased car programs, executive medical exams and executive life and disability insurance.

Timing and Pricing of Stock-Based Grants

Traditionally, annual grants of restricted stock or RSUs to our named executive officers are made on the date or as soon as practical following the date on which such grants are approved by the Compensation Committee or, if the award dictates the achievement of a particular event prior to grant, as soon as practical after the achievement of such event. Under prior plans, for purposes of valuing all grant awards, the grant price was the average of the high and low price of a share on the grant date. For awards made under the 2012 Plan (defined below), the grant price is the closing sales price on the exchange on which the Company's shares are listed on the grant date.

Tax Treatment of Certain Compensation

Pursuant to Section 162(m) of the Internal Revenue Code, the Company may not be able to deduct certain forms of compensation paid to its executives who remain employed at the end of a fiscal year to the extent such compensation exceeds \$1,000,000. This section also includes an exception for certain performance-based compensation awards. While the Compensation Committee believes that it is generally in the Company's best interests to satisfy these deductibility requirements, it retains the right to authorize payments in excess of the deductibility limits if it believes it to be in the interests of the Company and its stockholders. The Company has had in the past, and may have in the future, instances where it has paid compensation to its executives that exceed the deductibility limits. For example, for Fiscal 2011, the compensation paid to Mr. Polistina by the Company included \$3,051,528 in compensation that is not deductible pursuant to Section 162(m) of the Internal Revenue Code.

Table of Contents

Tax Gross-Ups

The Company provides increases in payments to the named executive officers and other management personnel to cover personal income tax due as a result of imputed income in connection with the provision of the following perquisites: car allowance or company leased car, financial planning and tax planning and executive life and disability insurance, and Company required relocation. Beyond these tax gross-up payments, the Company does not make any other payment to the named executive officers to cover personal income taxes.

Governing Plans

On October 21, 2010, our Board of Directors approved the 2011 Omnibus Equity Award Plan (2011 Plan), subject to the approval of the stockholders at the 2011 Annual Meeting. The 2011 Plan was subsequently approved at the 2011 Annual Meeting. Prior to the stockholders approval of the 2011 Plan, the Company had two active equity award plans, the 2009 Spectrum Brands Holdings, Inc. Incentive Plan (the 2009 Plan) and the Spectrum Brands Holdings, Inc. 2007 Omnibus Equity Award Plan (the 2007 RH Plan). With the approval of the 2011 Plan, no further awards have been or will be made under the 2009 Plan or the 2007 RH Plan. Awards that were made before October 2010 under either of these prior plans continue to be governed by the terms of the 2009 Plan or 2007 RH Plan, as applicable. As of December 9, 2011, we have issued a total of 667,933 restricted shares and 1,762,587 restricted stock units under the 2011 Plan, the 2009 Plan, and the 2007 RH Plan, and have remaining authorization under the 2011 Plan to issue up to a total of 3,133,090 shares of our common stock, or options or restricted stock units exercisable for shares of common stock.

Clawback/Forfeiture and Recoupment Policy

Under the 2011 Plan, any equity award agreement granted may be cancelled by the Compensation Committee in its sole discretion, except as prohibited by applicable law, if the participant, without the consent of the Company, while employed by or providing services to the Company or any affiliate or after termination of such employment or service, violates a non-competition, non-solicitation or non-disclosure covenant or agreement or otherwise engages in activity that is in conflict with or adverse to the interest of the Company or any affiliate, including fraud or conduct contributing to any financial restatements or irregularities engaged in activity, as determined by the Compensation Committee in its sole discretion. The Compensation Committee may also provide in any award agreement that the participant will forfeit any gain realized on the vesting or exercise of such award, and must repay the gain to the Company, in each case except as prohibited by applicable law, if (a) the participant engages in any activity referred to in the preceding sentence, or (b) with respect to the 2009 Plan, the amount of any such gain was calculated based on the achievement of certain financial results that were subsequently reduced due to a restatement, and with respect to the 2011 Plan, any amount in excess of what the participant should have received under the terms of the award for any reason (including without limitation by reason of a financial restatement, mistake in calculations or other administrative error). Additionally, pursuant to the 2011 Plan, awards are subject to claw-back, forfeiture or similar requirement to the extent required by applicable law (including without limitation Section 302 of the Sarbanes Oxley Act and Section 954 of the Dodd Frank Act). None of the equity awards granted under the 2009 Plan expressly included such provisions. All equity awards that have been granted under the 2011 Plan to date do include such provisions.

Stock Ownership Guidelines

The Company does not currently have established stock ownership guidelines for its members of management. The Compensation Committee recognizes the potential benefits of such guidelines and intends to review whether a formal policy should be implemented at the Company during Fiscal 2012. In that connection, the Compensation Committee plans to seek input from management, other members of the Board of Directors, and compensation consultants regarding best practices.

Table of Contents**Executive Compensation Tables**

The following tables and footnotes show the compensation earned for service in all capacities during Fiscal 2011, Fiscal 2010, and Fiscal 2009 for the Company for the named executive officers. The 2011 stock awards reflect the combined annual 2011 EIP awards and the Spectrum 500 awards, which is a grant covering a two-year performance period of Fiscal 2011 and 2012. For Fiscal 2012, each of the named executive officers received an EIP award at the same level as in 2011. There was no additional grant in 2012 in respect of the Spectrum 500 plan. The EIP grants and Spectrum 500 grants are performance-based equity programs, as discussed in greater detail above under 2011 EIP and Spectrum 500.

Termination and Change in Control Provisions***Awards under the Company's Incentive Plans***

Awards under the 2009 Plan. Mr. Lumley, Mr. Genito and Mr. Heil have received and currently hold restricted stock awards under the 2009 Plan, which were issued under SBI's 2010 Equity LTIP incentive program. The 2009 Plan contains provisions triggered by a change in control of the Company. Messrs. Lumley, Genito and Heil waived their rights to assert that the Merger would result in a change of control. For purposes of these incentive plans, change in control generally means the occurrence of any of the following events:

- (i) the acquisition, by any individual, entity or group of beneficial ownership of more than 50% of the combined voting power of the Company's then outstanding securities, excluding from this provision the Harbinger Master Fund, the Harbinger Special Situations Fund, Avenue International Master, L.P., Avenue Investments, L.P., Avenue Special Situations Fund V, L.P., Avenue Special Situations Fund IV, L.P., Avenue-CDP Global Opportunities Fund, L.P. or D. E. Shaw Laminar Portfolios, L.L.C. and each of their respective subsidiaries and Affiliates (each, a Designated Holder) and any individual, entity or group who becomes such a beneficial owner in connection with a transaction described in clause (A) of subsection (iii) below;
- (ii) individuals who constituted the Board of Directors at the effective time of either of the plans and directors who are nominated and elected as their successors from time to time cease for any reason to constitute at least a majority of the Board;

Table of Contents

- (iii) consummation of a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other entity, other than (A) a merger or consolidation which results in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, (B) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no individual, entity or group is or becomes the beneficial owner, directly or indirectly, of voting securities of the Company (not including in the securities beneficially owned by such individual, entity or group any securities acquired directly from the Company or any of its direct or indirect subsidiaries) representing 50% or more of the combined voting power of the Company's then outstanding voting securities or (C) a merger or consolidation affecting the Company as a result of which a Designated Holder owns after such transaction more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or
- (iv) approval by the stockholders of the Company of either a complete liquidation or dissolution of the Company or the sale or other disposition of all or substantially all of the assets of the Company, other than a sale or disposition by the Company of all or substantially all of the assets of the Company to an entity, more than 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

In general, in the event a change in control occurs, and within one year following the change in control, the employment or service of an award holder terminates without cause (as defined in the 2009 Plan), then the following shall apply:

- (i) all stock options and stock appreciation rights outstanding as of the date the change in control occurs will become immediately exercisable;
- (ii) the restrictions and other conditions applicable to any restricted stock or other stock-based awards which are not performance-based, including vesting requirements, will lapse; and
- (iii) any performance-based awards will be paid on a pro-rata basis based on actual performance during the applicable performance cycle up to the effective date of the termination of employment or service.

Awards under the 2011 Plan. During Fiscal 2011, each current named executive officer received and currently holds RSU awards under the 2011 Plan made pursuant to the Company's 2011 EIP and Spectrum 500 incentive programs. As described above, each of the continuing named executive officers are also participants in the 2011 MIP. Each of these incentive programs are governed by the 2011 Plan and, as such, contain provisions triggered by a change in control of the Company. For purposes of these incentive plans, change in control generally means the occurrence of any of the following events:

- (i) the acquisition, by any individual, entity or group of beneficial ownership of more than 50% of the combined voting power of the Company's then outstanding securities;
- (ii) individuals who constituted the Board of Directors at the effective time of the plan and directors who are nominated and elected as their successors from time to time cease for any reason to constitute at least a majority of the Board;
- (iii) consummation of a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other entity, other than (A) a merger or consolidation which results in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) more than 50% of the combined voting power of the voting securities of

the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, (B) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no individual, entity or group is or becomes the beneficial owner, directly or indirectly, of voting securities of the Company (not including in the securities beneficially owned by such individual, entity or group any securities acquired directly from the Company or any of its direct or indirect subsidiaries) representing 50% or more of the combined voting power of the Company's then outstanding voting securities or (C) a merger or consolidation affecting the Company as a result of which a Designated Holder owns after such transaction more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or

- (iv) approval by the stockholders of the Company of either a complete liquidation or dissolution of the Company or the sale or other disposition of all or substantially all of the assets of the Company, other than a sale or disposition by the Company of all or substantially all of the assets of the Company to an entity, more than 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

Provided that, in each case, it shall not be a Change in Control if, immediately following the occurrence of the event described above (i) the record holders of the common stock of the Company immediately prior to the event continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of the Company immediately following the event, or (ii) the Harbinger Master Fund, the Harbinger Special Situations Fund, Harbinger Group Inc. (HRG), and their respective affiliates and subsidiaries beneficially own, directly or indirectly, more than 50% of the combined voting power of the Company or any successor.

In general, in the event a change in control occurs, the Board of Directors may, in its sole discretion, provide that, with respect to any particular outstanding awards:

- (i) all stock options and stock appreciation rights outstanding as of immediately prior to the change in control will become immediately exercisable;
- (ii) the restricted period shall expire immediately prior to the change in control with respect to up to 100 percent of the then-outstanding shares of restricted stock or RSUs (including, without limitation, a waiver of any applicable performance goals);
- (iii) all incomplete performance periods in effect on the date the change in control occurs shall end on that date, and the Compensation Committee may (i) determine the extent to which performance goals with respect to each such performance period have been met based on such audited or unaudited financial information or other information then available it deems relevant and (ii) cause the participant to receive partial or full payment of awards for each such performance period based upon the Compensation Committee's determination of the degree of attainment of such performance goals, or assuming that the applicable target levels of performance have been attained or on such other basis determined by the Compensation Committee; and
- (iv) any awards previously deferred shall be settled as soon as practicable.

any material reduction in Mr. Genito's annual base salary;

the required relocation of Mr. Genito's place of principal employment to an office more than 50 miles, from Mr. Genito's current office, or the requirement by the Company that Mr. Genito be based at an office other than his current office on an extended basis;

a substantial diminution or other substantive adverse change in the nature or scope of Mr. Genito's responsibilities, authorities, powers, functions, or duties, provided that the Company may replace Mr. Genito as Chief Accounting Officer of the Company without implicating this subsection;

a breach by the Company of any of its other material obligations under the Genito Employment Agreement; or

the failure of the Company to obtain the agreement of any successor to the Company to assume and agree to perform the Genito Employment Agreement.

For Mr. Genito, cause is defined, in general, subject to notification and cure rights as described above in Usage of Employment Agreements, as the occurrence of any of the following events: (i) the commission by Mr. Genito of any deliberate and premeditated act taken by Mr. Genito in bad faith against the interests of the Company; (ii) Mr. Genito has been convicted of, or pleads nolo contendere with respect to any felony, or of any lesser crime or offense having as its predicate element fraud, dishonesty or misappropriation of the property of the Company; (iii) the habitual drug addiction or intoxication of Mr. Genito which negatively impacts his job performance or Mr. Genito's failure of a company-required drug test; (iv) the willful failure or refusal of Mr. Genito to perform his duties as set forth herein or the willful failure or refusal to follow the direction of the Chief Executive Officer; or (v) Mr. Genito materially breaches any of the terms of the Genito Employment Agreement.

The Genito Employment Agreement includes non-competition and non-solicitation provisions that extend for one year following Mr. Genito's termination and confidentiality provisions that extend for two years following Mr. Genito's termination.

John A. Heil

The Heil Employment Agreement contains the following provisions applicable upon the termination of Mr. Heil's employment with the Company or in the event of a change in control of the Company.

Termination for Cause or Voluntary Termination by the Executive (other than for Good Reason). In the event that the Mr. Heil is terminated for cause or terminates his employment voluntarily, other than for good reason (each, as defined below), Mr. Heil's salary and other benefits provided under his employment agreement cease at the time of such termination and Mr. Heil is entitled to no further compensation under his employment agreement. Notwithstanding this, Mr. Heil would be entitled to continue to participate in the Company's medical benefit plans to the extent required by law. Further, upon any such termination of employment, the Company would pay to Mr. Heil accrued pay and benefits.

Table of Contents

Termination without Cause or for Good Reason, Death or Disability. If the employment of Mr. Heil with the Company is terminated by the Company without cause, by Mr. Heil for good reason or due to Mr. Heil's death or disability, or by virtue of a non-renewal of the employment agreement, Mr. Heil is entitled to receive certain post-termination benefits, detailed below, contingent upon execution of a separation agreement with a release of claims agreeable to the Company. In such event the Company will:

pay Mr. Heil an amount in cash equal to two times the sum of (i) Mr. Heil's base salary in effect immediately prior to Mr. Heil's termination, and (ii) the annual bonus (if any) earned by the executive pursuant to any annual bonus or incentive plan maintained by the Company in respect of the fiscal year ending immediately prior to the fiscal year in which Mr. Heil was terminated ratably over the 24-month period immediately following Mr. Heil's termination (the Heil Cash Severance);

pay Mr. Heil the pro rata portion (based on number of weeks worked) of the annual bonus (if any) earned by Mr. Heil pursuant to any annual bonus or incentive plan maintained by the Company in respect of the fiscal year in which such termination occurs, to be paid at the time such bonuses are paid to continuing employees of the Company for such fiscal year; and

for the 24-month period immediately following such termination, arrange to provide Mr. Heil and his dependents with the insurance and other benefits generally made available from time to time by the Company to its executive officers who report to the Chief Executive Officer, on a basis substantially similar to those provided to Mr. Heil and his or her dependents by the Company immediately prior to the date of termination at no greater cost to Mr. Heil or the Company than the cost to Mr. Heil and the Company immediately prior to such date.

Good reason is defined, in general, subject to notification and cure rights as discussed above under the heading Usage of Employment Agreements, as the occurrence of any of the following events without Mr. Heil's consent:

any reduction in Mr. Heil's annual base salary or MIP target level;

the required relocation of Mr. Heil's place of principal employment to an office more than 40 miles from Mr. Heil's current office, or the requirement by the Company that Mr. Heil be based at an office other than Mr. Heil's current office on an extended basis;

a substantial diminution or other substantive adverse change in the nature or scope of Mr. Heil's responsibilities, authorities, powers, functions or duties;

a breach by the Company of any of its other material obligations under the Heil Employment Agreement, if not cured within thirty (30) days after written notice of such breach;

the failure of the Company to obtain the agreement of any successor to the Company to assume and agree to perform the Heil Employment Agreement; or

as more fully described below, the sale of the Global Pet Supplies business segment.

For Mr. Heil, cause is defined, in general, subject to notification and cure rights as described above in Usage of Employment Agreements, as the occurrence of any of the following events: (i) the commission by Mr. Heil of any deliberate and premeditated act taken by Mr. Heil in bad faith against the interests of the Company; (ii) Mr. Heil has been convicted of, or pleads nolo contendere with respect to any felony, or of any lesser crime or offense having as its predicate element fraud, dishonesty or misappropriation of the property of the Company; (iii) the habitual drug addiction or intoxication of Mr. Heil which negatively impacts his job performance or Mr. Heil's failure of a company-required drug test; (iv) the willful failure or refusal of Mr. Heil to perform his duties as set forth herein or the willful failure or refusal to follow the direction of the Chief

Executive Officer; or (v) Mr. Heil materially breaches any of the terms of the Heil Employment Agreement.

As described above, one event of "good reason" for Mr. Heil is deemed to occur upon the sale of Global Pet Supplies. However, the right of Mr. Heil to terminate his employment as a result of such a sale is contingent upon Mr. Heil electing to exercise that right during the 60 day period preceding the one year anniversary of the closing of the

sale with the termination of employment to be effective on the one year anniversary date of such closing and that as a further condition Mr. Heil will have remained employed by the acquirer of the business segment during the full one year period following such closing date. During such one-year period, Mr. Heil would be guaranteed an annual bonus of 100% of his target bonus amount. Unless Mr. Heil is terminated at the time of such sale, the Company is obligated to deposit in escrow on the closing date of the sale an amount equal to double the sum of (i) Mr. Heil's annual base salary, and (ii) the target MIP award amount Mr. Heil would be eligible to receive if the Company met 100% of the applicable performance goals established by the Board of Directors or, if higher, the amount of the MIP award made to Mr. Heil for the fiscal year ending immediately prior to the closing of such sale. If Mr. Heil's employment is terminated without cause or by reason of death or disability following the closing date of the sale but before the first anniversary of the closing date of the sale or upon Mr. Heil's proper election to terminate his employment for good reason, then the escrow agent will pay out the escrowed amount to Mr. Heil over 24 months in lieu of the Heil Cash Severance. Mr. Heil would then also be entitled to receive those benefits described above under *Termination of Mr. Heil without Cause, or for Good Reason, Death or Disability* other than the Heil Cash Severance.

The above benefits will cease immediately upon the discovery by the Company of Mr. Heil's breach of the non-compete and non-solicitation provisions or the secret processes and confidentiality provisions included in the Heil Employment Agreement. The Heil Employment Agreements includes non-competition and non-solicitation provisions that extend for one year following Mr. Heil's termination and confidentiality provisions that extend for two years following Mr. Heil's termination.

If the employment of Mr. Polistina with the Company is terminated by the Company without cause, by Mr. Polistina for good reason, or due to Mr. Polistina's death or disability, Mr. Polistina is entitled to receive certain post-termination benefits, detailed below, contingent upon execution of a separation agreement with a release of claims agreeable to the Company within 30 days following his termination date. In such event the Company will:

pay Mr. Polistina an amount in cash equal to two times the sum of (i) Mr. Polistina's base salary in effect immediately prior to Mr. Polistina's termination, and (ii) the annual bonus (if any) earned by Mr. Polistina pursuant to any annual bonus or incentive plan maintained by the Company in respect of the fiscal year ending immediately prior to the fiscal year in which Mr. Polistina was terminated ratably over the 24-month period immediately following Mr. Polistina's termination;

pay Mr. Polistina the pro rata portion (based on number of weeks worked) of the annual bonus (if any) earned by Mr. Polistina pursuant to any annual bonus or incentive plan maintained by the Company in respect of the fiscal year in which such termination occurs, to be paid at the time such bonuses are paid to continuing employees of the Company for such fiscal year; and

for the 24-month period immediately following such termination, arrange to provide Mr. Polistina and his dependents with the insurance and other benefits generally made available from time to time by the Company to its executive officers, on a basis substantially similar to those provided to Mr. Polistina and his dependents by the Company immediately prior to the date of termination at no greater cost to Mr. Polistina or the Company than the cost to Mr. Polistina and the Company immediately prior to such date.

a substantial diminution or other substantive adverse change in the nature or scope of Mr. Polistina's responsibilities, authorities, powers, functions or duties;

The above benefits will cease immediately upon the discovery by the Company of Mr. Polistina's breach of the agreement not to compete and secret processes and confidentiality provisions included in the Polistina Employment Agreement. The Polistina Employment Agreement includes non-competition and non-solicitation provisions that extend for two years following Mr. Polistina's termination and confidentiality provisions that extend for seven years following Mr. Polistina's termination.

Director Compensation Table

The Compensation Committee is responsible for approving, subject to review by the Board of Directors as a whole, compensation programs for our non-employee directors. In that function, the Compensation Committee considers market data regarding director compensation and evaluates the Company's director compensation practices in light of that data and the characteristics of the Company as a whole.

Prior to the Merger, the Compensation Committee of SBI had established a compensation program for our non-employee directors, which was maintained through the date of the Merger. Non-employee directors (which, until the time of the Merger, included Mr. Polistina) received an annual cash retainer of \$70,000 and an annual stock grant equal to that number of shares with a value on the date of grant of \$70,000. Restricted shares with respect to Fiscal 2010 were granted on October 2009 and vested on October 1, 2010. Directors who were employees of SBI receive no additional compensation for their services as directors of SBI.

Following the Merger in June 2010, the Compensation Committee elected to adopt the compensation program for non-employee directors followed by SBI, except that, in addition to the amounts reflected above, the Chair of the Audit Committee would receive an additional annual cash retainer of \$20,000 and the Chairs of the Nominating and Corporate Governance Committee and the Compensation Committee would each receive an additional annual cash retainer of \$10,000 each. For Fiscal 2011, the grants of restricted stock units were made in November 2010 and vested on October 1, 2011. For Fiscal 2012, the grants of restricted stock were made in November 2011 and will vest on September 30, 2012.

David M. Maura and Omar M. Asali, directors who are also employees of the Harbinger Parties, have elected not to accept compensation for service as directors. Directors who are employees of the Company, which includes David R. Lumley and Terry L. Polistina, receive no additional compensation for their service as directors of the Company.

The table set forth below, together with its footnotes, provides information regarding compensation paid to the Company's directors for Fiscal 2011. Directors who received no compensation as a director during Fiscal 2011 are omitted from the table.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, officers, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Based solely upon review of Forms 3, 4, and 5 (and amendments thereto) furnished to us during or in respect of Fiscal 2011 and written representations from certain reporting persons, we believe that the following directors of the Company failed to file on a timely basis certain reports required by Section 16(a) of the Exchange Act during Fiscal 2011: Virginia A. Kamsky and Norman S. Matthews. Ms. Kamsky filed one late Form 4 involving one transaction. Mr. Matthews filed one late Form 4 involving one transaction. We have no knowledge of a failure of any of the foregoing directors to file a report required under Section 16(a) of the Exchange Act. We believe that all other Section 16(a) filing requirements applicable to our directors, executive officers, and 10% shareholders were satisfied in a timely manner during Fiscal 2011.

COMPARISON OF TOTAL STOCKHOLDER RETURN

The following graph compares the cumulative total stockholder return on our Common Stock to the cumulative total return of (i) the Russell 2000 Financial Index, and (ii) our peer group selected in good faith, which is composed of the following companies: Alberto-Culver Company, Beam Inc., Central Garden & Pet Company, Church & Dwight Co., Inc., The Clorox Company, Elizabeth Arden, Inc., Energizer Holdings, Inc., Exide Technologies, Hasbro, Inc., Jarden Corporation, Mattel, Inc., Newell Rubbermaid Inc., Revlon, Inc., The Scotts Miracle-Gro Company, and Tupperware Brands Corporation. For 2011, the peer group has been revised to include Beam Inc., the successor entity to Fortune Brands, Inc., which was included in the peer group for 2010. On October 3, 2011, Fortune Brands, Inc. completed a spin-off of its home and security business, Fortune Brands Home & Security, Inc. After the spin-off, the entity conducting the remaining business of Fortune Brands, Inc. changed its name to Beam Inc.

The comparison below assumes that \$100 was invested in (i) the common stock of SBI (the SBI Common Stock) from September 2, 2009 until June 16, 2010, and (ii) following the completion of the Merger, our Common Stock from June 16, 2010 until September 30, 2011. The comparison is based upon the closing price of the SBI Common Stock or our Common Stock, as applicable, and assumes the reinvestment of all dividends, if any. The returns of each of the companies in our peer group are weighted according to the respective company's stock market capitalization at the beginning of each period for which a return is indicated.

In accordance with the rules of the SEC, this section, captioned Comparison of Total Stockholder Return, shall not be incorporated by reference into any of our future filings made under the Securities Exchange Act of 1934 or the Securities Act of 1933. The Comparison of Cumulative Total Return graph above, including any accompanying tables and footnotes, is not deemed to be soliciting material or deemed to be filed under the Exchange Act or the Securities Act.

AUDIT COMMITTEE REPORT

Our Audit Committee consists of Eugene I. Davis, Marc S. Kirschner, and Hugh R. Rovit. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, which can be viewed on our website, www.spectrumbrands.com, under Investor Relations Corporate Governance.

The Audit Committee Charter adopted by the Board of Directors incorporates requirements mandated by the Sarbanes-Oxley Act of 2002 and the NYSE listing standards. All members of the Audit Committee are independent as defined by SEC rules and NYSE listing standards. At least one member of the Audit Committee is an audit committee financial expert as defined by SEC rules.

Management is responsible for our internal controls and the financial reporting process. Our independent registered public accounting firm, KPMG LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards in the United States of America and auditing the Company's internal control over financial reporting and issuing their reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed with management and KPMG LLP the audited financial statements for the fiscal year ended September 30, 2011, management's assessment of the effectiveness of the Company's internal control over financial reporting, and KPMG LLP's audit of the Company's internal control over financial reporting. The Audit Committee has discussed with KPMG LLP the matters that are required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication With Audit Committees). In addition, KPMG LLP has provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and the Audit Committee has discussed with KPMG LLP their firm's independence. The Audit Committee has concluded that KPMG LLP's provision of audit and non-audit services to Spectrum and its affiliates is compatible with KPMG LLP's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended September 30, 2011 be included in our Annual Report on Form 10-K filed with the SEC for that year. The Audit Committee also recommended to the Board of Directors that KPMG LLP be appointed as our independent registered public accounting firm for Fiscal 2012.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

Transactions with Related Persons

Merger Agreement and Exchange Agreement

On June 16, 2010 (the "Closing Date"), the Company completed a business combination transaction pursuant to an Agreement and Plan of Merger, dated as of February 9, 2010, as amended on March 1, 2010, March 26, 2010 and April 30, 2010, by and among the Company, Russell Hobbs, SBI, Battery Merger Corp., and Grill Merger Corp. (the "Merger Agreement"). As a result of the Merger, each of SBI and Russell Hobbs became a wholly-owned subsidiary of the Company. At the effective time of the Merger, all of (i) the outstanding shares of SBI common stock were canceled and converted into the right to receive shares of Common Stock, and (ii) the outstanding shares of Russell Hobbs common stock and preferred stock were canceled and converted into the right to receive shares of Common Stock.

Pursuant to the terms of the Merger Agreement, on February 9, 2010, SBI entered into support agreements with the Harbinger Parties and Avenue International Master and certain of its affiliates (the "Avenue Parties"), in which the Harbinger Parties and the Avenue Parties agreed to vote their shares of SBI common stock acquired before the date of the Merger Agreement in favor of the Merger and against any alternative proposal that would impede the Merger. Immediately following the consummation of the Merger, the Harbinger Parties owned approximately 64% of the outstanding Common Stock and the stockholders of SBI (other than the Harbinger

Parties) owned approximately 36% of the outstanding Common Stock. On January 7, 2011, pursuant to the terms of a Contribution and Exchange Agreement (the Exchange Agreement), by and between the Harbinger Parties and HRG, the Harbinger Parties contributed 27,756,905 shares of Common Stock to HRG and received in exchange for such shares 119,909,830 shares of HRG common stock (the Share Exchange). Immediately following the consummation of the Share Exchange, (i) HRG owned 27,756,905 shares of Common Stock and the Harbinger Parties owned 6,500,000 shares of Common Stock, approximately 54.4% and 12.7% of the outstanding shares of Common Stock, respectively, and (ii) the Harbinger Parties owned 129,859,891 shares of HRG common stock, or approximately 93.3% of the outstanding HRG common stock.

In connection with the Merger, the Harbinger Parties and the Company entered into a stockholder agreement, dated February 9, 2010 (the Stockholder Agreement), which provides for certain protective provisions in favor of minority stockholders and provides certain rights and imposes certain obligations on the Harbinger Parties, including:

for so long as the Harbinger Parties own 40% or more of the outstanding voting securities of the Company, the Harbinger Parties and HRG will vote their shares of Common Stock to effect the structure of our Board of Directors as described in the Stockholder Agreement;

the Harbinger Parties will not effect any transfer of equity securities of the Company to any person that would result in such person and its affiliates owning 40% or more of the outstanding voting securities of the Company, unless specified conditions are met; and

the Harbinger Parties will be granted certain access and informational rights with respect to the Company and its subsidiaries. On September 10, 2010, the Harbinger Parties and HRG entered into a joinder to the Stockholder Agreement, pursuant to which, effective upon the consummation of the Share Exchange, HRG became a party to the Stockholder Agreement, subject to all of the covenants, terms and conditions of the Stockholder Agreement to the same extent as the Harbinger Parties were bound thereunder prior to giving effect to the Share Exchange.

Certain provisions of the Stockholder Agreement terminate on the date on which the Harbinger Parties or HRG no longer constitutes a Significant Stockholder (as defined in the Stockholder Agreement). The Stockholder Agreement terminates when any person (including the Harbinger Parties or HRG) acquires 90% or more of the outstanding voting securities of the Company.

On January 7, 2011, in connection with the closing of the Share Exchange, the Harbinger Parties and HRG entered into a joinder to the Stockholder Agreement with Wells Fargo Bank, National Association, as collateral agent (the Collateral Agent) under HRG's 10.625% Senior Secured Notes due 2015, pursuant to which, upon the occurrence of a Foreclosure Event (as such term is defined in the joinder), the Collateral Agent will become a party to the Stockholder Agreement and will, subject to certain exceptions, be subject to all of its covenants, terms and conditions to the same extent as the Harbinger Parties and HRG were prior to the consummation of the Share Exchange.

Also in connection with the Merger, the Harbinger Parties, the Avenue Parties and the Company entered into a registration rights agreement, dated as of February 9, 2010 (the SB Holdings Registration Rights Agreement), pursuant to which the Harbinger Parties and the Avenue Parties have, among other things and subject to the terms and conditions set forth therein, certain demand and so-called piggy back registration rights with respect to their shares of Common Stock. On September 10, 2010, the Harbinger Parties and HRG entered into a joinder to the SB Holdings Registration Rights Agreement, pursuant to which, effective upon the consummation of the Share Exchange, HRG became a party to the SB Holdings Registration Rights Agreement, entitled to the rights and subject to the obligations of a holder thereunder. In January 2011, the Avenue Parties gave notice under the Registration Rights Agreement for a demand registration to register the shares of the Company's common stock held by such parties. In February 2011, the Avenue Parties withdrew from the registration process. In June 2011, the

PROPOSAL 1:

ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will be asked to elect David M. Maura, Terry L. Polistina, and Hugh R. Rovit as Class II directors to hold office until our 2015 annual meeting of stockholders. The directors will serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. If you submit your proxy via the Internet, by telephone, or by mail, your shares will be voted for the election of the three nominees recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote all shares represented by proxy for the nominees for these vacancies, except to the extent authority to do so is withheld. Stockholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or may withhold the authority to vote for any individual nominee by marking the box under the **WITHHOLD** column adjacent to the name(s) of the appropriate director(s) via the Internet or on the attached proxy card, or by indicating by telephone that authority is withheld. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee for any reason is or becomes unable or unwilling to serve, all shares represented by proxy will be voted at the Annual Meeting by the named proxies for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Please see **Proxies and Voting Procedures** for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker, or other nominee. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

Directors

The following incumbent directors are being nominated for election to the Board of Directors as Class II directors: David M. Maura, Terry L. Polistina, and Hugh R. Rovit. Please see **Nominees for Re-Election to the Board of Directors** for information concerning each of the nominees for election as Class II directors.

Vote Required

To be elected as a Class II director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes in favor of his election to a particular directorship will be elected to that directorship.

The Board of Directors recommends that you vote FOR the election of each of David M. Maura, Terry L. Polistina, and Hugh R. Rovit as Class II directors of the Company.

Stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2012 is not required by our By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If stockholders do not ratify the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2012, our Board of Directors will reconsider the selection our independent registered public accounting firm for Fiscal 2012. Even if the appointment is ratified, our Board of Directors, upon the recommendation of our Audit Committee, may select a different independent registered public accounting firm at any time during Fiscal 2012 if it determines such a change would be in our best interests and the best interests of our stockholders. KPMG LLP has audited our, or our predecessor SBI's, financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from stockholders who are present.

Independent Auditor Fees

The following table summarizes the fees KPMG LLP, our independent auditor, billed to us (or our predecessor, SBI) for each of the last two fiscal years (in millions):

	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees	Total
	\$	\$	\$	\$	
2011	4.0	0.1	1.1		5.2
2010	4.6	0.5	0.5	0.9	6.5

In the above table, in accordance with the SEC's definitions and rules, **Audit Fees** are fees we paid KPMG LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and the review of our financial statements included in Form 10-Qs or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements, such as issuance of comfort letters and statutory audits required for certain of our foreign subsidiaries. **Audit-Related Fees** are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. **Tax Fees** are fees for tax compliance, tax advice, and tax planning. For Fiscal 2011, such fees were attributable to services for tax-compliance assistance and tax advice. **All Other Fees** are fees, if any, for any services not included in the first three categories. For Fiscal 2010, approximately \$870,000 of such fees were attributable to services performed for HRG, an affiliate of the Company. Pursuant to the Stockholder Agreement, HRG is obligated to reimburse the Company for fees attributed to services performed for HRG. For Fiscal 2011, none of such fees were attributable to services performed for HRG.
