FORWARD-LOOKING STATEMENTS

This annual report includes or incorporates by reference certain statements that constitute forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. These statements appear in a number of places in this annual report and documents incorporated by reference herein and include statements regarding the Registrant's intent, belief or current expectations and those of the Registrant's management. These forward-looking statements involve known and unknown risks and uncertainties that may cause the Registrant's actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. When used in this annual report or in documents incorporated by reference in this annual report, words such as believes, expects, may, will, should, estimates, anticipates, aims, goal, or the negative version of the other comparable terminology and similar statements of a future or forward-looking nature are intended to identify these forward-looking statements. These forward-looking statements are based on various factors and were derived utilizing numerous assumptions that could cause the Registrant's actual results to differ materially from those in the forward-looking statements. Accordingly, readers are cautioned not to put undue reliance on these forward-looking statements. For additional information, please refer to the disclosure contained under the heading, Caution Regarding Forward-Looking Statements in the Registrant's Annual Information Form filed as Exhibit 99.1 to this report.

NOTE TO UNITED STATES READERS REGARDING DIFFERENCES

BETWEEN UNITED STATES AND CANADIAN REPORTING PRACTICES

The Registrant is permitted to prepare this annual report in accordance with Canadian disclosure requirements, which are different from those of the United States. The Registrant now prepares its consolidated financial statements in accordance with International Financial Reporting Standards, as issued by the International Accounting Standards Board, which principles differ in certain respects from generally accepted accounting principles applicable in the United States (U.S. GAAP) and from practices prescribed by the SEC. Therefore, the Company's financial statements incorporated by reference in this annual report may not be comparable to financial statements prepared in accordance with U.S. GAAP.

CONTROLS AND PROCEDURES

Disclosure controls and procedures are defined by the Securities and Exchange Commission as controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

The Registrant's principal executive and principal financial officers (its Chief Executive Officer and Chief Financial Officer) evaluated the effectiveness of the Registrant's disclosure controls and procedures as of the end of the period covered by this annual report on Form 40-F. Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the Registrant's disclosure controls and procedures are effective as of December 31, 2011.

Internal control over financial reporting is a process designed by, or under the supervision of, the Registrant's Chief Executive Officer and Chief Financial Officer, and effected by the Registrant's board of directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and preparation of the Registrant's consolidated financial statements for external purposes in accordance with International Financial Reporting Standards, as issued by the International Accounting Standards Board. Internal control over financial reporting includes policies and procedures that:

pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Registrant;

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures are being made only in accordance with authorizations of management and directors of the Registrant; and

provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Registrant's assets that could have a material effect on the financial statements.

There have been no changes during the year ended December 31, 2011 to internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, internal control over financial reporting.

The design of any system of controls and procedures is based in part upon certain assumptions about the likelihood of future events. There can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote.

INTERNAL CONTROL OVER FINANCIAL REPORTING

Management's Report on Internal Control over Financial Reporting is provided on page 44 of the Registrant's Management's Discussion and Analysis, filed as Exhibit 99.2 to this report. KPMG LLP, an independent registered public accounting firm that audited and reported on our consolidated financial statements, has issued an attestation report on the effectiveness of our internal control over financial reporting as of December 31, 2011. The attestation report is included on the third page of our consolidated financial statements filed as Exhibit 99.3 to this report.

AUDIT COMMITTEE

The Registrant's Board of Directors has established a separately-designated Audit, Finance and Risk Committee (Audit Committee) in accordance with Section 3(a)(58)(A) of the Exchange Act for the purpose of overseeing the Registrant's accounting and financial reporting processes and the audits of the Registrant's annual financial statements. As at the date of this report, the Registrant's audit committee is comprised of the following directors:

A. Terence Poole, Chair

Pierre Choquette

John Reid

Janice Rennie

The mandate of the Audit Committee, together with the relevant education and experience of its members and other Committee information, may be found in the Audit Committee Information section of the Registrant's Annual Information Form for the year ended December 31, 2011, filed as Exhibit 99.1 to this report.

AUDIT COMMITTEE FINANCIAL EXPERT

The Registrant's Board of Directors has determined that it has at least one audit committee financial expert serving on its Audit Committee. Mr. A. Terence Poole has been determined to be such audit committee financial expert and is independent, as that term is defined by NASDAQ's corporate governance standards applicable to the Registrant. The Commission has indicated that the designation of Mr. Poole as an audit committee financial expert does not make Mr. Poole an expert for any other purpose, impose any duties, obligations or liability on Mr. Poole that are greater than those imposed on members of the Audit Committee and board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of the Audit Committee.

CODE OF ETHICS

The Registrant has adopted a code of ethics that applies to directors, officers and employees including the Registrant's principal executive officer, principal financial officer and principal accounting officer. A copy of the Registrant's code, entitled Code of Business Conduct, can be found on the Registrant's website at www.methanex.com. No waivers from or material amendments to the provisions of the Code were made in 2011.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

KPMG LLP, Chartered Accountants, Vancouver, are the independent auditors of the Registrant and the holders of the Registrant's common shares have resolved to have the directors of the Registrant determine the auditor's remuneration.

The Registrant's Audit Committee annually reviews and approves the terms and scope of the external auditors' engagement. The Audit Committee oversees the Audit and Non-Audit Pre-Approval Policy, which sets forth the procedures and the conditions under which permissible services proposed to be performed by KPMG LLP, the Registrant's external auditors, are pre-approved. The Audit Committee has delegated to the Chair of the Audit Committee pre-approval authority for any services not previously approved by the Audit Committee. All such services approved by the Chair of the Audit Committee are subsequently reviewed by the Audit Committee.

All non-audit service engagements, regardless of the cost estimate, are required to be coordinated and approved by the Chief Financial Officer to further ensure that adherence to this policy is monitored.

Audit and Non-Audit Fees Billed by the Independent Auditors

KPMG LLP, Chartered Accountants, Vancouver, are the independent auditors of the Registrant. The holders of the Registrant's Common Shares have resolved to have the directors of the Registrant determine the auditor's remuneration. KPMG's global fees relating to the years ended December 31, 2011 and December 31, 2010 are as follows:

US\$000s	2011	2010
Audit Fees	1,827	1,600
Audit-Related Fees	116	138
Tax Fees	99	304
Total	2,042	2,042

The nature of each category of fees is described below.

Audit Fees

Audit fees for professional services rendered by the external auditors for the audit of the Registrant's consolidated financial statements; statutory audits of the financial statements of the Registrant's subsidiaries; quarterly reviews of the Registrant's financial statements; consultations as to the accounting or disclosure treatment of transactions reflected in the financial statements; and services associated with registration statements, prospectuses, periodic reports and other documents filed with securities regulators.

Audit fees for professional services rendered by the external auditors for the audit of the Registrant's consolidated financial statements were in respect of an integrated audit performed by KPMG LLP globally. The integrated audit encompasses an opinion on the fairness of presentation of the Registrant's financial statements as well as an opinion on the effectiveness of the Registrant's internal control over financial reporting. The increase in audit fees for 2011 compared with 2010 is due to an expanded scope resulting from the start-up of the Egypt and Medicine Hat facilities, the appointment of KPMG as our statutory auditors in New Zealand, and services provided in relation to the shelf prospectus.

Audit-Related Fees

Audit-related fees for professional services rendered by the auditors for financial audits of employee benefit plans; procedures and audit or attest services not required by statute or regulation; and consultations related to the Registrant's IFRS transition and the accounting or disclosure treatment of other transactions.

Tax Fees

Tax fees for professional services rendered for tax compliance and tax advice. These services consisted of: tax compliance, including the review of tax returns; assistance in completing routine tax schedules and calculations; and advisory services relating to domestic and international taxation.

OFF-BALANCE SHEET ARRANGEMENTS

At December 31, 2011, we did not have any off-balance sheet arrangements, as defined by applicable securities regulators in Canada and the United States, that have, or are reasonably likely to have, a current or future material effect on our results of operations or financial condition.

TABULAR DISCLOSURE OF CONTRACTUAL OBLIGATIONS

Tabular disclosure of contractual obligations is made on page 27 of the Registrant's Management's Discussion and Analysis for the year ended December 31, 2011, filed as Exhibit 99.2 to this report.

NASDAQ CORPORATE GOVERNANCE

The Registrant's Common Shares are listed for trading on the NASDAQ Global Select Market under the symbol MEOH. NASDAQ Equity Rule 5615(a)(3) permits a foreign private issuer to follow its home country practice in lieu of certain corporate governance requirements of the NASDAQ Equity Rules. A foreign private issuer that follows a home country practice in lieu of one or more provisions of the NASDAQ Equity Rules is required to disclose in its annual report filed with the Commission, or on its website, each corporate governance requirement of the NASDAQ Equity Rules that it does not follow and describe the home country practice followed by the issuer in lieu of such NASDAQ corporate governance requirements.

We do not follow NASDAQ Equity Rule 5620(c), but instead follow our home country practice relating to quorum requirements at meetings of shareholders as more fully described on page 23 of the Registrant's Annual Information Form for the year ended December 31, 2011, filed as Exhibit 99.1 to this report.

UNDERTAKING

The Registrant undertakes to make available, in person or by telephone, representatives to respond to inquiries made by the Commission staff, and to furnish promptly, when requested to do so by the Commission staff, information relating to: the securities in relation to which the obligation to file an annual report on Form 40-F arises, or transactions in the said securities.
