Item 1.01. Entry into Material Definitive Agreement.

On November 7, 2012, Kennametal Inc., a Pennsylvania corporation (Kennametal or the Company), completed the public offer and sale of \$400,000,000 aggregate principal amount of its 2.650% Senior Notes due 2019 (the Notes). The net proceeds to the Company from the sale of the Notes, after deducting the Underwriters discount and the estimated offering expenses payable by Kennametal, are approximately \$396,113,000 million. Kennametal intends to use the proceeds to repay outstanding indebtedness under its credit facility and an uncommitted line of credit. Any proceeds from the offering of notes in excess of its outstanding indebtedness under its credit facility and an uncommitted line of credit will be used for general corporate purposes.

The Notes were issued pursuant to an Indenture dated February 14, 2012 (the Base Indenture) between Kennametal and U.S. Bank National Association (U.S. Bank), as trustee, as supplemented by the Second Supplemental Indenture dated November 7, 2012 (the Second Supplemental Indenture) between Kennametal and U.S. Bank, as trustee. Kennametal may issue additional debt securities from time to time pursuant to the Base Indenture.

The foregoing description of the Second Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of such document, a copy of which and the form of the Note are filed as Exhibits 4.4 and 4.5, respectively, to this report on Form 8-K, and are incorporated herein by reference into the Registration Statement No. 333-184617 (the Registration Statement).

The Underwriting Agreement contains customary representations, warranties and covenants by Kennametal. It also provides for customary indemnification by each of Kennametal and the Underwriters against certain liabilities and customary contribution provisions with respect of those liabilities.

From time to time, in the ordinary course of their respective businesses, certain of the Underwriters and their affiliates have engaged in and may in the future engage in commercial banking, derivatives and/or financial advisory, investment banking and other commercial transactions and services with Kennametal and its affiliates.
