The maximum number of shares which may be sold under the Plans is subject to adjustment in accordance with certain anti-dilution and other provisions of the Plans. Accordingly, pursuant to Rule 416 under the Securities Act of 1933, as amended (the Securities Act), this Registration Statement covers, in addition to the number of shares stated above, an indeterminate number of shares which may be subject to grant or otherwise issuable after the operation of any such anti-dilution and other provisions.

- (2) This calculation is made solely for the purpose of determining the registration fee pursuant to the provisions of Rule 457(c) and (h) under the Securities Act as follows: in the case of shares of Common Stock to be issued in connection with equity awards that have not yet been granted or shares of Common Stock that have not yet been issued, the fee is calculated on the basis of the average of the high and low sale prices per share of the Common Stock on The NASDAQ Global Select Market as of a date (December 3, 2012) within five business days prior to filing this Registration Statement.

EXPLANATORY NOTE

In accordance with the instructional Note to Part I of Form S-8 as promulgated by the Securities and Exchange Commission (the Commission), the information specified by Part I of Form S-8 has been omitted from this Registration Statement on Form S-8 for offers of Common Stock pursuant to the Plans.

2010 Equity Incentive Plan, as amended

This Registration Statement on Form S-8 hereby registers 4,490,316 additional shares of Common Stock for issuance under the Myriad Genetics, Inc. 2010 Employee, Director and Consultant Equity Incentive Plan, as amended (the 2010 Plan). An aggregate of 7,861,651 shares of Common Stock under the 2010 Plan were previously registered on February 1, 2012 (File No. 333-179281) (4,349,283 shares) and on February 1, 2011 (File No. 333-171994) (3,512,368 shares). At the Company's annual meeting of stockholders on December 5, 2012, the stockholders approved an amendment to the 2010 Plan (the December 2012 Amendment) which provides that, commencing on December 5, 2012, the number of shares of Common Stock issuable under the 2010 Plan shall not exceed 4,500,000 shares of Common Stock, plus certain additional shares carried over from the Company's prior stock incentive plans, as described in the next paragraph. The 4,490,316 additional shares of Common Stock being registered hereby consist of (i) 4,257,352 shares that may be issued under the 2010 Plan pursuant to the December 2012 Amendment (after deducting 242,648 of the 4,500,000 additional shares authorized by the December 2012 Amendment because they were previously registered under the registration statements identified in the previous sentence); and (ii) 232,964 shares that have been carried over from the Company's prior stock incentive plans. The 2010 Plan allows the Company, under the direction of the Compensation Committee of the Board of Directors, to make grants of stock options, restricted and unrestricted stock awards and other stock-based awards to employees, including the Company's executive officers, consultants, and directors.

The number of shares of Common Stock authorized for issuance under the 2010 Plan includes shares of Common Stock that were represented by options that were outstanding under the Company's 2003 Employee, Director and Consultant Option Plan (the 2003 Plan) and 2002 Amended and Restated Employee, Director and Consultant Stock Option Plan (the 2002 Plan) that expired or were cancelled without delivery of shares of common stock under those plans on or after December 3, 2010, the date of stockholder approval of the 2010 Plan. An aggregate of 1,094,615 shares of Common Stock have been carried over from the 2002 Plan and 2003 Plan to the 2010 Plan pursuant to this provision as of November 30, 2012, of which 232,964 shares are being registered hereby, 849,283 were previously registered on February 1, 2012 (File No. 333-179281) and 12,368 shares were previously registered on February 1, 2011 (File No. 333-171994). As of November 30, 2012, there were an aggregate of 9,095,004 additional shares of Common Stock underlying options outstanding under the 2002 Plan and 2003 Plan that can be carried over to the 2010 Plan if these options expire or are cancelled without delivery of shares of Common Stock.

2012 Employee Stock Purchase Plan

This Registration Statement on Form S-8 also registers 2,000,000 shares of Common Stock for issuance under the Myriad Genetics, Inc. 2012 Employee Stock Purchase Plan (the Purchase Plan), which was approved by the Company's stockholders at the Company's annual meeting of stockholders on December 5, 2012. The Purchase Plan provides eligible employees with an opportunity to purchase shares of Common Stock, at a discount, on a tax-favored basis through payroll deductions in compliance with Section 423 of the Internal Revenue Code of 1986, as amended.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the issuance of the shares of Common Stock registered under this Registration Statement has been passed upon for the Registrant by Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. and members of that firm, their families and trusts for their benefit own an aggregate of approximately 4,000 shares of Common Stock of the Registrant.

Item 6. Indemnification of Directors and Officers.

Section 145(a) of the General Corporation Law of the State of Delaware provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no cause to believe the person's conduct was unlawful.

Section 145(b) provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted under similar standards, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that to the extent a present or former director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; that indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against such person or incurred by such person in any such capacity or arising out of such person's status as such, whether or not the corporation would have the power to indemnify him against such liabilities under Section 145.

In addition, our Restated Certificate of Incorporation, as amended, and our Restated By-Laws provide for indemnification of and advancement of expenses to our directors and officers to the fullest extent permitted by the Delaware General Corporation Law. The Restated Certificate of Incorporation, as amended, and the Restated By-Laws also permit the Board of Directors to authorize us to purchase and maintain insurance against liabilities asserted against any of our directors, officers, employees or agents arising out of their capacity as such, and we have purchased such insurance.

We have also entered into indemnification agreements with our directors and certain of our officers and key employees. These agreements provide each indemnitee with more comprehensive indemnification and advancement rights than are provided by us in our Restated Certificate of Incorporation, as amended, and our Restated By-Laws in certain circumstances and contain presumptions and procedures designed to ensure that the indemnification and advancement rights granted to each

indemnitee in these agreements will be provided on a timely basis. Each agreement provides that our obligations under the agreement will continue during the time the indemnitee serves the Company and continues thereafter so long as the indemnitee is subject to any possible proceeding by reason of the indemnitee's service to the Company.

Insofar as indemnification for liabilities under the Securities Act may be permitted to our directors, officers, or controlling persons pursuant to our Restated Certificate of Incorporation, as amended, our Restated By-laws, indemnification agreements we have entered with these persons and the Delaware General Corporation Law, we have been informed that in the opinion of the Commission such indemnification is against public policy as expressed in such Act and is therefore unenforceable.

As permitted by the Delaware General Corporation Law, our Restated Certificate of Incorporation, as amended, provides that our directors shall not be personally liable to the Company or our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, relating to prohibited dividends or distributions or the repurchase or redemption of stock or (iv) for any transaction from which the director derives an improper personal benefit. As a result of this provision, the Company and our stockholders may be unable to obtain monetary damages from a director for breach of his or her duty of care.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
