PRESS RELEASE

Amsterdam, 21 December 2012

ING to sell Malaysian investment management business to Kenanga

ING announced today that it has reached an agreement to sell its 70%-stake in ING Funds Berhad (IFB), ING's investment management business in Malaysia, to Kenanga Investors Berhad (Kenanga Investors), a wholly owned subsidiary of K & N Kenanga Holdings Berhad (Kenanga). ING's joint venture partner Tab Inter-Asia Services Sdn Berhad has also agreed to sell its 30% stake to Kenanga Investors.

The transaction announced today will not have a material impact on ING's results and is subject to regulatory approvals. The transaction does not impact ING's other businesses in the region and is expected to close in the first quarter of 2013.

IFB is among the top 5 non-bank fund management houses in the country. It manages approximately EUR 500 million of assets for third parties across all traditional asset classes and has a multi-channel distribution network.

Kenanga Investors is a Malaysian multi-team and multi-style investment house that offers investment solutions to retail and institutional clients. Kenanga is listed on Bursa Malaysia, the Malaysian Stock Exchange in Kuala Lumpur.

ING PROFILE

ING is a global financial institution of Dutch origin, offering banking, investments, life insurance and retirement services to meet the needs of a broad customer base. Going forward, we will concentrate on our position as an international retail, direct and commercial bank, while creating an optimal base for an independent future for our insurance and investment management operations

IMPORTANT LEGAL INFORMATION

Certain of the statements contained in this document are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results, performance or events may differ materially from those in such statements due to, without limitation: (1) changes in general economic conditions, in particular economic conditions in ING's core markets, (2) changes in performance of financial markets, including developing markets, (3) consequences of a potential (partial) break-up of the euro, (4) the implementation of ING's restructuring plan to separate banking and insurance operations, (5) changes in the availability of, and costs associated with, sources of liquidity such as interbank funding, as well as conditions in the credit markets generally, including changes in borrower and counterparty creditworthiness, (6) the frequency and severity of insured loss events, (7) changes affecting mortality and morbidity levels and trends, (8) changes affecting persistency levels, (9) changes affecting interest rate levels, (10) changes affecting currency exchange rates, (11) changes in investor, customer and policyholder behaviour, (12) changes in general competitive factors, (13) changes in laws and regulations, (14) changes in the policies of governments and/or regulatory authorities, (15) conclusions with regard to purchase accounting assumptions and methodologies, (16) changes in ownership that could affect the future availability to us of net operating loss, net capital and built-in loss carry
