Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(d) Election of Directors

Under Section 1.5 of the Agreement and Plan of Merger between Alterra Capital Holdings Limited (Alterra), Markel Corporation (the Registrant) and Commonwealth Merger Subsidiary Limited (Merger Sub), previously reported on Form 8-K with the Securities and Exchange Commission on December 19, 2012, the Registrant agreed to increase the size of its Board of Directors and add two new directors designated by Alterra and approved by the Registrant's Nominating/Corporate Governance Committee. On February 19, 2013, the Nominating/Corporate Governance Committee and the Board of Directors of the Registrant approved the increase of the number of directors of the Registrant to twelve and the election of Michael O Reilly and K. Bruce Connell (Alterra's designees). The increase in the number of directors and election of Messrs. O Reilly and Connell will occur only upon completion of the merger of Merger Sub into Alterra. The merger is subject to shareholder and regulatory approvals. Completion of the merger is expected to occur in the first half of 2013.

Mr. O Reilly, age 68, is retired. He has been Chairman of the Board of Alterra since May 2010. Mr. O Reilly served as the Chairman of the Board of Harbor Point Limited, a predecessor of Alterra, from March 2010 until May 2010 and was its Deputy Chairman from December 2005 to March 2010. From December 2002 to December 2008, he was Vice Chairman of The Chubb Corporation and from October 2002 to November 2008, he was its Chief Financial Officer, having held various positions in the investment department of that company from 1969 until he assumed the position of Chief Investment Officer in 1986.

Mr. Connell, age 60, is retired. He has served as Executive Vice President and Group Underwriting Officer of XL Capital Ltd., Chief Executive Officer of XL Financial Products and Services Ltd., Executive Vice President and Chief Underwriting Officer of XL Re Ltd. (Bermuda) and Chief Underwriting Officer of XL Europe Ltd. from 1990-2002. Mr. Connell has been a director of Alterra and its predecessors since 2007. From 1974 to 1990, he served in various underwriting positions at Royal Assurance Zurich, General Re Corporation and Trenwick Group, Ltd.

No committee assignments have been made for Mr. O Reilly or Mr. Connell.

Mr. O Reilly and Mr. Connell will each participate in the Registrant's compensation programs for non-employee directors. At present, each non-employee director is paid an annual fee of \$40,000 and reimbursement of expenses incurred in connection with attending board meetings, and receives an annual grant of approximately \$80,000 in restricted stock.

(e) Payouts for 2012 Performance

On February 19, 2013, after considering overall performance for 2012, and taking into account competitive considerations, equity of compensation between executive officers and other members of the Registrant's management, and the incentive opportunities that had been available to named executive officers since 2008, the Compensation Committee of the Registrant approved discretionary incentive payouts for 2012 for named executive officers subject to the five-year performance period ending December 31, 2012, in addition to the 40% payout that would have been available to such executive officers based on compound growth in book value over that period. The discretionary payouts resulted in aggregate cash incentive payments to Alan I. Kirshner (Chairman of the Board and Chief Executive Officer), Steven A. Markel (Vice Chairman), Thomas S. Gayner (President and Chief Investment Officer), Richard R. Whitt, III (President and Co-Chief Operating Officer) and Anne G. Waleski (Chief Financial Officer) of 100% of base salary and aggregate awards of restricted stock units to Messrs. Kirshner, Gayner and Whitt and Ms. Waleski of 100% of base salary. F. Michael Crowley (President and Co-Chief Operating Officer) received 100% of base salary both in cash and restricted stock units based on performance against target for the four-year period ending December 31, 2012. Among the performance

factors taken into account by the Committee in deciding to make the discretionary awards were the Registrant's underwriting combined ratio for 2012; the fact that key operating performance measures exceeded budget and prior year by substantial margins; investment performance versus general market conditions; accomplishment of numerous qualitative goals relating to acquisitions, expense management and information technology; consistent growth in book value per share over the past four years; and reaching \$500 million of comprehensive income to shareholders for 2012.
