Director Compensation Review

On April 23, 2013, the Nominating and Governance Committee (the Committee) of the Board of Directors of The PNC Financial Services Group, Inc. (PNC or the Corporation) met and conducted its annual review of compensation for the Board's non-employee directors. The Committee reviewed a report on director compensation prepared by Towers Watson, a compensation consulting firm, and the recommendations contained in that report.

In undertaking this annual review, the Committee's primary objectives were to confirm that the director compensation program continued to align business and shareholder interests, to evaluate the competitiveness of the program relative to PNC's peer group, and to identify and respond to changes in director compensation in light of the competitive environment.

Following deliberation and discussion, and consistent with Towers Watson's recommendations, the Committee approved:

An increase in the annual retainer to \$60,000 from \$55,000.

An increase in the Presiding Director's retainer to \$25,000 from \$20,000.

An increase in the retainer for the Nominating and Governance Committee Chair to \$15,000 from \$10,000.

A grant of 1,934 deferred stock units to each non-employee director on April 23, 2013. This grant reflected the Committee's desire to provide both cash and equity-based compensation to non-employee directors. The stock unit grants were made under the PNC Outside Directors Deferred Stock Unit Plan. Each deferred stock unit tracks the price of a share of PNC common stock, which helps to align the interests of our directors and long-term shareholders. The directors will receive the cash value of the units, calculated using the PNC stock price, at the time of payout.

The Committee made no other changes to the compensation program for non-employee directors.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) and (c) As previously announced, effective on April 23, 2013, William S. Demchak became president and chief executive officer of The PNC Financial Services Group, Inc. (PNC), and James E. Rohr, formerly chief executive officer of PNC, became executive chairman of PNC.

Mr. Demchak, who is 50 years old, joined PNC in 2002 as chief financial officer. In 2005, he became head of Corporate & Institutional Banking. He was promoted to senior vice chairman in 2009 and named head of all PNC businesses in 2010. He was elected PNC president in April 2012. Prior to joining PNC, Mr. Demchak served as head of Structured Finance and Credit Portfolio for JPMorgan Chase & Co. Mr. Demchak is a director of BlackRock, Inc. Mr. Rohr, who is 64 years old, has been employed by PNC since 1972 and was chief executive officer since May 2000 and has been chairman since May 2001.

In connection with Mr. Demchak assuming his new position, on April 23, 2013, the Personnel and Compensation Committee of PNC's Board of Directors approved the following compensation arrangements for him. Mr. Demchak's new annual salary is \$1,000,000 and his target incentive compensation is \$7,200,000. For 2013, the target incentive compensation will be prorated, so that his incentive compensation for the period January 1, 2013 through April 30, 2013 will be based on his target then in effect and for the period May 1, 2013 through December 31, 2013 will be based on his new target.

The information required by Items 401(b), (d) and (e) and 404(a) of Regulation S-K is incorporated by reference to PNC's proxy statement for its 2013 annual meeting of shareholders.

Item 5.07 Submission of Matters to a Vote of Security Holders.

An annual meeting of shareholders of PNC was held on April 23, 2013 for the purpose of considering and acting upon the following matters:

- (1) The election of 16 directors to serve until the next annual meeting and until their successors are elected and qualified;
- (2) The ratification of the Audit Committee's selection of PricewaterhouseCoopers LLP as PNC's independent registered public accounting firm for 2013;
- (3) An advisory vote to approve named executive officer compensation; and

(4) A shareholder proposal regarding a report on greenhouse gas emissions of borrowers and exposure to climate change risk. The final voting results for each proposal, as certified by the judge of election for the annual meeting, are described below. Fractional shares have been rounded up to the nearest whole number. For beneficial owners holding PNC shares at a bank or brokerage institution, a broker non-vote occurred if the owner failed to give voting instructions, and the bank or broker was otherwise restricted under NYSE regulations from voting on the owner's behalf.
