**Item 8.01 Other Events**

As announced by Zions Bancorporation ( Zions ) on March 14, 2013, as part of its 2013 capital plan, Zions sought the redemption of the full amount of its 9.50% Series C Fixed-Rate Non-Cumulative Perpetual Preferred Stock ( Series C Preferred Stock ) (approximately \$800 million in liquidation preference), but the Board of Governors of the Federal Reserve System (the Federal Reserve ) did not object to the redemption of only \$600 million in liquidation preference of preferred stock. At that time, Zions also announced that the Federal Reserve did not object to the issuance of up to an additional \$600 million liquidation preference of preferred stock. Subsequently, Zions requested, and the Federal Reserve has now informed Zions that it does not object to, the issuance of an additional \$200 million of perpetual preferred stock and the redemption of an additional \$200 million of preferred stock (for a total issuance and redemption of preferred stock of \$800 million in liquidation preference).
