Item 8.01 Other Events.

On May 23, 2013, Qwest Corporation (QC), an indirect wholly-owned subsidiary of both CenturyLink, Inc. (CenturyLink) and CenturyLink s wholly-owned subsidiary, Qwest Communications International Inc., publicly sold \$775 million aggregate principal amount of its 6.125% Notes due 2053 (the Notes), including \$25 million principal amount that was sold pursuant to an over-allotment option granted to the underwriters for the offering.

The public offering price of the Notes was 100% of the principal amount. After deducting underwriting discounts and QC s estimated transaction expenses, QC expects to receive net proceeds from the sale of approximately \$752 million. QC intends to use the net proceeds from this offering, together with available cash, to retire at maturity all \$750 million aggregate principal amount of QC s outstanding Floating Rate Notes due June 15, 2013, including accrued and unpaid interest thereon.

The Notes were sold pursuant to an underwriting agreement dated May 14, 2013 (the Underwriting Agreement) among QC and the underwriters listed therein (the Underwriters) and a related price determination agreement dated May 14, 2013 among the same parties (the Price Determination Agreement). Pursuant to the Underwriting Agreement, QC agreed to sell the Notes to the Underwriters, and the Underwriters agreed to purchase the Notes for resale to the public. The Underwriting Agreement includes customary representations, warranties and covenants by QC. It also provides for customary indemnification by each of QC and the Underwriters against certain liabilities and customary contribution provisions in respect of those liabilities.

The Notes have been registered under the Securities Act of 1933, as amended, pursuant to an automatic shelf registration statement on Form S-3 (Registration No. 333-179888-01), filed by CenturyLink and QC with the Securities and Exchange Commission (the SEC) on March 2, 2012, as supplemented by a prospectus supplement dated May 14, 2013 (together, the Registration Statement).

The Notes were issued pursuant to an indenture dated as of October 15, 1999 between QC and Bank of New York Trust Company, National Association (as successor in interest to Bank One Trust Company, N.A. and J.P. Morgan Trust Company, National Association), as heretofore amended and supplemented, including by the Twelfth Supplemental Indenture between QC and U.S. Bank National Association, as trustee, dated May 23, 2013 (the Supplemental Indenture). The Notes are expected to be listed for trading on the New York Stock Exchange on or about May 24, 2013. The terms of the Notes, including QC s right to redeem the Notes under certain circumstances, are set forth in the Supplemental Indenture.

The above descriptions are qualified in their entirety by reference to the Underwriting Agreement, the Price Determination Agreement, the form of the Supplemental Indenture and the form of the Notes, copies of which are filed as exhibits hereto and incorporated herein by reference. Each of these exhibits (as well as the opinion of counsel also filed as an exhibit hereto) is incorporated by reference into the Registration Statement.

In reviewing the agreements included as exhibits to this report, please note that they are included to provide you with information regarding their terms and are not intended to provide any other factual or disclosure information about QC or the other parties to the agreements. The agreements contain representations and warranties by one or more of the parties to the applicable agreement. These representations and warranties have been made solely for the benefit of the other parties to the applicable agreement and:

should not in any instance be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate;

may have been qualified by disclosures that were made to the other party in connection with the negotiation of the applicable agreement, which disclosures are not necessarily reflected in the agreement;

may apply standards of materiality in a way that is different from what may be viewed as material to you or other investors; and

were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement and are subject to more recent developments.

Accordingly, these representations and warranties may not describe the actual state of affairs as of the date they were made or at any other time. Additional information about QC may be found elsewhere in the Registration Statement and QC's other public filings, which are available without charge through the SEC's website at <http://www.sec.gov>.
