Note: A securities rating is not a recommendation to buy, sell or hold securities and is subject to revision or withdrawal at any time.

Optional Redemption: The notes may be redeemed, in whole at any time or from time to time in part, at the option of the Company on any date at a redemption price equal to the greater of (a) 100% of the principal amount and (b) a make-whole redemption price calculated at the Treasury Rate plus 30 basis points, in each case plus accrued and unpaid interest to the redemption date. See the Preliminary Prospectus Supplement for the definition of Treasury Rate and for further terms and provisions applicable to optional redemption.

CUSIP/ISIN: 962166BW3/ US962166BW36

Delayed Settlement: We expect that the delivery of the notes will be made against payment therefor on or about the settlement date specified above, which will be the fifth business day following the date of this pricing term sheet and of the pricing of the notes. Under Rule 15c6-1 under the Securities Exchange Act of 1934, trades in the secondary market generally are required to settle in three business days, unless the parties to that trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes on the pricing date or the next succeeding business day will be required, by virtue of the fact that the notes initially will settle in five business days (T+5), to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement and should consult their own advisors with respect to these matters.
