PROXY STATEMENT/PROSPECTUS

**Ouachita Bancshares
Corp., holding company
for**

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

The boards of directors of BancorpSouth, Inc. (BancorpSouth) and Ouachita Bancshares Corp. (Ouachita Bancshares) have approved an agreement and plan of reorganization (the Merger Agreement) to merge our two companies. If Ouachita Bancshares shareholders vote to approve the Merger Agreement and the merger is completed, Ouachita Bancshares will merge with and into BancorpSouth, Ouachita Bancshares subsidiary bank, Ouachita Independent Bank (the Bank), will merge with and into BancorpSouth Bank (BancorpSouth Bank), a subsidiary of BancorpSouth, and Ouachita Bancshares shareholders, other than Ouachita Bancshares shareholders who properly exercise their rights to dissent from the merger, will have the right to receive an aggregate of (i) 3,675,000 shares of BancorpSouth common stock and (ii) \$22,875,000 in cash less the amount of a special one-time dividend described in this Proxy Statement/Prospectus, subject to adjustment as set forth in the Merger Agreement.

The number of shares of BancorpSouth common stock that Ouachita Bancshares shareholders may receive in the merger is fixed, subject to a pricing collar requiring the aggregate merger consideration to have a value of not less than \$99,000,000 and not more than \$112,000,000. The dollar value of the stock consideration that Ouachita Bancshares shareholders may receive will change depending on fluctuations in the market price of BancorpSouth common stock and will not be known at the time Ouachita Bancshares shareholders vote on the merger. Based on 852,372 shares of Ouachita Bancshares common stock that are expected to be exchanged in the merger (assuming the exercise of all outstanding options to purchase Ouachita Bancshares common stock pursuant to the Merger Agreement), holders of Ouachita Bancshares common stock would receive approximately 4.3115 shares of BancorpSouth common stock (plus cash in lieu of any fractional shares) and approximately \$26.84 in cash, subject to possible adjustment as described in the accompanying Proxy Statement/Prospectus and assuming no Retained Earnings Dividend, for each share of Ouachita Bancshares common stock they own. BancorpSouth's common stock is listed on the New York Stock Exchange under the symbol BXS and the closing price of BancorpSouth's common stock on March 3, 2014 was \$24.00 per share.

Additionally, the amount of per share merger consideration to be received is dependent upon the number of shares of Ouachita Bancshares common stock issued and outstanding immediately prior to the effective time of the merger and whether any adjustment to the merger consideration provided in the Merger Agreement occurs. Consequently, the

exact per share merger consideration to be received as a result of the merger will not be known at the time Ouachita Bancshares shareholders vote on the merger.

This Proxy Statement/Prospectus provides you with detailed information about the proposed merger between BancorpSouth and Ouachita Bancshares. This document also contains information about BancorpSouth and Ouachita Bancshares. We encourage you to carefully read and consider this Proxy Statement/Prospectus in its entirety. You can obtain additional information about BancorpSouth from documents that it has filed with the Securities and Exchange Commission. For information on how to obtain copies of these documents, you should refer to the section of this document entitled WHERE YOU CAN FIND MORE INFORMATION, which begins on page 66.

You should carefully consider the risk factors described beginning on page 12 of this Proxy Statement/Prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the shares of BancorpSouth common stock to be issued under this Proxy Statement/Prospectus or determined if this Proxy Statement/Prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

The date of this Proxy Statement/Prospectus is March 10, 2014,

and it is first being mailed to the shareholders of Ouachita Bancshares on or about March 10, 2014.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON APRIL 8, 2014

TO THE SHAREHOLDERS OF OUACHITA BANCSHARES CORP.:

This serves as notice to you that a special meeting of shareholders of Ouachita Bancshares Corp. (Ouachita Bancshares) will be held on April 8, 2014 at 2:00 p.m., Central Time, at the Bayou DeSiard Country Club, 3501 Forsythe Avenue, Monroe, Louisiana 71201 for the purpose of considering and voting upon the approval of the Agreement and Plan of Reorganization (the Merger Agreement), dated as of January 8, 2014, between Ouachita Bancshares and BancorpSouth, Inc. (BancorpSouth), which provides for the merger of Ouachita Bancshares with and into BancorpSouth as more fully described in the accompanying Proxy Statement/Prospectus.

Only holders of record of Ouachita Bancshares common stock at the close of business on February 28, 2014 (the record date) are entitled to notice of and to vote at the special meeting or any adjournments or postponements of the special meeting. Each share of Ouachita Bancshares common stock is entitled to one vote. Approval of the Merger Agreement requires approval by the holders of more than fifty percent (50%) of the outstanding shares of Ouachita Bancshares common stock, present in person or by proxy at the special meeting.

All directors and certain executive officers of Ouachita Bancshares have entered into a voting agreement with BancorpSouth whereby they have agreed to vote their shares of Ouachita Bancshares common stock in favor of the merger. On the record date, these shareholders represented 34.07% of the shares of Ouachita Bancshares common stock entitled to vote at the Ouachita Bancshares special meeting.

The board of directors of Ouachita Bancshares has approved the Merger Agreement and the transactions contemplated thereby, and recommends that Ouachita Bancshares shareholders vote FOR approval of the Merger Agreement and the transactions contemplated thereby.

Under the terms of the Merger Agreement, if the Merger Agreement is approved and the merger is completed, all outstanding shares of Ouachita Bancshares common stock will, subject to adjustment as set forth in the Merger Agreement, be converted into the right to receive an aggregate of (i) 3,675,000 shares of BancorpSouth common stock and (ii) \$22,875,000 in cash less the amount of the Retained Earnings Dividend (as defined in the Merger Agreement). The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash consideration will be paid in connection with the merger.

The amount of per share merger consideration to be received is dependent upon the number of shares of Ouachita Bancshares common stock issued and outstanding immediately prior to the effective time of the merger and whether any adjustment to the merger consideration as set forth in the Merger Agreement occurs. Consequently, you will not know the exact per share merger consideration you will receive as a result of the merger when you vote on the Merger Agreement. Based on the number of shares of Ouachita Bancshares common stock issued and outstanding on February 28, 2014 and assuming all options to acquire shares of Ouachita Bancshares common stock outstanding on that date are exercised for cash, there would have been 846,772 shares of Ouachita Bancshares common stock

outstanding on that date. Based on the foregoing assumption and further assuming no adjustment to the merger consideration, you would receive for each share of Ouachita Bancshares common stock that you own (i) 4.3115 shares of BancorpSouth Common Stock and (ii) cash consideration of approximately \$26.84, with cash to be paid in lieu of any remaining fractional share interest. The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash consideration will be paid in connection with the merger.

The actual value received by Ouachita Bancshares shareholders in the aggregate and on a per share basis will fluctuate based on the price of BancorpSouth's common stock and the number of shares of Ouachita Bancshares common stock outstanding (including any shares issued for options that are exercised prior to the effective time of the merger) and is further subject to a pricing collar requiring the aggregate value of the merger consideration be not less than \$99,000,000 and not more than \$112,000,000 as described in the accompanying Prospectus/Proxy Statement.

Notice of Right to Dissent. Dissenting shareholders who comply with the procedural requirements of the Louisiana Business Corporation Law will be entitled to receive payment of the fair cash value of their shares if the merger is effected upon the approval of the holders of less than 80% of the outstanding shares of Ouachita Bancshares common stock. In the event that the merger is effected upon the approval of the holders of 80% or more of Ouachita Bancshares total voting power, no Ouachita Bancshares shareholder will be entitled to dissenters' rights under Louisiana law. A copy of Section 131 of the Louisiana Business Corporation Law containing the procedural requirements to exercise dissenters' rights is attached as Annex B to the accompanying Proxy Statement/Prospectus. In addition, please see the section entitled **THE MERGER Dissenters' Rights** in the accompanying Proxy Statement/Prospectus for a discussion of the procedures to be followed in asserting these dissenters' rights.

Shareholders of Ouachita Bancshares who do not wish to accept the merger consideration from BancorpSouth provided for by the merger will be entitled under the Louisiana Business Corporation Law to receive the fair cash value of their shares if the merger is effected upon the approval of the holders of less than 80% of the outstanding shares of Ouachita Bancshares common stock. This right to dissent is subject to a number of restrictions and technical requirements.

Please mark, sign, date and return the enclosed proxy card promptly, whether or not you plan to attend the special meeting. All Ouachita Bancshares shareholders are invited to attend the special meeting. To ensure your representation at the special meeting, please complete and promptly mail the enclosed proxy card in the enclosed postage paid business reply envelope. This will not prevent you from voting in person, but will help to secure a quorum and avoid added solicitation costs. If you do not vote your proxy, the effect will be the same as a vote against the Merger Agreement and the transactions contemplated thereby. You may revoke your proxy at any time before it is voted.

Please review the Proxy Statement/Prospectus accompanying this notice for more complete information regarding the proposed merger and the special meeting.

DIRECTORS,

QUESTIONS AND ANSWERS

ABOUT THE MERGER AND THE SPECIAL MEETING

Q: What is the proposed transaction and what am I being asked to vote upon?

A: You are being asked to vote on a proposal to approve a merger in which Ouachita Bancshares will merge with and into BancorpSouth, with BancorpSouth surviving. It is contemplated that immediately thereafter, the Bank will merge with and into BancorpSouth Bank, with BancorpSouth Bank surviving. After the merger, you will no longer own shares of Ouachita Bancshares common stock and will receive the per share merger consideration.

Q: What do I need to do now?

A: After you carefully read this Proxy Statement/Prospectus, please vote your proxy promptly by indicating on the enclosed proxy card how you want to vote, and by signing and mailing the proxy card in the enclosed postage paid business reply envelope as soon as possible so that your shares may be represented at the special meeting of shareholders.

Regardless of whether you plan to attend the special meeting in person, we encourage you to vote your proxy promptly. This will help to ensure that a quorum is present at the special meeting and will help reduce the costs associated with the solicitation of proxies.

The board of directors of Ouachita Bancshares recommends that shareholders vote **FOR** approval of the Merger Agreement.

Q: Why is my vote important?

A: Pursuant to the Articles of Incorporation of Ouachita Bancshares, the Merger Agreement must be approved by the holders of more than fifty percent (50%) of the outstanding shares of Ouachita Bancshares common stock, present in person or by proxy at the special meeting. Accordingly, if you abstain, it will have the same effect as a vote against approval of the Merger Agreement.

Q: Can I change my vote after I have delivered my proxy card?

A: You may change your vote at any time before your proxy is voted at your meeting. You can do this in any of the following three ways:

by sending a written notice to the corporate secretary of the board of Ouachita Bancshares in time to be received before the special meeting stating that you would like to revoke your proxy;

by completing, signing and dating another proxy card and returning it by mail in time to be received before the special meeting, in which case your later-submitted proxy will be recorded and your earlier proxy revoked; or

if you are a holder of record, by attending the special meeting and voting in person, although attendance by itself will not revoke a previously granted proxy.

If your shares are held in an account at a broker, you should contact your broker to change your vote.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: You should instruct your broker to vote your shares, following the directions your broker provides. Your broker will generally not have the discretion to vote your shares without your instructions.

Q: Will I be able to trade the shares of BancorpSouth common stock I receive in the merger?

A: Yes. The BancorpSouth common stock issued pursuant to the merger will be registered under the Securities Act of 1933, as amended (the Securities Act), and will be listed on the New York Stock Exchange under the symbol BXS. All shares of BancorpSouth common stock that you receive in the merger will be freely transferable and will not be subject to any restrictions on transfer arising under the Securities Act, except for shares issued to any Ouachita Bancshares shareholder who may be deemed to be an affiliate of BancorpSouth after completion of the merger. An affiliate of a corporation, as defined by the rules promulgated under the Securities Act, is a person who directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with, that corporation. Affiliates generally include directors, executive officers and beneficial owners of 10% or more of a company's capital stock. Former Ouachita Bancshares shareholders who are not affiliates of BancorpSouth after the completion of the merger may sell their shares of BancorpSouth common stock received in the merger at any time. Former Ouachita Bancshares shareholders who become affiliates of BancorpSouth after completion of the merger will be subject to the volume and sale limitations of Rule 144 under the Securities Act until they are no longer affiliates of BancorpSouth. This Proxy Statement/Prospectus does not cover resales of BancorpSouth common stock received by any person upon completion of the merger, and no person is authorized to make any use of or rely on this Proxy Statement/Prospectus in connection with or to effect any resale of BancorpSouth shares.

Table of Contents

Q: What is the aggregate amount of consideration to be paid by BancorpSouth in the merger?

A: Under the terms of the Merger Agreement, if the Merger Agreement is approved and the merger is completed, all outstanding shares of Ouachita Bancshares common stock will, subject to adjustment as set forth in the Merger Agreement, be converted into the right to receive an aggregate of (i) 3,675,000 shares of BancorpSouth common stock and (ii) \$22,875,000 in cash less the amount of the Retained Earnings Dividend (as defined below). The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash consideration will be paid in connection with the merger. Pursuant to certain provisions of the Merger Agreement requiring the aggregate merger consideration (inclusive of the amount distributed pursuant to the Retained Earnings Dividend) to be not less than \$99,000,000 and not more than \$112,000,000, the per share merger consideration may be adjusted based on the average closing price of BancorpSouth common stock for the ten consecutive trading days ending on and including the fifth trading day preceding the closing date.

Q: What will I receive in connection with the merger?

A: The amount of per share merger consideration to be received is dependent upon the number of shares of Ouachita Bancshares common stock issued and outstanding immediately prior to the effective time of the merger and whether any adjustment to the merger consideration as set forth in the Merger Agreement occurs. Consequently, you will not know the exact per share merger consideration you will receive as a result of the merger when you vote on the Merger Agreement. Based on the number of shares of Ouachita Bancshares common stock issued and outstanding on February 28, 2014 and assuming all options to acquire shares of Ouachita Bancshares common stock outstanding on that date are exercised for cash, there would have been 846,772 shares of Ouachita Bancshares common stock outstanding on that date. Based on the foregoing assumption and further assuming no adjustment to the merger consideration, you would receive for each share of Ouachita Bancshares common stock that you own (i) 4.3115 shares of BancorpSouth Common Stock and (ii) cash consideration of approximately \$26.84, with cash to be paid in lieu of any remaining fractional share interest. The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash consideration will be paid in connection with the merger. Pursuant to certain provisions of the Merger Agreement requiring the aggregate merger consideration to be not less than \$99,000,000 and not more than \$112,000,000, the per share merger consideration may be adjusted based on the average closing price of BancorpSouth common stock for the ten consecutive trading days ending on and including the fifth trading day preceding the closing date.

Q: What is the Retained Earnings Dividend?

A: Ouachita Bancshares has made an election to be taxed under Subchapter S of Chapter 1 of the Internal Revenue Code of 1986, as amended (the Code). Prior to the effective time of the merger, Ouachita Bancshares may declare and pay to the holders of its common stock a one-time special retained earnings dividend of its Subchapter S accumulated adjustments account not to exceed \$22,875,000 (the Retained Earnings Dividend). You are not required to take any action to approve or receive the Retained Earnings Dividend.

Q: What are the U.S. federal income tax consequences of the merger to the shareholders?

A: The merger has been structured to qualify as a tax-free reorganization within the meaning of Section 368(a) of the Code. As a result of the merger's qualification as a reorganization, it is anticipated that Ouachita Bancshares shareholders will not recognize gain or loss for U.S. federal income tax purposes upon the exchange of shares of Ouachita Bancshares common stock for shares of BancorpSouth common stock, except with respect to cash received in connection with the merger and cash delivered in lieu of fractional shares of BancorpSouth common stock and except for Ouachita Bancshares shareholders who exercise their dissenters' rights with respect to the merger.

This tax treatment may not apply to all Ouachita Bancshares shareholders. You should consult your own tax advisor for a full understanding of the merger's tax consequences that are particular to you.

The Retained Earnings Dividend will be treated separately from the merger for U.S. federal income tax purposes. The discussion entitled "THE MERGER - Material United States Federal Income Tax Consequences" does not address the U.S. federal income tax consequences of the Retained Earnings Dividend to holders of Ouachita Bancshares common stock. You should consult your own tax advisor for a full understanding of the Retained Earnings Dividend's tax consequences that are particular to you.

Q: What is the purpose of this Proxy Statement/Prospectus?

A: This document serves as Ouachita Bancshares' proxy statement and as BancorpSouth's prospectus. As a proxy statement, this document is being provided to Ouachita Bancshares' shareholders because Ouachita Bancshares board

Table of Contents

of directors is soliciting proxies to vote to approve the Merger Agreement. As a prospectus, this document is being provided to Ouachita Bancshares' shareholders by BancorpSouth because BancorpSouth is offering them shares of BancorpSouth common stock in exchange for their shares of Ouachita Bancshares' common stock if the merger is completed.

Q: Is there other information I should consider?

A: Yes. Much of the business and financial information about BancorpSouth that may be important to you is not included directly in this document. Instead, this information is incorporated into this document by references to documents separately filed by BancorpSouth with the Securities and Exchange Commission (the "SEC"). This means that BancorpSouth may satisfy its disclosure obligations to you by referring you to one or more documents separately filed by it with the SEC. See "WHERE YOU CAN FIND MORE INFORMATION" beginning on page 66 for a list of documents that BancorpSouth has incorporated by reference into this Proxy Statement/Prospectus and for instructions on how to obtain copies of these documents. The documents are available to you without charge.

Q: What if I choose not to read the documents incorporated by reference?

A: Information that is incorporated from another document is considered to have been disclosed to you whether or not you choose to read the document. Information contained in a document that is incorporated into this Proxy Statement/Prospectus by reference is part of this Proxy Statement/Prospectus, unless it is superseded by information contained directly in this Proxy Statement/Prospectus or in documents filed by BancorpSouth with the SEC after the date of this Proxy Statement/Prospectus.

Q: Should I send in my Ouachita Bancshares stock certificates now?

A: No. As soon as practicable after the effective time of the merger, Registrar and Transfer Company, BancorpSouth's exchange agent, will send each shareholder of record of Ouachita Bancshares a letter of transmittal containing instructions for exchanging their stock certificates. Please do not send in your Ouachita Bancshares stock certificates with your proxy card. Stock certificates and letters of transmittal should be returned to the exchange agent in accordance with the instructions contained in the letters of transmittal.

Q: Whom do I contact if I have questions about the merger?

A: If you have more questions about the merger, including procedures for voting your shares, you should contact: Ouachita Bancshares Corp.

Q: When and where will the special meeting of shareholders of Ouachita Bancshares be held?

A: The special meeting of shareholders of Ouachita Bancshares will be held on April 8, 2014 at 2:00 p.m., Central Time, at the Bayou DeSiard Country Club, 3501 Forsythe Avenue, Monroe, Louisiana 71201.

Q: Who is entitled to vote at the special meeting of shareholders of Ouachita Bancshares?

A: Only holders of record of Ouachita Bancshares common stock at the close of business on February 28, 2014 are entitled to notice of and to vote at the special meeting or any adjournments or postponements of the special meeting.

Q: When do you expect the merger to be completed?

A: We are working to complete the merger during the second quarter of 2014, although delays could occur.

Q: Are there any risks I should consider in deciding whether I vote for the Merger Agreement?

A: Yes. Set forth under the heading of RISK FACTORS, beginning on page 12, are a number of risk factors that you should consider carefully.

The Companies (Pages 50, 51, 54)

BANCORPSOUTH, INC.

One Mississippi Plaza

Tupelo, Mississippi 38804

(662) 680-2000

BancorpSouth (NYSE: BXS) is incorporated in Mississippi and is a financial holding company under the Bank Holding Company Act of 1956. BancorpSouth conducts its operations through its bank subsidiary, BancorpSouth Bank, and its banking-related subsidiaries. BancorpSouth Bank operates 292 commercial banking, mortgage and insurance locations in Alabama, Arkansas, Florida, Louisiana, Mississippi, Missouri, Tennessee and Texas, including an insurance location in Illinois. As of December 31, 2013, BancorpSouth had total assets of approximately \$13.0 billion, deposits of approximately \$10.8 billion and shareholders' equity of approximately \$1.5 billion.

On January 22, 2014, BancorpSouth announced that it entered into a definitive agreement to acquire Central Community Corporation (Central Community) and its subsidiary bank, First State Bank Central Texas, a Texas state chartered bank with total assets of \$1.3 billion, total loans of \$555.5 million and total deposits of \$1.1 billion as of December 31, 2013. First State Bank Central Texas is a full service commercial bank with thirty-one locations throughout central Texas. The merger has been approved by the board of directors of both companies and is expected to close during the second quarter of 2014, although delays may occur. The transaction is subject to certain conditions, including the approval by stockholders of Central Community and customary regulatory approvals.

OUACHITA BANCSHARES CORP.

909 North 18th Street

Monroe, Louisiana 71201

(318) 338-3777

Ouachita Bancshares is incorporated in Louisiana, based in Monroe, Louisiana, and conducts its operations through the Bank. As of December 31, 2013, Ouachita Bancshares had total assets of approximately \$652.5 million, deposits of approximately \$549.7 million and shareholders' equity of approximately \$53.1 million.

The Merger (Page 23)

BancorpSouth and Ouachita Bancshares entered into the Merger Agreement whereby Ouachita Bancshares will merge with and into BancorpSouth, with BancorpSouth surviving, and the Merger Agreement provides that the Bank will merge with and into BancorpSouth Bank pursuant to a separate agreement, subject to shareholder and regulatory approval and other conditions. The Merger Agreement is attached to this Proxy Statement/Prospectus as Annex A. You should read it carefully. Subject to shareholder and regulatory approval, BancorpSouth and Ouachita Bancshares hope to complete the merger during the second quarter of 2014.

What Ouachita Bancshares Shareholders Will Receive in the Merger (Page 39)

Under the terms of the Merger Agreement, if the Merger Agreement is approved and the merger is completed, all outstanding shares of Ouachita Bancshares common stock will, subject to adjustment as set forth in the Merger Agreement, be converted into the right to receive an aggregate of (i) 3,675,000 shares of BancorpSouth common stock and (ii) \$22,875,000 in cash less the amount of the Retained Earnings Dividend. The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash consideration will be paid in connection with the merger.

The amount of per share merger consideration to be received is dependent upon the number of shares of Ouachita Bancshares common stock issued and outstanding immediately prior to the effective time of the merger and whether any

Table of Contents

adjustment to the merger consideration as set forth in the Merger Agreement occurs. Consequently, you will not know the exact per share merger consideration you will receive as a result of the merger when you vote on the Merger Agreement. Based on the number of shares of Ouachita Bancshares common stock issued and outstanding on February 28, 2014 and assuming all options to acquire shares of Ouachita Bancshares common stock outstanding on that date are exercised for cash, there would have been 846,772 shares of Ouachita Bancshares common stock outstanding on that date. Based on the foregoing assumption and further assuming no adjustment to the merger consideration, you would receive for each share of Ouachita Bancshares common stock that you own (i) 4.3115 shares of BancorpSouth Common Stock and (ii) cash consideration of approximately \$26.84, with cash to be paid in lieu of any remaining fractional share interest. The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash consideration will be paid in connection with the merger.

The actual value received by Ouachita Bancshares shareholders in the aggregate and on a per share basis will fluctuate based on the price of BancorpSouth's common stock and the number of shares of Ouachita Bancshares common stock outstanding (including any shares issued for options that are exercised prior to the effective time of the merger) and is further subject to a pricing collar requiring the aggregate value of the merger consideration be not less than \$99,000,000 and not more than \$112,000,000 as described in detail in this Prospectus/Proxy Statement.

Prior to the consummation of the merger, each outstanding and unexercised option to purchase shares of Ouachita Bancshares common stock will become fully exercisable in accordance with the Merger Agreement. Each such option may be exercised for a limited period of time prior to the consummation of the merger as established by the administrator of the Ouachita Bancshares Corp. 1996 Incentive Stock Option Plan and the 2007 Stock Incentive Plan of Ouachita Bancshares Corp., which limited period of time will be before the effective time of the merger and at least thirty (30) days after the date on which the administrator gives notice to all holders of such options that such limited period of time for exercise has begun. Any option not exercised as of the expiration of the limited period of time described in the foregoing sentence will no longer represent a right to acquire shares of Ouachita Bancshares common stock and will be terminated. All outstanding stock appreciation units and stock appreciation rights issued under the Ouachita Bancshares Corp. 1996 Incentive Stock Option Plan and the 2007 Stock Option Plan of Ouachita Bancshares Corp. will automatically vest and be cashed out by Ouachita Bancshares prior to the effective time of the merger.

At the effective time of the merger, persons who are BancorpSouth shareholders immediately prior to the merger would own approximately 96% of the outstanding shares of common stock of the combined company and persons who are Ouachita Bancshares shareholders immediately prior to the merger would own approximately 4% of the outstanding shares of common stock of the combined company.

BancorpSouth's Stock Price Will Fluctuate (Page 39, 49)

BancorpSouth expects the market price of its common stock to fluctuate as a result of market factors beyond its control before and after the merger. Because the market price of BancorpSouth common stock may fluctuate, the value of the shares of BancorpSouth common stock that Ouachita Bancshares shareholders may receive in the merger might increase or decrease prior to completion of the merger, subject to the pricing collar described elsewhere in the Proxy Statement/Prospectus. BancorpSouth cannot assure Ouachita Bancshares shareholders that the market price of BancorpSouth common stock will not decrease before or after completion of the merger. You should obtain current market quotations for the shares of BancorpSouth common stock from a newspaper, the Internet or your broker. BancorpSouth common stock is listed on the New York Stock Exchange under the symbol BXS.

The Board of Directors of Ouachita Bancshares Recommends that its Shareholders Approve the Merger Agreement (Page 24)

The board of directors of Ouachita Bancshares approved the Merger Agreement, believes that the merger between Ouachita Bancshares and BancorpSouth is in the best interests of Ouachita Bancshares shareholders and recommends that Ouachita Bancshares shareholders vote FOR the proposal to approve the Merger Agreement and the transactions contemplated thereby. This belief is based on a number of factors described in this Proxy Statement/Prospectus.

Vote Required to Complete the Merger (Page 22)

The Merger Agreement must be approved by the holders of more than fifty percent (50%) of the outstanding shares of Ouachita Bancshares common stock, present in person or by proxy at the special meeting. Ouachita Bancshares expects that its executive officers and directors will vote all of their shares of Ouachita Bancshares common stock in favor of the Merger Agreement. Based on the total number of shares of Ouachita Bancshares common stock outstanding as of February 28, 2014, the percentage of votes that executive officers, directors and their affiliates could cast (based on a total number of 289,149 shares held by such executive officers, directors and their affiliates and including options exercisable within 60 days) is 34.07%. Additionally, pursuant to the terms of a voting agreement required by the terms of the Merger Agreement, each member of the board of directors of Ouachita Bancshares and certain officers of Ouachita Bancshares and the Bank are required to vote in favor of the Merger Agreement.

Record Date; Voting Power (Page 22)

You can vote at the special meeting of Ouachita Bancshares shareholders if you owned Ouachita Bancshares common stock as of the close of business on February 28, 2014, the record date set by the Ouachita Bancshares board of directors. Each share of Ouachita Bancshares common stock is entitled to one vote. On February 28, 2014, there were 846,772 shares of Ouachita Bancshares common stock outstanding and entitled to vote on the Merger Agreement.

Background of the Merger (Page 23)

On November 19, 2013, Ouachita Bancshares engaged Sheshunoff & Co. to act as its exclusive agent to provide investment banking and financial advisory services in relation to the evaluation, structure and possible negotiation of a potential business combination. After reviewing the information delivered by Sheshunoff & Co. and considering its own strategic plans, on November 21, 2013, BancorpSouth's management submitted a proposal for a merger with Ouachita Bancshares. After considering the proposal, the management of Ouachita Bancshares, in consultation with Sheshunoff & Co., elected to enter into exclusive negotiations with BancorpSouth. The parties and their representatives began negotiation of a Merger Agreement on December 21, 2013 and continued to negotiate the terms of the Merger Agreement until it was signed on January 8, 2014.

On January 8, 2014, BancorpSouth's board of directors approved the Merger Agreement. On January 8, 2014, following presentations from its legal and financial advisors, Ouachita Bancshares' board of directors approved the Merger Agreement. The Merger Agreement was executed by the parties as of January 8, 2014.

Why BancorpSouth and Ouachita Bancshares are Seeking to Merge (Page 24)

The merger will combine the strengths of BancorpSouth and Ouachita Bancshares and their subsidiary banks. BancorpSouth has an established presence in Monroe-West Monroe and Shreveport-Bossier, Louisiana with plans to significantly enhance its market share in those markets. Joining with BancorpSouth will provide Ouachita Bancshares customers opportunities offered by a large, resourceful, community-minded bank. BancorpSouth has been actively

seeking other banking locations in the Monroe-West Monroe, Shreveport-Bossier and Bastrop areas to expand its presence in Louisiana, particularly in the Interstate 20 corridor in Louisiana. The proposed merger with Ouachita Bancshares accelerates BancorpSouth's opportunity to grow in Louisiana and brings to BancorpSouth's team a number of outstanding bankers. BancorpSouth currently operates 292 commercial banking, mortgage, and insurance locations in Alabama, Arkansas, Florida, Louisiana, Mississippi, Missouri, Tennessee and Texas, including an insurance location in Illinois, with total assets of approximately \$13.0 billion. BancorpSouth's management views the Interstate 20 corridor in Louisiana as a logical growth area for its community style of banking.

Opinion of Financial Advisor to Ouachita Bancshares (Page 26)

Sheshunoff & Co. has delivered to the board of directors of Ouachita Bancshares its written opinion, dated January 8, 2014, that, based upon and subject to the various considerations set forth in its opinion, the total transaction consideration to be paid to the shareholders of Ouachita Bancshares is fair from a financial point of view as of such date. In requesting Sheshunoff & Co.'s advice and opinion, no instructions were given and no limitations were imposed by Ouachita Bancshares upon Sheshunoff & Co. with respect to the investigations made or procedures followed by it in rendering its opinion.

The full text of the opinion of Sheshunoff & Co., dated January 8, 2014, which describes the procedures followed, assumptions made, matters considered and limitations on the review undertaken, is attached as Annex C to this Proxy Statement/Prospectus. Ouachita Bancshares shareholders should read this opinion in its entirety.

Management and Board of Directors of BancorpSouth Following the Merger (Page 48)

The officers and directors of each of BancorpSouth and BancorpSouth Bank immediately prior to the effective time of the merger will continue to be the officers and directors of BancorpSouth and BancorpSouth Bank, respectively, following the merger. Certain of the executive officers of Ouachita Bancshares will be retained by BancorpSouth and may serve as officers of BancorpSouth Bank but will not serve as executive officers of BancorpSouth.

Federal Income Tax Consequences (Page 32)

The transaction contemplated by the Merger Agreement is intended to be treated as a reorganization within the meaning of Section 368(a) of the Code. Accordingly, upon the exchange of your shares of Ouachita Bancshares common stock for the per share merger consideration, you should recognize a gain, but not any loss, on the exchange to the extent of the lesser of cash received or gain realized in the exchange.

This tax treatment may not apply to all shareholders of Ouachita Bancshares. Determining the actual tax consequences of the merger to you can be complicated. You should consult your own tax advisor for a full understanding of the merger's tax consequences that are particular to you.

BancorpSouth and Ouachita Bancshares will not be obligated to complete the merger unless they each receive an opinion from their respective legal counsel, dated the closing date, that the merger will be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code and that BancorpSouth and Ouachita Bancshares will each be a party to that reorganization. If such opinions are rendered, the U.S. federal income tax treatment of the merger should be as described above. The opinions of the parties' respective counsel, however, do not bind the Internal Revenue Service and do not preclude the IRS or the courts from adopting a contrary position.

The Retained Earnings Dividend will be treated separately from the merger for U.S. federal income tax purposes. The discussion entitled "THE MERGER - Material United States Federal Income Tax Consequences" does not address the U.S. federal income tax consequences of Retained Earnings Dividend to holders of Ouachita Bancshares common stock. You should consult your own tax advisor for a full understanding of the Retained Earnings Dividend's tax consequences that are particular to you.

Accounting Treatment (Page 32)

BancorpSouth will account for the merger under the purchase method of accounting for business combinations under United States generally accepted accounting principles.

Interests of Ouachita Bancshares Management and Directors in the Merger (Page 37)

Executive officers and directors of Ouachita Bancshares will be issued shares of BancorpSouth common stock and paid cash in the merger on the same basis as other shareholders of Ouachita Bancshares. The following chart shows the number of shares of BancorpSouth common stock that may be issued to executive officers, directors and principal shareholders of Ouachita Bancshares in the merger (including shares reserved for issuance upon exercise of stock options):

Shares of common stock of Ouachita Bancshares beneficially owned by its executive officers, directors and holders of more than 10% of Ouachita Bancshares common stock on February 28, 2014	289,149
Shares of BancorpSouth common stock that may be received in the merger by executive officers, directors and holders of more than 10% of Ouachita Bancshares common stock based upon their beneficial ownership, subject to the pricing collar and assuming the exercise of all options to purchase Ouachita Bancshares common stock	1,246,666

Table of Contents

Some of the directors and officers of Ouachita Bancshares have interests in the merger that differ from, or are in addition to, their interests as shareholders of Ouachita Bancshares. These interests include the following:

The existing change in control agreements between Ouachita Bancshares and each of Kevin Koh, Robert Schott and Walter Lamb will be terminated upon completion of the merger and these individuals will receive cash change in control payments equal to approximately \$1.2 million in the aggregate;

In connection with the merger, 19 of the officers of Ouachita Bancshares or its subsidiaries, as applicable, have entered into employment agreements with BancorpSouth which contain non-competition and non-solicitation obligations to be effective upon completion of the merger whereby each individual is entitled to receive a salary, annual bonus, retention payments, restricted stock grants, and certain additional incentives;

Prior to completion of the merger, each option to acquire Ouachita Bancshares common stock will vest (to the extent that such option is not already vested) and will become immediately exercisable for a period of at least 30 days after which time such options will be terminated if not previously exercised;

Prior to completion of the merger, the vesting of all outstanding stock appreciation units and stock appreciation rights will be accelerated and the holder of such stock appreciation unit or stock appreciation right will receive a cash payment of the amount needed to cash out such unit from Ouachita Bancshares as required under the terms of the applicable award agreement; and

The directors and officers of Ouachita Bancshares and the Bank currently covered under comparable policies held by Ouachita Bancshares and the Bank will receive past acts insurance coverage under its current bankers professional liability, mortgage errors and omissions and fiduciary liability insurance for a period of four years after completion of the merger.

Ouachita Bancshares Shareholders May Dissent from the Merger (Page 35)

Louisiana law permits Ouachita Bancshares shareholders to dissent from the merger and to receive the fair cash value of their shares of Ouachita Bancshares common stock in cash. To dissent, a Ouachita Bancshares shareholder must follow certain procedures, including filing certain notices with Ouachita Bancshares and voting his or her shares against the Merger Agreement. The shares of Ouachita Bancshares common stock held by a dissenter will not be exchanged for stock consideration or cash consideration in the merger and a dissenter's only right will be to receive the fair cash value of his or her shares of Ouachita Bancshares common stock in cash. A copy of the Louisiana statute describing these dissenters' rights and the procedures for exercising them is attached as Annex B to this Proxy Statement/Prospectus. Ouachita Bancshares shareholders who perfect their dissenters' rights and receive cash in exchange for their shares of Ouachita Bancshares common stock may recognize gain or loss for U.S. federal income tax purposes.

We Must Obtain Regulatory Approvals to Complete the Merger (Page 32)

We cannot complete the merger unless it is approved by the Board of Governors of the Federal Reserve System (the Federal Reserve). BancorpSouth filed an application under section 3 of the Bank Holding Company Act with the Federal Reserve Bank of St. Louis on February 25, 2014. Further, the redemption of the subordinated debentures (the SBLF Redemption) issued by Ouachita Bancshares to the United States Treasury in connection with its participation in Treasury s Small Business Lending Fund also requires the consent of the Federal Reserve.

In addition, the merger of the Bank with and into BancorpSouth Bank requires the approval of the Federal Deposit Insurance Corporation (the FDIC), the Mississippi Department of Banking and Consumer Finance and the Louisiana Office of Financial Institutions. The U.S. Department of Justice has input into the FDIC s approval process. Once the FDIC has approved the merger, federal law requires that we wait up to 30 calendar days to complete the merger in order to give the Department of Justice the opportunity to review and object to the merger. Also, in order to fund the SBLF Redemption, the Bank intends to declare an extraordinary cash dividend, which will require the approval of the FDIC and Louisiana Office of Financial Institutions. Finally, the Retained Earnings Dividend will require the approval of the FDIC and the Louisiana Office of Financial Institutions.

Table of Contents

We expect to obtain all necessary regulatory approvals, although we cannot be certain if or when we will obtain them. On January 21, 2014, BancorpSouth Bank filed applications with the FDIC, the Mississippi Department of Banking and Consumer Finance and the Louisiana Office of Financial Institutions to obtain approval of the subsidiary bank merger. On February 27, 2014, the Bank filed a request with the FDIC and Louisiana Office of Financial Institutions to obtain approval to declare an extraordinary cash dividend to fund the SBLF Redemption and the Retained Earnings Dividend, and a request with the Federal Reserve to obtain its consent to consummate the SBLF Redemption.

We also intend to make all required filings with the SEC under the Securities Act and the Securities Exchange Act of 1934 relating to the merger.

While we believe that we will obtain the remaining regulatory approvals in a timely manner, we cannot be certain if or when we will obtain them.

Conditions to Complete the Merger (Page 45)

The completion of the merger depends on a number of conditions being met, including the following:

shareholders of Ouachita Bancshares approving the merger;

the New York Stock Exchange authorizing for listing the shares of BancorpSouth common stock to be issued to Ouachita Bancshares shareholders;

receiving all required regulatory approvals, including that of the FDIC, and the expiration of any regulatory waiting periods;

BancorpSouth's registration statement on Form S-4 becoming effective under the Securities Act;

the holders of less than 5% of the total outstanding shares of Ouachita Bancshares common stock having exercised dissenters' rights with respect to the merger;

receiving opinions of legal counsel to each company that the U.S. federal income tax treatment of the merger will generally be as described in this Proxy Statement/Prospectus;

Each of the employment agreements and change of control agreements between Ouachita Bancshares and/or the Bank and an officer thereof being terminated;

Ouachita Bancshares' allowance for loan losses shall be equaling at least the minimum allowance amount (as defined in the Merger Agreement);

The executed employment agreements, director support agreements, director/officer releases, and the voting agreement shall remain in full force and effect; and

Ouachita Bancshares amending or terminating any employee benefit plans as requested by BancorpSouth. In cases where the law permits, a party to the Merger Agreement could elect to waive a condition that has not been satisfied and complete the merger although the party is entitled not to complete the merger. We cannot be certain whether or when any of these conditions will be satisfied (or waived, where permissible) or that the merger will be completed.

Termination of the Merger Agreement (Page 46)

The Merger Agreement may be terminated at any time prior to the effective time of the merger, whether before or after approval of the merger by Ouachita Bancshares shareholders, as set forth in the Merger Agreement, including by mutual consent of BancorpSouth and Ouachita Bancshares. In addition, the Merger Agreement may generally be terminated by either party if:

a court of competent jurisdiction in the United States or other governmental entity issues an order, decree or ruling or takes any other action restraining, enjoining or otherwise prohibiting the merger and such order, decree, ruling or other action is final and non-appealable or any of the transactions contemplated by the Merger Agreement are disapproved by any governmental entity or other person whose approval is required;

Table of Contents

the merger is not completed on or before July 7, 2014, unless one or more regulatory approvals have not been received, in which case the Merger Agreement may be terminated if the merger is not completed on or before August 6, 2014;

Ouachita Bancshares shareholders fail to approve the Merger Agreement; or

any of the representations or warranties provided by the other party set forth in the Merger Agreement become untrue or incorrect or the other party materially breaches its covenants set forth in the Merger Agreement, and the representation or material breach is not cured within the prescribed time limit.

Ouachita Bancshares may terminate the Merger Agreement in the event the average closing price (as calculated over the ten consecutive trading days ending on and including the fifth trading day prior to the consummation of the merger) of BancorpSouth common stock is less than \$20.71, subject to BancorpSouth's right to adjust the merger consideration so that the aggregate merger consideration based on the closing date average price is at least \$99,000,000, before any other adjustment to the merger consideration described in the Merger Agreement.

Ouachita Bancshares may terminate the Merger Agreement, without the consent of BancorpSouth, if the board of directors of Ouachita Bancshares receives an unsolicited, bona fide alternative acquisition proposal (as defined in the Merger Agreement) and, under certain terms and conditions, determines that it is a superior proposal to that of the Merger Agreement and that the failure to accept such proposal would cause the board of directors to violate its fiduciary duties under applicable law; but Ouachita Bancshares must notify BancorpSouth of the superior proposal at least five business days before terminating the Merger Agreement, during which time BancorpSouth has the right to adjust the terms and conditions of the Merger Agreement so that the superior proposal no longer constitutes a superior proposal.

In addition, BancorpSouth may terminate the Merger Agreement, without the consent of Ouachita Bancshares, if any required regulatory approval is obtained subject to restrictions or conditions on the operations of Ouachita Bancshares, the Bank, BancorpSouth or BancorpSouth Bank that are reasonably unacceptable to BancorpSouth.

BancorpSouth also has the right to terminate the Merger Agreement on or prior to April 8, 2014, if the results of any environmental inspections or surveys of Ouachita Bancshares properties identify certain potential or current violations of environmental laws or environmental law requires certain remedial or clean up action that could have a material adverse effect on Ouachita Bancshares.

BancorpSouth may also terminate the Merger Agreement if Ouachita Bancshares has materially breached its non-solicitation obligations contained in the Merger Agreement in a manner adverse to BancorpSouth, the board of Ouachita Bancshares resolves to accept a competing acquisition proposal or the board of Ouachita Bancshares changes its recommendation regarding the merger.

Termination Fee (Page 47)

If the Merger Agreement is terminated by:

BancorpSouth because Ouachita Bancshares materially breaches the non-solicitation obligations set forth in the Merger Agreement in a manner adverse to BancorpSouth;

BancorpSouth because Ouachita Bancshares' board of directors resolves to accept another acquisition proposal;

BancorpSouth because Ouachita Bancshares' board of directors withdraws, amends or modifies, in any manner adverse to BancorpSouth, its recommendation or approval of the Merger Agreement or the merger; or

Ouachita Bancshares because Ouachita Bancshares' board of directors receives an unsolicited, bona fide alternative acquisition proposal and, under certain terms and conditions, determines that it is a superior proposal to that of the Merger Agreement taking into account any adjustments made by BancorpSouth to the merger consideration,

then, unless BancorpSouth is in material breach of any covenant or obligation under the Merger Agreement, Ouachita Bancshares will be required to pay BancorpSouth a termination fee of \$4,500,000 plus up to \$500,000 for BancorpSouth's expenses related to the merger.

Table of Contents

If either BancorpSouth or Ouachita Bancshares terminates the Merger Agreement:

after July 7, 2014 (or August 6, 2014, if regulatory approval has not been obtained by July 7, 2014), and if at the time of termination, the registration statement of which this proxy statement/prospectus is a part has been declared effective for at least 25 business days prior to such termination and Ouachita Bancshares has failed to call, give notice of, convene and hold the Ouachita Bancshares special meeting by such date, or

without regard to timing, if Ouachita Bancshares' shareholders do not approve the Merger Agreement and an acquisition proposal exists at the time of termination, then, unless BancorpSouth is in material breach of any covenant or obligation under the Merger Agreement, Ouachita Bancshares will be required to pay BancorpSouth up to \$500,000 for its expenses related to the merger.

If either BancorpSouth or Ouachita Bancshares terminates the Merger Agreement, and within 12 months of termination of the Merger Agreement Ouachita Bancshares enters into an acquisition agreement with a third party:

after July 7, 2014 (or August 6, 2014, if regulatory approval has not been obtained by July 7, 2014), and if at the time of termination, Ouachita Bancshares' shareholders have not approved the Merger Agreement, or

without regard to timing, if Ouachita Bancshares' shareholders do not approve the Merger Agreement and an acquisition proposal exists at the time of termination, then, unless BancorpSouth is in material breach of any covenant or obligation under the Merger Agreement, Ouachita Bancshares will be required to pay BancorpSouth a termination fee of \$4,500,000 plus up to \$500,000 for BancorpSouth's expenses related to the merger.

Subsequent Execution of Agreement and Plan of Reorganization by and between Central Community and BancorpSouth (Page 38)

On January 22, 2014, BancorpSouth announced that it entered into a definitive agreement to acquire Central Community and its subsidiary bank, First State Bank Central Texas, a Texas state-chartered bank with total assets of \$1.3 billion, total loans of \$555.5 million and total deposits of \$1.1 billion as of December 31, 2013. First State Bank Central Texas is a full service commercial bank with thirty-one locations throughout central Texas.

Under the terms of the definitive agreement, Central Community stockholders will receive an aggregate of \$28,500,000 in cash and 7,250,000 shares of BancorpSouth common stock for all outstanding shares of Central Community common stock. The merger has been approved by the boards of directors of both BancorpSouth and Central Community and is expected to close during the second quarter of 2014. The transaction is subject to certain conditions, including the approval by stockholders of Central Community and customary regulatory approvals.

RISK FACTORS

The merger involves a number of risks. In addition to the risks described below, the combined companies will continue to be subject to the risks described in the documents that BancorpSouth has filed with the SEC that are incorporated by reference into this Proxy Statement/Prospectus, including without limitation BancorpSouth's Annual Report on Form 10-K for the fiscal year ended December 31, 2012, and BancorpSouth's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2013, June 30, 2013 and September 30, 2013. If any of the risks described below or in the documents incorporated by reference into this Proxy Statement/Prospectus actually occur, the business, financial condition, results of operations or cash flows of the combined companies could be materially adversely affected. The risks below should be considered along with the other information included or incorporated by reference into this Proxy Statement/Prospectus. You should keep these risk factors in mind when you read forward-looking statements in this document and in the documents incorporated by reference into this document. Please refer to the section of this Proxy Statement/Prospectus titled "Cautionary Statement Concerning Forward-Looking Information."

Because the market price of BancorpSouth common stock will fluctuate, you cannot be sure of the value of the stock consideration you may receive.

Upon completion of the merger, each share of Ouachita Bancshares common stock will be converted into the right to receive the per share merger consideration set forth in the Merger Agreement. The implied value of the consideration that you receive will be based on the number of shares of Ouachita Bancshares common stock you own and the market price of BancorpSouth common stock. The market price of BancorpSouth common stock may increase or decrease before or after completion of the merger and, therefore, the implied value of the stock consideration may vary from the implied value of the stock consideration on the date we announced the merger, the date that this Proxy Statement/Prospectus was mailed to Ouachita Bancshares shareholders and the date of the special meeting of the Ouachita Bancshares shareholders, subject to the pricing collar set forth in the Merger Agreement. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in our respective businesses, operations and prospects, and regulatory considerations. Many of these factors are beyond our control. Accordingly, at the time of the Ouachita Bancshares special meeting, you will not necessarily know or be able to calculate the exact value of the per share merger consideration you would receive upon completion of the merger.

We may fail to achieve the anticipated benefits of the merger.

BancorpSouth and Ouachita Bancshares have operated and, until the completion of the merger, will continue to operate, independently. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect our ability to maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits of the merger.

BancorpSouth may fail to realize the cost savings estimated for the merger.

Although BancorpSouth estimates that it will realize cost savings from the merger when fully phased in, it is possible that the estimates of the potential cost savings could turn out to be incorrect. For example, the combined purchasing power may not be as strong as expected, and therefore the cost savings could be reduced. In addition, unanticipated growth in BancorpSouth's business may require BancorpSouth to continue to operate or maintain some facilities or support functions that are currently expected to be combined or reduced. The cost savings estimates also depend on our ability to combine the businesses of BancorpSouth and Ouachita Bancshares in a manner that permits those cost savings to be realized. If the estimates turn out to be incorrect or BancorpSouth is not able to combine the two

companies successfully, the anticipated cost savings may not be fully realized or realized at all, or may take longer to realize than expected.

The market price of shares of BancorpSouth common stock after the merger may be affected by factors different from those affecting shares of Ouachita Bancshares or BancorpSouth currently.

The businesses of BancorpSouth and Ouachita Bancshares differ in some respects and, accordingly, the results of operations of the combined company and the market price of the combined company's shares of common stock may be affected by factors different from those currently affecting the independent results of operations of each of BancorpSouth and Ouachita Bancshares. For a discussion of the businesses of BancorpSouth and Ouachita Bancshares and of certain factors to consider in connection with those businesses, see INFORMATION ABOUT BANCORPSOUTH and INFORMATION ABOUT OUACHITA BANCSHARES beginning on pages 50 and 51, respectively.

Table of Contents

The executive officers and directors of Ouachita Bancshares have interests different from typical Ouachita Bancshares shareholders.

The executive officers and directors of Ouachita Bancshares have certain interests in the merger and participate in certain arrangements that are different from, or are in addition to, those of Ouachita Bancshares shareholders generally, and are further bound to vote in favor of the merger pursuant to the voting agreement. See THE MERGER Interests of Certain Persons in the Merger. As a result, these executive officers and directors could be more likely to approve the Merger Agreement than if they did not hold these interests and were not bound by the provisions of the voting agreement.

Former shareholders of Ouachita Bancshares will be limited in their ability to influence BancorpSouth's actions and decisions following the merger.

Following the merger, former shareholders of Ouachita Bancshares will hold less than four percent of the outstanding shares of BancorpSouth common stock. As a result, former Ouachita Bancshares shareholders will have only limited ability to influence BancorpSouth's business. Former Ouachita Bancshares shareholders will not have separate approval rights with respect to any actions or decisions of BancorpSouth or have separate representation on BancorpSouth's board of directors.

The merger may result in a loss of current Ouachita Bancshares employees.

Despite BancorpSouth's efforts to retain quality employees, BancorpSouth might lose some of Ouachita Bancshares current employees following the merger. Current Ouachita Bancshares employees may not want to work for a larger, publicly-traded company instead of a smaller, privately-held company or may not want to assume different duties, positions and compensation that BancorpSouth offers to the Ouachita Bancshares employees. Competitors may recruit employees prior to the merger and during the integration process after the merger. As a result, current employees of Ouachita Bancshares could leave with little or no prior notice. BancorpSouth cannot assure you that the combined companies will be able to attract, retain and integrate employees following the merger.

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met.

Before the transactions contemplated in the Merger Agreement may be completed, various approvals must be obtained from the bank regulatory and other governmental authorities. These governmental entities may impose conditions on the granting of such approvals. Such conditions and the process of obtaining regulatory approvals could have the effect of delaying completion of the merger or of imposing additional costs or limitations on BancorpSouth following the merger. The regulatory approvals may not be received at any time, may not be received in a timely fashion, and may contain conditions on the completion of the merger that are not anticipated or cannot be met. Although BancorpSouth and Ouachita Bancshares do not currently expect that any such material conditions or changes would be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying completion of the merger or imposing additional costs or limiting the revenues of the combined company following the merger, any of which might have an adverse effect on the combined company following the merger.

The Merger Agreement limits Ouachita Bancshares' ability to pursue an alternative transaction and requires Ouachita Bancshares to pay a termination fee plus expenses incurred by BancorpSouth under certain circumstances relating to alternative acquisition proposals.

The Merger Agreement prohibits Ouachita Bancshares from soliciting, initiating, encouraging or knowingly facilitating certain alternative acquisition proposals with any third party, subject to exceptions set forth in the Merger Agreement. The Merger Agreement also provides for the payment by Ouachita Bancshares to BancorpSouth of a termination fee of \$4,500,000 plus BancorpSouth's expenses up to a maximum of \$500,000 in the event that the Merger Agreement is terminated in certain circumstances, involving, among others, certain changes in the recommendation of Ouachita Bancshares' board of directors. These provisions may discourage a potential competing acquirer that might have an interest in acquiring Ouachita Bancshares from considering or proposing such an acquisition. See THE MERGER AGREEMENT Termination; Termination Fee on page 47 of this prospectus/proxy statement.

The fairness opinion obtained by Ouachita Bancshares from its financial advisor will not reflect changes in circumstances subsequent to the date of the fairness opinion.

Sheshunoff & Co., Ouachita Bancshares' financial advisor in connection with the proposed merger, has delivered to the board of directors of Ouachita Bancshares its opinion dated as of January 8, 2014. The opinion of Sheshunoff & Co. stated that as of such date, and based upon and subject to the factors and assumptions set forth therein, the merger consideration was fair to the

Table of Contents

Ouachita Bancshares shareholders from a financial point of view. The opinion does not reflect changes that may occur or may have occurred after the date of the opinion, including changes to the operations and prospects of BancorpSouth or Ouachita Bancshares, changes in general market and economic conditions or regulatory or other factors. Any such changes, or changes in other factors on which the opinion is based, may materially alter or affect the relative values of BancorpSouth and Ouachita Bancshares.

The combination and integration of both Ouachita Bancshares and Central Community may be more difficult, costly or time consuming than expected and some or all of the expected benefits of these acquisitions may not be realized.

On January 22, 2014, BancorpSouth announced that it had entered into a definitive agreement to acquire Central Community and its subsidiary bank, First State Bank Central Texas. First State Bank Central Texas is a full service commercial bank with thirty-one locations throughout central Texas. The transaction with Central Community, like the transaction with Ouachita Bancshares, is subject to certain conditions, including the approval by stockholders of Central Community and customary regulatory approvals.

BancorpSouth cannot provide assurance that Central Community will obtain stockholder approval for its merger into BancorpSouth, or that BancorpSouth will be successful in obtaining all required regulatory approvals for this proposed transaction. If BancorpSouth is not successful in obtaining required regulatory approvals, the acquisition of Central Community will not be completed. If such regulatory approvals are received, there can be no assurance as to the timing of those approvals or whether any conditions will be imposed that would result in certain closing conditions of the parties not being satisfied. In addition, if a condition of either party is not satisfied, that party may be able to terminate the agreement and, in such case, the merger would not be completed.

It is possible that the process of integrating the operations of both the Bank and First State Bank Central Texas into BancorpSouth Bank's operations could result in the disruption of one or both of the acquired banks' operations and the loss of the acquired banks' customers and employees, and make it more difficult to achieve the intended benefits of these two mergers. Further, as with any merger of financial institutions, business disruptions may occur that cause customers to withdraw their deposits from the Bank or First State Bank Central Texas prior to the closing of the merger and from BancorpSouth Bank thereafter. The realization of the anticipated benefits of BancorpSouth's acquisition of each of these banks depends in large part on BancorpSouth's ability to integrate the operations of both the Bank and First State Bank Central Texas into BancorpSouth Bank's operations, and to address any significant differences in business models and cultures. Moreover, the process of integrating the acquisitions of the Bank and First State Bank Central Texas, where both acquisitions are expected to be completed in the second quarter of 2014, may be more difficult, costly or time consuming than projected and divert resources away from other BancorpSouth operations. If BancorpSouth is not able to integrate the operations of the Bank and First State Bank Central Texas into BancorpSouth Bank's operations successfully, some or all of the expected benefits of these acquisitions may not be realized.

As described in more detail herein, management of Ouachita Bancshares does not expect that the cash portion of the merger consideration will be reduced. The market price of BancorpSouth common stock will fluctuate prior to the completion of the merger and the market value of the merger consideration ultimately received by holders of Ouachita Bancshares common stock will depend on the average closing price of BancorpSouth common stock for the ten consecutive trading days ending on and including the fifth trading day preceding the closing date, as well as any adjustment to the cash portion of the merger consideration as a result of Ouachita Bancshares equity capital at closing. Therefore, Ouachita Bancshares shareholders will not know the exact market value of the merger consideration they will receive when they vote on the Merger Agreement.

The value assumes the exercise of all outstanding options to purchase Ouachita Bancshares common stock pursuant to the Merger Agreement and further assumes no Retained Earnings Dividend. The value does not reflect cash to be paid in lieu of fractional shares and is rounded to two decimals.
- (3) The closing price of BancorpSouth common stock on January 7, 2014 would produce an aggregate merger consideration in excess of the pricing collar described elsewhere in this Proxy Statement/Prospectus and would accordingly result in a downward adjustment of the merger consideration in accordance with the Merger Agreement if such value was equal to the average closing price of BancorpSouth common stock for the ten consecutive trading days ending on and including the fifth trading day preceding the closing date. The per share

value of BancorpSouth common stock received by Ouachita Bancshares shareholders will not exceed \$131.39 because of the pricing collar.

CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING INFORMATION

This Proxy Statement/Prospectus contains certain forward-looking statements about the financial condition, results of operations and business of BancorpSouth and Ouachita Bancshares and about the combined companies following the merger. Also, the forward-looking statements generally include any of the words believes, expects, anticipates, intends, estimates, should, will, may or plans or similar expressions.

Forward-looking statements are not guarantees of future performance. They involve risks, uncertainties and assumptions. The future results and shareholder values of BancorpSouth and Ouachita Bancshares, and of the combined companies, may differ materially from those expressed in these forward-looking statements. Many of the factors that could influence or determine actual results are unpredictable and not within the control of BancorpSouth or Ouachita Bancshares. In addition, neither BancorpSouth nor Ouachita Bancshares intends to, nor are they obligated to, update these forward-looking statements after this Proxy Statement/Prospectus is distributed, even if new information, future events or other circumstances have made them incorrect or misleading as of any future date. For all of these statements, BancorpSouth claims the protection of the safe harbor for forward-looking statements provided in Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934.

Factors that may cause actual results to differ materially from those contemplated by these forward-looking statements include, among others, the following possibilities:

BancorpSouth and Ouachita Bancshares may fail to achieve the anticipated benefits of the merger;

The market price of BancorpSouth common stock after the merger may be affected by factors different from those affecting shares of Ouachita Bancshares or BancorpSouth currently;

The executive officers and directors of Ouachita Bancshares have interests different from typical Ouachita Bancshares shareholders;

Former shareholders of Ouachita Bancshares will be limited in their ability to influence BancorpSouth's actions and decisions following the merger;

The merger may result in a loss of current Ouachita Bancshares employees;

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met;

The Merger Agreement limits Ouachita Bancshares' ability to pursue an alternative transaction and requires Ouachita Bancshares to pay a termination fee plus expenses incurred by BancorpSouth under certain circumstances relating to alternative acquisition proposals;

BancorpSouth's actual cost savings resulting from the merger with Ouachita Bancshares or the Central Community merger are less than expected, BancorpSouth is unable to realize those cost savings as soon as expected or BancorpSouth incurs additional or unexpected costs;

The risk that the business of BancorpSouth Bank and each of the Bank and First State Bank Central Texas will not be integrated successfully, or such integration may be more difficult, time-consuming or costly than expected; and

The failure of Central Community's shareholders to approve the Central Community merger agreement.

Table of Contents**Record Date and Voting Rights**

Ouachita Bancshares' board of directors has fixed February 28, 2014 as the record date for the determination of Ouachita Bancshares shareholders entitled to receive notice of and to vote at Ouachita Bancshares' special meeting of shareholders. Accordingly, only Ouachita Bancshares shareholders of record at the close of business on February 28, 2014 will be entitled to notice of and to vote at the Ouachita Bancshares special meeting. At the close of business on Ouachita Bancshares' record date, there were 846,772 shares of Ouachita Bancshares common stock entitled to vote at the Ouachita Bancshares special meeting held by approximately 145 holders of record, and the executive officers and directors of Ouachita Bancshares beneficially owned 34.07% of the outstanding shares of Ouachita Bancshares common stock.

The presence, in person or by proxy, of a majority of the votes entitled to be cast by the shareholders of Ouachita Bancshares common stock is necessary to constitute a quorum at the special meeting. Each share of Ouachita Bancshares common stock outstanding on Ouachita Bancshares' record date entitles its holder to one vote as to the approval of the Merger Agreement or any other proposal that may properly come before Ouachita Bancshares' special meeting.

For purposes of determining the presence or absence of a quorum for the transaction of business, Ouachita Bancshares will count shares of Ouachita Bancshares common stock present in person at the special meeting but not voting as present at the special meeting. Abstentions and broker non-votes will also be counted as present at the Ouachita Bancshares special meeting for purposes of determining whether a quorum exists.

Under Louisiana law, the Merger Agreement must be approved by two-thirds (2/3) of all the votes entitled to be cast by shareholders of Ouachita Bancshares unless the Articles of Incorporation of Ouachita Bancshares provide otherwise. The Articles of Incorporation of Ouachita Bancshares provide that the Merger Agreement must be approved by the holders of more than fifty percent (50%) of the outstanding shares of Ouachita Bancshares common stock, present in person or by proxy at the special meeting. Because approval of the Merger Agreement requires approval based on all the votes present in person or by proxy at the special meeting, an abstention or a broker non-vote will have the same effect as a vote against approval of the Merger Agreement. Accordingly, Ouachita Bancshares' board of directors urges Ouachita Bancshares shareholders to complete, date and sign the accompanying proxy card and return it promptly in the enclosed postage paid business reply envelope.

Recommendation of Board of Directors

Ouachita Bancshares' board of directors has approved the Merger Agreement. Ouachita Bancshares' board of directors believes that the merger is in the best interests of Ouachita Bancshares and Ouachita Bancshares shareholders and recommends that Ouachita Bancshares shareholders vote FOR approval of the Merger Agreement. The determination of Ouachita Bancshares' board of directors with respect to the merger is based on a number of factors, as described in this Proxy Statement/Prospectus. See THE MERGER Reasons for the Merger; Recommendation of the Board of Directors.

Dissenters' Rights

Shareholders of Ouachita Bancshares who do not wish to accept BancorpSouth common stock in the merger will be entitled under the Louisiana Business Corporation Law to receive the fair cash value of their shares if the merger is effected upon the approval of the holders of less than 80% of the outstanding shares of Ouachita Bancshares common stock. This right to dissent is subject to a number of restrictions and technical requirements.

Any Ouachita Bancshares shareholder who wishes to exercise dissenters' rights, or who wishes to preserve his or her right to do so, should carefully review Section 131 of the Louisiana Business Corporation Law, a copy of which is attached as Annex B to this Proxy Statement/Prospectus, and the section entitled "THE MERGER - Dissenters' Rights."

Certain Matters Relating to Proxy Materials

The rules regarding delivery of proxy statements may be satisfied by delivering a single proxy statement to an address shared by two or more shareholders. This method of delivery is referred to as "householding" and can result in meaningful cost savings. In order to take advantage of this opportunity, we may deliver only one proxy statement to certain multiple shareholders who share an address, unless we have received contrary instructions from one or more of the shareholders. We undertake to deliver promptly upon request a separate copy of the proxy statement, as requested, to a shareholder at a shared address to which a single copy of these documents was delivered. If you hold Ouachita Bancshares common stock as a registered shareholder and prefer to receive separate copies of a proxy statement, please call (318) 338-3777 or send a written request to:

THE MERGER

The discussion in this Proxy Statement/Prospectus of the merger of Ouachita Bancshares into BancorpSouth does not purport to be complete and is qualified by reference to the full text of the Merger Agreement and the other annexes attached to, and incorporated by reference into, this Proxy Statement/Prospectus.

Description of the Merger

At the effective time, Ouachita Bancshares will merge with and into BancorpSouth, with BancorpSouth being the surviving corporation following the merger. It is anticipated that immediately following the merger of Ouachita Bancshares and BancorpSouth, the Bank will merge with and into BancorpSouth Bank, with BancorpSouth Bank being the surviving bank. Ouachita Bancshares shareholders, other than Ouachita Bancshares shareholders who properly exercise their rights to dissent from the merger, will be entitled to receive the per share merger consideration in exchange for each share of Ouachita Bancshares common stock they own.

BancorpSouth will not issue any fractional shares of BancorpSouth common stock. In lieu of the issuance of any fractional shares, BancorpSouth will pay each former holder of Ouachita Bancshares common stock otherwise entitled to receive a fractional share an amount of cash determined by multiplying the (i) average of the closing price per share of BancorpSouth common stock on the New York Stock Exchange for the ten consecutive trading days ending on and including the fifth trading day preceding the closing date of the merger by (ii) fraction of a share of BancorpSouth common stock which such holder would otherwise be entitled to receive pursuant to the terms of the Merger Agreement.

Louisiana law permits Ouachita Bancshares shareholders to dissent from the merger and to receive the fair value of their shares of Ouachita Bancshares common stock in cash unless 80% of the outstanding shares of Ouachita Bancshares common stock are voted in favor of the merger, in which case no Ouachita Bancshares shareholder will be entitled to dissenters' rights under Louisiana law. To dissent, a Ouachita Bancshares shareholder must follow certain procedures, including filing certain notices with Ouachita Bancshares and voting his or her shares against the Merger Agreement. The shares of Ouachita Bancshares common stock held by a dissenter will not be exchanged for the per share merger consideration in the merger and a dissenter's only right will be to receive the appraised fair value of his or her shares of Ouachita Bancshares common stock in cash. For a discussion of the procedures that dissenting shareholders must follow to properly exercise their rights, please see **THE MERGER** Dissenters' Rights.

Background of the Merger

Ouachita Bancshares, from time to time in recent years, has considered the strategic options available to it as an independent bank, as an acquirer and consolidator in the Louisiana market, or as a party to a merger with another institution. The steady growth trajectory of Ouachita Bancshares since its inception in 1997, however, resulted in the principal executives and the board of directors of Ouachita Bancshares electing to continue an organic growth pattern with no attempt to merge with or acquire other institutions.

The stable Ouachita Bancshares shareholder base had held its illiquid stock in some cases since 1997. Recently, however, the principal executives and the board of directors began to consider ways to provide liquidity for the Ouachita Bancshares shareholders and give Ouachita Bancshares better size and scale to pursue growth. The health of Ouachita Bancshares and its core markets led Ouachita Bancshares's leadership to consider a merger as one avenue to achieve that goal.

On October 25, 2012, Ouachita Bancshares' s chairman met the managing director of Sheshunoff & Co., which is sometimes referred to herein as Sheshunoff, at the "Way Forward" conference in New Orleans organized by the Louisiana Bankers Association. Following this conference, Ouachita Bancshares invited representatives of Sheshunoff to a meeting of the Ouachita Bancshares' board on December 15, 2012, to discuss the state of the banking market. At this meeting, Sheshunoff provided information on recent merger transactions that were underway throughout the Southwest and recent bank transaction pricing.

In January 2013, Ouachita Bancshares' s chairman attended the annual "Acquire or Be Acquired" conference in Scottsdale, Arizona where he met with representatives from Sheshunoff and attended various sessions over three days relating to a variety of topics relating to community bank merger transactions. Subsequent to the conference, Sheshunoff prepared a more detailed survey of current bank merger and acquisition trends and a preliminary valuation of Ouachita Bancshares stock relative to comparable recent transactions in both the Southwest region and the overall U.S. market. Sheshunoff also provided information to the principal executives of Ouachita Bancshares on pricing multiples of comparable public companies in the region and in the United States. This presentation contemplated a wide range of valuations applicable to Ouachita Bancshares, and Sheshunoff and the principal executives discussed important factors to consider when narrowing the choices facing Ouachita Bancshares. The result of this discussion was a request from the principal executives for Sheshunoff to provide an introduction to BancorpSouth should BancorpSouth be interested in a possible transaction with Ouachita Bancshares.

On March 27, 2013, Sheshunoff arranged a meeting in Monroe between representatives of BancorpSouth and members of the M&A Committee of Ouachita Bancshares. In this meeting, BancorpSouth expressed a desire to further explore a possible merger with Ouachita Bancshares and also outlined how such a merger would fit into BancorpSouth' s overall strategic plan. On April 5, 2013, BancorpSouth executed a confidentiality agreement with Ouachita Bancshares which facilitated the sharing of certain nonpublic data with BancorpSouth for BancorpSouth' s use in preparing an expression of interest.

On June 5, 2013, following several conversations between Ouachita Bancshares, BancorpSouth and Sheshunoff, BancorpSouth submitted a written expression of interest to acquire Ouachita Bancshares. On June 6, 2013, Sheshunoff met with the full board of Ouachita Bancshares to thoroughly review and discuss the expression of interest. In this meeting the board reviewed the projected performance of Ouachita Bancshares over

Table of Contents

the next several years as well as comparable data of similar merger transactions throughout the country and region. Following much discussion and analysis, the board determined that the offer from BancorpSouth was below the threshold needed to adequately compensate the Ouachita Bancshares shareholders for forgoing the expected returns from continuing to run Ouachita Bancshares as a stand-alone company.

Over the next few months the price of BancorpSouth's common stock price rose significantly and BancorpSouth senior executives continued to communicate to Sheshunoff an interest in a possible merger with Ouachita Bancshares. On October 24, 2013, representatives from Ouachita Bancshares, BancorpSouth and Sheshunoff met socially at the Strategic Opportunities Conference hosted by the Louisiana Bankers Association in New Orleans. In these conversations it was determined that given the rise in BancorpSouth's common stock price, the senior management of both Ouachita Bancshares and BancorpSouth thought it was time to revisit the possibility of a merger.

On November 19, 2013, Ouachita Bancshares executed an engagement letter with Sheshunoff to serve as its exclusive financial advisor in discussions with BancorpSouth regarding a possible merger. After receiving updated financial information from Ouachita Bancshares, BancorpSouth submitted a revised expression of interest on November 21, 2013, offering 3,675,000 shares of BancorpSouth common stock and \$22,875,000 in cash with a total value of approximately \$109 million.

Between November 25, 2013 and December 20, 2013, BancorpSouth conducted due diligence on Ouachita Bancshares, involving numerous discussions between the parties on various matters related to the transaction. Beginning on December 16 and through December 20, 2013, BancorpSouth executives visited Monroe to conduct onsite diligence and to hold more in-depth discussions with Ouachita Bancshares's senior executives and lenders.

On December 21, 2013, BancorpSouth provided Ouachita Bancshares and its advisors with an initial draft of a definitive merger agreement. The parties discussed various legal and business points related to this agreement through the remainder of December.

On January 8, 2014, the Ouachita Bancshares board of directors met with its legal and financial advisors to discuss the agreement, which was in its substantially final form. The board of directors heard a detailed presentation from legal counsel on the agreement and the terms of the merger. The board of directors further heard a presentation from Sheshunoff on the financial aspects of the transaction, BancorpSouth's financial condition, BancorpSouth's background and the record of its common stock in the public markets. Finally, the board of directors received an overview of Sheshunoff's fairness analysis on the transaction and Sheshunoff's verbal opinion that the transaction, as proposed, was fair to Ouachita Bancshares shareholders from a financial point of view.

On January 8, 2014, Ouachita Bancshares' board of directors approved, and Ouachita Bancshares executed, the definitive agreement. Sheshunoff also provided its written fairness opinion, a copy of which is attached as Annex C to this Proxy Statement/Prospectus, on January 8, 2014.

Also on January 8, 2014, BancorpSouth's board of directors met in a special meeting to consider the proposed merger between Ouachita Bancshares and BancorpSouth and the terms of the proposed Merger Agreement. The BancorpSouth board of directors discussed the merger with its legal counsel and management. After further discussion among the directors, the Merger Agreement was approved by BancorpSouth's board of directors. BancorpSouth publicly announced the proposed merger that day, following the close of the U.S. financial markets.

Reasons for the Merger; Recommendation of the Board of Directors

The merger will combine the strengths of BancorpSouth and Ouachita Bancshares and their subsidiary banks. BancorpSouth has an established presence in Monroe-West Monroe and Shreveport-Bossier, Louisiana with plans to significantly enhance its market share in those markets. Joining with BancorpSouth will provide Ouachita Bancshares customers opportunities offered by a large, resourceful, community-minded bank. BancorpSouth has been actively seeking other banking locations in the Monroe-West Monroe, Shreveport-Bossier and Bastrop areas to expand its presence in Louisiana, particularly in the Interstate 20 corridor in Louisiana. The proposed merger with Ouachita Bancshares accelerates BancorpSouth's opportunity to grow in Louisiana and brings to BancorpSouth's team a number of outstanding bankers. BancorpSouth currently operates 292 commercial banking, mortgage and insurance locations in Alabama, Arkansas, Florida, Louisiana, Mississippi, Missouri, Tennessee and Texas, including an insurance location in Illinois, with total assets of approximately \$13.0 billion. BancorpSouth's management views the Interstate 20 corridor in Louisiana as a logical growth area for its community style of banking.

Ouachita Bancshares' board of directors deliberated and approved the Merger Agreement at a board meeting held on January 8, 2014. In reaching its determination to approve the Merger Agreement, Ouachita Bancshares' board of directors consulted with Ouachita Bancshares' management and legal advisors and considered a number of factors, including a fairness opinion presented by Sheshunoff & Co. The following is a discussion of information and factors considered by Ouachita Bancshares' board of directors in reaching this determination. This discussion is not intended to be exhaustive, but includes the material factors considered by Ouachita Bancshares' board of directors. In the course of its deliberations with respect to the merger, Ouachita Bancshares' board of directors discussed the anticipated impact of the merger on Ouachita Bancshares, Ouachita Bancshares' shareholders and the communities that Ouachita Bancshares serves.

The terms of the Merger Agreement, including the consideration to be paid to Ouachita Bancshares' shareholders, were the result of arm's length negotiations between representatives of Ouachita Bancshares and representatives of BancorpSouth. In arriving at its determination to approve the reorganization agreement, Ouachita Bancshares' board of directors considered a number of factors, including the following:

Ouachita Bancshares' board of directors' familiarity with and review of information concerning the business, results of operations, financial condition, competitive position and future prospects of Ouachita Bancshares;

Table of Contents

the current and prospective environment in which Ouachita Bancshares operates, including national, regional and local economic conditions, the competitive environment for banks, thrifts and other financial;

the increased regulatory burdens on financial institutions generally and the trend toward consolidation in the banking industry and in the financial services industry;

the financial presentation of Sheshunoff & Co. and the opinion of Sheshunoff & Co. dated as of January 8, 2014, that, as of January 8, 2014, and subject to the assumptions, limitations and qualifications set forth in the opinion, the total aggregate merger consideration to be received from BancorpSouth, which consisted of no more than 3,675,000 shares of BancorpSouth common stock and \$22,875,000 in cash consideration, is fair, from a financial point of view, to the shareholders of Ouachita Bancshares (see Opinion of Sheshunoff & Co., a copy of which is attached as Annex C to this Proxy Statement/Prospectus);

that shareholders of Ouachita Bancshares will receive part of the merger consideration in shares of BancorpSouth common stock, which are publicly traded on the New York Stock Exchange, contrasted with the absence of a public market for Ouachita Bancshares common stock;

the treatment of the merger as a reorganization within the meaning of Section 368(a) of the Code with respect to the Ouachita common stock exchanged for BancorpSouth common stock;

the results that Ouachita Bancshares could expect to obtain if it continued to operate independently, and the likely benefits to shareholders of that course of action, as compared with the value of the merger consideration offered by BancorpSouth;

the ability of BancorpSouth to pay the aggregate merger consideration without a financing contingency and without the need to obtain financing to close the transaction;

the ability of BancorpSouth to receive the requisite regulatory approvals in a timely manner;

the terms and conditions of the reorganization agreement, including the parties' respective representations, warranties, covenants and other agreements, the conditions to closing, including a provision that permits Ouachita Bancshares' board of directors, in the exercise of its fiduciary duties, under certain conditions, to furnish information to a third party in the event that it receives an unsolicited proposal to acquire Ouachita Bancshares in the future;

a merger with a larger holding company would provide the opportunity to realize economies of scale, increase efficiencies of operations and enhance the development of new products and services;

that some of Ouachita Bancshares' directors and executive officers have other financial interests in the merger in addition to their interests as Ouachita Bancshares shareholders, including financial interests that are the result of compensation arrangements with Ouachita Bancshares, the manner in which such interests would be affected by the merger, as well as the new employment agreements that certain of these persons entered into with BancorpSouth in connection with the merger;

that Ouachita Bancshares is permitted to pay the Retained Earnings Dividend, thereby reducing the taxable portion of the cash consideration to be received by the shareholders of Ouachita Bancshares upon completion of the merger;

the requirement that Ouachita Bancshares conduct its business in the ordinary course and the other restrictions on the conduct of the Ouachita Bancshares' business before completion of the merger, which may delay or prevent Ouachita Bancshares from undertaking business opportunities that may arise before completion of the merger; and

that under the agreement Ouachita Bancshares could not solicit competing proposals for the acquisition of Ouachita Bancshares.

The reasons set out above for the merger are not intended to be exhaustive but include the material factors considered by the board of directors of Ouachita Bancshares in approving the merger and the reorganization agreement. In reaching its determination, the board of directors of Ouachita Bancshares did not assign any relative or specific weight to different factors and individual directors may have given weight to different factors. Based on the reasons stated above, the board of directors of Ouachita Bancshares believes that the merger is in the best interest of Ouachita Bancshares and its shareholders and therefore the board of directors of Ouachita Bancshares approved the Merger Agreement and the transactions contemplated thereby. Each member of Ouachita Bancshares' board of directors has agreed to vote the stock of Ouachita Bancshares over which he or she has voting authority in favor of the reorganization agreement and the merger.

Based on a thorough evaluation of these factors, Ouachita Bancshares' board of directors believes the merger is in the best interests of Ouachita Bancshares and Ouachita Bancshares shareholders. Ouachita Bancshares' board of directors recommends that Ouachita Bancshares shareholders vote FOR approval of the Merger Agreement and the transactions contemplated thereby.

Opinion of Financial Advisor to Ouachita Bancshares

Sheshunoff & Co. acted as Ouachita Bancshares' financial advisor in connection with the proposed merger. Sheshunoff & Co. regularly engages in the independent valuation of financial institutions in connection with mergers and acquisitions. The board of directors of Ouachita Bancshares selected Sheshunoff & Co. as its financial advisory because of Sheshunoff & Co.'s recognized position as an advisor in mergers and acquisitions among regional and community banks.

Sheshunoff & Co. has delivered to the board of directors of Ouachita Bancshares its written opinion, dated January 8, 2014, that, based upon and subject to the various considerations set forth in its opinion, the total transaction consideration to be paid to the shareholders of Ouachita Bancshares is fair from a financial point of view as of such date. In requesting Sheshunoff & Co.'s advice and opinion, no instructions were received nor were any limitations imposed by Ouachita Bancshares upon Sheshunoff & Co. with respect to the investigations made or procedures followed by it in rendering its opinion. **The full text of the opinion of Sheshunoff & Co., dated January 8, 2014, which describes the procedures followed, assumptions made, matters considered and limitations on the review undertaken, is attached as Annex C to this Proxy Statement/Prospectus. Ouachita Bancshares shareholders should read this opinion in its entirety.**

Sheshunoff & Co. will receive a fee contingent upon the completion of the merger for services rendered in connection with advising Ouachita Bancshares regarding the merger, including the fairness opinion and financial advisory services provided to Ouachita Bancshares, equal to 1% of the value of the aggregate merger consideration. As of the date of Sheshunoff & Co.'s delivery of its oral opinion, a fee of \$35,000 was due to Sheshunoff & Co., which fee is not contingent upon the closing of the merger but will be credited to the total fee due to Sheshunoff & Co. at the closing of the merger.

Sheshunoff & Co.'s opinion is directed only to the fairness, from a financial point of view, of the total transaction consideration, and, as such, does not constitute a recommendation to any Ouachita Bancshares shareholder as to how the shareholder should vote at the special meeting of Ouachita Bancshares shareholders. This summary of the opinion of Sheshunoff & Co. set forth in this Proxy Statement/Prospectus is qualified in its entirety by reference to the full text of the opinion.

Following is a summary of the analyses performed by Sheshunoff & Co. in connection with its fairness opinion. Certain of these analyses were confirmed in a presentation to the Ouachita Bancshares' board of directors by Sheshunoff & Co. The summary set forth below does not purport to be a complete description of either the analyses performed by Sheshunoff & Co. in rendering its opinion or the presentation delivered by Sheshunoff & Co. to the Ouachita Bancshares' board of directors, but it does summarize all of the material analyses performed and presented by Sheshunoff & Co.

The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analyses and the application of those methods to the particular circumstances. In arriving at its opinion, Sheshunoff & Co. did not attribute weight to any particular analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Sheshunoff & Co. may have given various analyses more or less weight than other analyses. Accordingly, Sheshunoff & Co. believes that its analyses and the following summary must be considered as a whole and that selecting portions of its analyses, without considering all factors and analyses, could create an incomplete view of the process underlying the analyses set forth in its report to the Ouachita Bancshares' board of directors and its fairness opinion.

In performing its analyses, Sheshunoff & Co. made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Ouachita Bancshares and BancorpSouth. The analyses performed by Sheshunoff & Co. are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. Such analyses were prepared solely as part of Sheshunoff & Co.'s analysis of the fairness of the transaction consideration, from a financial point of view, to Ouachita Bancshares shareholders. The analyses do not purport to be an appraisal or to reflect the prices at which a company might actually be sold or the prices at which any securities may trade at the present time or at any time in the future. Sheshunoff & Co.'s opinion does not address the relative merits of the merger as compared to any other business combination in which Ouachita Bancshares might engage. In addition, as described above, Sheshunoff & Co.'s opinion to the Ouachita Bancshares board of directors was one of many factors taken into consideration by the Ouachita Bancshares board of directors in making its determination to approve the Merger Agreement.

During the course of its engagement, and as a basis for arriving at its opinion, Sheshunoff & Co. reviewed and analyzed material bearing upon the financial and operating conditions of Ouachita Bancshares and BancorpSouth and material prepared in connection with the merger, including, among other things, the following:

the Merger Agreement;

certain historical publicly available information concerning BancorpSouth;

the nature and terms of recent merger transactions; and

For the purposes of this opinion, Sheshunoff & Co. assumed and relied upon, without independent verification, the accuracy and completeness of the information provided to it by Ouachita Bancshares for the purposes of this opinion. Sheshunoff & Co. assumed that any projections provided by or approved by Ouachita Bancshares were reasonably prepared on a basis reflecting the best currently available estimates and judgments of Ouachita Bancshares management. Sheshunoff & Co. assumed such forecasts and projections will be realized in the amounts and at times contemplated thereby.

Sheshunoff & Co. did not make an independent evaluation of the assets or liabilities (including any contingent, derivative or off-balance-sheet assets or liabilities) of Ouachita Bancshares or BancorpSouth nor was Sheshunoff & Co. furnished with any such appraisal. Sheshunoff & Co. assumed that any off-balance-sheet activities of Ouachita Bancshares or BancorpSouth will not materially and adversely impact the future financial position or results of operation of BancorpSouth after the merger. Sheshunoff & Co. is not an expert in the evaluation of loan portfolios for the purposes of assessing the adequacy of the allowance for loan and lease losses and assumed that such allowances for Ouachita Bancshares and BancorpSouth are, respectively, adequate to cover such losses.

Sheshunoff & Co. assumed that the Merger Agreement, as provided to Sheshunoff & Co., will be without any amendment or waiver of, or delay in the fulfillment of, any terms or conditions set for in the terms provided to Sheshunoff & Co. or any subsequent development that would have a material adverse effect on Ouachita Bancshares or BancorpSouth and thereby on the results of its analyses. Sheshunoff & Co. assumed that any and all regulatory approvals, if required, will be received in a timely fashion and without any conditions or requirements that could adversely affect the operations or financial condition of BancorpSouth after the completion of the merger.

The fairness opinion is necessarily based on economic, market, regulatory, and other conditions as in effect on, and the information made available to Sheshunoff & Co. as of January 8, 2014.

In rendering the fairness opinion, Sheshunoff & Co. performed a variety of financial analyses. The preparation of an opinion involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Consequently, the fairness opinion is not readily susceptible to partial analysis or summary description. Moreover, the evaluation of fairness, from a financial point of view, of the merger consideration is to some extent subjective, based on the experience and judgment of Sheshunoff & Co., and not merely the result of mathematical analysis of financial data. Sheshunoff & Co. did not attribute particular weight to any analysis or factor considered by it. Accordingly, notwithstanding the separate factors summarized below, Sheshunoff & Co. believes that its analyses must be considered as a whole and that selecting portions of its analyses and of the factors considered, without considering all analyses and factors, could create an incomplete view of the evaluation process underlying its opinion. The ranges of valuations resulting from any particular analysis described below should not be taken to be Sheshunoff & Co.'s view of the actual value of Ouachita Bancshares, BancorpSouth or the combined entity.

In performing its analyses, Sheshunoff & Co. made numerous assumptions with respect to industry performance, business and economic conditions and other matters, many of which are beyond the control of Ouachita Bancshares or BancorpSouth. The analyses performed by Sheshunoff & Co. are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses. In addition, Sheshunoff & Co.'s analyses should not be viewed as determinative of the opinion of the board of directors or the management of Ouachita Bancshares with respect to the value of Ouachita Bancshares or BancorpSouth or to the fairness of the merger consideration.

The following is a summary of the analyses performed by Sheshunoff & Co. in connection with its opinion. The discussion utilizes financial information concerning Ouachita Bancshares and BancorpSouth as of September 30, 2013

that is believed to be reliable, accurate, and complete; however, Sheshunoff & Co. cannot guarantee the reliability, accuracy, or completeness of any such publicly available information.

Pursuant to the Merger Agreement dated January 8, 2014, BancorpSouth has agreed to exchange approximately \$22,875,000 of cash and 3,675,000 shares of common stock for all of the outstanding shares of common stock of Ouachita Bancshares for total merger consideration of approximately \$105.5 million, based on the mid-point of the minimum and maximum consideration discussed below. The value and the composition of the total merger consideration may be adjusted pursuant to the terms of the Merger Agreement. In the event that the average of the closing price per share of BancorpSouth common stock on the NYSE for the ten consecutive trading days ending and including the fifth trading day preceding the Closing Date is less than \$20.71 or greater than \$24.25, BancorpSouth may adjust the cash portion or stock portion so that the aggregate merger consideration is not less than \$99,000,000 or greater than \$112,000,000.

Ouachita Bancshares Discounted Cash Flow Analysis: Using discounted cash flow analysis, Sheshunoff & Co. estimated the present value of the future after-tax cash flow streams that Ouachita Bancshares could produce on a stand-alone basis through September 30, 2018 under various circumstances, assuming that it performed in accordance with the projections provided by Ouachita Bancshares management.

Sheshunoff & Co. estimated the terminal value for Ouachita Bancshares at the end of September 30, 2018 by (1) multiplying the final period projected earnings by one plus the assumed annual long-term growth rate of the earnings of Ouachita Bancshares of 4.5% (or 1.045) and (2) dividing this product by the difference between the required rates of return shown below and the assumed annual long-term growth rate of earnings of 4.5% in (1) above. Sheshunoff & Co. discounted the annual cash flow streams (defined as all earnings in excess of that which is required to

maintain a tangible common equity to tangible asset ratio of 8.0%) and the terminal values using discount rates ranging from 12.0% to 14.0%. The discount range was chosen to reflect different assumptions regarding the required rates of return of Ouachita Bancshares and the inherent risk surrounding the underlying projections. This discounted cash flow analysis indicated a range of values per share of \$90.11 to \$117.81 as shown in the table below compared to the estimated merger consideration of \$127.39 per share.

	Discount Rate		
	14.0%	13.0%	12.0%

Present value (per share)	\$ 90.11	\$ 102.29	\$ 117.81

Analysis of Selected Transactions: Sheshunoff & Co. performed an analysis of premiums paid in selected recently announced acquisitions of banking organizations with comparable characteristics to the merger. Two sets of transactions were selected to ensure a thorough analysis.

The first set of comparable transactions consisted of a group of selected transactions for banks and thrifts in the United States for which pricing data were available, with the following characteristics: total assets greater than \$200 million that were announced since July 1, 2012, reporting a positive return on average assets, and a non-performing assets to total assets ratio less than 1%. These comparable transactions consisted of 29 mergers and acquisitions of banks and thrifts with total assets ranging between \$204.1 million and \$4.61 billion that were announced between July 5, 2012 and December 20, 2013. The analysis yielded multiples of the purchase prices in these transactions as summarized below:

	Price/		8% Tg		Price/	Price/	Premium/
	Book	Tg	Book	LTM**			
	Price/	Tg	Book	LTM**	Assets	Deposits	Deposits
	Book (x)	Book (x)	(x)	(x)	(%)	(%)	(%)
Maximum	2.84	2.84	2.50	50.3	19.7	25.4	15.1
Minimum	0.84	1.00	1.00	6.4	8.1	7.4	0.0
Median	1.24	1.40	1.44	16.5	13.8	16.4	5.1

* Assumes merger consideration of \$105.5 million (mid-point of the minimum and maximum consideration) and Ouachita Bancshares S-corporation earnings taxed at 35%.

** Last-twelve-months

The median pricing multiples in the comparable transactions were lower than those in the merger, except the median price to earnings, which was higher due to Ouachita Bancshares reporting higher ROAA levels compared to the median of the comparable transactions.

The second set of comparable transactions consisted of a group of selected transactions for banks and thrifts headquartered in the Southwest Region of the United States for which pricing data were available, with the following characteristics: total assets greater than \$100 million that were announced since July 1, 2012, a positive return on average assets, and a non-performing assets to total assets ratio less than 2.5%. These comparable transactions consisted of 20 mergers and acquisitions of banks and thrifts with total assets ranging between \$105.2 million and \$2.44 billion that were announced between July 5, 2012 and November 25, 2013. The analysis yielded multiples of the purchase prices in these transactions as summarized below:

	Price/ 8% Tg						
	Price/ Book (x)	Price/ Tg Book (x)	Book (x)	Price/ LTM** Earnings (x)	Price/ Assets (%)	Price/ Deposits (%)	Premium/ Deposits (%)

The median pricing multiples in the comparable transactions were lower than those in the merger, except the median price to earnings, which was higher due to Ouachita Bancshares reporting higher ROAA levels compared to the median of the comparable transactions.

Contribution Analysis: Sheshunoff & Co. reviewed the relative contributions of Ouachita Bancshares and BancorpSouth to the combined company based on regulatory data as of September 30, 2013 for Ouachita Bancshares and BancorpSouth. Sheshunoff & Co. compared the pro forma ownership interests (which excludes the cash component of the merger) of Ouachita Bancshares and BancorpSouth of 3.7% and 96.3%, respectively, to: (1) total assets of 4.9% and 95.1%, respectively; (2) total loans of 5.0% and 95.0%, respectively; (3) total deposits of 5.0% and 95.0%, respectively; (4) net-interest income of 5.8% and 94.2%, respectively; (5) non-interest income of 2.5% and 97.5%, respectively; (6) non-interest expenses of 3.6% and 96.4%, respectively; (7) September 30, 2013 LTM earnings of 7.7% and 92.3%, respectively; and (8) total tangible equity of 4.3% and 95.7%, respectively. The contribution analysis shows that the ownership of Ouachita Bancshares shareholders in the combined company is less than the contribution of the components listed due largely to the considerable amount of cash consideration in the merger. The contributions are shown in the table following.

(In thousands)	Assets	%	Loans	%	Deposits	%

Pro Forma Financial Impact: Sheshunoff & Co. analyzed the pro forma impact of the merger on estimated earnings per share, book value per share and tangible book value per share for the twelve-month periods ending December 31, 2014 and December 31, 2015 based on the projections provided by Ouachita Bancshares management for Ouachita Bancshares on a stand-alone basis assuming pre-tax cost savings of \$4.9 million phased in by the end of calendar year 2015.

The analysis indicated pro forma consolidated earnings per share dilution of \$3.41 per share or 37.0% in 2014 and \$3.63 per share or 35.6% in 2015 compared to estimated earnings per share for Ouachita Bancshares on a stand-alone basis. The earnings dilution is greatly affected by the cash consideration to be received. The implied book value (including the cash portion of the merger consideration) per share accretion in the merger was \$26.50 per share or 33.9% in 2014 and the implied book value accretion was \$21.86 per share or 24.9% in 2015. The analysis further indicated pro forma consolidated tangible book value (including the cash portion of the merger consideration) per share accretion of \$8.73 per share or 11.2% in 2014 and accretion of \$4.10 per share or 4.7% in 2015 compared to Ouachita Bancshares tangible book value on a stand-alone basis. The analysis of whether the merger consideration is accretive or dilutive to Ouachita Bancshares based on the above measures and the amounts of such accretion or dilution is sensitive to the composition of the merger consideration and the accounting assumptions to be made by BancorpSouth.

Comparable Company Analysis: Sheshunoff & Co. compared the operating and market results of BancorpSouth to the results of other publicly traded banking companies. The comparable publicly traded companies in the Southeast and Southwest Regions of the United States (as defined by SNL Financial) were selected primarily on the basis of location, total asset size, and profitability. BancorpSouth was compared to banks with total assets between \$5 billion and \$25 billion that had a positive core return on average assets for the last twelve months ending September 30, 2013, and being headquartered in either the Southeast Region or Southwest Region of the United States. The data for the following table is based on GAAP financial information as of September 30, 2013 provided by SNL Financial. Some of the ratios presented are proprietary to SNL Financial and may not strictly conform to the common industry determination.

Table of Contents

	BancorpSouth (%)	Peer Group Median (%)

Total Risk-Based Capital Ratio	14.50	15.54
Ratio of Non-performing Assets to Total Assets	1.71	1.09
Ratio of Loan Loss Reserves to Loans	1.74	1.18

BancorpSouth's performance as measured by its return on average assets and return on average equity was lower than that of its peers. BancorpSouth's net interest margin was weaker than its peers with its efficiency ratio being somewhat worse than its peers. BancorpSouth's tangible capital level was slightly higher to its peers with its risk-based capital ratio being slightly below that of its peer group median. BancorpSouth's asset quality, as measured by its ratio of non-performing assets to total assets, was slightly weaker than the peer group median. Its ratio of loan loss reserves to loans was slightly higher than the median peer group.

Sheshunoff & Co. compared BancorpSouth's trading results to its peers. The results are summarized in the following table. The data for the following table is based on publicly available GAAP financial information and market data as of September 30, 2013 provided by SNL Financial.

	BancorpSouth	Peer Group Median
Market Price as a Multiple of Stated Book Value (times)	1.28	1.30
Market Price as a Multiple of Stated Tangible Book Value (times)	1.60	1.73
Price as a Multiple of LTM Earnings (times)	22.7	16.3
Market Price as a Percent of Assets	14.7	14.9
Dividend Yield (percent)	1.00	1.82
Dividend Payout (percent)	9.1	35.9

BancorpSouth's price-to-book multiples as measured by its market price as a multiple of stated book value and its market price as a multiple of stated tangible book value were similar to or slightly lower than the comparable peer group medians. BancorpSouth's price-to-earnings multiple as shown by the price as a multiple of LTM earnings through September 30, 2013 was higher compared to its peers. BancorpSouth's market price to assets ratio was slightly lower than that of its peers. BancorpSouth's dividend yield and dividend payout ratio were both lower than its peers as of September 30, 2013.

Sheshunoff & Co. compared selected stock market results of BancorpSouth to the KBW Bank index and the SNL Southeast U.S. Bank index for all publicly traded banks over the past one and three-year period. BancorpSouth's common stock price generally performed in-line with each index for the period from January 2011 until late-July 2013. From late-July 2013 to early January 2014, BancorpSouth's stock price has outperformed the KBW Bank index and the SNL Southeast Bank index.

No company or transaction used in the comparable company and comparable transaction analysis is identical to Ouachita Bancshares, BancorpSouth, or BancorpSouth as the surviving corporation in the merger. Accordingly, an analysis of the results of the foregoing necessarily involves complex considerations and judgments concerning differences in financial and operational characteristics of Ouachita Bancshares and BancorpSouth and other factors that could affect the public trading value of the companies to which they are being compared. Mathematical analysis (such as determining the average or median) is not in and of itself a meaningful method of using comparable transaction data or comparable company data.

Pursuant to its engagement letter with Ouachita Bancshares, Sheshunoff & Co. will receive a fee of \$35,000 for the fairness opinion that is not contingent on the closing of the merger and additional fees that are contingent upon consummation of the merger. In addition, Ouachita Bancshares agreed to reimburse Sheshunoff & Co. for its reasonable out-of-pocket expenses. Ouachita Bancshares also agreed to indemnify and hold harmless Sheshunoff & Co. and its officers and employees against certain liabilities in connection with its services under the engagement letter, except for liabilities resulting from the negligence, violation of law or regulation, or bad faith of Sheshunoff & Co. or any matter for which Sheshunoff & Co. may have strict liability.

Table of Contents

The fairness opinion is directed only to the question of whether the merger consideration is fair from a financial perspective to the shareholders of Ouachita Bancshares and does not constitute a recommendation to any Company shareholder to vote in favor of the merger. No limitations were imposed on Sheshunoff & Co. regarding the scope of its investigation or otherwise by Ouachita Bancshares.

Based on the results of the various analyses described above, Sheshunoff & Co. concluded that the merger consideration to be paid by BancorpSouth pursuant to the merger is fair to the shareholders of Ouachita Bancshares, from a financial point of view.

Regulatory Approval

The merger must be reviewed and approved by the Board of Governors of the Federal Reserve. BancorpSouth filed an application under Section 3 of the Bank Holding Company Act with the Federal Reserve Bank of St. Louis on February 25, 2014 and expects approval by the Federal Reserve on March 31, 2014. Once the Federal Reserve approves the merger of the holding companies, we will be required to wait an additional 15 days before we can close the merger in order to give the Department of Justice the opportunity to review and object to the merger. BancorpSouth expects this waiting period to expire on April 15, 2014. Further, the SBLF Redemption issued by Ouachita Bancshares to the United States Treasury in connection with its participation in Treasury's small Business Lending Fund also requires the consent of the Federal Reserve.

In addition, the merger of the Bank with and into BancorpSouth Bank requires the approval of the FDIC, the Mississippi Department of Banking and Consumer Finance and the Louisiana Office of Financial Institutions. The U.S. Department of Justice has input into the FDIC's approval process. Once the FDIC has approved the bank merger, federal law requires that we wait up to 30 calendar days to complete the merger in order to give the Department of Justice the opportunity to review and object to the bank merger. Furthermore, the SBLF Redemption also requires the consent of the Federal Reserve. Also, in order to fund the SBLF Redemption, the Bank intends to declare an extraordinary cash dividend, which will require the approval of the FDIC and Louisiana Office of Financial Institutions. Finally, the Retained Earnings Dividend will require the approval of the FDIC and the Louisiana Office of Financial Institutions.

We expect to obtain all necessary regulatory approvals, although we cannot be certain if or when we will obtain them. On January 21, 2014, BancorpSouth Bank filed applications with the FDIC, the Mississippi Department of Banking and Consumer Finance and the Louisiana Office of Financial Institutions to obtain approval of the subsidiary bank merger. On February 27, 2014, the Bank filed a request with the FDIC and Louisiana Office of Financial Institutions to obtain approval to declare an extraordinary cash dividend to fund the SBLF Redemption and the Retained Earnings Dividend, and a request with the Federal Reserve to obtain its consent to consummate the SBLF Redemption.

The merger cannot proceed in the absence of these required regulatory approvals. The approval of any notice or application merely implies satisfaction of regulatory criteria for approval, and does not include review of the merger from the standpoint of the adequacy of the consideration to be received by, or fairness to, shareholders. Regulatory approval does not constitute an endorsement or recommendation of the proposed merger.

We cannot assure you as to whether or when the requisite regulatory approvals will be obtained and, if obtained, we cannot assure you as to the date of receipt of any of these approvals, the terms thereof or the absence of any litigation challenging them. Likewise, we cannot assure you that the U.S. Department of Justice or a state attorney general will not attempt to challenge the merger on antitrust grounds or, if such a challenge is made, as to the result of that challenge.

BancorpSouth and Ouachita Bancshares are not aware of any material governmental approvals or actions that are required prior to the parties' completion of the merger other than those described in this Proxy Statement/Prospectus. If any additional governmental approvals or actions are required, the parties presently intend to seek those approvals or actions. The parties cannot assure you, however, that any of these additional approvals or actions will be obtained.

Accounting Treatment

The merger will be accounted for as an acquisition by BancorpSouth using the acquisition method of accounting in accordance with FASB ASC topic 805, Business Combinations. Ouachita Bancshares will be treated as the acquired corporation for accounting and financial reporting purposes. Ouachita Bancshares' assets, liabilities and other items will be adjusted to their estimated fair value on the closing date of the merger and combined with the historical book values of the assets and liabilities of BancorpSouth. Applicable income tax effects of these adjustments will be included as a component of the combined company's deferred tax asset or liability. The difference between the estimated fair value of the assets (including separately identifiable intangible assets, such as core deposit intangibles), liabilities and other items (adjusted as discussed above) and the purchase price will be recorded as goodwill. Consolidated financial statements of BancorpSouth issued after the merger will reflect these fair values of assets acquired and liabilities assumed and will not be restated retroactively to reflect the historical financial position or results of operations of Ouachita Bancshares.

No information is provided in this document or the tax opinions referred to below with respect to the tax consequences, if any, of the merger under applicable foreign, state, local and other tax laws, nor does it address any tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010. This discussion and the tax opinions are based upon the provisions of the Code, applicable Treasury regulations, administrative rulings and judicial decisions, all as in effect as of the date of this Proxy Statement/Prospectus. There can be no assurance that future legislative, administrative or judicial changes or interpretations, which changes could apply retroactively, will not affect the accuracy of this discussion or the statements or conclusions set forth in the tax opinions referred to below.

In connection with the filing of the registration statement of which this Proxy Statement/Prospectus is a part, BancorpSouth has received an opinion of Bracewell & Giuliani LLP, and Ouachita Bancshares has received an opinion of Fenimore, Kay, Harrison & Ford, LLP, that, as of the respective dates of such opinions, if certain factual circumstances exist, the merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code and that BancorpSouth and Ouachita Bancshares will each be a party to that reorganization. The parties will not be required to consummate the merger unless they receive additional opinions of their respective counsel, dated the closing date of the merger, confirming that the merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code and that BancorpSouth and Ouachita Bancshares will each be a party to that reorganization.

The opinions of the parties' respective counsel regarding the merger have relied, and the opinions regarding the merger as of the closing date will each rely, on the following:

representations and covenants made by BancorpSouth and Ouachita Bancshares, including those contained in certificates of officers of BancorpSouth and Ouachita Bancshares; and

specified assumptions, including an assumption regarding the completion of the merger in the manner contemplated by the Merger Agreement.

In addition, the opinions of the parties' respective counsel have assumed, and such counsel's ability to provide the opinions at the closing of the merger will depend on, the absence of changes to the anticipated facts or changes in law between the date of this Proxy Statement/Prospectus and the closing date. If any of those representations, covenants or assumptions is inaccurate, the parties' respective counsel may not be able to provide one or more of the required opinions to be delivered at the closing of the merger and/or the tax consequences of the merger could differ from those described in the opinions that counsel have delivered.

The opinions of the parties' respective counsel do not bind the Internal Revenue Service (IRS) and do not preclude the IRS or the courts from adopting a contrary position. BancorpSouth and Ouachita Bancshares do not intend to obtain a ruling from the IRS on the tax consequences of the merger. If the IRS were to assert successfully that the merger is not a reorganization within the meaning of Section 368(a) of the Code, then each Ouachita Bancshares shareholder would be required to recognize gain or loss equal to the difference between (i) the sum of the fair market value of the BancorpSouth common stock and the amount of cash received in the exchange and (ii) the shareholder's adjusted tax basis in the Ouachita Bancshares common stock surrendered for such consideration. Such gain or loss would be a capital gain or loss, provided that such shares of Ouachita Bancshares common stock were held as capital assets by the shareholder at the effective time of the merger. Such capital gain or loss recognized would be long-term capital gain or loss if the Ouachita Bancshares shareholder's holding period for the Ouachita Bancshares common stock was more than one year. In such event, a Ouachita Bancshares shareholder's total initial tax basis in the BancorpSouth common stock received would be equal to its fair market value at the effective time of the merger, and the shareholder's holding period for the BancorpSouth common stock would begin on the day after the merger.

Table of Contents

Assuming that the merger qualifies as a reorganization within the meaning of Section 368(a) of the Code, neither BancorpSouth nor Ouachita Bancshares will recognize any gain or loss as a result of the merger. Holders of Ouachita Bancshares common stock will recognize gain, if any, equal to the lesser of:

the amount of cash received; or

the amount by which the sum of the amount of cash received and the fair market value, at the effective time of the merger, of the BancorpSouth common stock received exceeds the holder's adjusted tax basis in the shares of Ouachita Bancshares common stock exchanged in the merger.

Any recognized gain could be taxed as a capital gain or a dividend. Such gain will generally be capital gain (provided that such shares of Ouachita Bancshares common stock were held as capital assets by the shareholder at the effective time of the merger), unless the holder's exchange of Ouachita Bancshares common stock for cash and BancorpSouth common stock has the effect of the distribution of a dividend after giving effect to the constructive ownership rules of the Code, in which case such gain might be treated as ordinary income. Any capital gain recognized generally will be long-term capital gain to the extent that, at the effective time of the merger, the holder has a holding period in the Ouachita Bancshares common stock exchanged in the merger of more than one year. Because the determination of whether a cash payment will be treated as having the effect of a dividend depends primarily upon the facts and circumstances of each Ouachita Bancshares shareholder, Ouachita Bancshares shareholders are urged to consult their own tax advisors regarding the tax treatment of any cash received in the merger.

The aggregate tax basis of the shares of BancorpSouth common stock received in the merger (including any fractional shares of BancorpSouth common stock deemed received) will be the same as the aggregate tax basis of the shares of Ouachita Bancshares common stock surrendered in the merger, increased by the amount of gain recognized in the exchange (whether characterized as capital gain or a dividend, but excluding any gain recognized with respect to any cash received instead of a fractional share of BancorpSouth common stock) and reduced by the amount of cash received in the exchange (excluding any cash received instead of a fractional share of BancorpSouth common stock). The holding period of the shares of BancorpSouth common stock received (including any fractional share of BancorpSouth common stock deemed received) will include the holding period of shares of Ouachita Bancshares common stock surrendered in exchange for the BancorpSouth common stock, provided that such shares of Ouachita Bancshares common stock were held as capital assets of the shareholder at the effective time of the merger. Ouachita Bancshares shareholders will not be permitted to recognize any loss for federal income tax purposes.

A Ouachita Bancshares shareholder's federal income tax consequences will also depend on whether his or her shares of Ouachita Bancshares common stock were purchased at different times at different prices. If they were, the Ouachita Bancshares shareholder could realize gain with respect to some of the shares of Ouachita Bancshares common stock and loss with respect to other shares, in which case the shareholder would have to recognize such gain to the extent such shareholder receives cash with respect to those shares of Ouachita Bancshares common stock in which the shareholder's adjusted tax basis is less than the amount of cash plus the fair market value at the effective time of the merger of the BancorpSouth common stock received, but could not recognize loss with respect to those shares of Ouachita Bancshares common stock in which the Ouachita Bancshares shareholder's adjusted tax basis is greater than the amount of cash plus the fair market value at the effective time of the merger of the BancorpSouth common stock received. Any disallowed loss would be included in the adjusted basis of the BancorpSouth common stock. Such an Ouachita Bancshares shareholder is urged to consult his or her own tax advisor respecting the tax consequences of the merger to that shareholder.

Cash Instead of Fractional Shares of BancorpSouth Common Stock

Holders of Ouachita Bancshares common stock who receive cash instead of a fractional share of BancorpSouth common stock will be treated as having received the fractional share in the merger and then as having the fractional share redeemed by BancorpSouth in exchange for the cash actually distributed instead of the fractional share, with such redemption qualifying as an exchange under Section 302 of the Code. Accordingly, such holders will generally recognize gain or loss equal to the difference between the tax basis of the holder's Ouachita Bancshares common stock allocable to that fractional share and the amount of cash received. The gain or loss generally will be capital gain or loss, and long-term capital gain or loss if the Ouachita Bancshares common stock exchanged has been held for more than one year. The deductibility of capital losses is subject to limitations.

Backup Withholding

A holder of Ouachita Bancshares common stock may be subject, under certain circumstances, to backup withholding at a rate of 28% with respect to the amount of cash received in the merger, including cash received instead of fractional shares of BancorpSouth common stock, unless the holder provides proof of an applicable exemption satisfactory to BancorpSouth and the exchange agent or furnishes its correct taxpayer identification number, and otherwise complies with applicable requirements of the backup withholding rules. Any amount withheld under the backup withholding rules is not additional tax and may be refunded or credited against the holder's federal income tax liability, so long as the required information is furnished to the IRS.

Dissenters

Upon the proper exercise of dissenters' rights, a shareholder will exchange all of the shares of Ouachita Bancshares common stock actually owned by that holder solely for cash and that holder will recognize gain or loss equal to the difference between the amount of cash received and its adjusted tax basis in the shares of Ouachita Bancshares common stock surrendered, which gain or loss will be long-term capital gain or loss if the holder's holding period with respect to the Ouachita Bancshares common stock surrendered is more than one year. Long-term capital gains of

Table of Contents

noncorporate taxpayers are subject to reduced rates of taxation. The deductibility of capital losses is subject to limitations. Although the law is unclear, if the holder constructively owns shares of Ouachita Bancshares common stock that are exchanged for shares of BancorpSouth common stock in the merger or otherwise owns shares of BancorpSouth common stock actually or constructively after the merger, the consequences to that holder may be similar to the consequences described elsewhere in this section **THE MERGER** **Material United States Federal Income Tax Consequences**, except that the amount of consideration, if any, treated as a dividend may not be limited to the amount of that shareholder's gain.

Certain Tax Reporting Rules

Under applicable Treasury regulations, significant holders of Ouachita Bancshares stock will be required to comply with certain reporting requirements. An Ouachita Bancshares shareholder should be viewed as a significant holder if, immediately before the merger, such holder held 1% or more, by vote or value, of the total outstanding Ouachita Bancshares common stock, or held stock with a tax basis of \$1,000,000 or more. Significant holders generally will be required to file a statement with the holder's U.S. federal income tax return for the taxable year that includes the consummation of the merger. That statement must set forth the holder's adjusted tax basis in, and the fair market value of, the shares of Ouachita Bancshares common stock surrendered pursuant to the merger (both as determined immediately before the surrender of shares), the date of the merger, and the name and employer identification number of BancorpSouth and Ouachita Bancshares, and the holder will be required to retain permanent records of these facts. We urge each holder of Ouachita Bancshares common stock to consult its tax advisor as to whether such holder may be treated as a significant holder.

Retained Earnings Dividend

The Retained Earnings Dividend will be treated separately from the merger for U.S. federal income tax purposes. The foregoing discussion does not address the U.S. federal income tax consequences of Retained Earnings Dividend to holders of Ouachita Bancshares common stock. You should consult your own tax advisor for a full understanding of the Retained Earnings Dividend's tax consequences that are particular to you.

The preceding summary does not purport to be a complete analysis or discussion of all potential tax effects relevant to the merger. Accordingly, Ouachita Bancshares shareholders are urged to consult their own tax advisors as to the specific tax consequences to them of the merger, including tax return reporting requirements, the applicability and effect of federal, state, local, foreign and other tax laws and the effect of any proposed changes in the tax laws.

Dissenters' Rights

Ouachita Bancshares is a corporation organized under the laws of the State of Louisiana and its principal place of business is in the State of Louisiana. Each record holder of Ouachita Bancshares common stock will be entitled to dissenters' rights as a result of the merger pursuant to Section 131 of the Louisiana Business Corporation Law (Section 131) unless 80% of the outstanding shares of Ouachita Bancshares common stock are voted in favor of the merger, in which case no Ouachita Bancshares shareholder will be entitled to dissenters' rights under Louisiana law. If you have a beneficial interest in shares of Ouachita Bancshares common stock that are held of record in the name of another person, such as a broker or nominee, you must have the record ownership of the shares transferred to your name or instruct the record owner to follow the Section 131 procedure on your behalf.

The following discussion is not a complete statement of the law pertaining to dissenters' rights under the Louisiana Business Corporation Law. If you wish to exercise such dissenters' rights, or wish to preserve your right to do so, you

should review Section 131, a copy of which is attached as Annex B to this Proxy Statement/Prospectus, and the following discussion carefully.

The availability of dissenters' rights is conditioned upon full compliance with a complicated procedure set forth in the Louisiana Business Corporation Law. Failure to timely and properly comply with the procedures specified will result in the complete loss of dissenters' rights. Accordingly, if you wish to dissent from the merger and demand the fair value of your Ouachita Bancshares common stock in cash, you should consult with your own legal counsel.

Your vote against the Merger Agreement and the transactions contemplated thereby will not be deemed to satisfy all of the notice requirements under the Louisiana Business Corporation Law with respect to dissenters' rights.

If the Merger Agreement is not approved by the holders of at least 80% of the outstanding Ouachita Bancshares common stock, Section 131 allows an Ouachita Bancshares shareholder who objects to the merger and who complies with the provisions of that section to dissent from the Merger Agreement and to have paid to him or her in cash the fair cash value of his or her shares of Ouachita Bancshares common stock, which fair cash value shall be determined as of the day immediately before the special meeting, as determined by agreement between the shareholder and Ouachita Bancshares, or by a Louisiana court if the shareholder and Ouachita Bancshares are unable to agree. Shareholders of BancorpSouth are not entitled to dissenters' rights.

Procedure for the Exercise of Dissenters' Rights

In order to be eligible to exercise the right to dissent, you must:

file with Ouachita Bancshares a written objection to the Merger Agreement prior to or at the special meeting;
and

vote (in person or by proxy) against the Merger Agreement at the special meeting.

Table of Contents

Neither a vote against the Merger Agreement nor a specification in a proxy to vote against the Merger Agreement will in and of itself constitute the required written objection to the Merger Agreement. Moreover, by voting in favor of, or abstaining from voting on, the Merger Agreement, or by returning the enclosed proxy without instructing the proxy holders to vote against the Merger Agreement, you will waive your rights under Section 131.

The right to dissent may be exercised only by the record owners of the shares and not by persons who hold shares only beneficially. If you are a beneficial owner who wishes to dissent, you should have the record ownership of the shares transferred to your name or instruct the record owner to follow the Section 131 procedure on your behalf.

Any written notice of intent to dissent with respect to the merger should be sent to: Ouachita Bancshares Corp., 909 North 18th Street, Monroe, Louisiana 71201, Attention: Katie Anderson, Corporate Secretary. A shareholder of Ouachita Bancshares who wishes to dissent must, as an initial matter, comply with all of the conditions listed above.

If the Merger Agreement is approved at the Ouachita Bancshares special meeting by less than 80% of the total number of shares of Ouachita Bancshares common stock outstanding, then promptly after the merger is approved at the special meeting, assuming the merger is approved at the special meeting, Ouachita Bancshares must deliver written notice of the consummation of the merger by mail to each former shareholder of Ouachita Bancshares who filed a written objection to the Merger Agreement and voted against it at the shareholder's last address on Ouachita Bancshares records.

To the extent a shareholder of Ouachita Bancshares properly dissents from the merger and must correspond with Ouachita Bancshares following the closing of the merger, communication regarding dissenters' rights should be directed to the Corporate Secretary at BancorpSouth. Any communication should be sent to: BancorpSouth, Inc., One Mississippi Plaza, Tupelo, Mississippi 38804, Attention: Corporate Secretary.

If you properly provide notice of objection to the merger prior to or at the special meeting, vote against the merger, and are sent a written notice from Ouachita Bancshares, within 20 days after such notice is mailed you must demand payment of the fair cash value of your shares as of the day before the vote was taken and state the value demanded and a post office address to which Ouachita Bancshares may reply, in writing, and deposit the certificates representing your shares of Ouachita Bancshares' common stock in escrow with a chartered bank or trust company located in the parish of the registered office of Ouachita Bancshares. The certificates must be duly endorsed and transferred to Ouachita Bancshares upon the sole condition that they be delivered to Ouachita Bancshares upon payment of the value of the shares in accordance with Section 131. With the demand, you must deliver to Ouachita Bancshares the written acknowledgement of the bank or trust company with which you deposited the certificates representing your shares that such bank or trust company has received and is holding the certificates. If you do not object to and vote against the Merger Agreement, demand payment, endorse and deposit your share certificates where required, and deliver the required written acknowledgement in accordance with the procedures set forth in Section 131 within 20 days of the date of mailing of Ouachita Bancshares' notice, you will not be entitled to payment for your shares of Ouachita Bancshares common stock pursuant to Section 131.

Ouachita Bancshares' Payment or Offer of Payment

If Ouachita Bancshares does not agree to the value stated and demanded by you, or does not agree that payment is due, it will, within 20 days after receipt of your demand and acknowledgement, notify you in writing at the designated post office address of its disagreement and will state in the notice of disagreement the value it will agree to pay. Otherwise Ouachita Bancshares will be liable for and will pay to you the value demanded for your shares. In this regard, you should be aware that opinions of investment banking firms as to fairness from a financial point of view, including the opinion of Sheshunoff & Co. described in this Proxy Statement/Prospectus, are not opinions as to fair

cash value under Louisiana law, and a determination of the fair cash value of your shares could be more or less than the consideration to be paid by BancorpSouth in the merger.

Procedure if Dissatisfied with Payment or Offer

If you do not agree to accept the offered amount, or disagree with Ouachita Bancshares' s assertion that no payment is due, you must, within 60 days after receipt of Ouachita Bancshares' s notice of disagreement, file suit against Ouachita Bancshares in the district court for Ouachita Parish, Louisiana for a judicial determination of the fair cash value of your shares. Any shareholder entitled to file such suit may, within such 60 day period, intervene as a plaintiff in any such suit filed against Ouachita Bancshares by another former shareholder for a judicial determination of the fair cash value of such other shareholder' s shares. If a shareholder fails to bring or to intervene in such a suit within the 60-day period, he or she will be deemed to have consented to accept Ouachita Bancshares' s statement that no payment is due or, if Ouachita Bancshares does not contend that no payment is due, to accept the amount specified by Ouachita Bancshares in its notice of disagreement.

When the fair cash value of the shares has been agreed upon between you and Ouachita Bancshares, or when Ouachita Bancshares has become liable for the value demanded by you because of failure to give notice of disagreement and of the value it will pay, or when you have become bound to accept the value Ouachita Bancshares agrees is due because of your failure to bring suit within 60 days after receipt of notice of Ouachita Bancshares' disagreement, your action to recover such value must be brought within five years from the date the value was agreed upon or the liability of Ouachita Bancshares became fixed.

If Ouachita Bancshares, in its notice of disagreement, offers to pay you on demand an amount in cash deemed by it to be the fair cash value of your shares, and if, on the institution of a suit by you claiming an amount in excess of the amount offered, Ouachita Bancshares deposits with the

Table of Contents

court the amount offered in its notice of disagreement, then the costs, not including legal fees, of the proceeding will be taxed against Ouachita Bancshares if the amount finally awarded to you, exclusive of interest and costs, is more than the amount offered and deposited by Ouachita Bancshares, and judicial interest may be awarded against Ouachita Bancshares only on the amount of the award in excess of the amount deposited by Ouachita Bancshares. Otherwise, the costs of the proceeding will be taxed against you and no interest will be paid.

If you file a demand for the value of your shares in accordance with Section 131, your rights of a shareholder, except as provided in Section 131, shall cease. Your demand may be withdrawn voluntarily at any time before Ouachita Bancshares gives its notice of disagreement, but thereafter only with the written consent of Ouachita Bancshares. If your demand is properly withdrawn, the merger is abandoned, or if you otherwise lose your dissenters' rights, you will be restored to your rights as a shareholder as of the time of filing of your demand for fair cash value.

Until the effective date, you should send any communications regarding your rights to: Ouachita Bancshares Corp., 909 North 18th Street, Monroe, Louisiana 71201, Attention: Katie Anderson, Corporate Secretary. All such communications should be signed by you or on your behalf in the form in which your shares are registered on the books of Ouachita Bancshares.

Interests of Certain Persons in the Merger

Certain members of management of Ouachita Bancshares and Ouachita Bancshares' Board of Directors may be deemed to have interests in the merger that are in addition to their interests as Ouachita Bancshares shareholders generally. Ouachita Bancshares' Board of Directors was aware of these interests and considered them, among other matters, in approving the Merger Agreement. These interests include:

Termination of Existing Change in Control Agreements. In connection with the merger Ouachita Bancshares will terminate existing change in control agreements with each of Kevin Koh, Robert Schott and Walter Lamb. Under the terms of these existing change in control agreements, such individuals will receive cash payments from Ouachita Bancshares equal to approximately \$1.2 million in the aggregate;

Employment Agreements. BancorpSouth has entered into employment agreements with Kevin Koh and certain other officers and employees of Ouachita Bancshares and its subsidiaries, which will be effective, if at all, upon the consummation of the merger. These employment agreements include noncompetition, nonsolicitation and confidentiality obligations to BancorpSouth, and provide for an annual salary, one-time retention and signing bonuses, restricted shares of BancorpSouth common stock and certain additional incentives from BancorpSouth;

Accelerated Vesting of Options and Stock Appreciation Rights. Prior to completion of the merger, all outstanding options to purchase shares of Ouachita Bancshares common stock granted pursuant to the Ouachita Bancshares Corp. 1996 Incentive Stock Option Plan and the 2007 Stock Incentive Plan of Ouachita Bancshares Corp., will be fully vested and exercisable for a limited period of time, prior to the consummation of the merger and at least 30 days following the date on which the holders of such options are notified of the limited exercise period. Once the limited exercise period has closed, any remaining unexercised options will terminate and no longer represent an option to acquire Ouachita

Bancshares common stock. All outstanding stock appreciation units and stock appreciation rights issued pursuant to the Ouachita Bancshares Corp. 1996 Incentive Stock Option Plan and the 2007 Stock Incentive Plan of Ouachita Bancshares Corp., will be vested and cashed out by Ouachita Bancshares prior to the effective time of the merger;

Insurance. The Merger Agreement provides that Ouachita Bancshares will purchase for a period of not less than four years after the effective time of the merger past acts insurance coverage for no less than the four-year period immediately preceding the effective time of the merger under its (1) current directors and officers insurance policy coverage (or comparable coverage), (2) employment practices liability insurance, (3) current financial institutions bond (or comparable coverage), and (4) bankers professional liability, mortgage errors and omissions and fiduciary liability insurance, for each director and officer of Ouachita Bancshares and its subsidiaries currently covered under the comparable policies held by Ouachita Bancshares or its subsidiaries; and

Indemnification. The Merger Agreement provides that BancorpSouth will indemnify each director and officer of Ouachita Bancshares, the Bank or Bankers Mortgage Center, Inc. as of the effective time of the merger for a period of four years thereafter, against any costs or expenses (including reasonable attorneys fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or before the effective time of the merger, whether asserted or claimed before, at or after the effective time of the merger, arising in whole or in part out of or pertaining to the fact that he or she was acting in his or her capacity as a director or officer of Ouachita Bancshares, the Bank or Bankers Mortgage Center, Inc. to the fullest extent that the indemnified party would be entitled under the articles of incorporation or bylaws or the similar constituent documents of Ouachita Bancshares, the Bank or Bankers Mortgage Center, Inc., as applicable, as in effect on the date of the Merger Agreement and to the extent permitted by applicable law.

Executive officers and directors of Ouachita Bancshares will receive shares of BancorpSouth common stock in the merger on the same basis as other Ouachita Bancshares shareholders. The following chart shows the number of shares of BancorpSouth common stock that may be issued to executive officers, directors and holders of more than 10% of Ouachita Bancshares common stock in the merger:

Comparison of Rights of Shareholders

At the effective time of the merger, Ouachita Bancshares shareholders who receive shares of BancorpSouth common stock will automatically become BancorpSouth shareholders. BancorpSouth is a Mississippi corporation governed by provisions of the Mississippi Business Corporation Act and BancorpSouth's restated articles of incorporation, as amended, and amended and restated bylaws, as amended. Ouachita Bancshares is a Louisiana corporation governed by provisions of the Louisiana Business Corporation Law, and Ouachita Bancshares' Articles of Incorporation and Bylaws. See COMPARISON OF RIGHTS OF SHAREHOLDERS.

Restrictions on Resales by Affiliates

The shares of BancorpSouth common stock issued in connection with the merger will not be subject to any restrictions on transfer arising under the Securities Act, except for shares issued to any Ouachita Bancshares shareholder who may be deemed to be an affiliate of BancorpSouth after completion of the merger. An affiliate of a corporation, as defined by the rules promulgated under the Securities Act, is a person who directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with, that corporation. Affiliates generally include directors, executive officers and beneficial owners of 10% or more of a company's capital stock. Former Ouachita Bancshares shareholders who are not affiliates of BancorpSouth after the completion of the merger may sell their shares of BancorpSouth common stock received in the merger at any time.

Former Ouachita Bancshares shareholders who become affiliates of BancorpSouth after completion of the merger will be subject to the volume and sale limitations of Rule 144 under the Securities Act until they are no longer affiliates of BancorpSouth. This Proxy Statement/Prospectus does not cover resales of BancorpSouth common stock received by any person upon completion of the merger, and no person is authorized to make any use of or rely on this Proxy Statement/Prospectus in connection with or to effect any resale of BancorpSouth shares.

Source of Funds for Cash Portion of Merger Consideration

BancorpSouth intends to pay the cash portion of the merger consideration, if any, to the Ouachita Bancshares shareholders from funds available to BancorpSouth at closing. BancorpSouth currently intends these funds to be comprised primarily of available cash.

Subsequent Execution of Agreement and Plan of Reorganization by and between Central Community and BancorpSouth

On January 22, 2014, BancorpSouth announced the signing of a definitive merger agreement with Central Community, a bank holding company headquartered in Temple, Texas, whereby Central Community will be merged with and into BancorpSouth. Central Community is the parent company of First State Bank Central Texas, a Texas state-chartered bank headquartered in Temple, Texas with total assets of \$1.3 billion, total loans of \$555.5 million and total deposits of \$1.1 billion as of December 31, 2013. First State Bank Central Texas is a full service commercial bank with thirty-one locations throughout central Texas.

Under the terms of the definitive agreement, Central Community stockholders will receive an aggregate of \$28,500,000 in cash and 7,250,000 shares of BancorpSouth common stock in exchange for all outstanding shares of Central Community common stock. The merger has been approved by the boards of directors of both BancorpSouth

and Central Community, and is expected to close during the second quarter of 2014. The transaction is subject to certain conditions, including the approval by stockholders of Central Community and customary regulatory approvals.

Table of Contents

THE MERGER AGREEMENT

The following summary of certain terms and provisions of the Merger Agreement is qualified in its entirety by reference to the Merger Agreement, which is incorporated into this Proxy Statement/Prospectus by reference and, with the exception of exhibits and schedules to the Merger Agreement, is attached as Annex A to this Proxy Statement/Prospectus.

Terms of the Merger

The Merger Agreement provides for the merger of Ouachita Bancshares with and into BancorpSouth, at which time the separate corporate existence of Ouachita Bancshares will cease and BancorpSouth will be the surviving corporation. BancorpSouth will continue to exist as a Mississippi corporation. It is contemplated that immediately following the merger of Ouachita Bancshares and BancorpSouth, the Bank will merge with and into BancorpSouth Bank, with BancorpSouth Bank being the surviving bank. Subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, the merger will become effective upon the filing of a certificate of merger in the offices of the Secretary of State of the State of Louisiana and the State of Mississippi in accordance with the Louisiana Business Corporation Law and the Mississippi Business Corporation Act of 1987. See THE MERGER AGREEMENT Conditions to the Merger.

The merger will have the effects set forth in Section 79-4-11.07 of the Mississippi Business Corporation Act and Section 12.115 of the Louisiana Business Corporation Law. The bank merger will have the effects set forth in Section 81-5-85 of the Mississippi Banking Act and Section 6.355 of the Louisiana Banking Law.

BancorpSouth's restated articles of incorporation, as amended, and amended and restated bylaws, as amended, in effect as of the effective time of the merger will be those of the surviving corporation, and BancorpSouth Bank's articles of incorporation and bylaws as in effect upon completion of the bank merger will be those of the surviving bank.

Under the terms of the Merger Agreement, if the Merger Agreement is approved and the merger is completed, all outstanding shares of Ouachita Bancshares common stock will, subject to adjustment as set forth in the Merger Agreement and described below, be converted into the right to receive an aggregate of (i) 3,675,000 shares of BancorpSouth common stock and (ii) \$22,875,000 in cash less the amount of the Retained Earnings Dividend. The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash consideration will be paid in connection with the merger.

The amount of per share merger consideration to be received is dependent upon the number of shares of Ouachita Bancshares common stock issued and outstanding immediately prior to the effective time of the merger and whether any adjustment to the merger consideration as set forth in the Merger Agreement and described below occurs. Consequently, you will not know the exact per share merger consideration you will receive as a result of the merger when you vote on the Merger Agreement. Based on the number of shares of Ouachita Bancshares common stock issued and outstanding on February 28, 2014 and assuming all options to acquire shares of Ouachita Bancshares common stock outstanding on that date are exercised for cash, there would have been 846,772 shares of Ouachita Bancshares common stock outstanding on that date. Based on the foregoing assumption and further assuming no adjustment to the merger consideration, you would receive for each share of Ouachita Bancshares common stock that you own (i) 4.3115 shares of BancorpSouth Common Stock and (ii) cash consideration of approximately \$26.84, with cash to be paid in lieu of any remaining fractional share interest. The aggregate cash consideration will be reduced dollar-for-dollar to the extent of the Retained Earnings Dividend. If the Retained Earnings Dividend is distributed in full to the holders of Ouachita Bancshares common stock prior to the effective time of the merger, no cash

consideration will be paid in connection with the merger.

The merger consideration will be reduced if Ouachita Bancshares' equity capital on the closing date is an amount less than \$50,000,000 net of the amount of the Retained Earnings Dividend. Ouachita Bancshares believes that its equity capital on the closing date will be more than \$50,000,000 (without giving effect to the Retained Earnings Dividend), and, therefore, the cash to be paid to Ouachita Bancshares shareholders will not be reduced as described above. The amount of Ouachita Bancshares' equity capital and accumulated adjustments account will not be known until the closing of the merger, and thus no assurance can be given as to the amount of any adjustment to the cash portion of the merger consideration if such adjustment is required under the terms of the Merger Agreement. Pursuant to the terms of the Merger Agreement, equity capital is defined as the sum of the common stock, capital surplus and retained earnings of Ouachita Bancshares, excluding unrealized securities gains or losses, on a consolidated basis, as determined pursuant to generally accepted accounting principles. For purposes of calculating equity capital, Ouachita Bancshares must include adjustments made for extraordinary items related to the merger as more fully described in the Merger Agreement.

The Merger Agreement provides for a pricing collar. The pricing collar is calculated to provide for a minimum aggregate merger consideration, inclusive of the value of BancorpSouth common stock and cash, of \$99,000,000, which corresponds with the average closing price (as calculated over the ten consecutive trading days ending on and including the fifth trading day prior to the consummation of the merger) of BancorpSouth common stock of \$20.71 per share, and a maximum aggregate merger value of \$112,000,000 which corresponds with an average closing price of BancorpSouth common stock of \$24.25 per share. Further, if the average closing price of BancorpSouth's common stock is less than \$20.71 per share, Ouachita Bancshares may provide notice of its intent to terminate the Merger Agreement. Upon receipt of such termination notice, BancorpSouth may, in its sole discretion, increase the per share stock consideration, the per share cash consideration, or both the per share stock consideration and the cash consideration, so that the aggregate merger consideration paid to Ouachita Bancshares shareholders is not less than \$99,000,000, subject to certain adjustments to the merger consideration described above. In the event BancorpSouth adjusts the merger consideration

Table of Contents

as described in the previous sentence, Ouachita Bancshares will no longer have the right to terminate the Merger Agreement. If the average closing price of BancorpSouth common stock is greater than \$24.25, BancorpSouth will decrease, at its election, the per share stock consideration, the per share cash consideration, or both the per share stock consideration and the cash consideration such that, after certain adjustments to the merger consideration described above, the aggregate merger consideration paid to Ouachita Bancshares shareholders is no more than \$112,000,000. No corresponding right to terminate the Merger Agreement exists if the average closing price of BancorpSouth common stock is greater than \$24.25.

No fractional shares of BancorpSouth common stock will be issued in connection with the merger. In lieu of the issuance of any fractional shares, BancorpSouth will pay each former holder of Ouachita Bancshares common stock otherwise entitled to receive a fractional share an amount of cash determined by multiplying the (i) average of the closing price per share of BancorpSouth common stock on the New York Stock Exchange for the ten consecutive trading days ending on and including the fifth trading day preceding the closing date of the merger by (ii) fraction of a share of BancorpSouth common stock which such holder would otherwise be entitled to receive pursuant to the terms of the Merger Agreement.

The per share merger consideration will not be adjusted to reflect any change in the price of BancorpSouth common stock, subject to the pricing collar described above. BancorpSouth expects the market price of BancorpSouth common stock to fluctuate as a result of market factors beyond its control between the date of this Proxy Statement/Prospectus and the date on which the merger is completed and thereafter. Because the market price of BancorpSouth common stock is expected to fluctuate and may decrease, the implied market value of BancorpSouth common stock that Ouachita Bancshares shareholders may receive in the merger may increase or decrease prior to completion of the merger. For further information concerning the historical market prices of BancorpSouth common stock and Ouachita Bancshares common stock, see **PRICE RANGE OF COMMON STOCK AND DIVIDENDS**. BancorpSouth cannot assure you that the market price of BancorpSouth common stock will not decrease before or after the merger.

The following table shows the implied value of the merger consideration, assuming the exercise of all options outstanding as of the date of the Merger Agreement, into which one share of Ouachita Bancshares common stock would be converted in the merger at various hypothetical reference closing prices of BancorpSouth common stock at the effective time of the merger:

Closing Price of BancorpSouth Common Stock	Ouachita Bancshares Common Stock⁽¹⁾	Implied Value per Share of Ouachita Bancshares Common Stock⁽²⁾
\$ 22.75	\$ 98.09	\$ 124.93
23.00	99.16	126.00
23.25	100.24	127.08
23.75	102.40	129.24
24.00	103.48	130.32
24.25	104.55	131.39

- (1) The implied value per share of Ouachita Bancshares common stock in this column is calculated without regard to any cash consideration. Any options to purchase Ouachita Bancshares common stock will be terminated if not exercised as provided in the Merger Agreement.

- (2) Includes cash consideration without adjustment pursuant to the Merger Agreement and no Retained Earnings Dividend.

At the effective time of the merger, all shares of Ouachita Bancshares common stock held by Ouachita Bancshares or its subsidiary bank, other than shares held in a fiduciary capacity or in connection with a debt previously contracted, will be canceled and will cease to exist, and no BancorpSouth common stock or other consideration will be delivered in exchange for such shares. Also at the effective time of the merger, all shares of BancorpSouth common stock held by Ouachita Bancshares or its subsidiary bank, other than shares held in a fiduciary capacity or in connection with a debt previously contracted, will become treasury stock and all other shares of BancorpSouth common stock outstanding as of the effective time will remain outstanding.

At the effective time of the merger, Ouachita Bancshares shareholders, other than those who perfect dissenters' rights in accordance with Louisiana law, will have no further rights as Ouachita Bancshares shareholders, other than the right to receive their per share merger consideration. After the effective time of the merger, there will be no transfers on Ouachita Bancshares' stock transfer books of shares of Ouachita Bancshares common stock. If, after the effective time, stock certificates representing shares of Ouachita Bancshares common stock are presented for transfer to Registrar and Transfer Company, the exchange agent for the merger, they will be canceled and exchanged for either cash or certificates representing shares of BancorpSouth common stock as provided in the Merger Agreement.

If, prior to the merger, shares of BancorpSouth common stock are changed into a different number or class of shares as a result of any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, or if a stock dividend is declared on the shares of BancorpSouth common stock with a record date prior to the merger, the stock portion of the merger consideration will be adjusted accordingly.

Treatment of Stock Options, Stock Appreciation Units and Stock Appreciation Rights

Prior to the consummation of the merger, each outstanding and unexercised option to purchase shares of Ouachita Bancshares common stock will become fully exercisable in accordance with the Merger Agreement. Each such option may be exercised for a limited period of time prior to the consummation of the merger as established by the administrator of the Ouachita Bancshares 1996 Incentive Stock Option Plan and the 2007 Stock Incentive Plan of Ouachita Bancshares Corp., which limited period of time will be no less than thirty (30) days after the date on which the administrator gives notice to all holders of such options that such limited period of time for exercise has begun. Once the limited exercise period has closed, any remaining unexercised options will terminate and no longer represent an option to acquire Ouachita Bancshares common stock.

Upon execution of the Merger Agreement, each of the directors and certain officers of Ouachita Bancshares and the Bank entered into a voting agreement and irrevocable proxy, together referred to as the voting agreement. The voting agreement obligates these directors and officers to vote their shares of Ouachita Bancshares in favor of the merger and against approval of any other proposal to acquire the stock or assets of Ouachita Bancshares, subject to certain limitations involving their fiduciary or other legal obligations. The voting agreement further restricts these directors and officers from seeking competing proposals for the acquisition of Ouachita Bancshares or the assets of Ouachita Bancshares. The voting agreement will remain in effect until the consummation of the merger or the termination of the Merger Agreement.

Termination of the Merger Agreement

The Merger Agreement may be terminated at any time prior to the effective time of the merger, whether before or after approval of the merger by Ouachita Bancshares shareholders, as set forth in the Merger Agreement, including by mutual consent of BancorpSouth and Ouachita Bancshares. In addition, the Merger Agreement may generally be terminated by either party if:

a court of competent jurisdiction in the United States or other governmental entity issues an order, decree or ruling or takes any other action restraining, enjoining or otherwise prohibiting the merger and such order, decree, ruling or other action is final and non-appealable or any of the transactions contemplated by the Merger Agreement are disapproved by any governmental entity or other person whose approval is required;

Table of Contents

the merger is not completed on or before July 7, 2014, unless one or more regulatory approvals has not been received, in which case the Merger Agreement may be terminated if the merger is not completed on or before August 6, 2014;

Ouachita Bancshares shareholders fail to approve the Merger Agreement; or

any of the representations or warranties provided by the other party set forth in the Merger Agreement becomes untrue or incorrect or the other party materially breaches its covenants set forth in the Merger Agreement, and the representation or material breach is not cured within the prescribed time limit.

Ouachita Bancshares may terminate the Merger Agreement in the event the average closing price (as calculated over the ten consecutive trading days ending on and including the fifth trading day prior to the consummation of the merger) of BancorpSouth common stock is less than \$20.71, subject to BancorpSouth's right to adjust the merger consideration so that the aggregate merger consideration based on the closing date average price is at least \$99,000,000, before any other adjustment to the merger consideration described in the Merger Agreement.

Ouachita Bancshares may terminate the Merger Agreement, without the consent of BancorpSouth, if the board of directors of Ouachita Bancshares receives an unsolicited, bona fide acquisition proposal (as defined in the Merger Agreement) and, under certain terms and conditions, determines that it is a superior proposal to that of the Merger Agreement and that the failure to accept such proposal would be inconsistent with its fiduciary duties; but Ouachita Bancshares must notify BancorpSouth of the superior proposal at least five business days before terminating the Merger Agreement, during which time BancorpSouth has the right to adjust the terms and conditions of the Merger agreement so that the superior proposal no longer constitutes a superior proposal.

In addition, BancorpSouth may terminate the Merger Agreement, without the consent of Ouachita Bancshares, if:

any required regulatory approval is obtained subject to restrictions or conditions on the operations of Ouachita Bancshares, the Bank, BancorpSouth or BancorpSouth Bank that are reasonably unacceptable to BancorpSouth;

Ouachita Bancshares materially breaches the non-solicitation obligations set forth in the Merger Agreement in a manner adverse to BancorpSouth;

Ouachita Bancshares' board of directors agrees to accept another acquisition proposal (as defined in the Merger Agreement); or

Ouachita Bancshares' board of directors withdraws, amends or modifies, in any manner adverse to BancorpSouth, its recommendation or approval of the Merger Agreement or the merger.

BancorpSouth also has the right to terminate the Merger Agreement on or prior to April 8, 2014, if the results of any environmental inspections or surveys of Ouachita Bancshares properties identify certain potential or current violations of environmental laws or environmental law requires certain remedial or clean up action that could have a material adverse effect on Ouachita Bancshares.

BancorpSouth may also terminate the Merger Agreement if Ouachita Bancshares has materially breached its non-solicitation obligations contained in the Merger Agreement in a manner adverse to BancorpSouth, the board of Ouachita Bancshares resolves to accept a competing acquisition proposal or the board of Ouachita Bancshares changes its recommendation regarding the merger.

Termination Fee

If the Merger Agreement is terminated by:

BancorpSouth because Ouachita Bancshares materially breaches the non-solicitation obligations set forth in the Merger Agreement in a manner adverse to BancorpSouth;

BancorpSouth because Ouachita Bancshares board of directors resolves to accept another acquisition proposal;

BancorpSouth because Ouachita Bancshares board of directors withdraws, amends or modifies, in any manner adverse to BancorpSouth, its recommendation or approval of the Merger Agreement or the transactions contemplated thereby; or

Ouachita Bancshares because Ouachita Bancshares board of directors receives an unsolicited, bona fide alternative acquisition proposal and, under certain terms and conditions, determines that it is a superior proposal to that of the Merger Agreement taking into account any adjustments made by BancorpSouth to the merger consideration,

then, unless BancorpSouth is in material breach of any covenant or obligation under the Merger Agreement, Ouachita Bancshares will be required to pay BancorpSouth a termination fee of \$4,500,000 plus up to \$500,000 for BancorpSouth's expenses related to the merger.

Table of Contents

If either BancorpSouth or Ouachita Bancshares terminates the Merger Agreement:

after July 7, 2014 (or August 6, 2014, if regulatory approval has not been obtained by July 7, 2014), and if at the time of termination, the registration statement of which this proxy statement/prospectus is a part has been declared effective for at least 25 business days prior to such termination and Ouachita Bancshares has failed to call, give notice of, convene and hold the Ouachita Bancshares special meeting by such date, or

without regard to timing, if Ouachita Bancshares' shareholders do not approve the Merger Agreement and an acquisition proposal exists at the time of termination, then, unless BancorpSouth is in material breach of any covenant or obligation under the Merger Agreement, Ouachita Bancshares will be required to pay BancorpSouth up to \$500,000 for its expenses related to the merger.

Liability and Indemnification of Directors and Officers

Personal Liability

Pursuant to the restated articles of incorporation of BancorpSouth, a director, in general, is not personally liable to BancorpSouth or its shareholders for monetary damages for any action taken, or for the failure to take action, as a director, except for liability for (i) the amount of a financial benefit received to which the director is not entitled; (ii) an intentional infraction of harm on BancorpSouth or the shareholders; (iii) a violation of the provisions of the Mississippi Business Corporation Act regarding unlawful distributions; or (iv) an intentional violation of criminal law.

Ouachita Bancshares Shareholder Rights

The Ouachita Bancshares articles of incorporation generally provide that directors and officers shall not be liable to Ouachita Bancshares or its shareholders for monetary damages for breach of fiduciary duty except for liability for: (i) breach of duty of loyalty to Ouachita Bancshares or its shareholders; (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) liability for unlawful distributions of Ouachita Bancshares assets to, or redemption or repurchase of Ouachita Bancshares shares from, shareholders of Ouachita Bancshares; or (iv) any transaction from which an improper personal benefit is derived.

In addition, the Ouachita Bancshares articles of incorporation provide that the board of directors may cause Ouachita Bancshares to

Indemnification

BancorpSouth's restated articles of incorporation provide that BancorpSouth shall indemnify and, upon request, shall advance expenses prior to the final disposition of a proceeding to any person who was or is a party to, or is threatened to be made a party to, any threatened, pending or completed action, suit or proceeding, whether or not by or in the right of BancorpSouth by reason of the fact that such person is or was a director, officer, partner, trustee, employee or agent of BancorpSouth, or is or was serving at the request of BancorpSouth as a director, officer, partner, trustee, employee or agent of another

The Ouachita Bancshares articles of incorporation generally provide that Ouachita Bancshares shall indemnify and hold harmless directors, officers, employees, and agents of Ouachita Bancshares, and may procure or maintain insurance on behalf of any such persons, as and to the extent permitted by the Louisiana Business Corporation Law.

entity, against any liability incurred in the action, suit or proceeding to the full extent permitted by the Mississippi Business Corporation Act and, despite the fact that such person has not met the applicable standard of conduct set forth in the Mississippi Business Corporation Act or would be disqualified for indemnification under the Mississippi Business Corporation Act, to such person if a determination is made that the director, officer, employee or agent is fairly and reasonably entitled to indemnification in view of all of the relevant circumstances and if the acts or omissions did not constitute gross negligence or willful misconduct. In addition, the restated articles of incorporation of BancorpSouth provide that a request for reimbursement or advancement of expenses prior to final disposition of a proceeding need not be accompanied by the written affirmation of good faith belief that the payee has met the relevant standard of conduct or that the proceeding involves conduct for which liability has been eliminated otherwise than is required by the Mississippi Business Corporation Act, but the remaining applicable provisions of the Mississippi Business Corporation Act apply to any such request, including the requirement that the payee submit an undertaking by or on behalf of the payee to repay the funds unless it is ultimately determined that he is entitled to be indemnified by BancorpSouth.

BancorpSouth's governing documents and the Mississippi Business Corporation Act provide that BancorpSouth may purchase and

In the case of actions by or in the right of Ouachita Bancshares, however, indemnification is limited to expenses, including attorneys' fees and amounts paid in settlement not exceeding the estimated expense of litigating the action to conclusion, actually and reasonably incurred, and no indemnification shall be made if such person is adjudged by a court to be liable for willful or intentional misconduct in the performance of his duties to Ouachita Bancshares, unless the court determines that, despite the adjudication of liability but in view of all the circumstances of the case, he is fairly and reasonably entitled to indemnity for certain expenses.

In general, indemnification under the Louisiana Business Corporation Law shall be made by Ouachita Bancshares only as authorized in a specific case upon a determination that the applicable standard of conduct has been met.

Expenses incurred in defending an action, suit or proceeding may be paid by Ouachita Bancshares in advance of the final disposition thereof if authorized by Ouachita Bancshares' board of directors, without

The restated articles of incorporation of BancorpSouth explain that the rights to indemnification contained therein are intended to be greater than that otherwise provided for in the Mississippi Business Corporation Act, are contractual in nature, and in that respect are mandatory, despite a person's failure to meet the standard of conduct required for permissive indemnification under the Mississippi Business Corporation Act.

The amended and restated bylaws of BancorpSouth provide for indemnification of

certain persons who were or are parties or are threatened to be made parties to any threatened, pending or completed action, suit or proceeding, in cases other than action by or in the right of BancorpSouth. Also, in the case of actions by or in the right of BancorpSouth, certain persons who were or are parties or are threatened to be made parties to any threatened, pending or completed action, suit or proceeding by or in the right of BancorpSouth to procure a judgment in its favor may generally be indemnified against expenses actually and reasonably incurred by such persons in connection with defense or settlement of the action or suit, except that no indemnification shall be made if such persons breached certain fiduciary duties to BancorpSouth unless, and only to the extent that a court determines that, despite the adjudication of liability but in view of all the circumstances of the case, such persons are fairly and reasonably entitled to indemnification for certain expenses.

The amended and restated bylaws of BancorpSouth provide that any indemnification pursuant to the bylaws shall be made only as authorized in specific cases upon a determination that indemnification is proper in the circumstances because the indemnitee has met the applicable standard of conduct.

The Mississippi Business Corporation Act provides that BancorpSouth may indemnify an individual who is a party

to a proceeding because he is a director against liability if: (1) (i) he conducted himself in good faith; (ii) he reasonably believed (A) in the case of conduct in his official capacity, that his conduct was in the best interests of BancorpSouth and (B) in all other cases, that his conduct was at least not opposed to the best interests of BancorpSouth; and (iii) in the case of any criminal proceeding, that he had no reasonable cause to believe that his conduct was unlawful; or (2) he engaged in conduct for which broader indemnification has been made permissible or obligatory under BancorpSouth's restated articles of incorporation.

The Mississippi Business Corporation Act also generally allows, with some exceptions, BancorpSouth to indemnify and advance expenses to officers to the same extent as to directors, and if a person is an officer but not a director, to such further extent as may be provided by BancorpSouth's governing documents, a resolution of the board of directors or by contract.

Pursuant to the Mississippi Business Corporation Act, a BancorpSouth shareholder generally is entitled to appraisal rights and to obtain payment of the fair value of shares in the event of the following corporate actions, with certain exceptions and limits: (i) consummation of a merger to which BancorpSouth is a party if shareholder approval is required for the merger by the Mississippi Business Corporation Act and the shareholder is entitled to vote on the merger, except that appraisal rights are not available with respect to shares of any class or series that remain outstanding after consummation of the merger; (ii) consummation of a share exchange to which BancorpSouth is a party as the corporation whose shares will be acquired if the shareholder is entitled to vote on the exchange, except that appraisal rights are not

Ouachita Bancshares shareholders have dissenters' rights with respect to certain corporate actions. See THE MERGER Dissenters' Rights.

The Louisiana Business Corporation Law provides that if Ouachita Bancshares, by vote of its shareholders, authorizes a sale, lease or exchange of all of its assets or by vote of its shareholders, becomes a party to a merger or consolidation, then, unless such authorization or action shall be given or approved by at least 80% of the total voting power, a shareholder who votes against the corporate action has the right to dissent.

The right to dissent, however, generally does not exist in the case of: (i) a sale pursuant to an order of a court; (ii) a sale for cash on

Ouachita Bancshares does not have a shareholders rights plan.

Control Share Acquisitions

Pursuant to the Mississippi Control Share Act, control shares that are the subject of a control share acquisition only have voting rights as determined by the Mississippi Control Share Act.

Control shares are shares acquired by a person under certain circumstances which would result in voting power, when added to all other shares owned by such person, that would give that person (i) one-fifth or more but less than one-third of all voting power; (ii) one-third or more but less than a majority of all voting power; or (iii) a majority or more of all voting power.

The Louisiana Business Corporation Law addresses certain transactions involving control shares. In general, control shares are shares that would have voting power with respect to shares of an issuing public corporation that, when added to all other shares of the issuing public corporation owned by such person, would entitle that person, immediately after acquisition of the shares, to exercise or direct the exercise of the voting power of the issuing public corporation in the election of directors within certain ranges of voting power. An issuing public corporation is a corporation that: (i) has 100 or more shareholders; (ii) has its principal place of business, its principal office, or substantial assets, whether owned directly or through one or more wholly-owned subsidiaries, within

In general, the voting rights of control shares are restored if, by reason of subsequent issuance of shares or other transactions by the issuing public corporation, the voting power of those control shares is reduced to a range of voting power for which approval has been granted or is not required, upon transfer of such shares to certain other persons or upon the expiration of three years after the date that the shareholders failed to approve a resolution according voting rights to those control shares.

The Mississippi Control Share Act does not apply to BancorpSouth because BancorpSouth is not an issuing public corporation and has not elected to be subject to the Mississippi Control Share Act in its restated articles of incorporation.

Louisiana; and (iii) more than 10% of its shareholders reside in Louisiana, more than 10% of its shares are owned by Louisiana residents or 10,000 shareholders reside in Louisiana. The control share provisions of the Louisiana Business Corporation Law apply to Ouachita Bancshares because it has not, in its governing documents, opted out of application of the rules.

share acquisition only to the extent granted by resolution approved by the shareholders of the issuing public corporation.

In general, in the event control shares acquired in a control share acquisition are accorded full voting rights and the acquiring person has acquired control shares with a majority or more of all voting power, shareholders of the issuing public corporation have dissenters' rights as provided by the Louisiana Business Corporation Law.

The Louisiana Business Corporation Law generally provides that, in the case of a merger or consolidation, the agreement of merger or consolidation shall be submitted to the Ouachita Bancshares shareholders at an annual or special meeting and must be approved by the shareholders of Ouachita Bancshares by a vote of at least two-thirds of the voting power present.

The Louisiana Business Corporation Law generally provides that, in the case of a voluntary sale, lease, exchange or other disposition of all or substantially all of the assets of Ouachita Bancshares, if Ouachita Bancshares is not insolvent, authorization of the transaction may be given only by the shareholders, by vote of at least two-thirds of the voting power present, and if Ouachita Bancshares is insolvent, authorization may be given by vote of two-thirds of the entire board of directors.

The Louisiana Business Corporation Law generally provides that, in the case of a share exchange, the shareholders of Ouachita Bancshares whose shares will be

The restated articles of incorporation of BancorpSouth provide that the affirmative vote of the holders of not less than 80% of the outstanding shares of voting stock is required in the event that the board of directors does not recommend to the shareholders a vote in favor of a merger or consolidation of BancorpSouth with, or a sale, exchange or lease of all or substantially all of the assets of BancorpSouth to, any person or entity.

Pursuant to the Mississippi Business Corporation Act, in the case of a merger or share exchange, with some exceptions, BancorpSouth's board of directors must submit the plan of merger or share exchange to the shareholders for approval and the approval of the plan of merger or share exchange generally requires the approval of the shareholders at a meeting at which a quorum consisting of at least a majority of the shares entitled to vote on the plan exists.

The Mississippi Business Corporation Act provides that a sale, lease, exchange or other disposition of assets, subject to certain exceptions, requires approval of BancorpSouth's shareholders if BancorpSouth would leave the corporation without a significant continuing business activity.

If BancorpSouth retains a business activity that represented at least 25% of total assets at the end of the most recently completed fiscal year, and 25% of either income from continuing operations before taxes or revenues from continuing operations for that fiscal year, in each case of BancorpSouth and its subsidiaries on a consolidated basis, BancorpSouth will conclusively be deemed to have retained a significant continuing business activity. The board of directors must submit the proposed disposition to the shareholders for their approval and the approval of a disposition by the shareholders shall require the approval of the shareholders at a meeting at which a quorum consisting of at least a majority of the shares entitled to vote on the disposition exists.

acquired must approve the plan of exchange, and the plan of exchange to be authorized shall be approved by a vote of at least two-thirds of the voting power present of each class or series included in the share exchange, voting separately as a class at a meeting of shareholders.

The Louisiana Business Corporation Law allows that, notwithstanding the statutory requirement that an action requires the approval of at least two-thirds of the voting power present at any annual or special meeting of shareholders described above, a company's articles of incorporation may provide that any action at an annual or special meeting of shareholders may require the approval of less than two-thirds of the voting power present at such meeting of shareholders. Pursuant to the Ouachita Bancshares articles of incorporation, the Merger Agreement must be approved by the holders of more than 50% of the outstanding shares of Ouachita Bancshares common stock, present in person or by proxy at the special meeting.

The Mississippi Shareholder Protection Act generally provides that in addition to any vote required by law or BancorpSouth's governing documents and subject to certain exceptions, certain business combinations with interested shareholders shall be approved by the affirmative vote of at least 80% of the votes entitled to be cast by outstanding shares of voting stock of BancorpSouth, voting together as a single class, and two-thirds of the votes entitled to be cast by holders of voting stock other than voting stock held by the interested shareholder who is (or whose affiliate or associate is) a party to the business combination or an affiliate or associate of the interested shareholder, voting together as a single class. Pursuant to the Mississippi Shareholder Protection Act, a business combination includes mergers, share exchanges, sales and leases of assets, issuances of securities, and similar transactions with interested shareholders, and an interested shareholder is generally any person or entity that beneficially owns 20% or more of the voting power of any outstanding class or series of BancorpSouth stock. The amended and restated articles of incorporation of BancorpSouth provide that the affirmative vote of the holders of not less than 80% of the outstanding shares of voting stock of BancorpSouth and the affirmative vote of the holders of not less than 67% of the outstanding shares of voting stock of BancorpSouth not held by a shareholder owning or controlling 20% or more of BancorpSouth's voting stock at the time of the proposed transaction (which is referred to as a controlling party) is required for the approval or authorization of a merger,

Ouachita Bancshares Shareholder Rights

Pursuant to the Louisiana Business Corporation Law, in the case of certain transactions or events involving interested shareholders, in addition to any vote otherwise required by law or Ouachita Bancshares' governing documents, a business combination shall be recommended by the Ouachita Bancshares board of directors and, subject to certain exceptions, approved by the affirmative vote of at least 80% of the votes entitled to be cast by outstanding shares of voting stock of Ouachita Bancshares voting together as a single voting group and two-thirds of the votes entitled to be cast by holders of voting stock other than voting stock held by the interested shareholder who is or whose affiliate is a party to the business combination or an affiliate or associate of the interested shareholder, voting together as a single voting group. The Louisiana Business Corporation Law generally defines a business combination to include a merger, consolidation, share exchange, sale, lease, and the issuance or transfer of equity securities with or to an interested shareholder, and an interested shareholder as any person that is the beneficial owner of 10% or more of the voting power of the outstanding voting stock of the corporation. The Ouachita Bancshares articles of incorporation provide that a contract or transaction between Ouachita Bancshares and any person or entity shall not be affected or invalidated solely by the fact that any Ouachita Bancshares director, officer or shareholder is also a party to, or has an interest in, such contract or transaction, or by the fact that any Ouachita Bancshares director, officer or shareholder is in any way connected with such other person or entity or with any of its officers or directors.

Consideration of Other Constituencies

The Mississippi Business Corporation Act provides that a BancorpSouth director, in determining what he reasonably believes to be in the best interests of BancorpSouth, shall consider the interests of BancorpSouth shareholders and, in his discretion, may consider the interests of BancorpSouth employees, suppliers, creditors and customers, the economy of the state and nation, community and societal considerations and the long-term as well as short-term interests of BancorpSouth and its shareholders, including the possibility that such interests may be best served by the continued independence of BancorpSouth.

The Louisiana Business Corporation Law provides that the Ouachita Bancshares board of directors, when evaluating a tender offer or an offer to make a tender or exchange offer or to effect a merger or consolidation, may, in exercising its judgment in determining what is in the best interest of Ouachita Bancshares and its shareholders, consider, among other things, the social and economic effects of such transaction on Ouachita Bancshares, its subsidiaries, or their employees, customers, creditors and the communities in which Ouachita Bancshares and its subsidiaries do business.

ARTICLE II.

CONSIDERATION AND EXCHANGE PROCEDURES

Section 2.1 Merger Consideration.

(a) The shares of Company Stock outstanding immediately prior to the Effective Time (excluding any Treasury Shares (as defined herein)) (all such shares are hereinafter referred to as the Outstanding Company Shares and each such share is hereinafter referred to as an Outstanding Company Share) shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and represent the right to receive in the aggregate (i) an amount of cash equal to \$22,875,000 less the amount of the Retained Earnings Dividend (as defined herein) (the Aggregate Cash Consideration) and (ii) 3,675,000 shares (the Aggregate Stock Consideration) of common stock, \$2.50 par value, of BancorpSouth (BancorpSouth Common Stock) (the Aggregate Stock Consideration together with the Aggregate Cash Consideration, the Aggregate Merger Consideration), unless such consideration is otherwise adjusted as provided in Section 2.3.

(b) At the Effective Time, all Outstanding Company Shares shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each certificate previously representing any such shares shall thereafter represent only the right to receive the allocable portion of the Aggregate Merger Consideration. Each Outstanding Company Share shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and represent the right to receive (i) an amount of cash (the Per Share Cash Consideration) equal to the quotient obtained by dividing (A) the Aggregate Cash Consideration by (B) the Outstanding Company Shares, and (ii) a number of BancorpSouth Common Stock (the Per Share Stock Consideration) equal to the quotient obtained by dividing (A) the Aggregate Stock Consideration by (B) the Outstanding Company Shares (together with the Per Share Cash Consideration, the Per Share Merger Consideration), unless such Per Share Cash Consideration and/or Per Share Stock Consideration is otherwise adjusted as provided in Section 2.3.

(c) Each share of Company Stock held in the treasury of the Company and each share of Company Stock owned by any direct or indirect wholly owned Subsidiary (as defined herein) of the Company immediately prior to the Effective Time (the Treasury Shares) (other than (i) shares of Company Stock held, directly or indirectly, in trust accounts, managed accounts and the like or otherwise held in a fiduciary capacity that are beneficially owned by

Table of Contents

third parties and (ii) shares of Company Stock held in respect of a debt previously contracted) shall be cancelled without any conversion and no payment or distribution shall be made with respect thereto.

(d) Notwithstanding anything in this Agreement to the contrary, BancorpSouth will not issue any fractional shares of BancorpSouth Common Stock otherwise issuable pursuant to the Merger. In lieu of the issuance of any such fractional shares, BancorpSouth shall pay to each former holder of Company Stock otherwise entitled to receive such fractional share an amount of cash determined by multiplying (i) the Average Closing Price by (ii) the fraction of a share of BancorpSouth Common Stock which such holder would otherwise be entitled to receive pursuant to this Section 2.1. Average Closing Price of BancorpSouth Common Stock shall be the average of the closing price per share of BancorpSouth Common Stock on The New York Stock Exchange (NYSE) (as reported in *The Wall Street Journal* or, if not reported thereby, another alternative source as chosen by BancorpSouth) for the ten (10) consecutive trading days ending on and including the fifth trading day preceding the Closing Date.

Section 2.2 Anti-Dilutive Adjustment. The aggregate number of shares of BancorpSouth Common Stock to be exchanged for each share of Company Stock shall be adjusted appropriately to reflect any change in the number of shares of BancorpSouth Common Stock by reason of any stock dividends or splits, reclassification, recapitalization or conversion with respect to BancorpSouth Common Stock, received or to be received by holders of BancorpSouth Common Stock, when the record date or payment occurs prior to the Effective Time.

Section 2.3 Adjustment to Merger Consideration for Equity Capital and Pricing Collars.

(a) If the Equity Capital (as defined below) on the Closing Date shall be less than the Equity Capital Minimum (as defined below), then (i) first the Aggregate Cash Consideration (after giving effect to any adjustment in Section 2.3(c)) will be reduced by an amount (the Capital Deficiency Amount) equal to (A) the Equity Capital Minimum minus (B) the Equity Capital on the Closing Date, and, (ii) if the Capital Deficiency Amount exceeds the amount of the Aggregate Cash Consideration (after giving effect to any adjustment in Section 2.3(c)) (the amount of such excess, the Excess Capital Deficiency Amount), next the Aggregate Stock Consideration (after giving effect to any adjustment in Section 2.3(c)) will be reduced by a number of shares of BancorpSouth Common Stock equal to (A) the Excess Capital Deficiency Amount divided by (B) the Average Closing Price (rounded to the nearest whole share). For purposes of this Agreement, the term Equity Capital Minimum means an amount equal to (i) \$50,000,000, less (ii) the amount of the Retained Earnings Dividend.

(b) For purposes of this Agreement, Equity Capital shall equal the sum of the common stock, capital surplus and retained earnings of the Company, excluding unrealized securities gains or losses, on a consolidated basis, as determined pursuant to generally accepted accounting principles (GAAP) and as agreed between the Company and BancorpSouth. For purposes of calculating Equity Capital, the Company shall include deductions made for certain extraordinary items related to the Merger, this Agreement and the transactions contemplated

hereby, including reductions for (i) the after-tax amount of all costs and expenses related to the Merger, this Agreement and the transactions contemplated hereby, (ii) any amounts required to be added to the Company's allowance for loan losses pursuant to Section 5.9, (iii) the after-tax premium or additional cost incurred to provide for the continuation of certain of the Company's insurance policies pursuant to Section 5.8, (iv) the estimated after-tax amount of any penalty or liquidated damages associated with the termination of the Company's contracts with any provider of electronic banking and data processing services following the Closing Date pursuant to Section 5.6; provided that, for the avoidance of doubt, the foregoing shall not include any de-conversion costs or fees, (v) the after-tax amount of the accrual through the Closing Date in accordance with GAAP, and confirmed by a third-party consultant of BancorpSouth, of any future benefit payments due under any salary continuation, deferred compensation or other similar agreements, (vi) the after-tax amount of any cost to fully fund and liquidate any Company Employee Plan (as defined herein) and to pay all related expenses and fees to the extent such termination is requested by BancorpSouth pursuant to Section 7.4, (vii) the after-tax amount of any payments to be made to cash out any outstanding stock appreciation rights or stock appreciation units related to the Company Stock, (viii) the after-tax amount of any payments to be made pursuant to any existing employment, change in control, salary continuation, deferred compensation or other similar agreements or severance, noncompetition, retention or bonus arrangements between the Company or the Bank and any other Person, including pursuant to Section 10.4; provided, however, that an aggregate amount not to exceed \$95,000 actually paid by the Company or the Bank to employees of the Company or the Bank as employee signing bonuses in connection with entry into employment agreements shall not reduce Equity Capital, and (ix) the after-tax amount of any fees and commissions payable to any broker, finder, financial advisor or investment banking firm in connection with this Agreement and the transactions contemplated hereby; provided that, adjustments with respect to (iii) – (ix) shall be mutually determined by BancorpSouth and the Company. Except for the foregoing clauses (i) through (ix), costs and expenses required by BancorpSouth pursuant to this Agreement to be incurred by the Company shall not be included in (reduce) the Equity Capital of the Company. For purposes of calculating the after-tax effect of the foregoing, the parties hereby agree that the applicable tax rate to the Company shall be deemed to be 43.4%. For the avoidance of doubt, Equity Capital shall be reduced dollar for dollar by the amount of any dividend or other distribution by the Company occurring on or after the date of this Agreement and prior to or on the Closing Date, including the Stock Option Dividend and the Retained Earnings Dividend (each as defined herein).

(c) Pricing Collars.

(i) In the event that the Average Closing Price is less than \$20.71, then the Company shall be entitled to give written notice to BancorpSouth of its intention to terminate this Agreement. If BancorpSouth receives such notice, it shall have the right, but not the obligation, in its sole discretion to increase (x) the Per Share Stock Consideration, (y) the Per Share Cash Consideration or (z) both the Per Share Stock Consideration and the Per Share Cash Consideration, so that as a result of any such adjustments, the Aggregate Merger Consideration based on the Average Closing Price, shall be no less than \$99,000,000, subject to reduction as contemplated in Section 2.3(a). If BancorpSouth adjusts the Aggregate Merger Consideration as provided in this Section 2.3(c)(i), the Company shall no longer have the right to terminate this Agreement as provided in this Section 2.3(c)(i).

Table of Contents

(ii) In the event that the Average Closing Price is greater than \$24.25, then BancorpSouth shall decrease, at its election (x) the Per Share Stock Consideration, (y) the Per Share Cash Consideration, or (z) both the Per Share Stock Consideration and the Per Share Cash Consideration, so that as a result of any such adjustments, the Aggregate Merger Consideration based on the Average Closing Price, shall be no more than \$112,000,000, subject to reduction as contemplated in Section 2.3(a). (b) If this Agreement is approved by such shareholders, the Company will take all reasonable actions to aid and assist in the consummation of the Merger, and will use commercially reasonable efforts to take or cause to be taken all other actions necessary, proper or advisable to consummate the transactions contemplated by this Agreement, including such actions as it and BancorpSouth reasonably consider necessary, proper or advisable in connection with filing applications and registration statements with, or obtaining approvals from, all Governmental Bodies having jurisdiction over the transactions contemplated by this Agreement.

(b) Notwithstanding anything to the contrary in Section 5.5(a), if the Company has complied with Section 5.5(a) and the Company or any of its representatives receives an unsolicited bona fide Acquisition Proposal before the Company Shareholder Approval that the Company Board has (i) determined in its good faith judgment (after consultation with the Company's financial advisors set forth in Section 3.24 of the Schedules or a nationally recognized investment firm (the Financial Advisor), and the Company's outside legal counsel) that such Acquisition Proposal constitutes or would reasonably be expected to result in a Superior Proposal, (ii) determined in its good faith judgment (after consultation with

No such adjustment shall by itself constitute or be deemed to be a breach, violation or failure to satisfy any representation, warranty, covenant, condition or other provision or constitute grounds for termination of this Agreement or be an acknowledgment by the Company or the Bank (a) of any adverse circumstances for purposes of determining whether the conditions to BancorpSouth's obligations under this Agreement have been satisfied or (b) that such adjustment has any bearing on the Merger Consideration. No adjustment required by BancorpSouth shall (y) require any prior filing with any Governmental Body or (z) violate any law, rule or regulation applicable to the Company or the Bank.

No attendance by a representative of BancorpSouth at the Company's or the Bank's board or committee meetings under this Section 5.11 or knowledge gained or deemed to have been gained by virtue of such attendance will affect any of the representations and warranties in this Agreement made by the Company. If the transactions contemplated by this Agreement are disapproved by any regulatory authority whose approval is required or the Agreement is otherwise terminated prior to the Effective Time, then BancorpSouth's designees will no longer be entitled to notice of and attend such meetings.

including conducting asbestos surveys and sampling, environmental assessments and investigation, and other non-invasive or non-destructive environmental surveys and analyses (Environmental Inspections) at any time on or prior to thirty (30) days after the date of this Agreement. If, as a result of any such Environmental Inspection, further investigation (secondary investigation) including test borings, soil, water, asbestos or other sampling, is deemed desirable by BancorpSouth, BancorpSouth shall (i) notify the Company of any property for which it intends to conduct such a secondary investigation and the reasons for such secondary investigation, (ii) submit a work plan to the Company for such secondary investigation, for which BancorpSouth agrees to afford the Company the ability to comment on and BancorpSouth agrees to reasonably consider all such comments (and negotiate in good faith any such comments), and (iii) conclude such secondary investigation, on or prior to sixty (60) days after the date of receipt of the Company's comments. BancorpSouth shall give reasonable notice to the Company of such secondary investigations, and the Company may place reasonable restrictions on the time and place at which such secondary investigations may be carried out.

(b) The Company agrees to indemnify and hold harmless BancorpSouth for any claims for damage to property, or injury or death to persons, made as a result of any Environmental Inspection or secondary investigation conducted by BancorpSouth or its agents, representatives or contractors to the extent attributable to the gross negligence or willful misconduct of the Company or its agents, representatives or contractors. BancorpSouth agrees to indemnify and hold harmless the Company for any claims for damage to property, or injury or death to persons made as a result of any Environmental Inspection or secondary investigation conducted by BancorpSouth or its agents, representatives or contractors, to the extent attributable to the gross negligence or willful misconduct of BancorpSouth or its agents, representatives or contractors in performing any Environmental Inspection or secondary investigation. If the Closing does not occur, the foregoing indemnities shall survive the termination of this Agreement. BancorpSouth shall not have any Liability or responsibility of any nature whatsoever for the results, conclusions or other findings related to any Environmental Inspection, secondary investigation or other environmental survey. If this Agreement is terminated, then, except as otherwise required by law, reports to any governmental authority of the results of any Environmental Inspection, secondary investigation or other environmental survey shall be made by the Company in the exercise of its sole discretion and not by BancorpSouth. BancorpSouth shall make no such report prior to Closing unless required to do so by law, and in such case will give the Company reasonable prior notice of BancorpSouth's intentions so as to enable the Company to review and comment on such proposed report.

(c) BancorpSouth shall have the right to terminate this Agreement within ninety (90) days after the date of this Agreement if (i) the results of such Environmental Inspection, secondary investigation or other environmental survey are disapproved by BancorpSouth because the Environmental Inspection, secondary investigation or other environmental survey identifies violations or potential violations of Environmental Laws that is reasonably likely to result in a Material Adverse Effect on the Company; (ii) any past or present events, conditions or circumstances that could reasonably be expected to require further investigation, remedial or cleanup action under Environmental Laws involving an expenditure reasonably expected by BancorpSouth to exceed \$100,000 or that is reasonably likely to result in a Material Adverse Effect on the Company or the Bank; (iii) the Environmental Inspection, secondary investigation or other environmental survey identifies the presence of any

(a) For a four (4) year period after the Effective Time, and subject to the limitations contained in applicable Federal Reserve Board and FDIC regulations and to any limitations contained in the Organizational Documents of the Company or the Bank, BancorpSouth will indemnify and hold harmless each present director and officer of the Company, the Bank or Bankers Mortgage Center, Inc., a Louisiana corporation (BMC), as applicable, determined as of the Effective Time (the Indemnified Parties) against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or before the Effective Time, whether asserted or claimed before, at or after the Effective Time, arising in whole or in part out of or pertaining to the fact that he or she was acting in his or her capacity as a director or officer of the Company, the Bank or BMC to the fullest extent that the Indemnified Party would be entitled under the Organizational Documents of the Company, the Bank or BMC, as applicable, in each case as in effect on the date hereof and to the extent permitted by applicable law.

(b) Any Indemnified Party wishing to claim indemnification under this Section 6.7, upon learning of any such claim, action, suit, proceeding or investigation, is to promptly notify BancorpSouth, but the failure to so notify will not relieve BancorpSouth of any liability it may have to the Indemnified Party to the extent such failure does not prejudice BancorpSouth. In any such claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), (i) BancorpSouth will have the right to assume the defense thereof and BancorpSouth will not be liable to an Indemnified Party for any legal expenses of other counsel or any other expenses subsequently incurred by an Indemnified Party in connection with the defense thereof, except that if BancorpSouth elects not to assume such defense or counsel for the Indemnified Party is of the opinion that there are issues which raise conflicts of interest between BancorpSouth and the Indemnified Party, the Indemnified Party may retain counsel reasonably satisfactory to BancorpSouth, and BancorpSouth will pay the reasonable fees and expenses of such counsel for the Indemnified Party (which may not exceed one firm in any jurisdiction), (ii) the Indemnified Party will cooperate in the defense of any such matter, (iii) BancorpSouth will not be liable for any settlement effected without its prior written consent, and (iv) BancorpSouth will have no obligation hereunder if indemnification of an Indemnified Party in the manner contemplated hereby is prohibited by applicable laws and regulations.

Section 7.4 Employee Benefit Plans.

(a) To the extent requested by BancorpSouth, the Company or its appropriate Subsidiary shall execute and deliver such instruments and take such other actions as BancorpSouth may reasonably require in order to cause the amendment or termination of any Company Employee Plan on terms satisfactory to BancorpSouth and in accordance with applicable law and effective prior to the Closing Date, except that the winding up of any such plan may be completed following the Closing Date. BancorpSouth agrees that the employees of the Company and its Subsidiaries who continue their employment after the Closing Date (the Company Employees) will be entitled to participate as newly hired employees in the employee benefit plans and programs maintained for employees of BancorpSouth and BancorpSouth Bank, in accordance with the respective terms of such plans and programs, and BancorpSouth shall take all actions reasonably necessary or appropriate to facilitate coverage of the Company Employees in such plans and programs from and after the Closing Date, subject to paragraphs (b) and (c) of this Section 7.4.

To the extent permitted by the applicable BancorpSouth plans and applicable law, BancorpSouth further agrees to credit each Company Employee and his eligible dependents for the year during which coverage under BancorpSouth's group health plan begins, with any deductibles, co-pays or out-of-pocket payments already incurred by such Company Employee during such year under the Company's group health plan. For purposes of determining Company Employee's benefits for the calendar year in which the Merger occurs under BancorpSouth's vacation program, any vacation taken by a Company Employee immediately preceding the Closing Date for the calendar year in which the Merger occurs will be deducted from the total BancorpSouth vacation benefit available to such Company Employee for such calendar year.

TERMINATION

Section 9.1 Termination.

(a) Notwithstanding any other provision of this Agreement, this Agreement may be terminated and the Merger contemplated hereby may be abandoned by action of the board of directors of BancorpSouth or the Company at any time prior to the Effective Time if:

(i) any court of competent jurisdiction in the United States or other Governmental Body shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the Merger and such order, decree, ruling or other action shall be final and non-appealable;

(ii) any of the transactions contemplated by this Agreement are disapproved by any Governmental Body or other Person whose approval is required to consummate any of such transactions;

(iii) the Effective Time has not occurred on or before the one hundred eightieth (180th) day following the date of this Agreement, unless one or more of the Regulatory Approvals has not been received on or before the 180th day after the date of this Agreement, in which case the Effective Time has not occurred on or before the two hundred tenth (210th) day following the date of this Agreement, or such later date as has been approved in writing by the Boards of Directors of BancorpSouth and the Company; but the right to terminate under this Section 9.1(a)(iii) shall not be available to any party whose failure to fulfill any material obligation under this Agreement has been the cause of, or has resulted in, the failure of the Effective Time to occur on or before such applicable date; or

(iv) the Company Shareholder Approval shall not have been obtained by reason of the failure to obtain the required vote at the Company Shareholder Meeting.

(b) This Agreement may be terminated at any time prior to the Effective Time by action of the board of directors of the Company if BancorpSouth shall fail to comply in any material respect with any of its covenants or agreements contained in this Agreement, or if any of the representations or warranties of BancorpSouth contained herein shall be inaccurate in any material respect. If the board of directors of the Company desires to terminate this Agreement because of an alleged breach or inaccuracy as provided in this Section 9.1(b), the board of directors must notify BancorpSouth in writing of its intent to terminate stating the reason therefor. BancorpSouth shall have fifteen (15) days from the receipt of such notice to cure the alleged breach or inaccuracy, if the breach or inaccuracy is capable of being cured.

(c) This Agreement may be terminated at any time prior to the Effective Time by action of the board of directors of BancorpSouth if (i) the Company fails to comply in any material respect with any of its covenants or agreements contained in this Agreement, or if any of the representations or warranties of the Company contained herein shall be inaccurate in any material respect, (ii) any approval required to be obtained from any regulatory authority or agency is obtained subject to restrictions or conditions on the operations of the Company, the

Bank, BancorpSouth or BancorpSouth Bank which, in the reasonable judgment of BancorpSouth, would adversely impact the economic or business benefits of the transactions contemplated by this Agreement or otherwise would, in the reasonable judgment of BancorpSouth, be so burdensome as to render inadvisable the consummation of the transactions contemplated by this Agreement, or (iii) any of the conditions set forth in Section 5.12(c) shall have occurred. In the event the board of directors of BancorpSouth desires to terminate this Agreement because of an alleged breach or inaccuracy as provided in Section 9.1(c)(i), the board of directors must notify the Company in writing of its intent to terminate stating the reason therefor. The Company shall have fifteen (15) days from the receipt of such notice to cure the alleged breach or inaccuracy, if the breach or inaccuracy is capable of being cured.

(d) This Agreement may be terminated at any time prior to the Effective Time upon the mutual written consent of BancorpSouth and the Company and the approval of such action by their respective boards of directors.

(e) This Agreement may be terminated at any time prior to the Effective Time by the Company if, and to the extent, provided in Section 2.3(c)(i).

(f) This Agreement may be terminated at any time before the Company Shareholder Approval by the board of directors of the Company if before such time, the Company receives an unsolicited bona fide Acquisition Proposal and the board of directors of the Company determines in its good faith judgment (after consultation with the Financial Advisor and the Company's outside legal counsel), that (i) such Acquisition Proposal (if consummated pursuant to its terms and after giving effect to the payment of the Termination Fee and BancorpSouth Expenses (each as defined herein) is a Superior Proposal and (ii) the failure to terminate this Agreement and accept such Superior Proposal would cause or would be reasonably likely to cause it to violate its fiduciary duties under applicable law; provided, however, that the Company may not terminate this Agreement under this Section 9.1(f) unless:

(i) the Company has provided prior written notice to BancorpSouth at least five (5) business days in advance (the Notice Period) of taking such action, which notice advises BancorpSouth that the board of directors of the Company has received a Superior Proposal, specifies the material terms and conditions of such Superior Proposal (including the identity of the Person or Group (as such term is defined in Section 13(d) under the Exchange Act) making the Superior Proposal); and

(ii) during the Notice Period, the Company negotiates, and causes the Financial Advisor and the Company's outside counsel to negotiate, with BancorpSouth in good faith (to the extent BancorpSouth desires to so negotiate) to make such adjustments in the terms and conditions of this Agreement so that such Superior Proposal ceases to constitute a Superior Proposal, and the board of directors of the Company considers such adjustments in the terms and conditions of this Agreement resulting from such negotiations and concludes in good faith based upon consultations with the Financial Advisor and the advice of the Company's outside legal counsel that such Superior Proposal remains a Superior Proposal even after giving effect to the adjustments in the terms and conditions of this Agreement proposed by BancorpSouth.

Table of Contents

If during the Notice Period any revisions are made to the Superior Proposal and the board of directors of the Company in its good faith judgment determines such revisions are material, the Company shall deliver a new written notice to BancorpSouth and shall comply with the requirements of this Section 9.1(f) with respect to such new written notice, except that the new Notice Period shall be three (3) business days. Termination under this this Section 9.1(f) shall not be deemed effective until payment of the Termination Fee and/or BancorpSouth Expenses as required by Section 9.3.

(g) This Agreement may be terminated at any time before the Closing by the board of directors of BancorpSouth if (i) the Company has breached the covenant contained in Section 5.5 in a manner adverse to BancorpSouth; (ii) the board of directors of the Company resolves to accept a Superior Proposal; or (iii) the board of directors of the Company Board effects a Change in Recommendation.

Section 9.2 Effect of Termination. Except as provided in Section 9.3, if this Agreement is terminated by either BancorpSouth or the Company as provided in Section 9.1, this Agreement shall become void and have no effect, without any liability on the part of any party or its directors, officers or shareholders, except that the provisions of Section 5.12, Section 7.2, Section 9.2 and Section 13.5 shall survive termination of this Agreement. Nothing contained in this Section 9.2 shall relieve any party hereto of any liability for a breach of this Agreement.

Section 9.3 Termination Fee and Expenses. To compensate BancorpSouth for entering into this Agreement, taking actions to consummate the transactions contemplated hereunder and incurring the costs and expenses related thereto and other losses and expenses, including foregoing the pursuit of other opportunities by BancorpSouth, the Company and BancorpSouth agree as follows:

(a) Provided that BancorpSouth is not in material breach of any covenant or obligation under this Agreement (which breach has not been cured within fifteen (15) days following receipt of written notice thereof by the Company specifying in reasonable detail the basis of such alleged breach), if this Agreement is terminated by:

(i) the Company under the provisions of Section 9.1(f), then the Company shall pay to BancorpSouth the sum of \$4,500,000 (the Termination Fee) plus all expenses incurred by BancorpSouth in connection with the proposed transaction in immediately available funds, provided that the aggregate amount of all such expenses shall not exceed \$500,000 (BancorpSouth Expenses);

(ii) BancorpSouth under the provisions of Section 9.1(g), then the Company shall pay to BancorpSouth the Termination Fee plus the BancorpSouth Expenses in immediately available funds;

(iii) either BancorpSouth or the Company under the provisions of (A) Section 9.1(a)(iii), if at the time of termination, the Registration Statement has been declared effective for at least 25 business days prior to such termination and the Company shall have failed to call, give notice of, convene and hold the Company Shareholder Meeting in accordance with Section 5.1, or (B) Section 9.1(a)(iv), if, at the

time of termination, there exists an Acquisition Proposal with respect to the Company, then the Company shall pay to BancorpSouth the BancorpSouth Expenses in immediately available funds; or

(iv) either BancorpSouth or the Company under the provisions of (A) Section 9.1(a)(iii), if at such time the Company Shareholder Approval has not occurred, or (B) Section 9.1(a)(iv), if, at the time of termination, there exists an Acquisition Proposal with respect to the Company and, with respect to either clause (A) or (B), within twelve (12) months of the termination of this Agreement, the Company enters into an Acquisition Agreement with any Person with respect to any Acquisition Proposal, then the Company shall pay to BancorpSouth the Termination Fee in immediately available funds, which shall be in addition to the BancorpSouth Expenses to be paid pursuant to Section 9.3(a)(iii).

(b) The payment of the Termination Fee and/or BancorpSouth Expenses shall be BancorpSouth's sole and exclusive remedy with respect to termination of this Agreement as set forth in this Section 9.3. For the avoidance of doubt, in no event shall the Termination Fee described in this Section 9.3 be payable on more than one occasion.

(c) Any payment required by Section 9.3 shall become payable within two (2) business days after receipt by the non-terminating party of written notice of termination of this Agreement; provided, however, that if the payment of the Termination Fee is required pursuant to Section 9.3(a)(iv), then such payment shall become payable on or before the date of execution by the Company of an Acquisition Agreement.

(d) For purposes of this Agreement, an Acquisition Agreement means any letter of intent, agreement in principle, memorandum of understanding, merger agreement, asset or share purchase or share exchange agreement, option agreement or any similar agreement related to any Acquisition Proposal.

(e) For purposes of this Agreement, Acquisition Proposal means any proposal (whether communicated to the Company or publicly announced to the Company's shareholders) by any Person (other than BancorpSouth or any of its Affiliates) for an Acquisition Transaction involving the Company, any Subsidiary or any future Subsidiary of the Company, or any combination of such Subsidiaries, the assets of which constitute, or would constitute, 20% or more of the consolidated assets of the Company as reflected on the Company's most recent consolidated statement of condition prepared in accordance with GAAP.

(f) For purposes of this Agreement, Acquisition Transaction means any transaction or series of related transactions (other than the transactions contemplated by this Agreement) involving: (i) any acquisition or purchase from the Company by any Person or Group (as such term is defined in Section 13(d) under the Exchange Act), other than BancorpSouth or any of its Affiliates, of 20% or more in interest of the total outstanding voting securities of the Company or the Bank, or any tender offer or exchange offer that if consummated would result in any Person or Group (other than BancorpSouth or any of its Affiliates) beneficially owning 20% or more in interest of the total outstanding voting securities of the Company or the Bank, or any merger, consolidation, business combination or similar

transaction involving the Company or the Bank pursuant to which the shareholders of the Company immediately preceding such transaction hold less than 80% of the equity interests in the surviving or resulting entity (which includes the parent corporation of any constituent corporation to any such transaction) of such transaction; (ii) any sale or lease (other than in the ordinary course of business), or exchange, transfer, license, acquisition or disposition of 20% or more of the assets of the Company or the Bank; or (iii) any liquidation or dissolution of the Company or the Bank.

(g) For purposes of this Agreement, Superior Proposal means any bona fide written Acquisition Proposal which the board of directors of the Company reasonably determines, in its good faith judgment based on, among other things, the advice of the Company's outside counsel and the Financial Advisor, (i) to be more favorable from a financial point of view to the Company's shareholders than the Merger taking into account all terms and conditions of the proposal and (ii) reasonably capable of being consummated on the terms proposed, taking into account all legal, financial, regulatory (including the advice of the Company's outside counsel regarding the potential for regulatory approval of any such proposal) and other aspects of such proposal and any other relevant factors permitted under applicable law; provided, that for purposes of the definition of Superior Proposal, the references to 20% and 80% in the definitions of Acquisition Proposal and Acquisition Transaction shall be deemed to be references to 50%.

ANNEX B

§131. Rights of a shareholder dissenting from certain corporate actions

A. Except as provided in Subsection B of this Section, if a corporation has, by vote of its shareholders, authorized a sale, lease or exchange of all of its assets, or has, by vote of its shareholders, become a party to a merger or consolidation, then, unless such authorization or action shall have been given or approved by at least eighty per cent of the total voting power, a shareholder who voted against such corporate action shall have the right to dissent. If a corporation has become a party to a merger pursuant to R.S. 12:112(G), the shareholders of any subsidiaries party to the merger shall have the right to dissent without regard to the proportion of the voting power which approved the merger and despite the fact that the merger was not approved by vote of the shareholders of any of the corporations involved.

B. The right to dissent provided by this Section shall not exist in the case of:

(1) A sale pursuant to an order of a court having jurisdiction in the premises.

(2) A sale for cash on terms requiring distribution of all or substantially all of the net proceeds to the shareholders in accordance with their respective interests within one year after the date of the sale.

(3) Shareholders holding shares of any class of stock which, at the record date fixed to determine shareholders entitled to receive notice of and to vote at the meeting of shareholders at which a merger or consolidation was acted on, were listed on a national securities exchange, or were designated as a national market system security on an inter-dealer quotation system by the Financial Industry Regulatory Authority, unless the articles of the corporation issuing such stock provide otherwise or, except in the case of shareholders of a corporation surviving the merger or consolidation in which each share of such corporation outstanding immediately prior to the effective date of the merger or consolidation is an identical outstanding or treasury share of such corporation after the effective date of the merger or consolidation, the shares of such shareholders were not converted by the merger or consolidation solely into shares of the surviving or new corporation.

C.(1)(a) Except as provided in Paragraph (4) of this Subsection, any shareholder electing to exercise such right of dissent shall file with the corporation, prior to or at the meeting of shareholders at which such proposed corporate action is submitted to a vote, a written objection to such proposed corporate action, and shall vote his shares against such action. If such proposed corporate action be taken by the required vote, but by less than eighty percent of the total voting power, and the merger, consolidation or sale, lease or exchange of assets authorized thereby be effected, the corporation shall promptly thereafter give written notice thereof to each shareholder who filed such written objection to, and voted his shares against, such action, at such shareholder's last address on the corporation's records.

(b) An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

(2) Each such shareholder may, within twenty days after the mailing of such notice to him, but not thereafter, file with the corporation a demand in writing for the fair cash value of his shares as of the day before such vote was taken; provided that he state in such demand the value demanded, and a post office address to which the reply of the corporation may be sent, and at the same time deposit in escrow in a chartered bank or trust company located in the parish of the registered office of the corporation, the certificates representing his shares, duly endorsed and transferred to the corporation upon the sole condition that said certificates shall be delivered to the corporation upon payment of the value of the shares determined in accordance with the provisions of this Section. With his demand the shareholder

shall deliver to the corporation, the written acknowledgment of such bank or trust company that it so holds his certificates of stock.

(3) Unless the objection, demand, and acknowledgment are made and delivered by the shareholder within the period limited in Paragraphs (1) and (2), he shall conclusively be presumed to have acquiesced in the corporate action proposed or taken.

(4) In the case of a merger pursuant to R.S. 12:112(G), the dissenting shareholder need not file an objection with the corporation nor vote against the merger, but need only file with the corporation within twenty days after a copy of the merger certificate was mailed to him, a demand in writing for the cash value of his shares as of the day before the certificate was filed with the secretary of state, state in such demand the value demanded and a post office address to which the corporation's reply may be sent, deposit the certificates representing his shares in escrow as provided in Paragraph (2), and deliver to the corporation with his demand the acknowledgment of the escrow bank or trust company as prescribed in Paragraph (2).

Annex B - 1

Table of Contents

D. If the corporation does not agree to the value so stated and demanded, or does not agree that a payment is due, it shall, within twenty days after receipt of such demand and acknowledgment, notify in writing the shareholder, at the designated post office address, of its disagreement, and shall state in such notice the value it will agree to pay if any payment should be held to be due; otherwise it shall be liable for, and shall pay to the dissatisfied shareholder, the value demanded by him for his shares.

E. In case of disagreement as to such fair cash value, or as to whether any payment is due, after compliance by the parties with the provisions of subsections C and D of this section, the dissatisfied shareholder, within sixty days after receipt of notice in writing of the corporation's disagreement, but not thereafter, may file suit against the corporation, or the merged or consolidated corporation, as the case may be, in the district court of the parish in which the corporation or the merged or consolidated corporation, as the case may be, has its registered office, praying the court to fix and decree the fair cash value of the dissatisfied shareholder's shares as of the day before such corporate action complained of was taken, and the court shall, on such evidence as may be adduced in relation thereto, determine summarily whether any payment is due, and, if so, such cash value, and render judgment accordingly. Any shareholder entitled to file such suit may, within such sixty-day period but not thereafter, intervene as a plaintiff in such suit filed by another shareholder, and recover therein judgment against the corporation for the fair cash value of his shares. No order or decree shall be made by the court staying the proposed corporate action, and any such corporate action may be carried to completion notwithstanding any such suit. Failure of the shareholder to bring suit, or to intervene in such a suit, within sixty days after receipt of notice of disagreement by the corporation shall conclusively bind the shareholder (1) by the corporation's statement that no payment is due, or (2) if the corporation does not contend that no payment is due, to accept the value of his shares as fixed by the corporation in its notice of disagreement.

F. When the fair value of the shares has been agreed upon between the shareholder and the corporation, or when the corporation has become liable for the value demanded by the shareholder because of failure to give notice of disagreement and of the value it will pay, or when the shareholder has become bound to accept the value the corporation agrees is due because of his failure to bring suit within sixty days after receipt of notice of the corporation's disagreement, the action of the shareholder to recover such value must be brought within five years from the date the value was agreed upon, or the liability of the corporation became fixed.

G. If the corporation or the merged or consolidated corporation, as the case may be, shall, in its notice of disagreement, have offered to pay to the dissatisfied shareholder on demand an amount in cash deemed by it to be the fair cash value of his shares, and if, on the institution of a suit by the dissatisfied shareholder claiming an amount in excess of the amount so offered, the corporation, or the merged or consolidated corporation, as the case may be, shall deposit in the registry of the court, there to remain until the final determination of the cause, the amount so offered, then, if the amount finally awarded such shareholder, exclusive of interest and costs, be more than the amount offered and deposited as aforesaid, the costs of the proceeding shall be taxed against the corporation, or the merged or consolidated corporation, as the case may be; otherwise the costs of the proceeding shall be taxed against such shareholder.

H. Upon filing a demand for the value of his shares, the shareholder shall cease to have any of the rights of a shareholder except the rights accorded by this section. Such a demand may be withdrawn by the shareholder at any time before the corporation gives notice of disagreement, as provided in subsection D of this section.
