Item 1.01. Entry into a Material Definitive Agreement.

On September 19, 2014, Cadence Design Systems, Inc. (Cadence) entered into a \$250 million five-year senior unsecured revolving credit facility, documented as an amendment (the Amendment) to that certain five-year senior secured revolving credit facility, dated December 12, 2012 (the Existing Credit Agreement and, as amended, the Amended Credit Agreement), with Bank of America, N.A., as sole administrative agent, and other lenders party thereto.

The Amended Credit Agreement is unsecured, and all liens securing the Existing Credit Agreement were released upon effectiveness of the Amendment. Pursuant to the Amendment, all of the guaranties by Cadence s subsidiaries under the Existing Credit Agreement were also released, and there are currently no subsidiaries guaranteeing Cadence s obligations under the Amended Credit Agreement. Any future material domestic subsidiaries will be required to become guarantors, subject to certain exceptions set forth in the Amended Credit Agreement.

Borrowings by Cadence under the Amended Credit Agreement may be used to finance working capital, capital expenditures, mergers and acquisitions and other lawful purposes. Any outstanding loans drawn under the Amended Credit Agreement are payable on or before September 19, 2019.

The interest rate provisions under the Amended Credit Agreement are unchanged from those contained in the Existing Credit Agreement: amounts outstanding under the Amended Credit Agreement accrue interest at a rate equal to either (i) the British Bankers Association LIBOR Rate (BBA LIBOR) plus a margin between 1.25% and 2.0% per annum, depending on Cadence s leverage ratio, or, at the option of Cadence, (ii) a base rate (equal to the highest of (a) the federal funds rate plus 0.50%, (b) the administrative agent s prime rate and (c) BBA LIBOR plus 1.0%) plus a margin between 0.25% and 1.0% per annum, depending on Cadence s leverage ratio. Interest is payable on the last day of each interest period selected by Cadence under the Amended Credit Agreement and, in any event, at least quarterly. A commitment fee ranging from 0.20% to 0.35% on the daily average undrawn portion of revolving commitments under the Amended Credit Agreement accrues and is payable quarterly in arrears.

The Amended Credit Agreement contains customary negative covenants that, among other things, restrict Cadence s ability to incur additional indebtedness, grant liens and make certain investments, asset dispositions and restricted payments. In addition, the Amended Credit Agreement contains certain financial covenants that require Cadence to maintain a funded debt to EBITDA ratio not greater than 2.75 to 1, subject to certain exceptions from these restrictions. The Amended Credit Agreement also requires Cadence to maintain an EBITDA to interest charges ratio of at least 3 to 1.

A copy of the Amendment is attached hereto as Exhibit 10.01 and is incorporated herein by reference. The foregoing description is qualified in its entirety by reference to the Amendment and the Existing Credit Agreement, which was filed as Exhibit 10.01 to the Current Report on Form 8-K filed on December 13, 2012.
