- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry into a Material Definitive Agreement

On January 12, 2015, Aircastle Limited (the Company) entered into an Underwriting Agreement, dated January 12, 2015 (the Underwriting Agreement), between the Company and J.P. Morgan Securities LLC, Citigroup Global Markets Inc., Goldman, Sachs & Co. and RBC Capital Markets, LLC, as representatives of the several underwriters named therein, related to the sale by the Company of \$500 million aggregate principal amount of 5.50% Senior Notes due 2022 (the Notes).

The preceding is a summary of the Underwriting Agreement and is qualified in its entirety by reference to the Underwriting Agreement, attached as Exhibit 1.1 hereto and incorporated herein by reference.

On January 15, 2015, the Company issued the Notes pursuant to an Indenture, dated as of December 5, 2013 (the Base Indenture), between the Company and Wells Fargo Bank, National Association, as trustee for the Notes (the Trustee), as supplemented by a Third Supplemental Indenture, dated as of January 15, 2015 (the Third Supplemental Indenture and, together with the Base Indenture, the Indenture).

The Notes were offered pursuant to a Prospectus Supplement, dated January 12, 2015, to the Prospectus, dated June 20, 2012, filed as part of the Company s Registration Statement on Form S-3 (Registration No. 333-182242) filed with the U.S. Securities and Exchange Commission (the Commission).

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The Notes will mature on February 15, 2022 and bear interest at the rate of 5.50% per annum. The Company may redeem all or a portion of the Notes at any time at an established redemption price, as described in the Indenture. In addition, prior to February 15, 2018, the Company may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds of certain equity offerings at a redemption price equal to 105.500%, plus accrued and unpaid interest.

If a Change of Control Trigger Event (as defined in the Indenture) occurs, the Company must offer to repurchase the Notes at 101% of the principal amount, plus accrued and unpaid interest.

The Notes are the Company s unsecured senior obligations and rank equally in right of payment with all of the Company s existing and future senior debt and rank senior in right of payment to all of the Company s existing and future subordinated debt. The Notes are effectively junior in right of payment to all of the Company s existing and future secured debt to the extent of the assets securing such debt, and to any existing and future liabilities of the Company s subsidiaries. The Notes are not guaranteed by any of the Company s subsidiaries or any third party.

The Company intends to use the net proceeds from the sale of Notes for general corporate purposes, which may include repayment of indebtedness.

The Indenture contains covenants limiting the Company s and the Company s restricted subsidiaries ability to:

incur or guarantee additional indebtedness and issue disqualified stock or preference shares;

sell assets;

incur liens;

pay dividends on or make distributions in respect of the Company's capital stock or make other restricted payments;

agree to any restrictions on the ability of restricted subsidiaries to transfer property or make payments to the Company;

make certain investments;

guarantee other indebtedness without guaranteeing the Notes;

consolidate, amalgamate, merge, sell or otherwise dispose of all or substantially all of the Company's assets;
and

enter into transactions with the Company's affiliates.

These covenants are subject to a number of important and significant limitations, qualifications and exceptions. Many of these covenants will cease to apply at all times after the Notes are rated investment grade by any two of Fitch Inc., Moody's Investor Service, Inc. and Standard & Poor's.

Events of default under the Indenture include, among others, the following: default for 30 days or more in the payment when due of interest on or with respect to the Notes; default in payment when due and payable, upon redemption, acceleration or otherwise, of the principal of, or premium, if any, on the Notes; failure to comply with certain covenants in the Indenture; and certain events of bankruptcy or insolvency. In the case of an event of default arising from certain events of bankruptcy or insolvency with respect to the Company, all Notes then outstanding will become due and payable immediately without further action or notice.

The preceding is a summary of the terms of the Indenture (including the Third Supplemental Indenture) and the Notes and is qualified in its entirety by reference to the Base Indenture (filed as Exhibit 4.1 to the Company's Current Report on Form 8-K, filed with the Commission on December 5, 2013), the Third Supplemental Indenture, attached as Exhibit 4.1 hereto, and the Form of 5.50% Senior Notes due 2022, attached as Exhibit 4.2 hereto, and each is incorporated herein by reference.

Item 3.03 Material Modification to Rights of Security Holders

The disclosure provided in Item 2.03 of this Form 8-K is hereby incorporated by reference into this Item 3.03.

Under the terms of the Indenture, the Company is subject to certain covenants that, among other things, limit its ability to pay dividends on or make distributions in respect of its capital stock, subject to certain exceptions and qualifications.
