DUFF & PHELPS GLOBAL UTILITY INCOME FUND INC.**STATEMENT OF NET ASSETS (Continued)****January 31, 2015****(Unaudited)****Note 1. Investment Valuation**

The Fund's investments are carried at fair value which is defined as the price that the Fund would receive upon selling an investment in a timely transaction to an independent buyer in the principal or most advantageous market of the investment. The three-tier hierarchy of inputs established to classify fair value measurements for disclosure purposes is summarized in the three broad levels listed below.

Level 1 quoted prices in active markets for identical securities

Level 2 other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spreads, credit risks, etc.)

Level 3 significant unobservable inputs (including the Fund's own assumptions in determining fair value of investments)

The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in these securities. For more information about the Fund's policy regarding valuation of investments and other significant accounting policies, please refer to the Fund's most recent financial statements contained in its annual report. The following is a summary of the inputs used to value each of the Fund's investments at January 31, 2015:

	Level 1
Common stocks & MLP interests	\$ 1,145,013,150
Money market mutual fund	8,266,747
Written options	(75,000)
Total	\$ 1,153,204,897

There were no Level 2 or Level 3 priced securities held and there were no transfers between Level 1 and Level 2 related to securities held at January 31, 2015.

Note 2. Federal Income Tax Information

At October 31, 2014, the Fund's most recent fiscal tax year-end, the federal tax cost and aggregate gross unrealized appreciation (depreciation) were as follows:

	Federal			
	Tax Cost	Unrealized Appreciation	Unrealized Depreciation	Net Unrealized Appreciation
Investments	\$878,208,288	\$310,393,073	(\$8,318,776)	\$302,074,297

The difference between the book basis and tax basis of unrealized appreciation (depreciation) and cost of investments is primarily attributable to investments in MLPs.

Other information regarding the Fund is available on the Fund's website at www.dpgfund.com or the Securities and Exchange Commission's website at www.sec.gov.

Item 2. Controls and Procedures.

- (a) The registrant's principal executive officer and principal financial officer have concluded that the registrant's disclosure controls and procedures (as defined in Rule 30a-3(c) under the Investment Company Act of 1940 (the "1940 Act")) are effective, based on an evaluation of those controls and procedures made as of a date within 90 days of the filing date of this report as required by Rule 30a-3(b) under the 1940 Act and Rule 13a-15(b) under the Securities Exchange Act of 1934.

- (b) There has been no change in the registrant's internal control over financial reporting (as defined in Rule 30a-3(d) under the 1940 Act) that occurred during the registrant's last fiscal quarter that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting.

Item 3. Exhibits.

Exhibit 99.CERT	Certifications pursuant to Rule 30a-2(a) under the 1940 Act and Section 302 of the Sarbanes-Oxley Act of 2002
