Dear Stockholders:

On behalf of the Board of Directors of Town Sports International Holdings, Inc., I cordially invite you to attend our Annual Meeting of Stockholders, which will be held on Thursday, June 11, 2015 at 10:00 a.m. (New York City time) at Crowne Plaza Times Square, 1605 Broadway, New York, New York 10019.

A full set of proxy materials was sent on or about April 27, 2015 to our stockholders of record as of the close of business on April 20, 2015. We also provided access to our proxy materials over the Internet beginning on that date. Some beneficial owners will receive from their bank, broker or other nominee a Notice of Internet Availability of Proxy Materials rather than a full set of proxy materials. If you did not receive, but would like to receive, a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the notice or on pages 55-56 of this Proxy Statement. The formal Notice of Annual Meeting and the Proxy Statement follow.

It is important that your shares be represented and voted at the meeting, regardless of the size of your holdings. To have your vote recorded, you should vote over the Internet. In addition, if you have requested or received a paper copy of the proxy materials, you may vote by signing, dating and returning the proxy card sent to you in the envelope accompanying the proxy materials sent to you. We encourage you to vote by any of these methods even if you currently plan to attend the Annual Meeting.

If you decide to attend the Annual Meeting, you can still vote your shares in person if you wish. Please let us know whether you plan to attend the meeting by indicating your plans when prompted over the Internet voting system or, if you have received a paper copy of the proxy materials, by marking the appropriate box on the proxy card sent to you. If you plan to attend the Annual Meeting, please bring proof of ownership and valid picture identification (such as a driver's license or passport) with you to the meeting, as proof of ownership and your picture identification will serve as your admittance pass to the meeting. If you choose to vote over the Internet or, if you have received a paper copy of the proxy materials, by completing the proxy card sent to you, and later decide to attend the Annual Meeting and wish to change your proxy vote, you may do so automatically by voting in person at the Annual Meeting.

We look forward to seeing you at the Annual Meeting.

Sincerely,

Daniel Gallagher

PROXY STATEMENT

General

This Proxy Statement is furnished to the stockholders of record of Town Sports International Holdings, Inc., a Delaware corporation ("Town Sports" or the "Company"), as of April 20, 2015, in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on Thursday, June 11, 2015, and at any adjournments of such meeting that may take place. The Annual Meeting will be held at 10:00 a.m. (New York City time) at Crowne Plaza Times Square, 1605 Broadway, New York, New York 10019. A proxy statement was sent on or about April 27, 2015 to our stockholders of record as of the close of business on April 20, 2015. We also provided access to our proxy materials over the Internet beginning on that date. We have been notified that some beneficial owners will receive from their bank, broker or other nominee a "Notice of Internet Availability of Proxy Materials" rather than a full set of proxy materials. If you did not receive, but would like to receive, a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the notice or on pages 55-56 of this Proxy Statement.

Voting

The specific matters to be considered and acted upon at the Annual Meeting are:

- (i) To elect eight members of the Company's Board of Directors (the "Board") as listed herein;
- (ii) To ratify the Audit Committee's appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015;
- (iii) To approve, in a non-binding, advisory vote, the compensation paid to our named executive officers as described herein;
- (iv) To approve the Town Sports International Holdings, Inc. 2006 Stock Incentive Plan (as amended and restated effective April 2, 2015) (the "Amended Stock Incentive Plan");
- (v) To approve the Amended and Restated Town Sports International Holdings, Inc. 2006 Annual Performance Bonus Plan (2015 Amendment and Restatement) (the "Amended Bonus Plan"); and
- (vi) To act upon such other business as may properly come before the Annual Meeting.

These matters are described in more detail in this Proxy Statement.

On April 20, 2015, the record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting, 24,600,679 shares of the Company's common stock were issued and outstanding. No shares of the Company's preferred stock were outstanding. Each stockholder is entitled to one vote for each share of common stock held by such stockholder on April 20, 2015. Stockholders may not aggregate their votes in the election of directors.

Edgar Filing: TOWN SPORTS INTERNATIONAL HOLDINGS INC - Form DEF 14A

The stock transfer books of the Company will remain open between the record date and the date of the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting will be available for inspection at the Annual Meeting and for a period of ten days prior to the meeting during regular business hours at the offices of the Company.

The presence, in person or by proxy, at the Annual Meeting of the holders of a majority of the shares of common stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum in connection with the transaction of business at the Annual Meeting. Abstentions, broker non-votes and withheld votes are each counted as present for the purpose of determining the presence of a quorum.

Table of Contents

With respect to the election of the members of the Board, if a quorum is present at the Annual Meeting, the eight nominees who receive the greatest number of votes properly cast (in person or by proxy) by holders of stock entitled to vote in the election will be elected as directors. Proposal No. 2 (ratification of auditors), Proposal No. 3 (advisory vote on executive compensation), Proposal No. 4 (approval of the Amended Stock Incentive Plan) and Proposal No. 5 (approval of the Amended Bonus Plan) must be approved by the affirmative vote of the holders of a majority of the shares of the common stock present at the Annual Meeting, in person or by proxy, and having voting power.

Abstentions and Withheld Votes: With respect to the election of directors, votes may be cast in favor of or withheld from each nominee. Votes that are withheld will be excluded entirely from the vote with respect to the nominee from which they are withheld. Votes that are withheld will not have any effect on the outcome of the election of directors. Abstentions will have the effect of a vote against Proposal No. 2 (ratification of auditors), Proposal No. 3 (advisory vote on executive compensation), Proposal No. 4 (approval of the Amended Stock Incentive Plan) and Proposal No. 5 (approval of the Amended Bonus Plan).

Broker Non-Votes: Broker non-votes occur when shares held by a bank, broker or other nominee are not voted with respect to a proposal because (1) the bank, broker or other nominee has not received voting instructions from the stockholder who beneficially owns the shares and (2) the bank, broker or other nominee lacks the authority to vote the shares at his/her discretion. Under current New York Stock Exchange interpretations that govern broker non-votes, Proposal No. 1 (election of directors), Proposal No. 3 (advisory vote on executive compensation), Proposal No. 4 (approval of the Amended Stock Incentive Plan) and Proposal No. 5 (approval of the Amended Bonus Plan) are considered non-discretionary matters and a bank, broker or other nominee will lack the authority to vote shares at his/her discretion. Proposal No. 2 (ratification of auditors) is considered a discretionary matter and a bank, broker or other nominee will be permitted to exercise his/her discretion. Broker non-votes will have no effect on the outcome of Proposal No. 1 (the election of directors) and will have the effect of a vote against Proposal No. 3 (advisory vote on executive compensation), Proposal No. 4 (approval of the Amended Stock Incentive Plan) and Proposal No. 5 (approval of the Amended Bonus Plan).

While the voting results relating to executive compensation is not binding on the Company, the Board will review the voting results and expects to take them into consideration when making future decisions regarding executive compensation.

All votes will be tabulated by the inspector of election appointed for the meeting.

Under the General Corporation Law of the State of Delaware, stockholders are not entitled to dissenter's rights with respect to any matter to be considered and voted on at the Annual Meeting, and the Company will not independently provide stockholders with any such right.

Proxies

Unless revoked, all proxies representing shares entitled to vote that are delivered pursuant to this solicitation will be voted at the Annual Meeting and, where a choice has been specified on the proxy card, will be voted in accordance with such specification. Where a choice has not been specified on the proxy card, the proxy will be voted FOR the election of all the nominated directors listed herein, unless the authority to vote for the election of such directors is withheld. In addition, if no contrary instructions are given, the proxy will be voted FOR the approval of Proposal No. 2 (ratification of auditors), FOR the approval of Proposal No. 3 (advisory vote on executive compensation), FOR the approval of Proposal No. 4 (approval of the Amended Stock Incentive Plan) and FOR the approval of Proposal No. 5 (approval of the Amended Bonus Plan) described in this Proxy Statement and as the proxy holders deem advisable for all other matters as may properly come before the Annual Meeting. You may revoke or change your proxy at any time before 11:59 p.m. (New York City time) on June 10, 2015 by filing with the Corporate Secretary of the Company, at the Company's principal executive offices at 5 Penn Plaza (4th Floor), New York, New York 10001, a notice of revocation or another signed Proxy Card with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person. If you hold shares in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also change your vote or revoke your proxy in person at the Annual Meeting if you obtain a signed proxy from the record holder (bank, broker or other nominee) giving you the right to vote the shares.

Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by Internet or proxy card so that your vote will be counted even if you later were to decide not to attend the Annual Meeting.

Admission to the Annual Meeting

Please let us know whether you plan to attend meeting by indicating your plans when prompted over the Internet voting system or, if you have received a paper copy of the proxy materials, by marking the appropriate box on the proxy card sent to you. If you plan to attend the Annual Meeting, please bring proof of ownership and valid picture identification (such as a driver's license or passport) with you to the meeting, as the proof of ownership and your picture identification will serve as your admittance pass to the meeting. If your shares are held beneficially in the name of a bank, broker or other nominee and you wish to be admitted to attend the Annual Meeting, you must present proof of your ownership of Town Sports International Holdings, Inc. shares, such as a bank or brokerage account statement.

Solicitation

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the Proxy Card and any additional solicitation materials furnished to the stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material or otherwise provide access to this material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, facsimile, or other means (including by directors, officers or employees of the Company, to whom no additional compensation will be paid for any such services).

Deadline for Receipt of Stockholder Proposals

In order to be considered for inclusion in the Company's Proxy Statement and Proxy Card relating to the 2016 Annual Meeting of Stockholders, any proposal by a stockholder submitted pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), must be received by the Company at its principal executive offices in New York, New York, on or before December 29, 2015.

Our bylaws require advance notice of business to be brought before a stockholders' meeting, including nominations of persons for election as directors. The proxy solicited by the Board for the 2016 Annual Meeting of Stockholders will confer discretionary authority to vote as the proxy holders deem advisable on such stockholder proposals which are considered untimely.

MATTERS TO BE CONSIDERED AT ANNUAL MEETING

PROPOSAL ONE ELECTION OF DIRECTORS

Nomination and Standstill Agreement

Pursuant to a nomination and standstill agreement we entered into with the PW Group Stockholders and the HG Vora Group Stockholders, in each case, as defined below, (collectively, the Walsh/Vora Stockholders) on March 24, 2015, we increased the size of the Board to eight members and appointed each of Mark A. McEachen, Patrick Walsh and L. Spencer Wells to the Board (collectively, the Walsh/Vora Directors), and agreed to include each of them on the Company's slate of directors for the 2015 Annual Meeting, along with existing directors Bruce C. Bruckmann, Thomas J. Galligan III and Robert J. Giardina (collectively, the TSI Legacy Directors) and to solicit proxies for their election. If any of the Walsh/Vora Directors is unable or unwilling to serve for any reason as a nominee at the 2015 Annual Meeting or a director at any time until the date that is ten business days prior to the date by which stockholders must submit director nominations for the Company's 2016 Annual Meeting (the Covered Period), and the Walsh/Vora Stockholders continue to own in the aggregate at least 5% of the Company's common stock, the Walsh/Vora Stockholders will be entitled to nominate a replacement who is qualified and independent under the applicable NASDAQ and SEC rules and reasonably acceptable to, and approved by, the Board. If any of the TSI Legacy Directors is unable or unwilling to serve for any reason as a nominee at the 2015 Annual Meeting or a director at any time during the Covered Period, the size of the Board will be reduced from eight to seven members and no individual will be nominated for election or appointed as a director to replace such TSI Legacy Director. As part of the nomination and standstill agreement, the Walsh/Vora Stockholders withdrew their nomination notice dated January 7, 2015 pursuant to which the Walsh/Vora Stockholders had nominated a slate of six director nominees to stand for election at the 2015 Annual Meeting and agreed to vote in favor of the Company's nominees listed below. In connection with the nomination and standstill agreement, the PW Group Stockholders and the HG Vora Group Stockholders have each agreed that through the end of the Covered Period they will not, when taken together with each of their affiliates and any other persons with whom they may be a Section 13(d) group, exceed ownership of 17.49% of the then outstanding shares of the Company's common stock and have also agreed to certain other standstill provisions through the end of the Covered Period, subject to certain exceptions.

Letter Agreement with Farallon

Concurrently with the execution of the nomination and standstill agreement, at the invitation of the Company, Farallon, our largest stockholder, entered into an agreement with the Company pursuant to which the Board appointed each of Martin J. Annese and Jason M. Fish to the Board. In addition, as part of the letter agreement, the Company agreed to include Mr. Annese and Mr. Fish (together, the Farallon Directors) on its slate of directors at the 2015 Annual Meeting and to recommend and solicit proxies for their election and Farallon agreed to vote in favor of the nominees listed below. If either Mr. Annese or Mr. Fish is unable or unwilling to serve for any reason as a nominee at the 2015 Annual Meeting or a director at any time prior to the thirty days prior to the 2016 Annual Meeting, Farallon will be entitled to nominate a replacement who is qualified and is independent under the applicable NASDAQ and SEC rules and is reasonably acceptable to, and approved by, the Board.

General

Upon the recommendation of the Nominating and Corporate Governance Committee of the Board (the Nominating and Corporate Governance Committee) and consistent with the agreements described above, the Board has proposed for election at the Annual Meeting the eight individuals listed below to serve, subject to the By-Laws, as directors of the Company. All of the nominees for director currently serve as directors.

All directors are elected annually, and serve until the next Annual Meeting of the Stockholders and until the election and qualification of their successors. All of the nominees have consented to be named and, if elected, to serve, and management has no reason to believe that any of them will be unavailable to serve. If any nominee is unwilling or unable to stand for re-election (which is not anticipated), the Board may reduce its size or designate a substitute, provided that any such designation will be consistent with the agreements described above. If any of the nominees is unable or declines to serve as a director at the time of the Annual Meeting, the proxies may be

Table of Contents

voted in the discretion of the persons acting pursuant to the proxy for the election of other nominees. It is intended that the proxies delivered pursuant to this solicitation will be voted for the election of all such persons except to the extent the proxy is specifically marked to withhold such authority with respect to one or more of such persons. The proxies solicited by this Proxy Statement cannot be voted for a greater number of persons than the number of nominees named. Set forth below is certain information concerning the nominees, as of April 15, 2015.

Table of Contents**PROPOSAL TWO RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM****General**

The Audit Committee of the Board (the "Audit Committee") has appointed the firm of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, including each quarterly interim period, and the Board is asking the stockholders to ratify this appointment.

Although stockholder ratification of the Audit Committee's appointment of PricewaterhouseCoopers LLP is not required, the Board considers it desirable for the stockholders to pass upon the selection of the independent registered public accounting firm. If the stockholders fail to ratify the appointment, it will be considered notice to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders.

A representative from PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions.

Fees Billed to the Company by PricewaterhouseCoopers LLP

The aggregate fees billed by PricewaterhouseCoopers LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal years ended December 31, 2013 and 2014, for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for those fiscal years and for other services rendered during those fiscal years on behalf of the Company were as follows:

Category	2013	2014
Audit Fees(1)	\$ 1,666,000	\$ 1,574,650
Tax Fees(2)	\$ 10,433	\$
All Other Fees(3)	\$ 3,000	\$ 2,000

(1) Audit fees are for fees and expenses associated with professional services rendered by PricewaterhouseCoopers in connection with (i) the audits of the Company's annual consolidated financial statements and internal control over financial reporting, including services related to statutory audits of certain of our subsidiaries, (ii) reviews of unaudited interim financial statements included in the Company's quarterly reports on Form 10-Q and (iii) reviews of documents filed with the Securities and Exchange Commission ("SEC").

(2) Tax fees include services related to sales and use tax consulting services.

(3) All other fees are related to online research access.

The Audit Committee has determined that the provision of services discussed above is compatible with maintaining the independence of PricewaterhouseCoopers LLP from the Company.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services. The Audit Committee has authorized each of its members to pre-approve audit, audit-related, tax and non-audit services, provided that such approved service is reviewed with the full Audit Committee at its next meeting.

As early as practicable in each fiscal year, the independent registered public accounting firm provides the Audit Committee with a schedule of the audit and other services that it expects to provide or may provide during the fiscal year. The schedule is specific as to the nature of the proposed services, the proposed fees and other details that the Audit Committee may request. The Audit Committee by resolution authorizes or

declines the proposed services. Upon approval, the schedule serves as the budget for fees by specific activity or service for the fiscal year.

Table of Contents

Additional services proposed to be provided by the independent registered public accounting firm or proposed revisions to services already approved may be presented to the Audit Committee for its consideration and approval at any time. The request is required to be specific as to the nature of the proposed service and other details that the Audit Committee may request. The Audit Committee intends by resolution to authorize or decline authorization for each proposed new service.

The Audit Committee pre-approved 100% of the audit and all other services provided by the independent registered public accounting firm for the fiscal years ended December 31, 2013 and 2014.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and having voting power is required to ratify the Audit Committee's selection of PricewaterhouseCoopers LLP. Abstentions will have the effect of a vote against this proposal. We believe that there can be no broker non-votes with respect to Proposal No. 2 because banks, brokers and other nominees should have discretion under current stock exchange rules to vote uninstructed shares on Proposal No. 2.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE AUDIT COMMITTEE'S SELECTION OF PRICEWATERHOUSECOOPERS LLP TO SERVE AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015.

PROPOSAL THREE ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

General

In accordance with the requirements of Section 14A of the Exchange Act and the related rules promulgated by the SEC, we are asking our stockholders to approve, in a non-binding, advisory vote, the compensation paid to our named executive officers as disclosed beginning on page 33 of this proxy statement. In connection with this vote, stockholders may also wish to consider the discussion regarding the Compensation Committee beginning on page 22. While the results of this vote are advisory, our Compensation Committee intends to carefully consider the results of this vote when making future compensation decisions.

The language of the resolution is as follows:

RESOLVED, THAT THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DISCLOSED PURSUANT TO ITEM 402 OF REGULATION S-K, INCLUDING THE COMPENSATION DISCUSSION AND ANALYSIS, COMPENSATION TABLES AND NARRATIVE DISCUSSION, IS HEREBY APPROVED.

In particular, as discussed in Executive Compensation Compensation Discussion and Analysis, stockholders should note the following:

Our executive compensation program is designed to closely link rewards to executives with performance that leads to the creation of stockholder value.

In particular, a substantial portion of compensation for our senior executives consists of performance-based annual cash incentives and long-term equity incentives, which play a significant role in aligning management's interests with those of our stockholders.

Our annual cash incentives for our senior executives are determined on the basis of our Adjusted EBITDA performance, budgeted revenue, return on assets and qualitative individual performance factors related to our operational and strategic objectives.

The Company uses perquisites and personal benefits on a limited basis.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and having voting power is required to approve the compensation paid to our named executive officers. Abstentions and broker non-votes will have the effect of a vote against this proposal. Although the vote is non-binding, the Compensation Committee and Board expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR APPROVAL OF THE COMPENSATION PAID TO OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL FOUR APPROVAL OF TOWN SPORTS INTERNATIONAL HOLDINGS, INC. 2006 STOCK INCENTIVE PLAN (AS AMENDED AND RESTATED EFFECTIVE APRIL 2, 2015)

General

We maintain our current Town Sports International Holdings, Inc. 2006 Stock Incentive Plan, last amended and restated effective March 1, 2011 (the Existing Stock Incentive Plan or the Stock Incentive Plan) for the benefit of eligible employees, consultants and non-employee directors of the Company. The proposed Town Sports International Holdings, Inc. 2006 Stock Incentive Plan (as amended and restated effective April 2, 2015) (the Amended Stock Incentive Plan), which was unanimously adopted by the Board, subject to stockholder approval at the Annual Meeting, would increase the aggregate number of shares of our common stock issuable under the Existing Stock Incentive Plan by 500,000 shares from 3,000,000 shares to a total of 3,500,000 shares. This increase of 500,000 shares represents approximately 2% of the outstanding shares of common stock of the Company as of April 15, 2015. The Board believes that it is desirable to increase the total number of shares available under the Existing Stock Incentive Plan in order to attract, motivate and retain employees and non-employee directors of, and consultants to, the Company because the current share reserve under the Existing Stock Incentive Plan is expected to be fully utilized in the near term. As of April 15, 2015, there are 34,730 shares remaining under the Existing Stock Incentive Plan.

In voting to approve the Amended Stock Incentive Plan, the stockholders of the Company are also approving the Section 162(m) performance goals under the Amended Stock Incentive Plan (as described below) so that certain incentive awards granted under the Amended Stock Incentive Plan to executive officers of the Company may qualify as exempt performance-based compensation under Section 162(m) of the Code, which otherwise generally disallows the corporate tax deduction for certain compensation paid in excess of \$1,000,000 annually to each of the chief executive officer and the three other most highly paid executive officers of publicly-held companies (other than the chief financial officer). Section 162(m) of the Code generally requires such performance goals to be approved by stockholders every five years.

If the Amended Stock Incentive Plan is approved by the stockholders, it will become effective as of April 2, 2015, the date it was approved by the Board. Unless terminated earlier by the Company's Board of Directors, the Amended Stock Incentive Plan will terminate on April 2, 2025. If the requisite stockholder approval of the Amended Stock Incentive Plan and the Section 162(m) performance goals is not obtained, the Existing Stock Incentive Plan will terminate on May 30, 2016. If such approval is not obtained, the Company may continue to grant awards under the Existing Stock Incentive Plan in accordance with its terms and the current share reserve under the Existing Stock Incentive Plan. However, awards under the Existing Stock Incentive Plan (other than stock options and stock appreciation rights) granted after the Company's annual stockholder meeting in 2016 will not constitute performance-based compensation under Section 162(m) of the Code, and accordingly, may not be deductible by the Company depending on the facts and circumstances.

The following description of the Amended Stock Incentive Plan is a summary of its principal provisions and is qualified in its entirety by reference to the Amended Stock Incentive Plan attached hereto as Appendix A.

Description of the Amended Stock Incentive Plan

Administration. The Amended Stock Incentive Plan is administered by a committee (the Committee), which is intended to consist of two or more non-employee directors, each of whom is, (i) with respect to actions intended to obtain an exemption from Section 16(b) of the Exchange Act pursuant to Rule 16b-3, a non-employee director within the meaning of Rule 16b-3 and (ii) with respect to actions intended to comply with the exception for performance-based compensation under Section 162(m) of the Code an outside director as defined under Section 162(m) of the Code and (iii) an independent director as defined under NASD Rule 5605(a); provided that with respect to the application of the Amended Stock Incentive Plan to non-employee directors, the Amended Stock Incentive Plan will be administered by the Board (and references to the Committee include the Board for this purpose). Currently, the Compensation Committee of the Board serves as the Committee under the Existing Stock Incentive Plan.

The Committee has full authority to administer and interpret the Amended Stock Incentive Plan, to grant discretionary awards under the Amended Stock Incentive Plan, to determine the persons to whom awards will be

Table of Contents

granted, to determine the types of awards to be granted, to determine the terms and conditions of each award, to determine the number of shares of common stock to be covered by each award and to make all other determinations in connection with the Amended Stock Incentive Plan and the awards thereunder as the Committee, in its sole discretion, deems necessary or desirable. The terms and conditions of individual awards are set forth in written agreements that are consistent with the terms of the Amended Stock Incentive Plan. Awards under the Amended Stock Incentive Plan may not be made on or after April 2, 2025, except that awards (other than stock options or stock appreciation rights) that are intended to be performance-based under Section 162(m) of the Code will not be made after the first annual stockholder meeting in the fifth year following the year in which the last stockholder approval of the performance goals set forth in the Amended Stock Incentive Plan, as described below, occurred (i.e., May, 2020, assuming the Section 162(m) performance goals described below are approved by the Company's stockholders at the Annual Meeting).

Eligibility and Types of Awards. All the Company's employees, consultants and non-employee directors are eligible to be granted nonqualified stock options, stock appreciation rights, performance shares, restricted stock, and other stock-based awards. In addition, the Company's employees and employees of the Company's affiliates that qualify as subsidiaries or parent corporations (as defined under Section 424 of the Code) are eligible to be granted incentive stock options under the Amended Stock Incentive Plan. As of December 31, 2014, we employed approximately 8,000 employees. The market value of the underlying shares of Common Stock on April 15, 2015 was \$6.85 per share.

Available Shares. The aggregate number of shares of common stock which may be issued or used for reference purposes under the Amended Stock Incentive Plan or with respect to which awards may be granted may not exceed 3,500,000 shares, which may be either authorized and unissued shares of our common stock or shares of common stock held in or acquired for the treasury of the Company. In general, if awards under the Amended Stock Incentive Plan are for any reason cancelled, or expire or terminate unexercised, the shares covered by such awards will again be available for the grant of awards under the Amended Stock Incentive Plan.

The maximum number of shares of our common stock with respect to which any stock option, stock appreciation right or shares of restricted stock that are subject to the attainment of specified performance goals and intended to satisfy Section 162(m) of the Code and may be granted under the Amended Stock Incentive Plan during any fiscal year to any eligible employee or consultant will be 250,000 shares (per type of award). The total number of shares of our common stock with respect to all awards that may be granted under the Amended Stock Incentive Plan during any fiscal year to any eligible employee or consultant will be 250,000 shares. There are no annual limits on the number of shares of our common stock with respect to an award of restricted stock that are not subject to the attainment of specified performance goals to eligible employees or consultants. The maximum value at grant of shares of our common stock with respect to any award of performance shares to an eligible employee or consultant during any fiscal year is \$1,000,000. The maximum number of shares of our common stock with respect to which any stock option (other than incentive stock options), stock appreciation right, or other stock-based award that may be granted under the Amended Stock Incentive Plan during any fiscal year to any non-employee director will be 250,000 shares (per type of award). The total number of shares of our common stock with respect to all awards that may be granted under the Amended Stock Incentive Plan during any fiscal year to any non-employee director will be 250,000 shares.

The Amended Stock Incentive Plan requires that the Committee appropriately adjust the individual maximum share limitations described in the immediately preceding paragraph, the aggregate number of shares of our common stock available for the grant of awards and the exercise price of an award to reflect any change in the Company's capital structure or business by reason of certain corporate transactions or events.

Awards Under the Amended Stock Incentive Plan. The following types of awards are available under the Amended Stock Incentive Plan:

Stock Options. The Committee may grant nonqualified stock options and incentive stock options (only to eligible employees) to purchase shares of our common stock. The Committee will determine the number of shares of our common stock subject to each option, the term of each option (which may not exceed ten years (or five years in the case of an incentive stock option granted to a 10% stockholder)), the exercise price, the vesting schedule (if any), and the other material terms of each option. No incentive

Table of Contents

stock option or nonqualified stock option may have an exercise price less than the fair market value of a share of our common stock at the time of grant (or, in the case of an incentive stock option granted to a 10% stockholder, 110% of such share's fair market value).

Options will be exercisable at such time or times and subject to such terms and conditions as determined by the Committee at grant and the exercisability of such options may be accelerated by the Committee in its sole discretion. Upon the exercise of an option, the participant must make payment of the full exercise price (i) in cash, check, bank draft or money order, (ii) solely to the extent permitted by law, through the delivery of irrevocable instructions to a broker reasonably acceptable to the Company to deliver promptly to the Company an amount equal to the purchase price, or (iii) on such other terms and conditions as may be acceptable to the Committee.

Stock Appreciation Rights. The Committee may grant stock appreciation rights (which are referred to herein as SARs) either alone or in conjunction with any other award. A SAR is a right to receive a payment in shares of our common stock or cash (as determined by the Committee) equal in value to the excess of the fair market value of one share of our common stock on the date of exercise over the exercise price per share established in connection with the grant of the SAR. The term of each SAR may not exceed ten years. The exercise price per share covered by an SAR will be the fair market value of our common stock on the date of grant. The Committee may also grant limited SARs, which may become exercisable only upon the occurrence of a change in control (as defined in the Amended Stock Incentive Plan) or such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter.

Restricted Stock. The Committee may award shares of restricted stock. Except as otherwise provided by the Committee upon the award of restricted stock, the recipient generally has the rights of a stockholder with respect to such shares, including the right to receive dividends, the right to vote the shares of restricted stock and, conditioned upon full vesting of shares of restricted stock, the right to tender such shares, subject to the conditions and restrictions generally applicable to restricted stock or specifically set forth in the recipient's restricted stock agreement. The Committee may determine at the time of award that the payment of dividends, if any, will be deferred until the expiration of the applicable restriction period.

Recipients of restricted stock are required to enter into a restricted stock agreement with the Company that states the restrictions to which the shares are subject, which may include satisfaction of pre-established performance goals, and the criteria or date or dates on which such restrictions will lapse.

If the grant of restricted stock or the lapse of the relevant restrictions is based on the attainment of performance goals, the Committee will establish for each recipient the applicable performance goals, formulae or standards and the applicable vesting percentages with reference to the attainment of such goals or satisfaction of such formulae or standards while the outcome of the performance goals are substantially uncertain. Section 162(m) of the Code requires that performance awards be based upon objective performance measures. The performance goals for performance-based restricted stock will be based on one or more of the objective criteria set forth on Exhibit A to the Amended Stock Incentive Plan and discussed in general below.

Performance Shares. The Committee may award performance shares either alone or in addition to other awards granted under the Amended Stock Incentive Plan. Each performance share represents the right to receive one share of our common stock or the cash equivalent thereof at the end of a specified performance period. The performance goals for performance shares will be set by the Committee and will be based on one or more of the objective criteria set forth on Exhibit A to the Amended Stock Incentive Plan and discussed in general below. A minimum level of acceptable achievement will also be established by the Committee. If, by the end of the performance period, the recipient has achieved the specified performance goals, he or she will be deemed to have fully earned the performance shares. To the extent earned, the performance shares will be paid to the recipient at the time and in the manner determined by the Committee in cash, shares of our common stock or any combination thereof.

Other Stock-Based Awards. The Committee may, subject to limitations under applicable law, make a grant of such other stock-based awards (including, without limitation, performance units, dividend equivalent units, stock equivalent units, restricted stock units and deferred stock units) under the Amended Stock Incentive Plan that are payable in cash or denominated or payable in or valued by shares of our common stock or factors that

Table of Contents

influence the value of such shares. The Committee shall determine the terms and conditions of any such other awards, which may include the achievement of certain minimum performance goals for purposes of compliance with Section 162(m) of the Code and/or a minimum vesting period. The performance goals for such other stock-based awards will be based on one or more of the objective criteria set forth on Exhibit A to the Amended Stock Incentive Plan and discussed in general below.

Performance Goals. The Committee may grant awards of restricted stock, performance shares, and other stock-based awards that are intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code. These awards may be granted, vest and be paid based on attainment of specified performance goals established by the Committee. These performance goals will be based on the attainment of a certain target level of, or a specified increase or decrease in, one or more of the following criteria selected by the Committee:

earnings per share;

operating income;

net income;

cash flow;

gross profit;

gross profit return on investment;

gross margin;

gross margin return on investment;

working capital;

earnings before interest and taxes;

earnings before interest, taxes, depreciation and amortization;

return on equity;

return on assets;

return on capital;

return on invested capital;

net revenues;

gross revenues;

revenue growth;

total shareholder return;

economic value added;

specified objectives with regard to limiting the level of increase in all or a portion of the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee in its sole discretion;

the fair market value of the shares of the Company's common stock;

the growth in the value of an investment in the Company's common stock assuming the reinvestment of dividends; or

reduction in expenses.

Table of Contents

To the extent permitted by law, the Committee may also exclude the impact of an event or occurrence which the Committee determines should be appropriately excluded, including:

restructurings, discontinued operations, extraordinary items and other unusual or non-recurring charges;

an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management;
or

a change in accounting standards required by generally accepted accounting principles.

Performance goals may also be based on an individual participant's performance goals, as determined by the Committee, in its sole discretion.

In addition, all performance goals may be based upon the attainment of specified levels of performance by the Company (or subsidiary, division or other operational unit of the Company) under one or more of the measures described above relative to the performance of other corporations. The Committee may designate additional business criteria on which the performance goals may be based or adjust, modify or amend those criteria.

Change in Control. Unless otherwise determined by the Committee at the time of grant or in a written employment agreement, awards subject to vesting and/or restrictions will fully vest upon a change in control (as defined in the Amended Stock Incentive Plan) of the Company. In addition, such awards will be, in the discretion of the Committee, (i) assumed and continued or substituted in accordance with applicable law, (ii) purchased by the Company for an amount equal to the excess of the price of a share of the Company's common stock paid in a change in control over the exercise price of the award(s), or (iii) cancelled if the price of a share of the Company's common stock paid in a change in control is less than the exercise price of the award. The Committee may also, in its sole discretion, provide for accelerated vesting or lapse of restrictions of an award at any time.

Amendment and Termination. Notwithstanding any other provision of the Amended Stock Incentive Plan, the Board may at any time amend any or all of the provisions of the Amended Stock Incentive Plan, or suspend or terminate it entirely, retroactively or otherwise; *provided, however,* that, unless otherwise required by law or specifically provided in the Amended Stock Incentive Plan, the rights of a participant with respect to awards granted prior to such amendment, suspension or termination may not be adversely affected without the consent of such participant; *provided further, however,* that the approval of the Company's stockholders will be obtained to the extent required by Delaware law, Sections 162(m) and 422 of the Code, Rule 16b-3 of the Exchange Act, The Nasdaq Global Market or the rules of such other applicable stock exchange, as specified in the Amended Stock Incentive Plan.

Miscellaneous. Awards granted under the Amended Stock Incentive Plan are generally nontransferable (other than by will or the laws of descent and distribution), except that the Committee may provide for the transferability of nonqualified stock options at the time of grant or thereafter to certain family members.

Certain U.S. Federal Income Tax Consequences

The rules concerning the federal income tax consequences with respect to options granted and to be granted pursuant to the Amended Stock Incentive Plan are quite technical. Moreover, the applicable statutory provisions are subject to change, as are their interpretations and applications, which may vary in individual circumstances. Accordingly, the following is designed to provide a general understanding of the U.S. federal income tax consequences with respect to such grants. In addition, the following discussion does not set forth any gift, estate, social security or state or local tax consequences that may be applicable and is limited to the U.S. federal income tax consequences to individuals who are citizens or residents of the United States, other than those individuals who are taxed on a residence basis in a foreign country.

Incentive Stock Options. In general, an employee will not realize taxable income upon either the grant or the exercise of an incentive stock option and the Company will not be entitled to an income tax deduction at either of such times. In general, however, for purposes of the alternative minimum tax, the excess of the fair market value of the shares of common stock acquired upon exercise of an incentive stock option (determined at the time of exercise) over the exercise price of the incentive stock option will be considered income. If the recipient was continuously employed from the date of grant until the date three months prior to the date of

Table of Contents

exercise and such recipient does not sell the shares of common stock received pursuant to the exercise of the incentive stock option within either (i) two years after the date of the grant of the incentive stock option, or (ii) one year after the date of exercise, a subsequent sale of such shares of common stock will result in long-term capital gain or loss to the recipient and will not result in a tax deduction to the Company.

If the recipient is not continuously employed from the date of grant until the date three months prior to the date of exercise or such recipient disposes of the shares of common stock acquired upon exercise of the incentive stock option within either of the time periods described above, the recipient will generally realize as ordinary income an amount equal to the lesser of (i) the fair market value of such shares of common stock on the date of exercise over the exercise price, or (ii) the amount realized upon disposition over the exercise price. In such event, subject to the limitations under Sections 162(m) and 280G of the Code (as described below), the Company generally will be entitled to an income tax deduction equal to the amount recognized as ordinary income. Any gain in excess of such amount realized by the recipient as ordinary income would be taxed at the rates applicable to short-term or long-term capital gains (depending on the holding period).

Nonqualified Stock Options. A recipient will not realize any taxable income upon the grant of a nonqualified stock option and the Company will not receive a deduction at the time of such grant unless such option has a readily ascertainable fair market value (as determined under applicable tax law) at the time of grant. Upon exercise of a nonqualified stock option, the recipient generally will realize ordinary income in an amount equal to the excess of the fair market value of the shares of common stock on the date of exercise over the exercise price. Upon a subsequent sale of such shares of common stock by the recipient, the recipient will recognize short-term or long-term capital gain or loss depending upon his or her holding period of such shares of common stock. Subject to the limitations under Sections 162(m) and 280G of the Code (as described below), the Company will generally be allowed a deduction equal to the amount recognized by the recipient as ordinary income.

Certain Other Tax Issues. In addition to the matters described above, (i) any entitlement to a tax deduction on the part of the Company is subject to applicable federal tax rules (including, without limitation, Section 162(m) of the Code regarding the \$1,000,000 limitation on deductible compensation), (ii) the exercise of an incentive stock option may have implications in the computation of alternative minimum taxable income, and (iii) if the exercisability or vesting of any option is accelerated because of a change in control, such option (or a portion thereof), either alone or together with certain other payments, may constitute parachute payments under Section 280G of the Code, which excess amounts may be subject to excise taxes levied on employees and the denial of a compensation deduction to the Company with respect to such excess amounts. Officers and directors of the Company subject to Section 16(b) of the Exchange Act may be subject to special tax rules regarding the income tax consequences concerning their options.

The Amended Stock Incentive Plan is not subject to any of the requirements of the Employee Retirement Income Security Act of 1974, as amended. The Amended Stock Incentive Plan is not, nor is it intended to be, qualified under Section 401(a) of the Code.

PROPOSAL FIVE APPROVAL OF AMENDED AND RESTATED TOWN SPORTS INTERNATIONAL HOLDINGS, INC. 2006 ANNUAL PERFORMANCE BONUS PLAN

(2015 AMENDMENT AND RESTATEMENT)

General

The Amended and Restated Town Sports International Holdings, Inc. 2006 Annual Performance Bonus Plan (the *Prior Bonus Plan*) was initially effective in May 2006 and is being amended and restated as the Amended and Restated Town Sports International Holdings, Inc. 2006 Annual Performance Bonus Plan (2015 Amendment and Restatement) (the *Amended Bonus Plan*). In this proposal, we are asking our stockholders to approve the Amended Bonus Plan.

In voting to approve the Amended Bonus Plan, the stockholders of the Company are also approving the Section 162(m) performance goals under the Amended Bonus Plan (as described below) so that certain incentive awards granted under the Amended Bonus Plan to executive officers of the Company may qualify as exempt performance-based compensation under Section 162(m) of the Code, which otherwise generally disallows the corporate tax deduction for certain compensation paid in excess of \$1,000,000 annually to each of the chief executive officer and the three other most highly paid executive officers of publicly-held companies other than the chief financial officer. Section 162(m) of the Code generally requires such performance goals to be approved by stockholders every five years.

If the Amended Bonus Plan is approved by the stockholders, the Company will continue to be able to grant certain incentive awards under the Amended Bonus Plan to executive officers that may qualify as exempt performance-based compensation under Section 162(m) of the Code. If the requisite stockholder approval of the Amended Bonus Plan and the Section 162(m) performance goals is not obtained, the Company may continue to grant awards under the Prior Bonus Plan in accordance with its terms, however, awards under the Prior Bonus Plan granted after the Company's 2015 Annual Meeting will not constitute performance-based compensation under Section 162(m) of the Code, and accordingly, may not be deductible by the Company depending on the facts and circumstances.

The following description of the Amended Bonus Plan is a summary of its principal provisions and is qualified in its entirety by reference to the Amended Bonus Plan attached hereto as Appendix B.

Description of the Plan

Purpose. The Amended Bonus Plan is a bonus plan designed to provide certain of our key employees (including each *covered employee* as defined in Section 162(m) as of December 31, 2014) with incentive compensation based upon the achievement of pre-established performance goals. As of December 31, 2014, there were approximately 13 such persons eligible based on established criteria utilized by the compensation committee. The Amended Bonus Plan is intended to comply with the performance based compensation exemption from Section 162(m) of the Code. The purpose of the Plan is to attract and retain key employees and to motivate these employees to promote our profitability and growth.

Administration. The Amended Bonus Plan is to be administered and operated by the Compensation Committee of our Board of Directors. The Compensation Committee may delegate its authority under the Amended Bonus Plan, except in cases where such delegation would disqualify compensation paid under the Amended Bonus Plan which is intended to be exempt under Section 162(m) of the Code.

Determination of Awards. Prior to the beginning of each performance period, or at such later time as determined by the compensation committee, the compensation committee will (i) select the participants in the Amended Bonus Plan and (ii) determine for each participant the performance goal(s) applicable to, and the method for computing the amount payable upon achievement of such performance goal(s) in connection with, any award; provided, that for any award intended to qualify for the performance based compensation exemption from Section 162(m) of the Code, the Compensation Committee will make such determinations prior to the performance period or at such later time as permitted by applicable provisions of the Code. No participant may receive a bonus under the Amended Bonus Plan, with respect of any fiscal year, in excess of \$2,000,000.

Under the Amended Bonus Plan, participants are eligible to receive bonus awards contingent upon the attainment of certain target levels of, or a specified increase or decrease (as applicable) in the following criteria or such other criteria determined by the Compensation Committee:

(i) earnings per share; (ii) operating income; (iii) net income; (iv) cash flow; (v) gross profit; (vi) gross profit return on investment; (vii) gross margin return on

Table of Contents

investment; (viii) gross margin; (ix) working capital; (x) earnings before interest and taxes; (xi) earnings before interest, tax, depreciation and amortization; (xii) return on equity; (xiii) return on assets; (xiv) return on capital; (xv) return on invested capital; (xvi) net revenues; (xvii) gross revenues; (xviii) revenue growth; (xix) total stockholder return; (xx) economic value added; (xxi) specified objectives with regard to limiting the level of increase in all or a portion of the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee in its sole discretion; (xxii) the fair market value of the shares of the common stock; (xxiii) the growth in the value of an investment in the common stock assuming the reinvestment of dividends; or (xxiv) reduction in expenses.

The Compensation Committee may determine at the time the performance goals are established that certain adjustments will be made in evaluating whether the performance goals have been met to take into account, in whole or in part, in any manner specified by the Compensation Committee, in its sole discretion, any one or more of the following: (A) restructurings, discontinued operations, extraordinary items or events, and other unusual or non-recurring charges, (B) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or (C) a change in tax law or accounting standards required by generally accepted accounting principles. Performance goals may also be based upon individual participant performance goals, as determined by the Compensation Committee, in its sole discretion. In addition, performance goals may be based upon the attainment of specified goals attained by, or with respect to, the Company, or any subsidiary, division or other operational unit or business segment of the Company, or based upon performance under one or more of the measures described above relative to the performance of other corporations. The Compensation Committee may, at the time the performance goals are established, determine to: (x) designate additional business criteria on which the performance goals may be based or (y) adjust, modify or amend the aforementioned business criteria.

Following the end of each performance period, and before any payments are made under the Amended Bonus Plan, the Compensation Committee will certify in writing the satisfaction of the performance goal(s) for any performance goals applicable to any award. If the applicable performance goals in respect of an award that is not intended to comply with the performance based compensation exemption from Section 162(m) of the Code are not met or satisfied, the Compensation Committee may pay to the participant a discretionary amount in respect of such award.

Payment of Awards. Awards will be paid in cash and/or stock after the end of the performance period in which they are earned, as determined by the committee, but not later than the later of (i) March 15 after the end of the applicable year and (ii) two and one-half months after the expiration of the fiscal year in which the performance period with respect to which the bonus is earned ends. Unless otherwise determined by the committee, no bonus (or pro rata portion) will be payable to any individual whose employment has ceased prior to the date such bonus is paid.

Amendment and Termination of Amended Bonus Plan. Our Board of Directors or the Compensation Committee may at any time amend, suspend, discontinue or terminate the Amended Bonus Plan, subject to stockholder approval if such approval is necessary to continue to qualify the amounts payable under the Amended Bonus Plan under Section 162(m) of the Code or any other applicable law or regulation if such amounts are intended to be so qualified. The Amended Bonus Plan will remain in effect until such time as it is terminated by the Board of Directors or the Compensation Committee.

Tax Consequences. The following is a brief summary of the principal U.S. federal income tax consequences of transactions under the Amended Bonus Plan, based on current U.S. federal income tax laws. This summary is not intended to be exhaustive, does not constitute tax advice and, among other things does not described state, local or foreign tax consequences. In general, a participant in the Amended Bonus Plan will recognize ordinary compensation income upon receipt of a bonus under the Amended Bonus Plan equal to the amount of such bonus. Income and payroll taxes are required to be withheld by the participant's employer on the amount of ordinary income resulting to the participant from receipt of the bonus. The amount recognized as ordinary compensation income to a participant may be deductible by the participant's employer for federal income tax purposes.

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

The Board affirmatively has determined that a majority of our current directors – Messrs. Bruckmann, Fish, Galligan, McEachen, Walsh and Wells – are independent under, and as required by, the listing standards of The Nasdaq Stock Market, with respect to board and committee service. Mr. Giardina and Mr. Annese are not considered independent due to Mr. Giardina’s employment with the Company, most recently as Executive Chairman and prior that, as Chief Executive Officer, and Mr. Annese’s employment with the Company as Chief Operating Officer until May 11, 2012. The Board had determined that each of Paul N. Arnold, J. Rice Edmonds, John H. Flood III and Kevin McCall, our former directors who resigned on March 24, 2015 in connection with the entry into of the nomination and settlement agreement with the Walsh/Vora Stockholders and the letter agreement with Farallon, was independent. In making its independence determinations, the Board considers and reviews any commercial, charitable and employment transactions and relationships known to the Board (including those identified through annual directors’ questionnaires) that exist between us and our subsidiaries and the entities with which certain of our directors, director nominees or members of their immediate families are, or have been, affiliated.

Board Structure

Since the time of our initial public offering in 2006, it has been our policy to separate the positions of Chief Executive Officer and Chairman of the Board of Directors. As Chairman of the Board, Mr. Giardina will lead the Board of Directors. This structure allows our Chief Executive Officer, Mr. Gallagher, to focus his time and energy on running the day-to-day operations of our Company. We believe that our Chief Executive Officer and our Chairman have an excellent working relationship and open lines of communication.

The Board currently has eight members and the following four committees: Audit; Compensation; Nominating and Corporate Governance and Executive. Pursuant to the nomination and standstill agreement with the Walsh/Vora Stockholders and the letter agreement with Farallon, the Board has fixed the size of each committee at three directors, with the chairman of each committee to be selected by majority vote of such committee. Each committee currently contains one of the Walsh/Vora Directors, one of the Farallon Directors and one of the TSI Legacy Directors.

Board Committees and Meetings

The Board held twelve (12) meetings during the fiscal year ended December 31, 2014, which is referred to in this Proxy Statement as the 2014 Fiscal Year. In the 2014 Fiscal Year, each director attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board, and (ii) the total number of meetings held by all committees of the Board on which such director served (in each case, for meetings held during the period in the 2014 Fiscal Year for which such director served).

The Board meets in executive session, without the presence of any of the Company’s officers, at least twice per year and upon the request of any independent director. Currently, all directors are independent, other than Mr. Giardina who is not considered to be independent due to his recent employment with the Company and Mr. Annese, due to his employment with the Company until May 2012.

All members of the Board are encouraged to attend the Company’s annual meeting of stockholders. All of our directors serving at that time were present at the 2014 annual meeting of our stockholders.

Audit Committee

The Audit Committee appoints our independent registered public accounting firm, reviews the plan for and the results of the independent audit, approves the fees of our independent registered public accounting firm, reviews with management and the independent registered public accounting firm our quarterly and annual financial statements and our internal accounting, financial and disclosure controls, reviews and approves certain transactions between Town Sports and its officers, directors and affiliates and performs other duties and responsibilities as set forth in a charter approved by the Board. The Audit Committee currently consists of three members of our Board: Jason M. Fish, Thomas J. Galligan III (Chair), and L. Spencer Wells. Each member of our Audit Committee is independent, as independence is defined for purposes of Audit Committee membership by the listing standards of Nasdaq and the applicable rules and regulations of the SEC. The Audit Committee held twelve (12) meetings during the 2014 Fiscal Year.

The Board has determined that each member of the Audit Committee is able to read and understand fundamental financial statements, including our balance sheet, income statement and cash flow statement, as required by Nasdaq rules. In addition, the Board has determined that Mr. Galligan satisfies the Nasdaq rule requiring that at least one member of the Audit Committee of our Board have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the member's financial sophistication, including being, or having been, a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. The Board has also determined that Mr. Galligan is an audit committee financial expert as defined by the SEC.

Compensation Committee

The Compensation Committee of our Board evaluates performance and establishes and oversees executive compensation policy and makes decisions about base pay, incentive pay and any supplemental benefits for our executive officers. The Compensation Committee also administers our stock incentive plans and approves the grant of equity awards, the timing of the grants and the number of shares for which equity awards are to be granted to our executive officers and other employees. The Compensation Committee also performs other duties and responsibilities as set forth in a charter approved by the Board. The Compensation Committee currently consists of three members of our Board: Jason M. Fish, Thomas J. Galligan III, and Mark, A. McEachen (Chair). Each member of the Compensation Committee is independent, as required by the listing standards of Nasdaq. In addition, each member is an outside director, as defined under applicable federal tax rules and a non-employee director, as defined under the applicable rules and regulations of the SEC. In fulfilling its

Table of Contents

responsibilities, the Compensation Committee is entitled to delegate any or all of its responsibilities to a subcommittee of the Compensation Committee. The Compensation Committee held seven (7) meetings during the 2014 Fiscal Year.

When considering decisions concerning the compensation of the executive officers listed in the Summary Compensation Table (the "Named Executive Officers") (other than the Chief Executive Officer), the Compensation Committee asks for the Chief Executive Officer's recommendations, including his evaluation of each Named Executive Officer's performance. Each December, in connection with the preparation of the Company's annual budget for the immediate succeeding fiscal year, the Chief Executive Officer and the Chief Financial Officer review the compensation of all key employees of the Company, including the Named Executive Officers. Once the Chief Executive Officer and the Chief Financial Officer have finalized the budget, the compensation component of the budget for the Named Executive Officers is submitted to the Compensation Committee for its review and approval. Following its approval, the entire proposed budget is submitted to Board for its review and approval.

No Named Executive Officer has a role in determining or recommending compensation for outside directors.

In addition, the Compensation Committee has the authority under its charter to retain outside consultants or advisors, as it deems necessary or advisable. In the past, the Compensation Committee has retained the services of Axiom Consulting Partners ("Axiom"), an outside compensation consultant, periodically and most recently in 2012, to review the executive and director compensation programs of the Company as it pertains to the Chief Executive Officer, the other executive officers and the non-employee members of the Board of Directors. The Compensation Committee did not retain Axiom or any other compensation consultant in the 2014 Fiscal Year.

In early 2015, the Compensation Committee engaged the compensation consultant, Pearl Meyer & Partners, LLC, to assist it in the process of determining modifications to compensation for the Named Executive Officers in connection with the management transition when Mr. Giardina became Executive Chairman and Mr. Gallagher was appointed as Chief Executive Officer and President, including modifications to the executive severance agreements of the other Named Executive Officers.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of our Board selects nominees to be recommended to the Board for nomination for election as directors and for any vacancies in such positions. Following the entry into agreements with the Walsh/Vora Stockholders and Farallon, the Nominating and Corporate Governance Committee has and will select nominees consistent with the terms of such agreements for so long as such agreements continue in effect. The Nominating and Corporate Governance Committee also oversees the evaluation of our Board and management and oversees our Code of Ethics and Business Conduct. The Nominating and Corporate Governance Committee also performs other duties and responsibilities as set forth in a charter approved by the Board. The Nominating and Corporate Governance Committee currently consists of three members of our Board: Bruce C. Bruckmann, Jason M. Fish, and Patrick Walsh (Chair). Each member of the Nominating and Corporate Governance Committee is independent, as independence is defined for purposes of Nominating and Corporate Governance Committee membership by the listing standards of Nasdaq. The Nominating and Corporate Governance Committee held one (1) meeting during the 2014 Fiscal Year.

The Board seeks to ensure that the Board is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight responsibilities effectively. In that regard, in identifying or reviewing proposed candidates for membership on the Board of Directors, the Nominating and Corporate Governance Committee considers all factors it deems appropriate, including the terms of the agreements with the Walsh/Vora Stockholders and Farallon. The Nominating and Corporate Governance Committee considers director nominees on a case-by-case basis, and therefore has not formalized any specific, minimum qualifications that it believes must be met by a director nominee, identified any specific qualities or skills that it believes are necessary for one or more of our directors to possess, or formalized a process for identifying and evaluating nominees for director, including nominees recommended by stockholders. Although the Board does not have a policy with regard to the consideration of diversity in identifying director nominees, among the many factors that the Nominating and Corporate Governance Committee considers, are the benefits to the Company of gender and racial diversity in board composition.

Effective January 1, 2015, the director compensation policy was modified to provide that the annual equity grant to directors shall occur on the first trading day of February of each year and was otherwise consistent with the director compensation policy for the 2014 Fiscal Year in all other material respects.

Stock Ownership Policy

Beginning in 2013, each Non-Employee Director is required to hold shares of common stock with a Fair Market Value (as defined in the Stock Incentive Plan) equal to four times the amount of the annual cash retainer payable to directors. All shares of common stock bought by the director or an immediate family member residing in the same household, all shares held in trust for the benefit of the director or his or her family, and all shares granted under the Company's equity compensation plans will count towards the satisfaction of these requirements.

Each Non-Employee Director will be required to attain such ownership within five years of joining the Board, or in the case of directors serving as of January 1, 2013, by January 1, 2018, and to continue to meet such requirements as of every December 31 of each successive year. If, following the fifth anniversary of joining the Board (or January 1, 2018 in the case of directors serving as of January 1, 2013), the Fair Market Value (as defined in the Stock Incentive Plan) of the common stock decreases such that the director is no longer in compliance with these requirements, the director will not be required to acquire any additional shares of common stock.

In the event that a director fails to comply with these share ownership requirements, he or she will be required to tender his or her resignation from the Board, in which case the Board will, in its discretion, determine whether or not to accept such resignation.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee during the 2014 Fiscal Year were Messrs. Arnold, Bruckmann, Galligan and McCall. During the 2014 Fiscal Year:

none of the members of the Compensation Committee had a direct or indirect material interest in any transaction in which the Company was a participant and the amount involved exceeded \$120,000.

none of our executive officers served on the board of directors or compensation committee (or another board committee with similar functions) of another entity where one of that entity's executive officers served on our board of directors or Compensation Committee during the 2014 Fiscal Year.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Objectives and Strategy

The Company's compensation program for our executive officers is designed to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability and to reward them for their contribution to the Company's performance and for creating long term value for the Company's stockholders. As discussed in more detail below, the primary objectives of the program are to:

Align the interests of executives with those of stockholders;

Attract and retain top tier executive talent who will draw upon their experience across industries to lead the Company in meeting its objectives;

Motivate and reward the achievement of critical strategic, operational and financial objectives through highly transparent programs that directly link performance and pay; and

Reward for collective accomplishments to support the Company's strong team orientation while promoting individual accountability through achievement of individual goals and milestones.

2014 Fiscal Year Compensation Decisions and Results

The Compensation Committee made several key compensation determinations in respect of the 2014 Fiscal Year.

Salary: The Named Executive Officers received modest salary increases in the 2014 Fiscal Year, consistent with salary increases of management employees, except that Mr. Gallagher received a larger increase as a result of his increasing areas of responsibilities within the Company.

Annual Cash Incentive: In the 2014 Fiscal Year, the Compensation Committee determined to award annual cash incentive plan bonus opportunities, conditioning 50% of the bonus payout on achievement of specified financial metrics and 50% of the bonus payout on the achievement of personal performance objectives, subject to a minimum financial performance component. The financial metrics were the same as in the previous year, and were composed of: Adjusted EBITDA, Return on Assets and Budgeted Revenue. For the Named Executive Officers, the target bonus opportunities as a percentage of base salary remained constant from the previous year. As a result of the Company's failure to meet the minimum performance goals related to Adjusted EBITDA, Return on Assets and Revenue, none of the Named Executive Officers received a payout on the non-equity incentive award.

Annual Discretionary Bonus: For the 2014 Fiscal Year, the Compensation Committee determined to award discretionary cash bonuses to certain of the Named Executive Officers in recognition of contributions to important Company operational and strategic objectives, including the introduction of the HVL strategy and conversion of 71 clubs during the 2014 Fiscal Year, the continuing development of the new BFX private studio brand, the closing of the sale of the East 86th Street property in New York, and continued progress on the multi-year deployment of the Company's upgraded information technology platform.

Edgar Filing: TOWN SPORTS INTERNATIONAL HOLDINGS INC - Form DEF 14A

Long-Term Equity Incentives: Consistent with grants in 2013, the Company made grants of restricted stock, which vest over a four-year period, subject to continued employment.

Hiring of Carolyn Spatafora, Chief Financial Officer: In the 2014 Fiscal Year, the Company hired Carolyn Spatafora as Chief Financial Officer. Ms. Spatafora's employment agreement provides for an annual base salary of \$350,000 and an annual bonus opportunity of 50% of base salary.

2015 Management Transition

In February 2015, the Company announced that Mr. Giardina would transition to Executive Chairman and Mr. Gallagher would succeed Mr. Giardina as Chief Executive Officer and President. In connection with this

Table of Contents

transition, Mr. Giardina's salary was reduced to \$500,000 effective May 1, 2015, Mr. Giardina was awarded a \$1.1 million retention bonus, payable following September 30, 2015 (as such date may be extended by the Company until December 31, 2015 under certain circumstances) subject to Mr. Giardina's continued employment (or earlier termination in connection with certain changes to the composition of the board of directors, the signing of an agreement contemplating a change in control, or the termination of the Company's strategic review process), and Mr. Giardina became entitled to continued health plan benefits for a period of five years following termination. On March 24, 2015, the Company announced that, in connection with the entering into of the nomination and settlement agreement with the Walsh/Vora Stockholders and the letter agreement with Farallon and the resulting changes to the Board, Mr. Giardina's employment with the Company as Executive Chairman would terminate on March 27, 2015, at which time the retention bonus became payable following a release of claims against the Company. In connection with Mr. Gallagher's appointment as Chief Executive Officer and President, the Compensation Committee increased Mr. Gallagher's base salary to \$575,000, increased his annual performance bonus award target to 75% of base salary, and agreed to award Mr. Gallagher 85,000 shares of restricted stock, as well as certain severance benefits.

Compensation Objectives and Strategy

The Company's compensation program for our executive officers is designed to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability and to reward them for their contribution to the Company's performance and for creating long term value for the Company's stockholders. The primary objectives of the program are to:

Align the interests of executives with those of stockholders

The Compensation Committee believes that the interests of executives and stockholders should be substantially aligned. Accordingly, a portion of the total compensation for the Named Executive Officers is in the form of stock-based compensation, which the Compensation Committee believes keeps the interests of executives aligned with those of the Company's stockholders and promotes a long-term commitment to the Company.

Attract and retain top tier executive talent who will draw upon their experience across industries to lead the Company in meeting its objectives

Our overall compensation levels are targeted to attract and retain the best executives in light of the competition for executive talent. The Compensation Committee has historically targeted total direct compensation (base salary plus annual non-equity incentive compensation at target plus stock-based long-term incentive opportunity) at the market median for target performance. However, the competitiveness of individual components (such as base salary, annual non-equity incentive compensation or long-term incentive opportunity) may at times be below or above the market median due to performance achievement against goals, employment experience and labor market demands.

Motivate and reward the achievement of critical strategic, operational and financial objectives through highly transparent programs that directly link performance and pay

A significant component of an executive officer's total compensation package is annual non-equity incentive compensation which links an executive officer's compensation directly to specific financial performance goals of the Company. If the Company does not meet the financial performance targets set by the Compensation Committee, the executive officers generally will not receive any annual non-equity incentive compensation.

Reward for collective accomplishments to support the Company's strong team orientation while promoting individual accountability through achievement of individual goals and milestones

Compensation depends in significant measure on Company results, but individual accomplishments are also very important factors in determining each Named Executive Officer's compensation. For example, annual non-equity incentive compensation is based not only on the financial performance of the Company, but also may be structured to reward achievement of personal objectives related to operational and strategic initiatives of the Company. The Compensation Committee also has the ability to award discretionary cash bonuses based on executive and Company achievements throughout the year.

Table of Contents

The Company's executive compensation programs are approved and administered by the Compensation Committee of the Board. Working with management, the Compensation Committee has developed a compensation and benefits strategy that rewards performance and productive behaviors and reinforces a culture that the Compensation Committee believes will drive long-term success.

Compensation Determination Process

The Compensation Committee is responsible for setting our executive compensation objectives and policies, establishing our executive compensation program in a manner consistent with those objectives and policies and determining the compensation for our executive officers. Determining the appropriate level of executive compensation is not an exact science and involves careful deliberation and business judgment. See Corporate Governance and Board Matters Committee Membership Compensation Committee for more information on the Compensation Committee and its practices.

The compensation of the Chief Executive Officer (CEO) is determined by the Compensation Committee based on (1) the Compensation Committee's assessment of the Company's overall performance and the individual performance of the CEO, (2) previous compensation levels provided to the CEO, (3) previous compensation levels provided to the CEO in former positions, if applicable, and (4) in certain years, comparable compensation data for the Compensation Comparison Group (described below) provided by Axiom Consulting Partners (Axiom), an outside compensation consultant periodically engaged by the Compensation Committee to review the executive compensation program of the Company as it pertains to the CEO and the other executive officers. The Compensation Committee most recently engaged Axiom to perform an analysis of the Company's compensation programs in 2012 and did not retain Axiom in 2013 or 2014.

With respect to compensation for the other Named Executive Officers, the Compensation Committee considers a variety of factors, including Company and individual performance, previous compensation levels provided to such named executive officers or others who previously served in their positions, the recommendations of the CEO, and, in certain years, comparable compensation data for peer companies provided by Axiom.

The Compensation Committee, with the assistance of the CEO (with respect to the other Named Executive Officers only), has historically sought to set the target for total direct compensation (that is, the sum of base salary, annual non-equity incentive compensation at target achievement and stock-based long-term incentive awards) of our executives, including the Named Executive Officers, at levels that are competitive with equivalent positions at a select group of companies that the Compensation Committee believes to be an appropriate reference group (the Compensation Comparison Group). Data for the Compensation Comparison Group includes (1) information about a peer group of companies and (2) data from well-established, publicly available general industry compensation surveys that have been calibrated to compare to companies of the Company's size. The peer group is a group primarily consisting of employee-intensive companies of comparable size that deliver service-oriented, personal selling focused, discretionary fitness and lifestyle-related services in comparatively large facilities. The second group is composed of public companies with median revenue and/or market capitalization comparable to that of the Company. We regard the peer group as potential competition for executive talent. The Compensation Committee believes that the inclusion of information regarding general industry compensation practices reflects the labor market for those executive positions that are not industry-specific, adding to the validity and reliability of the comparison.

In 2014, the Compensation Committee decided not to re-engage Axiom to provide information about the Company's peer group, but rather based compensation decisions predominantly based on compensation levels in the 2013 fiscal year, which were in turn largely based on the compensation levels set in 2012. Information provided by Axiom in 2012 about the Company's peer group's historical compensation practices was used as one factor in setting 2012 salary and non-equity incentive compensation. The peer group utilized in the 2012 Fiscal Year consisted of the following companies, which were determined in consultation with Axiom: Bluegreen Corporation; Cedar Fair, L.P.; Dover Downs Combined Entity; Isle of Capri Casinos, Inc.; Life Time Fitness, Inc.; Marriott Vacations Worldwide Corporation; Morgans Hotel Group Co.; MTR Gaming Group, Inc.; Nutrisystem, Inc.; Six Flags Entertainment Corporation; Steiner Leisure Limited; The Marcus Corporation; and Weight Watchers International, Inc. The 2012 peer group includes the fitness, weight reduction/spa services,

Table of Contents

hotels, resorts and amusement parks industries, with median 2011 fiscal year revenue of \$702 million and median market capitalization of \$368 million as of March 30, 2012. The Company's revenue, operating margin and market capitalization fell in between the 25th and 50th percentiles of those of the peer group.

In early 2015, the Compensation Committee engaged the compensation consultant, Pearl Meyer & Partners, LLC, to assist it in the process of determining modifications to compensation for the Named Executive Officers in connection with the management transition when Mr. Giardina became Executive Chairman and Mr. Gallagher was appointed as Chief Executive Officer and President, including modifications to the executive severance agreements of the other Named Executive Officers.

Pay Levels and Benchmarking

Pay levels for the Named Executive Officers are determined based on a number of factors, including the individual's roles and responsibilities within the Company, the individual's experience and expertise, the pay levels for peers within the Company, pay levels in the marketplace for similar positions, tenure at the Company, and the performance of the individual and the Company as a whole. In determining pay levels, the Compensation Committee considers all forms of compensation and benefits. The Compensation Committee has historically targeted total direct compensation (that is, the sum of base salary, annual cash bonuses at target performance and stock-based long-term incentive awards) at the market median of the peer group for target performance. However, as noted above, notwithstanding the Company's overall pay positioning objectives, pay opportunities for specific individuals vary based on a number of factors such as performance achievement against goals, the diversity of executive backgrounds, employment history and labor market demands.

Say-on-Pay and Say-on-Frequency Results

In our say-on-pay vote at our 2014 Annual Meeting, a substantial majority of our stockholders (approximately 94% of the votes cast either for or against by stockholders) approved the compensation of our named executive officers. The Compensation Committee considered the highly positive result of the advisory, non-binding say-on-pay vote in connection with the discharge of its duties, including making executive compensation decisions since the time of that meeting. In light of the overwhelming stockholder support, the Committee generally has not made significant changes in our compensation program for 2014.

In light of the voting results with respect to the frequency of stockholder votes on executive compensation at the 2013 Annual Meeting in which a majority of the votes cast voted for say-on-pay proposals to occur every year, our board of directors decided that the Company will hold, in accordance with the vote, an annual advisory vote on the compensation of named executive officers. We currently expect to hold our next stockholder vote on frequency at the Company's 2019 Annual Meeting of Stockholders.

Compensation Structure

Pay Elements Overview

The Company utilized five main components of compensation during 2014:

Base Salary – fixed cash compensation to attract and retain key executives, recognizing and rewarding the application of their skills and experience in fulfillment of their responsibilities.

Annual Cash Incentive Compensation – variable cash compensation paid in accordance with the achievement of established annual objectives.

Annual Discretionary Bonus – variable cash compensation paid in recognition of employee contribution towards Company operational and strategic achievements not reflected in annual financial objectives. Discretionary bonuses are considered in circumstances where achievement under Bonus Plan is less than the target or threshold levels.

Long-term Equity Incentives equity-based compensation that grows in value in accordance with long-term value creation, aligning executive and stockholder interests, and giving executives an opportunity to participate in the Company's success over time.

Pay Elements Details

1. Base Salary

As part of its review of the annual budget for the immediately succeeding fiscal year, the Compensation Committee reviews the base salaries and other compensation for our Named Executive Officers and makes adjustments as warranted based on individual responsibilities and performance, Company performance in light of market conditions and competitive practice. Salary adjustments for any given year are generally approved at the end of the immediately preceding year or the beginning of the calendar year and implemented during the first quarter of the calendar year.

The compensation study performed by Axiom in 2012 revealed that base salaries for the Company's most highly compensated employees, including the Named Executive Officers, generally were below or within the competitive range of median salaries within the Compensation Comparison Group peer group in 2012. The Compensation Committee believes that individual salaries may range above or below the median based on a variety of factors, including the potential impact of the executive's role at the Company, the terms of the executive's employment agreement, if any, the experience the executive brings to the position and the performance and potential of the executive in his or her role and, as a result, raised base salaries for the named executive officers in 2013.

Historically, annual salary increases have been based on cost of living increases and range from 3-4%. Annual salary increases for Named Executive Officers are generally consistent with those of other management employees.

In January 2014, in connection with Mr. Gallagher's promotion to President and Chief Operating Officer, the Compensation Committee determined to increase Mr. Gallagher's base salary to \$385,000, in recognition of his increased job responsibilities. In February 2014, the Compensation Committee approved a salary increase for all Named Executive Officers (other than Mr. Gallagher, whose compensation was adjusted as described above) of 3% effective March 1, 2014 as follows: Mr. Giardina (\$689,585), Mr. Kastin (\$324,990), Mr. Barron (\$311,428) and Mr. Milford (\$269,631). In connection with the hiring of Ms. Spatafora as Chief Financial Officer, the Compensation Committee approved a base salary for Ms. Spatafora of \$350,000.

In January 2015, the Compensation Committee approved base salary increases for the 2015 fiscal year for all named executive officers of 2.5%.

In connection with Mr. Giardina's transition to Executive Chairman in February 2015, the Compensation Committee determined to reduce Mr. Giardina's base salary to \$500,000, effective May 1, 2015, in connection with his reduced duties. Mr. Giardina was also awarded a \$1.1 million retention bonus, payable following September 30, 2015 (as such date may be extended by the Company until December 31, 2015 under certain circumstances) subject to Mr. Giardina's continued employment (or earlier termination in connection with certain changes to the composition of the board of directors, the signing of an agreement contemplating a change in control, or the termination of the Company's strategic review process), and Mr. Giardina became entitled to continued health plan benefits for a period of five years following termination. On March 24, 2015, the Company announced that, in connection with the entering into of the nomination and settlement agreement with the Walsh/Vora Stockholders and the letter agreement with Farallon and the resulting changes to the Board, Mr. Giardina's employment with the Company as Executive Chairman would terminate on March 27, 2015, at which time the retention bonus became payable following a release of claims against the Company.

In connection with Mr. Gallagher's appointment as Chief Executive Officer and President, the Compensation Committee determined to increase Mr. Gallagher's base salary to \$575,000 in recognition of Mr. Gallagher's increased job responsibilities and experience at our Company.

2. Annual Cash Incentive Compensation

Annual incentive compensation for designated key employees is paid under our Amended and Restated 2006 Annual Performance Bonus Plan (the Bonus Plan). The Bonus Plan is designed to grant bonus awards to

Table of Contents

such individuals as an incentive to contribute to our profitability. The Compensation Committee administers the Bonus Plan. Bonus targets are set at a percentage of base salary and are paid based on the Company's achievement of Company and personal performance goals. We seek to calibrate annual incentive opportunities to generate zero or less-than-median awards when goals are not fully achieved and greater-than-median awards when goals are exceeded.

In the 2014 Fiscal Year, the Compensation Committee determined to keep the target bonus percentage for the named executive officers constant from the previous year.

Under the Bonus Plan, participants are eligible to receive bonus awards that may be expressed, at the Compensation Committee's discretion, as a fixed dollar amount, a percentage of compensation (whether base pay, total pay or otherwise) or an amount determined pursuant to a formula. Annual non-equity incentive plan awards are contingent upon the attainment of certain pre-established performance targets established by the Compensation Committee, which may include, without limitation, the following:

earnings before interest, taxes, depreciation and amortization (EBITDA);

return on equity, assets or capital;

gross or net revenues;

earnings per share; or

such other goals established by the Compensation Committee, as permitted under the Bonus Plan.

The amount of an annual non-equity incentive compensation award may also depend on the performance of the employee.

In the 2014 Fiscal Year, the Compensation Committee determined to revise the bonus calculation under the Bonus Plan to more strongly emphasize the executive's performance against personal performance objectives rather than focusing the bonus payout primarily on the Company's financial metrics. The Compensation Committee chose to modify the terms of the annual bonus from prior years to emphasize personal performance and acknowledge the important roles of the Named Executive Officers and other employees in deploying new strategic initiatives at the Company and also to take into account that the Company had missed its financial objectives under the Bonus Plan in the 2013 Fiscal Year. In the 2014 Fiscal Year, 50% of a participant's bonus was based on attainment of financial performance goals, as described below, and 50% of the award was based on attainment of specific personal performance objectives, provided that no amounts were payable under the Bonus Plan to a participant in respect of the personal performance component if the Company did not achieve a minimum of \$73 million in Adjusted EBITDA.

For the 2014 Fiscal Year, the non-equity incentive plan award (50% of total award) is computed as shown in the table below.

Component	Weight	Goal	Actual Performance	Achievement of Target Bonus
Target Return on Assets	20%	13.47%	7.9%	0%
Target Adjusted EBITDA	60%	\$ 87,100,000	\$ 53,100,000	0%
Target Revenue	20%	\$ 495,920,000	\$ 453,842,000	0%
Total				0%

The definition of Adjusted EBITDA for executive bonus computation purposes is earnings before interest, taxes, depreciation, amortization, compensation expense incurred in connection with stock options of the Company, adjusted for items of a non-recurring nature as approved by the Compensation Committee, and adjusted for any increase or decrease in any employee's target bonus percentage. In the 2014 Fiscal Year,

Edgar Filing: TOWN SPORTS INTERNATIONAL HOLDINGS INC - Form DEF 14A

non-recurring or other items included in the calculation of Adjusted EBITDA included adjustments related to the impairment of fixed assets, gains and expenses related to club closures, sale of our East 86th Street property, loss on extinguishment of debt, and impairment of goodwill.

Return on assets for executive bonus computation purposes is calculated as Adjusted EBITDA (without adjustment for compensation expense), divided by the average monthly gross investments in 2014, which reflects the cumulative investments made by the Company in its operation of the business.

Table of Contents

As a result of the Company's failure to meet the minimum performance goals related to Adjusted EBITDA, Return on Assets and Revenue with respect to the financial performance portion of the non-equity incentive award, and failure to meet the minimum \$73 million threshold for the payment of the personal component of the non-equity incentive award, none of the Named Executive Officers received a payout on the non-equity incentive award. See Narrative Supplement to the Summary Compensation Table and the 2014 Grants of Plan-Based Awards Table for more information on the calculation of potential amounts under the Bonus Plan.

3. Discretionary Cash Bonus

In the 2014 Fiscal Year, the Compensation Committee decided to award cash bonuses to the Named Executive Officers in recognition of their personal performance and their contributions in furtherance of Company operational and strategic performance. These bonuses were fully discretionary and were awarded after a discussion with Mr. Giardina, a review of amounts that could have potentially been earned under the Bonus Plan, a review of each Named Executive Officer's performance and leadership throughout the year, consideration of Company performance, and consideration of the retention value of providing an annual cash bonus despite the Company's failure to meet the minimum thresholds of the Bonus Plan.

Specifically, in approving discretionary bonuses, the Compensation Committee considered the contribution of each Named Executive Officer towards important Company operational and strategic objectives, including the introduction of the HVLP strategy and conversion of 71 clubs during the 2014 Fiscal Year, the continuing development of the new BFX private studio brand, the closing of the sale of the East 86th Street property in New York, and continued progress on the multi-year deployment of the Company's upgraded information technology platform.

In respect of the 2014 Fiscal Year, the Compensation Committee awarded a discretionary cash bonus to the following Named Executive Officers: Ms. Spatafora (\$35,529), Mr. Kastin (\$19,794); Mr. Barron (\$18,986); and Mr. Milford (\$10,000). Mr. Giardina and Mr. Gallagher did not receive discretionary cash bonuses in the 2014 Fiscal Year.

4. Long-term Equity Incentives

The Company and the Compensation Committee believe that equity-based awards are an important factor in aligning the long-term financial interests of our executive officers and stockholders. The Compensation Committee designs long-term equity incentive awards to ensure that our executive officers have a continuing stake in the long-term success of the Company, that the total compensation realized by our executive officers reflects our multi-year performance as measured by the efficient use of capital and changes in stockholder value, and that a large portion of the total compensation opportunity is earned over a multi-year period and is forfeitable in the event of termination of employment.

The Compensation Committee continually evaluates the use of equity-based awards and intends to continue to use such awards in the future as part of designing and administering the Company's compensation program. The Company expects to make equity grants at regular intervals.

The Compensation Committee, or a subcommittee, may grant equity incentives under the Company's Stock Incentive Plan in the form of stock options (non-qualified and incentive stock options), stock appreciation rights, restricted stock, performance shares and other stock-based awards (including restricted stock units (RSUs) and deferred stock units).

Since 2011, the Compensation Committee has made the annual equity incentive grant in the form of restricted stock, although the Compensation Committee may determine to award other forms of awards as it deems appropriate. The Company may also make grants to new employees on the commencement of employment and to key employees following a significant change in job responsibilities or to meet specific retention objectives. Shares of restricted stock typically vest in four equal annual installments, beginning on the first anniversary of the grant date, subject to continuous employment from the date of grant until the applicable vesting date. We believe that this vesting schedule reinforces the long-term orientation of our compensation philosophy.

In the 2014 Fiscal Year, the Compensation Committee granted restricted stock awards to our Named Executive Officers as indicated in the 2014 Grants of Plan-Based Awards Table. These restricted stock awards vest in four equal annual installments, beginning on the first anniversary of the grant date, and subject to continuous

Table of Contents

employment from the date of grant until the applicable vesting date. In determining the amount of the equity and equity-based awards to be granted to the Named Executive Officers in 2014, the Compensation Committee targeted the annual grants to be competitive with the Compensation Comparison Group peer group based on data provided to the Compensation Committee in 2012. The Compensation Committee awarded 35,000, 27,500, 12,000, 14,000, and 7,000 shares of restricted stock to Mr. Giardina, Gallagher, Kastin, Barron, and Milford respectively, in 2014. In connection with her appointment as Chief Financial Officer, Ms. Spatafora was awarded 15,000 shares of restricted stock, subject to the same vesting schedule described above, which was generally consistent with the size of the award made in the previous year to Mr. Gallagher, who was then serving as Chief Financial Officer.

In connection with Mr. Gallagher's promotion to Chief Executive Officer and President in February 2015, the Compensation Committee approved a grant of 85,000 shares of restricted stock, taking into account the value of Mr. Gallagher's previous year equity awards and his increased role at the Company. Awards to the other Named Executive Officers in early 2015 (other than Mr. Giardina, who did not receive an equity award) were generally consistent with the value of equity awards granted in the 2014 Fiscal Year.

In March and June 2014, our Board of Directors declared a quarterly cash dividends on shares of common stock of the Company and, consistent with prior practice, the Compensation Committee declared the payment of a cash bonus on vested stock options which were in-the-money at the dividend payment dates in an amount equal to the cash dividends, \$0.16 per share. Pursuant to the Stock Incentive Plan, holders of unvested restricted stock are entitled to the dividend payments, which amounts becomes payable on the same vesting schedule as the underlying restricted stock.

5. Other Benefits and Perquisites

The Company's executive compensation program also includes other benefits and perquisites. We maintain a 401(k) plan for our eligible employees and Named Executive Officers with annual matching contributions up to \$500 per year which vest over four years. In addition, we provide medical benefits, long-term disability insurance (and gross-ups for related taxes) for specified employees, and free memberships in the Company's clubs for all employees. The Company annually reviews these other benefits and perquisites and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance.

The Compensation Committee has approved these other benefits and perquisites as a reasonable component of the Company's executive compensation program. Please see the "All Other Compensation" column in the Summary Compensation Table for further information regarding these benefits.

Pay Mix

We utilize the particular elements of compensation described above because we believe that it provides a well-proportioned mix of low-risk compensation, retention value and at-risk compensation that produces short-term and long-term performance incentives and rewards. By following this approach, we provide the Named Executive Officers a measure of security in the minimum level of compensation that such individuals are eligible to receive, while motivating the Named Executive Officers to focus on the business metrics and personal performance that will produce a high level of performance for the Company and long-term benefits for stockholders, as well as reducing the risk of recruitment of top executive talent by competitors. The mix of metrics used for the Bonus Plan and the Stock Incentive Plan likewise provides an appropriate balance between short-term financial performance and long-term financial and stock performance.

For our Named Executive Officers, a significant portion of total compensation is related to at-risk pay (annual cash incentives and long-term equity incentives). Maintaining this approach reinforces a pay-for-performance orientation for our Named Executive Officers, which is aligned with the Company's stated compensation philosophy of providing compensation commensurate with performance.

In accordance with our philosophy that overall compensation should be competitive and that the compensation of the Named Executive Officers should be at least partially dependent upon individual and Company performance, these executives are eligible to receive a higher portion of total annual compensation in the form of performance-based annual cash bonuses and long-term equity compensation as compared to other Company

Table of Contents

employees. In addition, in support of pay-for-performance objectives, the portion of total direct compensation delivered through long-term equity incentives generally increases with an executive's role and level of responsibility. As a result, our most senior executives are held most accountable for achieving multi-year performance objectives and changes in stockholder value.

Chief Executive Officer Compensation

In 2014, as Chief Executive Officer, Mr. Giardina's annual compensation consisted primarily of base salary, annual incentive bonus, eligibility for a discretionary cash bonus, and restricted stock awards. Mr. Giardina's annual compensation was higher than that of the other Named Executive Officers due to his extensive experience and history with the Company and the higher demands of the chief executive officer position. For the 2014 Fiscal Year, Mr. Giardina's annual compensation consisted of:

\$689,585 annual base salary;

No annual incentive award payout or discretionary cash bonus;

A grant on March 12, 2014 of 35,000 shares of restricted stock; and

Participation in other benefit plans and perquisites.

As Chief Executive Officer and President, Mr. Gallagher will be entitled to a \$575,000 base salary, annual incentive plan target opportunity of 75% of base salary, an initial award of 85,000 shares of restricted stock, and participation in other benefit plans and perquisites.

Post-Termination Compensation and Benefits

None of the Named Executive Officers have employment agreements with the Company, but the offer letters to each of Mr. Gallagher and Mr. Kastin contain severance arrangements in the event that the executive is terminated without cause. Mr. Kastin's letter provides for the payment of one year of base salary upon a termination without cause. In February 2015, in connection with Mr. Gallagher's appointment as Chief Executive Officer, the Company entered into a new employment letter providing severance payments payable upon a termination without cause or resignation due to constructive termination equal to eighteen months' salary (or twenty months in connection with a constructive termination), an amount equivalent to a pro-rata annual bonus (based on the number of days in the fiscal year through the date of termination) with respect to the fiscal year in which the termination occurs, calculated at target, and up to two years of continued health and insurance benefits, subject to certain conditions, including the Mr. Gallagher's compliance with certain restrictive covenants. These severance arrangements reflect negotiations between the executive and the Company and, in each case, was considered at the time by the Compensation Committee to be appropriate to retain the executive.

All Named Executive Officers have previously entered into an executive severance agreement providing for specified severance benefits upon a termination of the executive's employment with the Company without cause or by the executive for good reason within six months following a change in control of the Company. In February 2015, in connection with the management transition, the Company entered into amended executive severance agreements with the Named Executive Officers (other than Messrs. Giardina and Gallagher, whose agreements were superseded with the retention agreement, in the case of Mr. Giardina, and the employment letter, in the case of Mr. Gallagher) increasing the termination period during which an executive becomes entitled to severance payments to one year following a change in control of the Company, as well as providing such executive with severance benefits upon death or qualifying disability. The Compensation Committee believes that severance in connection with a termination or reduction in responsibilities in connection with a change in control is necessary to attract and retain the talent necessary for our long-term success. These severance arrangements allow our executives to focus on duties at hand and provide security should their employment be terminated as a result of involuntary termination without cause or a constructive discharge in connection with a change in control of the Company. Under these severance arrangements, the executives will be required to comply with a non-competition covenant for a period of up to one year and will receive in return one year of salary (fourteen months in the case of a constructive termination), a pro rata annual bonus, continuation of health and dental and disability coverage for up to two years (increased from one year in connection with the amendment and restatement), continuation of fitness club membership for one year and eligibility for outplacement assistance

Table of Contents

with a cost not to exceed \$25,000. The Compensation Committee believes that these benefits are reasonable given that the executive's employment opportunities for a period following termination will be constrained by the non-competition covenants contained in the severance agreements. These executive severance agreements are more fully described under Potential Payments Upon Termination or Change in Control.

In connection with Mr. Giardina's transition to Executive Chairman, the Compensation Committee approved a retention payment to Mr. Giardina of \$1.1 million payable following September 30, 2015, subject to Mr. Giardina's continued employment, provided that the Company had the right to extend such date to no later than December 31, 2015 to the extent the Company was engaged in the negotiation of certain strategic transactions. Such date was also subject to acceleration in connection with certain changes to the composition of the board of directors, the signing of an agreement contemplating a change in control, or the termination of the Company's strategic review process. Mr. Giardina was also entitled to be paid the retention bonus if he was terminated without cause, or as a result of death or disability. In connection with such transition, the Company also agreed to continue the health, dental and disability coverage for Mr. Giardina for a period of up to five years following his departure from the role of Executive Chairman and to provide lifetime gym memberships at the Company's clubs for Mr. Giardina and his immediate family. Such amount became payable following the entering into of the nomination and standstill agreement with the Walsh/Vora Stockholders and the letter agreement with Farallon.

Under the Stock Incentive Plan and the related award agreements entered into between the Company and certain Named Executive Officers, if the Named Executive Officer resigns or the Named Executive Officer's employment is terminated by the Company for any reason and the Company wishes to enforce specified non-competition and non-solicitation covenants for a period of up to one year, the Company must pay the Named Executive Officer severance compensation equal to no less than such Named Executive Officer's base salary during such period (other than in the cases of Messrs. Giardina, Gallagher and Kastin, whose employment letters provide for severance payments which are in lieu of the payments described above, and in the case of all Named Executive Officers (other than Mr. Giardina), in the event of a termination in connection with a change in control, in which case severance is provided under their respective severance agreements in lieu of the payments described above). The Compensation Committee believes that discretionary enforcement of non-competition and non-solicitation arrangements is beneficial to the competitive position of the Company and that the corresponding severance compensation is reasonable in such circumstances.

Compensation Committee Discretion

The Compensation Committee retains the discretion to decrease all forms of incentive payouts based on significant individual or Company performance shortfalls. Likewise, the Compensation Committee retains the discretion to increase payouts and/or consider special awards for significant achievements, including but not limited to superior management, investment or strategic accomplishments and/or consummation of acquisitions or other transactions.

Hedging Policy

The Company's insider trading policy prohibits employees, officers and directors from engaging in transactions involving derivative securities (other than employee stock options or other equity grants under the Company's equity compensation plans). Employees, officers and directors may not trade in Company-based put and call option contracts or similar instruments, and may not engage in short-selling of Company securities.

Impact of Tax and Accounting

As a general matter, the Compensation Committee takes into account the various tax and accounting implications of compensation vehicles employed by the Company. When determining amounts of grants to Named Executive Officers and employees, the Compensation Committee examines the accounting cost associated with the grants. Under ASC Topic 718, grants of stock options, restricted stock, restricted stock units and other share-based payments result in an accounting charge for the Company. The accounting charge is equal to the fair value of the instruments being issued. For restricted stock and restricted stock units, the cost is equal to the fair value of the stock on the date of grant times the number of shares or units granted. This expense is amortized over the requisite service period, or vesting period of the instruments.

Table of Contents

Section 162(m) of the Internal Revenue Code generally prohibits any publicly held corporation from taking a federal income tax deduction for compensation paid in excess of \$1,000,000 in any taxable year to the corporation's chief executive officer and next three highest compensated executive officers (other than the chief financial officer), unless the compensation qualifies as performance-based compensation within the meaning of Section 162(m). We generally intend to structure performance based awards to qualify as performance-based compensation within the meaning of Section 162(m). While it is the Compensation Committee's policy generally to maximize the effectiveness of our executive compensation plans in this regard, we reserve the right to pay compensation that is not deductible under Section 162(m).

Conclusion

The level and mix of compensation for each of our Named Executive Officers is considered within the context of our historical compensation practices as well as the factors outlined above. The Compensation Committee believes that each of the compensation packages for our Named Executive Officers is appropriate in light of our business environment, strategic objectives and management transition.

Payments under the Bonus Plan are based on the Company's achievement of certain financial targets and personal performance objectives.

Table of Contents**Company Performance**

For the 2014 Fiscal Year, each Named Executive Officer's potential award under the Bonus Plan in respect of Company performance was based on a percentage of his base salary. If the Company achieved target Adjusted EBITDA (\$87,100,000 for the 2014 Fiscal Year) and target revenue (\$495,920,000 for the 2014 Fiscal Year) and target return on assets (13.47% for the 2014 Fiscal Year), each of the Named Executive Officers would receive (subject to adjustment as described below) 50% of the following percentage of his base salary: Mr. Giardina (100%), Mr. Gallagher and Ms. Spatafora (50%) and Messrs. Kastin, Barron and Milford (30%) (each amount the Target Bonus). Based upon the Company's actual results in relation to target Adjusted EBITDA, budgeted revenue and target return on assets, the Target Bonus amounts would be adjusted as follows (with straight-line interpolation between points):

Achievement of Adjusted EBITDA	Percentage of Target Bonus Awarded
Below \$82,000,000 and below	0%
\$82,000	15%
\$87,100,000 (Target)	60%
\$92,000,000 and above	84%

Achievement of Revenue	Percentage of Target Bonus Awarded
Below \$486,498,000	0%
\$486,498,000	10%
\$495,920,000 (Target)	20%
\$545,512,000 and above	28%

Achievement of Return on Assets	Percentage of Target Bonus Awarded
Below 12.45%	0%
12.45%	5%
13.47% (Target)	20%
14.82% and above	28%

Personal Performance

In the 2014 Fiscal Year, 50% of the payout opportunity under the Bonus Plan was based on satisfaction against personal performance objectives, provided that in order for the Named Executive Officers to receive any payout under this component, the Company was required to achieve a minimum Adjusted EBITDA in the 2014 Fiscal Year of \$73 million, which was not achieved, resulting in zero payout under the Bonus Plan for the 2014 Fiscal Year.

Payment

Annual non-equity incentive awards will generally be paid in cash after the end of the performance period in which they are earned, as determined by the Compensation Committee, but not later than the later of (1) March 15 after the end of the applicable year and (2) two and one-half months after the expiration of the fiscal year in which the performance period with respect to which the annual non-equity incentive award is earned ends. In addition, annual non-equity incentive awards generally will not be paid until the Company's independent registered public accounting firm has issued its report with respect to the audit of the Company's consolidated financial statements for the applicable fiscal year.

The Compensation Committee has included a deferral aspect for the annual non-equity incentive plan compensation awards granted since 2011, whereby amounts earned above 133% of the target bonus will be deferred and be payable in equal annual installments over a three-year period, subject to continued employment on each payment date. The deferred amounts are also payable in connection with specified termination events and in connection with a change in control. See [Potential Payments Upon Termination or Change in Control](#) for more information.

Terms of Equity-Based Awards

Vesting Schedule

Option and restricted stock awards vest ratably over four years following the date of grant, subject to acceleration upon a change in control. Unvested shares of restricted stock are entitled to dividend payments, which amounts are deferred on the respective dividend dates and are payable on the same vesting schedule as the underlying restricted stock. Our board of directors may declare additional cash bonuses on vested, in-the-money stock options in connection with declarations of dividends, which amounts are payable in connection with the payment of the dividend.

Forfeiture

Absent death, disability or retirement, unexercised option awards are generally forfeited at termination of employment following a 90-day post-termination exercise period if the termination was involuntary and not for cause. If the termination was voluntary by the employee, the option may be exercised during the 30-day period following termination. In the event the employee is terminated for cause, the option expires on the date of termination. In the event of death, disability or retirement prior to the complete exercise of a vested option award, the vested portion of the option may be exercised, in whole or in part, within one year after the date of death, disability or retirement, as the case may be, and, in all cases, prior to the option expiration. Unvested restricted stock awards are generally forfeited at termination of employment.

Covenants

The option and restricted stock awards contain confidentiality provisions and non-compete and non-solicitation provisions that apply to our executive officers.

Option awards granted under the Stock Incentive Plan have an exercise price equal to the closing price of the underlying shares on the date of grant. All equity award grants to Executive Officers are approved by the Compensation Committee or a subcommittee thereof.

Table of Contents

(2) All amounts reported in this column are also reported in the Summary Compensation Table in the columns Non-Equity Incentive Plan Compensation or All Other Compensation .

The Compensation Committee has included a deferral provision to the payment of a portion of non-equity incentive award compensation for awards granted since 2011. Deferred portions are to be paid in three equal annual installments at the same time that bonuses are paid in general during the first quarter of each of the following three years so long as the Named Executive Officer remains employed by the Company on the applicable payment date. The deferred amounts are also payable in connection with specified termination events and in connection with a change in control. See Potential Payments Upon Termination or Change in Control for more information.

In connection with the 2012 Dividend, holders of unvested restricted stock became entitled to payments on each share of unvested restricted stock, which payments were allocated to each holder and become payable on the same vesting schedule as the underlying unvested restricted stock.

Potential Payments Upon Termination or Change in Control

Under the Stock Incentive Plan and the related award agreements entered into between the Company and certain Named Executive Officers, if the Named Executive Officer resigns or the Named Executive Officer's employment is terminated by the Company for any reason and the Company wishes to enforce specified non-competition and non-solicitation covenants for a period of up to one year, the Company must pay the Named Executive Officer severance compensation equal to no less than such Named Executive Officer's base salary during such period (other than in the cases of Messrs. Giardina, Gallagher and Kastin, whose employment letters provide for severance payments which are in lieu of the payments described above, and in the case of all Named Executive Officers, in the event of certain terminations in connection with a change in control, in which case severance is provided under the severance agreements in lieu of the payments, in each case, as described in more detail below).

None of the Named Executive Officers have employment agreements with the Company, but the offer letters to each of Mr. Gallagher and Mr. Kastin contain severance arrangements in the event that the executive is terminated without cause. Mr. Kastin's letter provides for the payment of one year of base salary upon a termination without cause. In February 2015, in connection with Mr. Gallagher's appointment as Chief Executive Officer, the Company entered into a new employment letter providing severance payments payable upon a termination without cause or resignation due to constructive termination equal to eighteen months' salary (or twenty months in connection with a constructive termination), an amount equivalent to a pro-rata annual bonus (based on the number of days in the fiscal year through the date of termination) with respect to the fiscal year in which the termination occurs, calculated at target, and up to two years of continued health and insurance benefits, subject to certain conditions, including Mr. Gallagher's compliance with certain restrictive covenants. These severance arrangements reflect negotiations between the executive and the Company and, in each case, was considered at the time by the Compensation Committee to be appropriate to retain the executive.

Certain awards under our Bonus Plan provide for deferral of amounts earned in excess of 133% of target amounts in the given year. Such excess amounts are deferred and become payable in three equal annual installments during the first quarter of each of the following three years, so long as the Named Executive Officer remains employed with the Company at the payment date. If a Named Executive Officer is terminated (1) by the Company other than for cause (as defined in the Stock Incentive Plan) or (2) as a result of the Named Executive Officer's death or disability (as defined in the Stock Incentive Plan), then the Named Executive Officer will be entitled to receive the deferred amounts payable at the times had such termination not occurred. If a change in control (as defined in Stock Incentive Plan) occurs, the deferred amounts will be paid within 30 days of the change in control. If the Named Executive Officer is not employed by the Company on the payment date for reasons other than as set forth above, then any outstanding deferred amounts will be forfeited and no longer due and payable.

Under the Stock Incentive Plan, an executive's unvested stock option and restricted stock awards will vest in full upon a change in control.

Change in control is generally defined in the Stock Incentive Plan as: (1) any person becoming the beneficial owner directly or indirectly, of 40% or more of the combined voting power of the

Table of Contents

then outstanding securities of the Company or (2) the stockholders of the Company approving a plan of complete liquidation of the Company or the consummation of the sale or disposition by the Company of all or substantially all of the Company's assets other than the sale of all or substantially all of the assets of the Company to a person or persons who beneficially own 50% or more of the Company's common stock or pursuant to a spin-off type transaction of such assets to the stockholders of the Company.

The Company has entered into a severance agreement (as amended and restated on February 25, 2015, an Executive Severance Agreement) with each of Messrs. Barron, Kastin and Milford and Ms. Spatafora. The Executive Severance Agreement provides that, if the executive officer's employment is terminated by either (1) the Company without cause (as such term is defined in the Executive Severance Agreement) or (2) by the executive officer due to a constructive termination (including a material diminution in the executive's authority, duties, responsibilities or reporting relationship, except as part of an organizational change; a change in the location at which the executive primarily performs services for the Company of more than 50 miles; or a material reduction in the executive's base pay or incentive cash compensation), a death or qualifying disability in each case, within a period of twelve months following a change in control (as such term is defined in the Executive Severance Agreement), then the executive officer will receive the following severance: (a) an amount equal to one year of the executive officer's base salary (or in the event of a constructive termination, fourteen months' salary), payable in equal monthly installments; (b) a pro rata annual bonus for the fiscal year in which the termination occurred, assuming the approved bonus targets had been met (which bonus will be payable at such time as bonuses are paid to the Company's employees generally); (c) the continuation of health and dental and disability coverage for up to two years, with the Company continuing to pay the same portion of the premiums as it does for current employees; (d) continuation of Passport Membership at the Company's fitness clubs for the executive and his or her immediate family at no cost to the executive for a period of one year (or in the event of a constructive termination, fourteen months) and (e) eligibility for outplacement assistance with a cost not to exceed \$25,000. The foregoing severance is subject to (1) a covenant by the executive officer not to compete with the Company or its subsidiaries for a period of one year following the termination date; (2) a covenant not to solicit the employees, consultants, customers or suppliers of the Company and its subsidiaries for the one-year period following the termination date; (3) a covenant not to disclose confidential information at all times following the termination date and (4) the execution of a release of claims against the Company, and will be payable in lieu of any severance amounts otherwise payable under the Stock Incentive Plan and related award agreements.

In February 2015, in connection with Mr. Giardina's transition to Executive Chairman, the Compensation Committee approved a retention payment to Mr. Giardina of \$1.1 million payable following September 30, 2015, subject to Mr. Giardina's continued employment, provided that the Company had the right to extend such date to no later than December 31, 2015 to the extent the Company was engaged in the negotiation of certain strategic transactions. Such date was also subject to acceleration in connection with certain changes to the composition of the board of directors, the signing of an agreement contemplating a change in control, or the termination of the Company's strategic review process. Mr. Giardina was also entitled to be paid the retention bonus if he was terminated without cause, or as a result of death or disability. In connection with such transition, the Company also agreed to continue the health, dental and disability coverage for Mr. Giardina for a period of up to five years following his departure from the role of Executive Chairman and to provide lifetime gym memberships at the Company's clubs for Mr. Giardina and his immediate family. On March 24, 2015, the Company announced that, in connection with the entering into of the nomination and settlement agreement with the Walsh/Vora Stockholders and the letter agreement with Farallon and the resulting changes to the Board, Mr. Giardina's employment with the Company as Executive Chairman would terminate on March 27, 2015, at which time the retention bonus became payable following a release of claims against the Company.

- (1) For a termination not in connection with a change-in-control, if the Company wishes to enforce the non-competition/non-solicitation covenant contained in Stock Incentive Plan and the related award agreements, the Company must pay one year of continued base salary. No additional payments or benefits are contractually required to be provided, although in connection with a termination, the Company may provide additional compensation in consideration for a release of claims. If the Company does not wish to enforce the non-competition/non-solicitation covenant, then no amounts are to be paid to the Named Executive Officers, except that in the case of Mr. Kastin, the Company would still be required to pay this amount upon a termination without cause.

Table of Contents

- (2) Pursuant to Mr. Giardina's February 2015 letter agreement, Mr. Giardina was entitled to receive \$1.1 million retention payment upon a termination without cause, death or disability. Pursuant to Mr. Gallagher's February 2015 letter agreement, upon a termination without cause or a resignation due to constructive termination, whether or not in connection with a change in control, Mr. Gallagher will become entitled to eighteen months salary (twenty months in the case of a resignation due to constructive termination) and a payment equal to his pro rata bonus with respect to the fiscal year, calculated at target. The amounts in the table above assume a termination without cause. In the event of resignation due to constructive termination, these amounts would have increased by \$95,833. Payments to Mr. Giardina and Mr. Gallagher are in lieu of any payments under the Stock Incentive Plan described in footnote (1) above and payments under the Executive Severance Agreement described in footnote (6) below and are subject to Mr. Giardina's and Mr. Gallagher's respective compliance with non-compete and non-solicitation covenants for a period of twelve months and eighteen months, respectively.
- (3) Pursuant to letter agreements entered into on February 25, 2015, Mr. Giardina and Mr. Gallagher are entitled to the payment of five years and two years of continued health and other insurance benefits, respectively, in connection with any termination other than for cause as described in their respective letter agreements. Mr. Giardina is also entitled to a club membership for himself and his immediate family during his lifetime. Mr. Gallagher will be entitled to a club membership for himself and his immediate family for a period of eighteen months (twenty months in the case of a constructive termination) and outplacement services up to \$30,000. The amounts in the table above assume a termination without cause.
- (4) For stock options, represents the amount by which the fair market value of a share of the Company's common stock as of December 31, 2014 exceeded the exercise price of each outstanding unvested stock option, multiplied by the number of shares of the Company's common stock underlying each such stock option. For restricted stock, represents the total number of unvested shares that would vest and would be distributed under each termination scenario multiplied by the fair market value of a share of the Company's common stock on December 31, 2014. The values in the table do not include dividend payments payable from the date of grant until the date of accelerated vesting.
- (5) If a Named Executive Officer is terminated (1) by the Company other than for cause (as defined in the Stock Incentive Plan) or (2) as a result of the Named Executive Officer's death or disability (as defined in the Stock Incentive Plan), then the Named Executive Officer will be entitled to receive the deferred amounts payable at the times had such termination not occurred. If a change in control (as defined in Stock Incentive Plan) occurs, the deferred amounts will be paid within 30 days of the change in control. Amounts deferred under the Bonus Plan as of the end of the fiscal year are included in the fiscal year-end balances set forth under 2014 Nonqualified Deferred Compensation
- (6) Pursuant to Amended and Restated Executive Severance Agreements entered into in February 2015, if within twelve months following a change in control the Named Executive Officer is terminated without cause, resigns due to constructive termination, or terminates employment due to death or disability, the Company must pay one year of continued base salary (fourteen months in the case of a resignation due to constructive termination), a pro-rata annual bonus at target levels with respect to the fiscal year in which the termination occurred, continuation of health and dental and disability coverage for up to two years, continuation of Passport Membership at the Company's fitness clubs for the executive and his or her immediate family at no cost to the executive for a period of one year (fourteen months in the case of a constructive termination) and eligibility for outplacement assistance with a cost not to exceed \$25,000. The amounts in the table above assume a termination without cause, or death or disability. In the event a Named Executive Officer resigned due to constructive termination, these amounts would have increased by \$58,333, \$54,165, \$51,905 and \$44,939 for Ms. Spatafora, Mr. Kastin, Mr. Barron and Mr. Milford, respectively.

provisions of the Plan and any Award issued under the Plan (and any agreements relating thereto); and to otherwise supervise the administration of the Plan. The Committee may, in its sole discretion, correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any agreement relating thereto in the manner and to the extent it shall deem necessary to effectuate the purpose and intent of the Plan. The Committee may, in its sole discretion, adopt special guidelines and provisions for persons who are residing in or employed in, or subject to, the taxes of, any domestic or foreign jurisdictions to comply with applicable tax and securities laws of such domestic or foreign jurisdictions. To the extent applicable, the Plan is intended to comply with the applicable requirements of Rule 16b-3 and with respect to Awards intended to be performance-based, the applicable provisions of Section 162(m) of the Code, and the Plan shall be limited, construed and interpreted in a manner so as to comply therewith.

3.4 Decisions Final. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Company, the Board or the Committee (or any of its members) arising out of or in connection with the Plan shall be within the absolute discretion of all and each of them, as the case may be, and shall be final, binding and conclusive on the Company and all employees and Participants and their respective heirs, executors, administrators, successors and assigns.

3.5 Procedures. If the Committee is appointed, the Board shall designate one of the members of the Committee as chairman and the Committee shall hold meetings, subject to the By-Laws of the Company, at such times and places as it shall deem advisable, including, without limitation, by telephone conference or by written consent to the extent permitted by applicable law. A majority of the Committee members shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by all the Committee members in accordance with the By-Laws of the Company shall be as fully effective as if it had been made by a vote at a meeting duly called and held. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.6 Designation of Consultants/Liability.

(a) The Committee may, in its sole discretion, designate employees of the Company and professional advisors to assist the Committee in the administration of the Plan and (to the extent permitted by applicable law and applicable exchange rules) may grant authority to officers to grant Awards and/or execute agreements or other documents on behalf of the Committee.

(b) The Committee may, in its sole discretion, employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or the Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. The Committee, its members and any person designated pursuant to subsection (a) above shall not be liable for any action or determination made in good faith with respect to the Plan. To the maximum extent permitted by applicable law, no officer of the Company or member or former member of the Committee or of the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under it.

3.7 Indemnification. To the maximum extent permitted by applicable law and the Certificate of Incorporation and By-Laws of the Company and to the extent not covered by insurance directly insuring such person, each officer or employee of the Company or any Affiliate and member or former member of the Committee or the Board shall be indemnified and held harmless by the Company against any cost or expense (including reasonable fees of counsel reasonably acceptable to the Committee) or liability (including any sum paid in settlement of a claim with the approval of the Committee), and advanced amounts necessary to pay the foregoing at the earliest time and to the fullest extent permitted, arising out of any act or omission to act in connection with the administration of the Plan, except to the extent arising out of such officer's, employee's, member's or former member's fraud or bad faith. Such indemnification shall be in addition to any rights of indemnification the officers, employees, directors or members or former officers, directors or members may have under applicable law or under the Certificate of Incorporation or By-Laws of the Company or any Affiliate. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to him or her under the Plan.

ARTICLE IV.

SHARE LIMITATION

4.1 Shares.

(a) **General Limitations.** The aggregate number of shares of Common Stock that may be issued or used for reference purposes or with respect to which Awards may be granted under the Plan shall not exceed 3,500,000 shares of Common Stock (and in each case, subject to any increase or decrease pursuant to Section 4.2), which may be either authorized and unissued Common Stock or Common Stock held in or acquired for the treasury of the Company or both. If any Option, Stock Appreciation Right or Other Stock-Based Award subject to exercise granted under the Plan expires, terminates or is canceled for any reason without having been exercised in full, the number of shares of Common Stock underlying any unexercised Award shall again be available for the purpose of Awards under the Plan. If any shares of Restricted Stock, Performance Shares or Other Stock-Based Awards, denominated in shares of Common Stock, granted under the Plan are forfeited for any reason, the number of forfeited shares of Restricted Stock, Performance Shares or such Other Stock-Based Awards not subject to exercise shall again be available for the purposes of Awards under the Plan, as provided in this Section 4.1(a). Notwithstanding anything herein to the contrary, any share of Common Stock that again becomes available for grant pursuant to this Section 4.1(a) shall be added back as one share of Common Stock to the maximum aggregate limit.

(b) **Individual Participant Limitations.**

(i) The maximum number of shares of Common Stock subject to any Award of Stock Options, Stock Appreciation Rights or shares of Restricted Stock for which the grant of such Award or the lapse of the relevant Restriction Period is subject to the attainment of Performance Goals in accordance with Section 8.3(a)(ii), which may be granted under the Plan during any fiscal year of the Company to each Eligible Employee or Consultant shall be 250,000 shares per type of Award (which shall be subject to any further increase or decrease pursuant to Section 4.2), provided that the maximum number of shares of Common Stock for all types of Awards does not exceed 250,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) during any fiscal year of the Company.

(ii) The maximum number of shares of Common Stock subject to any Award of Stock Options (other than Incentive Stock Options), Stock Appreciation Rights or Other Stock-Based Awards that may be granted under the Plan during any fiscal year of the Company to each Non-Employee Director shall be 250,000 shares per type of Award (which shall be subject to any further increase or decrease pursuant to Section 4.2), provided that the maximum number of shares of Common Stock for all types of Awards does not exceed 250,000 (which shall be subject to any further increase or decrease pursuant to Section 4.2) during any fiscal year of the Company.

(iii) There are no annual individual Eligible Employee or Consultant share limitations on Restricted Stock for which the grant of such Award or the lapse of the relevant Restriction Period is not subject to attainment of Performance Goals in accordance with Section 8.3(a)(ii).

(iv) The maximum value at grant of Performance Shares that may be granted under the Plan with respect to any fiscal year of the Company to each Eligible Employee or Consultant shall be \$1,000,000. Each Performance Share shall be referenced to one share of Common Stock and shall be charged against the available shares under the Plan at the time the unit value measurement is converted to a referenced number of shares of Common Stock in accordance with Section 9.1.

(v) The individual Participant limitations set forth in this Section 4.1(b) shall be cumulative; that is, to the extent that shares of Common Stock for which Awards are permitted to be granted to an Eligible Employee or a Consultant during a fiscal year are not covered by an Award to such Eligible Employee or Consultant in a fiscal year, the number of shares of Common Stock available for Awards to such Eligible Employee or Consultant shall automatically increase in the subsequent fiscal years during the term of the Plan until used.

4.2 Changes.

(a) The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger or consolidation of the Company or any Affiliate, (iii) any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock, (iv) the dissolution or liquidation of the Company or any Affiliate, (v) any sale or transfer of all or part of the assets or business of the Company or any Affiliate, (vi) any Section 4.2 Event, or (vii) any other corporate act or proceeding.

(b) Subject to the provisions of Section 4.2(d), if there shall occur any such change in the capital structure of the Company by reason of any stock split, reverse stock split, stock dividend, subdivision, combination or reclassification of shares that may be issued under the Plan, any recapitalization, any merger, any consolidation, any spin off, any reorganization or any partial or complete liquidation, or any other corporate transaction or event having an effect similar to any of the foregoing (a Section 4.2 Event), then (i) the aggregate number and/or kind of shares that thereafter may be issued under the Plan, (ii) the number and/or kind of shares or other property (including cash) to be issued upon exercise of an outstanding Award or under other Awards granted under the Plan, (iii) the purchase price thereof, and/or (iv) the individual Participant limitations set forth in Section 4.1(b) (other than those based on cash limitations) shall be appropriately adjusted. In addition, subject to Section 4.2(d), if there shall occur any change in the capital structure or the business of the Company that is not a Section 4.2 Event (an Other Extraordinary Event), including by reason of any extraordinary dividend (whether cash or stock), any conversion, any adjustment, any issuance of any class of securities convertible or exercisable into, or exercisable for, any class of stock, or any sale or transfer of all or substantially all the Company's assets or business, then the Committee shall appropriately adjust any Award and make such other necessary adjustments to the Plan as determined by the Committee. Any adjustment pursuant to this Section 4.2 shall be consistent with the applicable Section 4.2 Event or the applicable Other Extraordinary Event, as the case may be, and in such manner as the Committee may, in its sole discretion, deem appropriate and equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under the Plan. Any such adjustment determined by the Committee shall be final, binding and conclusive on the Company and all Participants and their respective heirs, executors, administrators, successors and permitted assigns. Except as expressly provided in this Section 4.2 or in the applicable Award agreement, a Participant shall have no rights by reason of any Section 4.2 Event or any Other Extraordinary Event.

(c) Fractional shares of Common Stock resulting from any adjustment in Awards pursuant to Section 4.2(a) or Section 4.2(b) shall be aggregated until, and eliminated at, the time of exercise by rounding-down for fractions less than one-half and rounding-up for fractions equal to or greater than one-half. No cash settlements shall be made with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

(d) In the event of an Acquisition Event, the Committee may, in its sole discretion, terminate all outstanding and unexercised Stock Options or Stock Appreciation Rights or any Other Stock Based Award that provides for a Participant elected exercise (Exercisable Awards) effective as of the date of the Acquisition Event, by delivering notice of termination to each Participant at least 20 days prior to the date of consummation of the Acquisition Event, in which case during the period from the date on which such notice of termination is delivered to the consummation of the Acquisition Event, each such Participant shall have the right to exercise his or her Exercisable Awards that are then outstanding to the extent vested as of the date on which such notice of termination is delivered (or, at the discretion of the Committee, without regard to any limitations on exercisability otherwise contained in the Award agreements), but any such exercise shall be contingent on the occurrence of the Acquisition Event, and, provided that, if the Acquisition Event does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise pursuant thereto shall be null and void. For the avoidance of doubt, in the event of an Acquisition Event, the Committee may, in its sole discretion, terminate any Exercisable Award for which the exercise price is equal to or exceeds the Fair Market Value without payment of consideration therefor.

Table of Contents

If an Acquisition Event occurs but the Committee does not terminate the outstanding Awards pursuant to this Section 4.2(d), then the applicable provisions of Section 4.2(b) and Article XII shall apply.

4.3 **Minimum Purchase Price**. Notwithstanding any provision of the Plan to the contrary, if authorized but previously unissued shares of Common Stock are issued under the Plan, such shares shall not be issued for a consideration that is less than as permitted under applicable law.

ARTICLE V.

ELIGIBILITY AND GENERAL REQUIREMENTS FOR AWARDS

5.1 **General Eligibility**. All Eligible Employees, Consultants, Non-Employee Directors and prospective employees and consultants are eligible to be granted Awards, subject to the terms and conditions of the Plan. Eligibility for the grant of Awards and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.2 **Incentive Stock Options**. Notwithstanding anything herein to the contrary, only Eligible Employees of the Company, its Subsidiaries and its Parent (if any) are eligible to be granted Incentive Stock Options under the Plan. Eligibility for the grant of an Incentive Stock Option and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.3 **General Requirement**. The vesting and exercise of Awards granted to a prospective employee or consultant are conditioned upon such individual actually becoming an Eligible Employee or Consultant.

ARTICLE VI.

STOCK OPTIONS

6.1 **Options**. Each Stock Option granted under the Plan shall be one of two types: (a) an Incentive Stock Option; or (b) a Non-Qualified Stock Option.

6.2 **Grants**. The Committee shall, in its sole discretion, have the authority to grant to any Eligible Employee (subject to Section 5.2) Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options. The Committee shall, in its sole discretion, have the authority to grant any Consultant or Non-Employee Director Non-Qualified Stock Options. To the extent that any Stock Option does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option or the portion thereof that does not qualify shall constitute a separate Non-Qualified Stock Option.

6.3 **Terms of Options**. Options granted under the Plan shall be subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee, in its sole discretion, shall deem desirable:

(a) **Exercise Price**. The exercise price per share of Common Stock subject to a Stock Option shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Stock Option shall not be less than 100% (or, in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, 110%) of the Fair Market Value of the Common Stock at the time of grant.

(b) **Stock Option Term**. The term of each Stock Option shall be fixed by the Committee, provided that no Stock Option shall be exercisable more than 10 years after the date the Option is granted; and provided further that the term of an Incentive Stock Option granted to a Ten Percent Stockholder shall not exceed five years.

(c) **Exercisability**. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the Committee provides, in its discretion, that any Stock Option is exercisable subject to certain limitations (including, without limitation, that such Stock Option is exercisable only in installments or within certain time periods or upon attainment of certain financial results), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such Stock Option may be exercised), based on such factors, if any, as the Committee shall determine, in

Table of Contents

its sole discretion. Unless otherwise determined by the Committee at grant, the Option agreement shall provide that (i) in the event the Participant engages in Detrimental Activity prior to any exercise of the Stock Option, all Stock Options held by the Participant shall thereupon terminate and expire, (ii) as a condition of the exercise of a Stock Option, the Participant shall be required to certify (or shall be deemed to have certified) at the time of exercise in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of the Plan and that the Participant has not engaged in, and does not intend to engage in, any Detrimental Activity, and (iii) in the event the Participant engages in Detrimental Activity during the one-year period commencing on the later of the date the Stock Option is exercised or the date of the Participant's Termination, the Company shall be entitled to recover from the Participant at any time within one year after such date, and the Participant shall pay over to the Company, an amount equal to any gain realized as a result of the exercise (whether at the time of exercise or thereafter).

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under subsection (c) above, to the extent vested, Stock Options may be exercised in whole or in part at any time during the Option term, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price as follows: (i) in cash or by check, bank draft or money order payable to the order of the Company; (ii) solely to the extent permitted by applicable law, if the Common Stock is traded on The NASDAQ Stock Market, any other national securities exchange or quoted on a national quotation system sponsored by the National Association of Securities Dealers, and the Committee authorizes, through a procedure whereby the Participant delivers irrevocable instructions to a broker reasonably acceptable to the Committee to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and conditions as may be acceptable to the Committee (including, without limitation, the relinquishment of Stock Options or by payment in full or in part in the form of shares of Common Stock, which are not subject to any pledge or other security interest and which have been owned by the Participant free of any vesting requirements or other restrictions for at least six (6) full calendar months, based on the Fair Market Value of the Common Stock on the payment date as determined by the Committee, in its sole discretion). No shares of Common Stock shall be issued until payment therefor, as provided herein, has been made or provided for.

(e) Non-Transferability of Options. No Stock Option shall be Transferable by the Participant otherwise than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Participant's lifetime, only by the Participant. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, at the time of grant or thereafter that a Non-Qualified Stock Option that is otherwise not Transferable pursuant to this Section is Transferable to a Family Member in whole or in part and in such circumstances, and under such conditions, as determined by the Committee, in its sole discretion. A Non-Qualified Stock Option that is Transferred to a Family Member pursuant to the preceding sentence (i) may not be subsequently Transferred otherwise than by will or by the laws of descent and distribution and (ii) remains subject to the terms of the Plan and the applicable Award agreement. Any shares of Common Stock acquired upon the exercise of a Non-Qualified Stock Option by a permissible transferee of a Non-Qualified Stock Option or a permissible transferee pursuant to a Transfer after the exercise of the Non-Qualified Stock Option shall be subject to the terms of the Plan and the applicable Award agreement.

(f) Incentive Stock Option Limitations. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Eligible Employee during any calendar year under the Plan and/or any other stock option plan of the Company, any Subsidiary or any Parent exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options. Should any provision of the Plan not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may, in its sole discretion, amend the Plan accordingly, without the necessity of obtaining the approval of the stockholders of the Company.

(g) Form, Modification, Extension and Renewal of Stock Options. Subject to the terms and conditions and within the limitations of the Plan, Stock Options shall be evidenced by such form of agreement or grant as is approved by the Committee, and the Committee may, in its sole discretion (i) modify, extend or renew outstanding Stock Options granted under the Plan (provided that the rights of a Participant are not reduced without

his or her consent and provided further that such action does not subject the Stock Options to Section 409A of the Code), and (ii) accept the surrender of outstanding Stock Options (up to the extent not theretofore exercised) and authorize the granting of new Stock Options in substitution therefor (to the extent not theretofore exercised). Notwithstanding the foregoing, an outstanding Option may not be modified to reduce the exercise price thereof nor may a new Option at a lower price be substituted for a surrendered Option (other than adjustments or substitutions in accordance with Section 4.2), unless such action is approved by the stockholders of the Company.

(h) Early Exercise. The Committee may provide that a Stock Option include a provision whereby the Participant may elect at any time before the Participant's Termination to exercise the Stock Option as to any part or all of the shares of Common Stock subject to the Stock Option prior to the full vesting of the Stock Option and such shares shall be subject to the provisions of Article VI and treated as Restricted Stock. Any unvested shares of Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Committee determines to be appropriate.

(i) Other Terms and Conditions. Stock Options may contain such other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall, in its sole discretion, deem appropriate.

ARTICLE VII.

STOCK APPRECIATION RIGHTS

7.1 Stock Appreciation Rights. Stock Appreciation Rights may be issued either alone or in conjunction with any other Awards granted under the Plan.

7.2 Terms and Conditions of Stock Appreciation Rights. Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee in its sole discretion, and the following:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Stock Appreciation Right shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Common Stock at the time of grant.

(b) Term. The term of each Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than 10 years after the date the right is granted.

(c) Exercisability. Stock Appreciation Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at grant. If the Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such right may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion. Unless otherwise determined by the Committee at grant, the Award agreement shall provide that (i) in the event the Participant engages in Detrimental Activity prior to any exercise of the Stock Appreciation Right, all Stock Appreciation Rights held by the Participant shall thereupon terminate and expire, (ii) as a condition of the exercise of a Stock Appreciation Right, the Participant shall be required to certify (or shall be deemed to have certified) at the time of exercise in a manner acceptable to the Company that the Participant is in compliance with the terms and conditions of the Plan and that the Participant has not engaged in, and does not intend to engage in, any Detrimental Activity, and (iii) in the event the Participant engages in Detrimental Activity during the one-year period commencing on the later of the date the Stock Appreciation Right is exercised or the date of the Participant's Termination, the Company shall be entitled to recover from the Participant at any time within one year after such date, and the Participant shall pay over to the Company, an amount equal to any gain realized as a result of the exercise (whether at the time of exercise or thereafter).

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under subsection (c) above, Stock Appreciation Rights may be exercised in whole or in part at any time in accordance with the applicable Award agreement, by giving written notice of exercise to the Company specifying the number of Stock Appreciation Rights to be exercised.

Table of Contents

(e) **Settlement**. Upon the exercise of a Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash and/or shares of Common Stock (as chosen by the Committee in its sole discretion at grant, or thereafter if no rights of a Participant are reduced) equal in value to the excess of the Fair Market Value of one share of Common Stock on the date the right is exercised over the Fair Market Value of one share of Common Stock on the date the right was awarded to the Participant.

(f) **Non-Transferability**. No Stock Appreciation Rights shall be Transferable by the Participant otherwise than by will or by the laws of descent and distribution, and all such rights shall be exercisable, during the Participant's lifetime, only by the Participant.

7.3 **Limited Stock Appreciation Rights**. The Committee may, in its sole discretion, designate an Award of Stock Appreciation Rights either as general Stock Appreciation Rights or as Limited Stock Appreciation Rights. Limited Stock Appreciation Rights may be exercised only upon the occurrence of a Change in Control or such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter. Upon the exercise of Limited Stock Appreciation Rights, except as otherwise provided in an Award agreement, the Participant shall receive in cash or Common Stock, as determined by the Committee, an amount equal to the amount set forth in **Section 7.2(e)**.

ARTICLE VIII.

RESTRICTED STOCK

8.1 **Awards of Restricted Stock**. Shares of Restricted Stock may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall, in its sole discretion, determine the Eligible Employees, Consultants and Non-Employee Directors, to whom, and the time or times at which, grants of Restricted Stock shall be made, the number of shares to be awarded, the price (if any) to be paid by the Participant (subject to **Section 8.2**), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards. The Committee may condition the grant or vesting of Restricted Stock upon the attainment of specified performance targets (including, the Performance Goals specified in **Exhibit A** attached hereto) or such other factors as the Committee may determine, in its sole discretion, including to comply with the requirements of Section 162(m) of the Code.

Unless otherwise determined by the Committee at grant, each Award of Restricted Stock shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one-year period after, any vesting of Restricted Stock, the Committee may direct that all unvested Restricted Stock shall be immediately forfeited to the Company and that the Participant shall pay over to the Company an amount equal to the Fair Market Value at the time of vesting of any Restricted Stock that had vested in the period referred to above.

8.2 **Awards and Certificates**. Eligible Employees, Consultants and Non-Employee Directors selected to receive Restricted Stock shall forfeit any rights with respect to such Award, if such Participant fails to deliver a fully executed copy of the agreement evidencing the Award to the Company within a reasonable timeframe, as may be determined by the Committee from time to time. Further, such Award shall be subject to the following conditions:

(a) **Purchase Price**. The purchase price of Restricted Stock shall be fixed by the Committee. Subject to **Section 4.3**, the purchase price for shares of Restricted Stock may be zero to the extent permitted by applicable law, and, to the extent not so permitted, such purchase price may not be less than par value.

(b) **Acceptance**. Awards of Restricted Stock must be accepted within a period of 60 days (or such other period as the Committee may specify) after the grant date, by executing a Restricted Stock agreement and by paying whatever price (if any) the Committee has designated thereunder.

Table of Contents

(c) **Legend.** Each Participant receiving Restricted Stock shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of shares of Restricted Stock. Such certificate shall be registered in the name of such Participant, and shall, in addition to such legends required by applicable securities laws, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

THE ANTICIPATION, ALIENATION, ATTACHMENT, SALE, TRANSFER, ASSIGNMENT, PLEDGE, ENCUMBRANCE OR CHARGE OF THE SHARES OF STOCK REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING FORFEITURE) OF THE TOWN SPORTS INTERNATIONAL HOLDINGS, INC. (THE COMPANY) 2006 STOCK INCENTIVE PLAN (AS THE SAME MAY BE AMENDED OR AMENDED AND RESTATED FROM TIME TO TIME, THE PLAN) AND AN AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER AND THE COMPANY DATED . COPIES OF SUCH PLAN AND AGREEMENT ARE ON FILE AT THE PRINCIPAL OFFICE OF THE COMPANY.

(d) **Custody.** If stock certificates are issued in respect of shares of Restricted Stock, the Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any grant of Restricted Stock, the Participant shall have delivered a duly signed stock power, endorsed in blank, relating to the Common Stock covered by such Award.

8.3 **Restrictions and Conditions.** The shares of Restricted Stock awarded pursuant to the Plan shall be subject to the following restrictions and conditions:

(a) (i) **Restriction Period.** The Participant shall not be permitted to Transfer shares of Restricted Stock awarded under the Plan during the period or periods set by the Committee (the Restriction Period) commencing on the date of such Award, as set forth in the Restricted Stock Award agreement and such agreement shall set forth a vesting schedule and any events that would accelerate vesting of the shares of Restricted Stock. Within these limits, based on service, attainment of performance goals pursuant to Section 8.3(a)(ii) below and/or such other factors or criteria as the Committee may determine in its sole discretion, the Committee may condition the grant or provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock Award and/or waive the deferral limitations for all or any part of any Restricted Stock Award.

(ii) **Objective Performance Goals, Formulae or Standards.** If the grant of shares of Restricted Stock or the lapse of restrictions is based on the attainment of Performance Goals, the Committee shall establish the Performance Goals and the applicable vesting percentage of the Restricted Stock Award applicable to each Participant or class of Participants in writing prior to the beginning of the applicable fiscal year or at such later date as otherwise determined by the Committee and while the outcome of the Performance Goals are substantially uncertain. Such Performance Goals may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. With regard to a Restricted Stock Award that is intended to comply with Section 162(m) of the Code, to the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable Performance Goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

(b) **Rights as a Stockholder.** Except as provided in this subsection (b) and subsection (a) above and as otherwise determined by the Committee, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company including, without limitation, the right to receive any dividends, the right to vote such shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares. The Committee may, in its sole discretion, determine at the time of grant that the payment of dividends shall be deferred until, and conditioned upon, the expiration of the applicable Restriction Period.

(c) **Lapse of Restrictions.** If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock, the certificates for such shares shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant, except as otherwise required by applicable law or other limitations imposed by the Committee.

ARTICLE IX.

PERFORMANCE SHARES

9.1 **Award of Performance Shares.** Performance Shares may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall, in its sole discretion, determine the Eligible Employees, Consultants and Non-Employee Directors, to whom, and the time or times at which, Performance Shares shall be awarded, the number of Performance Shares to be awarded to any person, the Performance Period during which, and the conditions under which, receipt of the Shares will be deferred, and the other terms and conditions of the Award in addition to those set forth in Section 9.2.

Unless otherwise determined by the Committee at grant, each Award of Performance Shares shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one-year period after the later of the date of any vesting of Performance Shares or the date of the Participant's Termination, the Committee may direct (at any time within one year thereafter) that all unvested Performance Shares shall be immediately forfeited to the Company and that the Participant shall pay over to the Company an amount equal to any gain the Participant realized from any Performance Shares that had vested in the period referred to above.

Except as otherwise provided herein, the Committee shall condition the right to payment of any Performance Share upon the attainment of objective performance goals established pursuant to Section 9.2(c) below.

9.2 **Terms and Conditions.** Performance Shares awarded pursuant to this Article IX shall be subject to the following terms and conditions:

(a) **Earning of Performance Share Award.** At the expiration of the applicable Performance Period, the Committee shall determine the extent to which the performance goals established pursuant to Section 9.2(c) are achieved and the percentage of each Performance Share Award that has been earned.

(b) **Non-Transferability.** Subject to the applicable provisions of the Award agreement and the Plan, Performance Shares may not be Transferred during the Performance Period.

(c) **Objective Performance Goals, Formulae or Standards.** The Committee shall establish the objective Performance Goals for the earning of Performance Shares based on a Performance Period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date as permitted under Section 162(m) of the Code and while the outcome of the Performance Goals are substantially uncertain. Such Performance Goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. To the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable Performance Goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

(d) **Dividends.** Unless otherwise determined by the Committee at the time of grant, amounts equal to any dividends declared during the Performance Period with respect to the number of shares of Common Stock covered by a Performance Share will not be paid to the Participant.

(e) **Payment.** Following the Committee's determination in accordance with subsection (a) above, shares of Common Stock, the cash equivalent of such shares or a combination thereof, as determined by the Committee in its sole discretion, shall be delivered to the Eligible Employee, Consultant or Non-Employee Director, or his legal representative, in an amount equal to such individual's earned Performance Share. Notwithstanding the foregoing, the Committee may, in its sole discretion, award an amount less than the earned Performance Share and/or subject the payment of all or part of any Performance Share to additional vesting, forfeiture and deferral conditions as it deems appropriate.

(f) **Accelerated Vesting.** Based on service, performance and/or such other factors or criteria, if any, as the Committee may determine, the Committee may, in its sole discretion, at or after grant, accelerate the vesting of all or any part of any Performance Share Award and/or waive the deferral limitations for all or any part of such Award.

OTHER STOCK-BASED AWARDS

10.1 **Other Awards.** The Committee, in its sole discretion, is authorized to grant to Eligible Employees, Consultants and Non-Employee Directors Other Stock-Based Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock, including, but not limited to, shares of Common Stock awarded purely as a bonus and not subject to any restrictions or conditions, shares of Common Stock in payment of the amounts due under an incentive or performance plan sponsored or maintained by the Company or an Affiliate, performance units, dividend equivalent units, stock equivalent units, restricted stock units and deferred stock units. To the extent permitted by law, the Committee may, in its sole discretion, permit Eligible Employees and/or Non-Employee Directors to defer all or a portion of their cash compensation in the form of Other Stock-Based Awards granted under the Plan, subject to the terms and conditions of any deferred compensation arrangement established by the Company, which shall be intended to comply with Section 409A of the Code. Other Stock-Based Awards may be granted either alone or in addition to or in tandem with other Awards granted under the Plan.

Unless otherwise determined by the Committee at grant, each Other Stock-based Award shall provide that in the event the Participant engages in Detrimental Activity prior to, or during the one-year period after the later of the date of any vesting of Performance Shares or the date of the Participant's Termination, the Committee may direct (at any time within one year thereafter) that any unvested portion of such Award shall be immediately forfeited to the Company and that the Participant shall pay over to the Company an amount equal to any gain the Participant realized from any such Award that had vested in the period referred to above.

Subject to the provisions of the Plan, the Committee shall, in its sole discretion, have authority to determine the Eligible Employees, Consultants and Non-Employee Directors, to whom, and the time or times at which, such Awards shall be made, the number of shares of Common Stock to be awarded pursuant to such Awards, and all other conditions of the Awards. The Committee may also provide for the grant of Common Stock under such Awards upon the completion of a specified performance period.

The Committee may condition the grant or vesting of Other Stock-Based Awards upon the attainment of specified Performance Goals set forth on Exhibit A as the Committee may determine, in its sole discretion; provided that to the extent that such Other Stock-Based Awards are intended to comply with Section 162(m) of the Code, the Committee shall establish the objective Performance Goals for the vesting of such Other Stock-Based Awards based on a performance period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable performance period or at such later date as permitted under Section 162(m) of the Code and while the outcome of the Performance Goals are substantially uncertain. Such Performance Goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisition) and other similar type events or circumstances. To the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable Performance Goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

10.2 **Terms and Conditions.** Other Stock-Based Awards made pursuant to this Article X shall be subject to the following terms and conditions:

(a) **Non-Transferability.** Subject to the applicable provisions of the Award agreement and the Plan, shares of Common Stock subject to Awards made under this Article X may not be Transferred prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

(b) **Dividends.** Unless otherwise determined by the Committee at the time of Award, subject to the provisions of the Award agreement and the Plan, the recipient of an Award under this Article X shall not be entitled to receive, currently or on a deferred basis, dividends or dividend equivalents with respect to the number of shares of Common Stock covered by the Award.

ARTICLE XI.

TERMINATION

11.1 **Termination**. The following rules apply with regard to the Termination of a Participant.

(a) **Rules Applicable to Stock Option and Stock Appreciation Rights**. Unless otherwise determined by the Committee at grant (or, if no rights of the Participant are reduced, thereafter):

(i) **Termination by Reason of Death, Disability or Retirement**. If a Participant's Termination is by reason of death, Disability or the Participant's Retirement, all Stock Options or Stock Appreciation Rights that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant (or, in the case of death, by the legal representative of the Participant's estate) at any time within a one-year period from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options or Stock Appreciation Rights; **provided**, **however**, if the Participant dies within such exercise period, all unexercised Stock Options or Stock Appreciation Rights held by such Participant shall thereafter be exercisable, to the extent to which they were exercisable at the time of death, for a period of one year from the date of such death, but in no event beyond the expiration of the stated term of such Stock Options or Stock Appreciation Rights.

(ii) **Involuntary Termination Without Cause**. If a Participant's Termination is by involuntary termination without Cause, all Stock Options or Stock Appreciation Rights that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of 90 days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options or Stock Appreciation Rights.

(iii) **Voluntary Termination**. If a Participant's Termination is voluntary (other than a voluntary termination described in **Section 11.2(a)(iv)(2)** below, or a Retirement), all Stock Options or Stock Appreciation Rights that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of 30 days from the date of such Termination, but in no event beyond the expiration of the stated terms of such Stock Options or Stock Appreciation Rights.

(iv) **Termination for Cause**. If a Participant's Termination: (1) is for Cause or (2) is a voluntary Termination (as provided in subsection (iii) above) or a Retirement after the occurrence of an event that would be grounds for a Termination for Cause, all Stock Options or Stock Appreciation Rights, whether vested or not vested, that are held by such Participant shall thereupon terminate and expire as of the date of such Termination.

(v) **Unvested Stock Options and Stock Appreciation Rights**. Stock Options or Stock Appreciation Rights that are not vested as of the date of a Participant's Termination for any reason shall terminate and expire as of the date of such Termination. Notwithstanding the foregoing, if a Participant is deemed to have experienced a Termination of Employment in accordance with the last sentence of the definition thereof, then (A) any Stock Options and any Stock Appreciation Rights that are not vested as of the date of such Participant's Termination of Employment in accordance with the last sentence of the definition thereof (**Special Unvested Options or Rights**) shall not terminate or expire as of the date of such Termination.

If, after a Termination of Employment in accordance with the last sentence of the definition thereof, (1) a Participant remains continuously employed by the Company or any of its Affiliates, and (2) subsequent thereto, such Participant becomes regularly scheduled to work more than 24 hours per week, then any Special Unvested Options or Rights shall immediately vest as to any shares of Common Stock that did not vest under the terms of such Special Unvested Options or Rights between the date of such Participant's Termination of Employment in accordance with the last sentence of the definition thereof and the date such Participant became regularly scheduled to work more than 24 hours per week solely as a result of the application of the immediately preceding sentence.

(b) Rules Applicable to Restricted Stock, Performance Shares and Other Stock-Based Awards. Unless otherwise determined by the Committee at grant or thereafter, upon a Participant's Termination for any reason: (i) during the relevant Restriction Period, all Restricted Stock still subject to restriction shall be forfeited; and (ii) any unvested Performance Shares or Other Stock-Based Awards shall be forfeited.

ARTICLE XII.

CHANGE IN CONTROL PROVISIONS

12.1 **Benefits.** In the event of a Change in Control of the Company, and except as otherwise provided by the Committee in an Award agreement or in a written employment agreement between the Company and a Participant, a Participant's unvested Award shall vest in full and a Participant's Award shall be treated in accordance with one of the following methods as determined by the Committee in its sole discretion:

(a) Awards, whether or not vested by their terms or pursuant to the preceding sentence, shall be continued, assumed, have new rights substituted therefor or be treated in accordance with Section 4.2(d), as determined by the Committee in its sole discretion, and restrictions to which any shares of Restricted Stock or any other Award granted prior to the Change in Control are subject shall not lapse upon a Change in Control (other than with respect to vesting pursuant to the foregoing provisions of this Section 12.1) and the Restricted Stock or other Award shall, where appropriate in the sole discretion of the Committee, receive the same or other appropriate distribution as other Common Stock on such terms as determined by the Committee in its sole discretion; provided, however, that, the Committee may, in its sole discretion, decide to award additional Restricted Stock or other Award in lieu of any cash distribution. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Stock Option shall comply with the requirements of Treasury Regulation §1.424-1 (and any amendments thereto) and for purposes of Non-Qualified Stock Options, any assumed or substituted Stock Option shall comply with the requirements of Treasury Regulation §1.424-1 (and any amendments thereto) to the extent required by Section 409A of the Code.

(b) The Committee, in its sole discretion, may provide for the purchase of any Awards by the Company or an Affiliate (or the cancellation and extinguishment thereof pursuant to the terms of a merger agreement entered into by the Company) for an amount of cash equal to the excess of the Change in Control Price (as defined below) of the shares of Common Stock covered by such Awards, over the aggregate exercise price of such Awards. For purposes of this Section 12.1, Change in Control Price shall mean the highest price per share of Common Stock paid in any transaction related to a Change in Control of the Company.

(c) The Committee may, in its sole discretion, provide for the cancellation of any particular Award or Awards without payment, if the Change in Control Price is less than the Fair Market Value of such Award(s) on the date of grant.

(d) Notwithstanding anything else herein, the Committee may, in its sole discretion, provide for accelerated vesting or lapse of restrictions, of an Award at the time of grant or at any time thereafter.

12.2 **Change in Control.** Unless otherwise determined by the Committee in the applicable Award agreement or other written agreement approved by the Committee, a Change in Control shall be deemed to occur

13.1 **Termination or Amendment.** Notwithstanding any other provision of the Plan, the Board or the Committee may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan (including any amendment deemed necessary to ensure that the Company may comply with any regulatory requirement referred to in Article XV), or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law or specifically provided herein, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such Participant and, provided further, without the approval of the stockholders of the Company in accordance with the laws of the State of Delaware, to the extent required by the applicable provisions of Rule 16b-3 or Section 162(m) of the Code, pursuant to the requirements of NASD Rule 4350(i)(1)(A) of the Financial Industry Regulatory Authority Rulebook or such other applicable stock exchange rule, or, to the extent applicable to Incentive Stock Options, Section 422 of the Code, no amendment may be made that would:

- (h) require stockholder approval in order for the Plan to continue to comply with the applicable provisions of Section 162(m) of the Code or, to the extent applicable to Incentive Stock Options, Section 422 of the Code. In no event may the Plan be amended without the approval of the stockholders of the Company in accordance with the applicable laws of the State of Delaware to increase the aggregate number of shares of Common Stock that may be issued under the Plan, decrease the minimum exercise price of any Stock Option or Stock Appreciation Right, or to make any other amendment that would require stockholder approval under NASD Rule 4350(i)(1)(A) of the Financial Industry Regulatory Authority Rulebook, or the rules of any other exchange or system on which the Company's securities are listed or traded at the request of the Company.

The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article IV above or as otherwise specifically provided herein, no such amendment or other action by the Committee shall adversely impair the rights of any holder without the holder's consent. Notwithstanding anything herein to the contrary, the Board or the Committee may amend the Plan or any Award granted hereunder at any time without a Participant's consent to comply with Code Section 409A or any other applicable law.

ARTICLE XIV.

UNFUNDED PLAN

14.1 **Unfunded Status of Plan**. The Plan is an unfunded plan for incentive and deferred compensation. With respect to any payments as to which a Participant has a fixed and vested interest but that are not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general unsecured creditor of the Company.

ARTICLE XV.

GENERAL PROVISIONS

15.1 **Legend**. The Committee may require each person receiving shares of Common Stock pursuant to an Award granted under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the shares without a view to distribution thereof and such other securities law-related representations as the Committee shall request. In addition to any legend required by the Plan, the certificates and/or book entry accounts for such shares may include any legend that the Committee, in its sole discretion, deems appropriate to reflect any restrictions on Transfer.

All certificates and/or book entry accounts for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may, in its sole discretion, deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, The NASDAQ Stock Market or any national securities exchange system upon whose system the Common Stock is then quoted, any applicable Federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

15.2 **Other Plans**. Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

15.3 **No Right to Employment/Directorship/Consultancy**. Neither the Plan nor the grant of any Option or other Award hereunder shall give any Participant or other employee, Consultant or Non-Employee Director any right with respect to continuance of employment, consultancy or directorship by the Company or any Affiliate, nor shall they be a limitation in any way on the right of the Company or any Affiliate by which an employee is employed or a Consultant or Non-Employee Director is retained to terminate his or her employment, consultancy or directorship at any time.

15.4 **Withholding of Taxes**.

(a) The Company shall have the right to deduct from any payment to be made pursuant to the Plan, or to otherwise require, prior to the issuance or delivery of any shares of Common Stock or the payment of any cash hereunder, payment by the Participant of, any Federal, state or local taxes required by law to be withheld. Upon the vesting of Restricted Stock (or other Award that is taxable upon vesting), or upon making an election under Section 83(b) of the Code, a Participant shall pay all required withholding to the Company.

(b) Without limiting the generality of subsection (a) above, the Committee may, in its sole discretion, permit a Participant to satisfy, in whole or in part, the foregoing withholding liability by (A) the delivery of shares of Common Stock, which are not subject to any pledge or other security interest and which have been owned by the Participant free of any vesting requirements or other restrictions for at least six (6) full calendar months having a Fair Market Value equal to such withholding liability or (B) having the Company withhold from

the number of shares of Common Stock otherwise issuable or deliverable pursuant to the exercise or settlement of the Award a number of shares with a Fair Market Value equal to such withholding liability, provided that with respect to shares withheld pursuant to clause (B), the number of such shares may not have a Fair Market Value greater than the minimum required statutory withholding liability. Any fraction of a share of Common Stock required to satisfy such tax obligations shall be disregarded and the amount due shall be paid instead in cash by the Participant.

15.5 No Assignment of Benefits. No Award or other benefit payable under the Plan shall, except as otherwise specifically provided by law or permitted by the Committee, be Transferable in any manner, and any attempt to Transfer any such benefit shall be void, and any such benefit shall not in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of any person who shall be entitled to such benefit, nor shall it be subject to attachment or legal process for or against such person.

15.6 Listing and Other Conditions.

(a) Unless otherwise determined by the Committee, as long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issue of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. The Company shall have no obligation to issue such shares unless and until such shares are so listed, and the right to exercise any Option or other Award with respect to such shares shall be suspended until such listing has been effected.

(b) If at any time counsel to the Company shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Option or other Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company under the statutes, rules or regulations of any applicable jurisdiction, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act or otherwise, with respect to shares of Common Stock or Awards, and the right to exercise any Option or other Award shall be suspended until, in the opinion of said counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company.

(c) Upon termination of any period of suspension under this Section 15.6, any Award affected by such suspension that shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares that would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award.

(d) A Participant shall be required to supply the Company with any certificates, representations and information that the Company requests and otherwise cooperate with the Company in obtaining any listing, registration, qualification, exemption, consent or approval the Company deems necessary or appropriate.

15.7 Governing Law. The Plan and actions taken in connection herewith shall be governed and construed in accordance with the laws of the State of Delaware (regardless of the law that might otherwise govern under applicable Delaware principles of conflict of laws).

15.8 Construction. Wherever any words are used in the Plan in the masculine gender they shall be construed as though they were also used in the feminine gender in all cases where they would so apply, and wherever any words are used herein in the singular form they shall be construed as though they were also used in the plural form in all cases where they would so apply.

15.9 Other Benefits. No Award granted or paid out under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or its Affiliates nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation.

15.10 Costs. The Company shall bear all expenses associated with administering the Plan, including expenses of issuing Common Stock pursuant to any Awards hereunder.

15.11 No Right to Same Benefits. The provisions of Awards need not be the same with respect to each Participant, and such Awards to individual Participants need not be the same in subsequent years.

15.12 **Death/Disability.** The Committee may in its sole discretion require the transferee of a Participant to supply it with written notice of the Participant's death or Disability and to supply it with a copy of the will (in the case of the Participant's death) or such other evidence as the Committee deems necessary to establish the validity of the transfer of an Award. The Committee may, in its discretion, also require the agreement of the transferee to be bound by all of the terms and conditions of the Plan.

15.13 **Section 16(b) of the Exchange Act.** On and after the Registration Date, all elections and transactions under the Plan by persons subject to Section 16 of the Exchange Act involving shares of Common Stock are intended to comply with any applicable exemptive condition under Rule 16b-3. The Committee may, in its sole discretion, establish and adopt written administrative guidelines, designed to facilitate compliance with Section 16(b) of the Exchange Act, as it may deem necessary or proper for the administration and operation of the Plan and the transaction of business thereunder.

15.14 **Section 409A of the Code.** Although the Company does not guarantee the particular tax treatment of an Award granted under the Plan, Awards made under the Plan are intended to comply with, or be exempt from, the applicable requirements of Section 409A of the Code and the Plan and any Award agreement hereunder shall be limited, construed and interpreted in accordance with such intent. Notwithstanding anything herein to the contrary, any provision in the Plan that is inconsistent with Section 409A of the Code shall be deemed to be amended to comply with Section 409A of the Code and to the extent such provision cannot be amended to comply therewith, such provision shall be null and void. With respect to any Award that would be considered nonqualified deferred compensation within the meaning of Section 409A of the Code, any termination of employment, consultancy or directorship shall not be treated as a Termination under the Plan unless such termination qualifies as a separation from service under Section 409A of the Code.

15.15 **Successor and Assigns.** The Plan shall be binding on all successors and permitted assigns of a Participant, including, without limitation, the estate of such Participant and the executor, administrator or trustee of such estate.

15.16 **Severability of Provisions.** If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.

15.17 **Payments to Minors, Etc.**

Any benefit payable to or for the benefit of a minor, an incompetent person or other person incapable of receipt thereof shall be deemed paid when paid to such person's guardian or to the party providing or reasonably appearing to provide for the care of such person, and such payment shall fully discharge the Committee, the Board, the Company, its Affiliates and their employees, agents and representatives with respect thereto.

15.18 **Headings and Captions.** The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan, and shall not be employed in the construction of the Plan.

ADMINISTRATION

(a) The Plan shall be administered, operated and interpreted by the Committee, to the extent reasonably possible, in a manner which would be expected to cause any award intended to be qualified as performance-based compensation under Section 162(m) of the Code to so qualify. The Committee shall establish the performance objectives for any Performance Period in accordance with Section 4 and certify whether and to what extent such performance objectives have been obtained. Any determination made by the Committee under the Plan shall be final, conclusive and binding on the Company, any Participant and any other person dealing with the Plan.

(b) The Committee may employ such legal counsel, consultants and agents as it may deem desirable (including counsel or agents who are employees of the Company or any other Service Recipient) for the administration of the Plan and may rely upon any opinion received from any such counsel, consultant or agent and any computation received from such consultant or agent. All expenses incurred in the administration of the Plan, including, without limitation, for the engagement of any counsel, consultant or agent, shall be paid by the Company. No member or former member of the Board or the Committee shall be liable for any act, omission, interpretation, construction or determination made in connection with the Plan other than as a result of such individual's willful misconduct.

(c) The Committee may delegate its authority under this Plan; provided that, the Committee shall in no event delegate its authority with respect to the compensation of the Chief Executive Officer of the Company, the four most highly compensated executive officers, or such other Covered Employees of the Company as may be determined under Section 162(m) of the Code, or any other individual whose compensation the Board or Committee reasonably believes may become subject to Section 162(m) of the Code.

(b) Following the end of each Performance Period, and before any payments are made under the Plan, the Committee shall certify in writing the satisfaction of the performance goal(s) for any Qualified Performance Measure(s) applicable to any Qualified Performance-Based Award.

(c) The Committee may reduce or eliminate the Award granted to any Participant based on factors determined by the Committee, including but not limited to, performance against budgeted financial goals and the Participant's personal performance, provided, however, that any such reduction or elimination shall not operate

to increase a Qualified Performance-Based Award, or amount payable thereunder, to any Participant. The Committee may not increase a Qualified Performance-Based Award, or amount payable thereunder, granted to a Participant. If the applicable performance goals in respect of an Award that is not a Qualified Performance-Based Award are not met or satisfied, the Committee may pay to a Participant a discretionary amount in respect of such Award.

SECTION 5

PAYMENT OF AWARDS

(a) Awards may be paid at such time(s) as determined by the Committee but in all events except as provided in the next sentence, shall be paid not later than the later of: (i) March 15 after the end of the applicable year; or (ii) two and one-half (2 1 / 2) months after the expiration of the fiscal year in which the Performance Period with respect to which they are earned ends. The Committee may defer payment of all or any portion of any Awards with such conditions as the Committee may determine and may permit a Participant electively to defer receipt of all or a portion of an Award; provided, that any such deferral must, to the extent needed for purposes of Section 409A of the Code, be made in accordance with the requirements of Section 409A of the Code. Unless otherwise determined by the Committee in its sole discretion, no Award or pro rata portion thereof shall be payable to any individual whose employment with the Company or any other Service Recipient has ceased prior to the date such Award is paid.

(b) In the sole discretion of the Committee, Awards may be paid in whole or in part in cash, Common Stock (which may or may not be subject to restriction) other property, or any combination thereof, provided that any Common Stock shall be issued under the Town Sports International Holdings, Inc. 2006 Stock Incentive Plan as an other stock-based award (or another plan maintained by the Company that was approved by the stockholders of the Company) or under another arrangement that is permitted under applicable stock exchange or listing rules.

SECTION 6

AMENDMENTS

The Committee may amend the Plan at any time and from time to time, provided that no such amendment that would require the consent of the stockholders of the Company pursuant to Section 162(m) of the Code, NASDAQ listing rules or the Exchange Act, or any other applicable law, rule or regulation, shall be effective without such consent. No amendment which adversely affects a Participant's rights to, or interest in, an Award granted prior to the date of the amendment shall be effective with respect to such Participant unless the Participant shall have agreed thereto in writing.

SECTION 7

TERMINATION

The Committee may terminate this Plan at any time but in no event shall the termination of the Plan adversely affect the rights of any Participant to a previously granted Award without such Participant's written consent.

SECTION 8

OTHER PROVISIONS

(a) *Effectiveness of the Plan.* The Plan shall remain in effect from the Effective Date until such time as it is terminated by the Board or the Committee.

(b) *Designation of Beneficiary.* Each Participant may designate a beneficiary or beneficiaries (which beneficiary may be an entity other than a natural person) to receive any payments which may be made following the Participant's death. Such designation may be changed or canceled at any time without the consent of any such

beneficiary. Any such designation, change or cancellation must be made in a form approved by the Committee and shall not be effective until received by the Committee. If no beneficiary has been named, or the designated beneficiary or beneficiaries shall have predeceased the Participant, the beneficiary shall be the Participant's spouse or, if no spouse survives the Participant, the Participant's estate. If a Participant designates more than one beneficiary, the rights of such beneficiaries shall be payable in equal shares, unless the Participant has designated otherwise.

(c) *No Right to Continued Employment or Awards.* Nothing in this Plan or in any notice of an Award shall be construed as conferring upon any Participant any right to continue in the employment of the Company or any other Service Recipient or affect the right of the Company or any other Service Recipient to terminate the employment of any Participant. No Participant shall have any claim to be granted any award, and there is no obligation for uniformity of treatment of Participants or beneficiaries. The terms and conditions of awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not the Participants are similarly situated).

(d) *No Limitation on Corporate Actions.* Nothing contained in the Plan shall be construed to prevent the Company or any other Service Recipient from taking any corporate action which is deemed by it to be appropriate or in its best interest, whether or not such action would have an adverse effect on any awards made under the Plan. No employee, beneficiary or other person shall have any claim against the Company or any other Service Recipient as a result of any such action.

(e) *Non-Assignability.* No Award or payment thereof nor any right or benefit under the Plan shall be subject to anticipation, alienation, sale, assignment, pledge, encumbrance, garnishment, execution or levy of any kind or charge, and any attempt to anticipate, alienate, sell, assign, pledge, encumber and to the extent permitted by applicable law, charge, garnish, execute upon or levy upon the same shall be void and shall not be recognized or given effect by the Company.

(f) *Withholding.* A Participant may be required to pay to the Company or any other Service Recipient and the Company or any other Service Recipient shall have the right and is hereby authorized to withhold from any payment due under this Plan or from any compensation or other amount owing to the Participant, applicable withholding taxes with respect to any payment under this Plan and to take such action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such withholding taxes.

(g) *Severability.* In the event that any one or more of the provisions contained in the Plan shall, for any reason, be held to be invalid, illegal or unenforceable, in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of the Plan and the Plan shall be construed as if such invalid, illegal or unenforceable provisions had never been contained therein.

(h) *Governing Law.* The Plan and any amendments thereto shall be construed, administered, and governed in all respects in accordance with the laws of the State of Delaware (regardless of the law that might otherwise govern under applicable principles of conflict of laws).

(i) *Headings.* Headings are inserted in this Plan for convenience of reference only and are to be ignored in a construction of the provisions of the Plan.

(j) *Compliance with Section 409A of the Code.* The Plan is intended to comply with Section 409A of the Code and will be interpreted in a manner intended to comply with Section 409A of the Code. Notwithstanding anything herein to the contrary, if at the time of the Participant's termination of employment with any Service Recipient the Participant is a specified employee as defined in Section 409A of the Code, and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of service is necessary in order to prevent the imposition of any accelerated or additional tax under Section 409A of the Code, then the Company will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to the Participant) to the minimum extent necessary to satisfy Section 409A of the Code until the date that is six months and one day following the Participant's termination of employment with all Service Recipients (or the earliest date as is permitted under Section 409A of the Code), if such payment or benefit is payable upon a termination of employment. Each payment made under the Plan shall be designated as a separate payment within the meaning of Section 409A of the Code.

Performance goals may also be based upon individual Participant performance goals, as determined by the Committee, in its sole discretion.

In addition, performance goals may be based upon the attainment of specified goals attained by, or with respect to, the Company, or any subsidiary, division or other operational unit or business segment of the Company, or based upon performance under one or more of the measures described above relative to the performance of other corporations.
