5. MATERIAL ANNOUNCEMENT DATED DECEMBER 21, 2015: INJUNCTION GIVEN IN SUPREME COURT ACTION ON JAGUARA PLANT

28

COMPANHIA ENERGÉTICA DE MINAS GERAIS CEMIG
LISTED COMPANY CNPJ 17.155.730/0001-64 NIRE 31300040127

MATERIAL ANNOUNCEMENT

Injunction given in Supreme Court action on Jaguará Plant

In accordance with CVM Instruction 358 of January 3, 2002, as amended, **Cemig** (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, **hereby reports** to the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&F Bovespa S.A.) and the market in general **as follows**:

On today's date, Brazil's Federal Supreme Court (STF) granted an interim judgement in Application for Provisional Remedy No. 3980/DF brought against the Brazilian federal government by Cemig's wholly-owned subsidiary **Cemig GT** (*Cemig Geração e Transmissão S.A.*).

This Application seeks suspension of the effects of the judgement given by the First Section of the Higher Appeal Court which refused to grant the order of *mandamus* requested in Application for Mandamus No. 20.432/DF.

That application for *mandamus* had asked the court to uphold and maintain Cemig's possession of the concession to operate the **Jaguara Hydroelectric Plant**, under the initial terms of Concession Contract 007/97 until final judgement of the Ordinary Appeal in progress before the Supreme Court.

The interim judgement was given by Justice Dias Toffoli in the following terms: *Since the two preconditions required for grant of this measure are present, I grant the interim remedy that is applied for. The remedy that I now give suspends the effects of the judgment given by the first Section of the Higher Appeal Court which refused Application for Mandamus 20.432/DF. Thus this present order maintains Cemig in possession of ownership of the concession for the Jaguará Plant, on the basis of the initial terms of Concession Contract 007/97, until any decision to the contrary by this court.*

Cemig also informs the public that the conciliation hearing scheduled by Justice Dias Toffoli to take place on December 15, 2015, was suspended at the request of the parties and rescheduled for February 16, 2016, due to *the complexity and importance of the arguments put forward in this case, and also the need to encourage voluntary settlement between parties in the courts.*

The judgement given today (interim relief in Action for Provisional Remedy No. 3980/DF) is by its very nature temporary and not final: the company will keep its stockholders and the market opportunity and appropriately informed on the progress of this case.

EXTRAORDINARY GENERAL MEETING OF STOCKHOLDERS

CONVOCATION

Stockholders are hereby called to an Extraordinary General Meeting of Stockholders to be held on January 20, 2016 at 11 a.m., at the company's head office, Av. Barbacena 1200, 21st floor, Belo Horizonte, Minas Gerais, Brazil, to decide on the following matter:

Changes to the Board of Directors, due to temporary impediment of a Member.

Under Article 3 of CVM Instruction 165 of December 11, 1991, as amended by CVM Instruction 282 of June 26, 1998 and subsequent amendments, adoption of the multiple voting system for election of members of the Company's Board of Directors requires the vote of stockholders representing a minimum of 5% (five per cent) of the voting stock.

Barbacena, 1200 19th Floor, B1 Wing, Belo Horizonte, Minas Gerais.

Belo Horizonte, December 16, 2015.

(Signed by:) José Afonso Bicalho Beltrão da Silva

Chair of the Board of Directors

The Chair then stated that due to temporary impediment of the sitting member of the Company's Board of Directors Otávio Marques de Azevedo, and receipt, on January 4, 2016, of his letter of resignation, there is a need for appointment of a new member of the Board of Directors; and that, independently of the current period of office of the members of the Board of Directors having been begun by adoption of the multiple vote, the stockholders **FIA Dinâmica Energia** and **AGC Energia S.A.** had requested, as per a letter in the Company's possession, that this process of election should be maintained.

The Chair pointed out that it will be necessary first, in view of Clause 12 of the by-laws, to proceed to election of the sitting member and his respective substitute member put forward by representatives of the holders of the preferred shares, and only then to apply the instrument of Multiple Vote to fill the remaining vacancies on the Board of

Directors.

Asking for the floor, and having in mind the decision of the CVM (the Brazilian Securities Commission) in response to Consultation on Regulation No. 3649/2002, the stockholder **Alexandre de Queiroz Rodrigues** asked whether any of the minority stockholders present had any interest in dismissing any of the present members of the Board of Directors, who had been elected by separate vote in the Extraordinary General Meeting of Stockholders held on April 30, 2014.

Since no view was put forward to this effect, the Chair proposed that:

Guy Maria Villela Paschoal Brazilian, married, engineer, resident and domiciled in Belo Horizonte, Minas Gerais, at Rua Jornalista Djalma Andrade 210, Belvedere, CEP 30320-540, bearer of Identity Card M-616, issued by the Public Safety Department of the State of Minas Gerais, and of CPF 000798806-06;

should be maintained as a sitting member, and proposed as his substitute member:

Flávio Miarelli Piedade, Brazilian, married, company manager, resident and domiciled in Belo Horizonte, Minas Gerais, at Rua Maranhão 1418/2401, Funcionários, CEP 30150-331, bearer of Identity Card M-2756875, issued by the Public Safety Department of Minas Gerais State, and CPF 703736396-00.

both to serve the remainder of the present term of office, that is to say until the Annual General Meeting of 2016.

The Chair, with the consent of the majority of the representatives of the holders of preferred shares, ratified the decision that the members referred to above should remain on the Board of Directors of Cemig.

The Chair then further stated that, to complete the Board of Directors, the stockholder **FIA Dinâmica Energia** could put forward 1 (one) sitting member and the corresponding substitute member; the stockholder **AGC Energia S.A.** could put forward 5 (five) sitting members and their respective substitute members; and the stockholder **The State of Minas Gerais** could put forward 8 (eight) sitting members and their respective substitute members.

The Capital Increase is one of the actions for implantation of Renova's business plan, following cancellation of Phase II of the transaction with TerraForm Global. The new business plan will re-scale future investments, adapting them to present market conditions, which include less attractive conditions of liquidity and availability of credit.

Renova continues to work on several fronts to execute this plan. So far it has announced an important change in the Executive Board, renegotiations of debt, bringing forward of funds under energy supply contracts, and adaptation of personnel in decisions to achieve a lighter, more efficient and more flexible structure.

The Capital Increase will strengthen Renova's cash position, providing funding for projects currently under construction and others under development, and payment of expenses and debt of the holding company.

Renova will keep stockholders and the market informed about the Capital Increase and other material information.

Cemig will take part in this increase in the capital of Renova Energia S.A through its wholly-owned subsidiary **Cemig Geração e Transmissão S.A.**, which has approved allocation of up to R\$ 240.0 million.

Of this amount:

R\$ 85 million will be subscribed and paid on February 3, 2016;

R\$ 115.0 million will be subscribed and paid in March 2016; and
up to R\$ 40.0 million will be subscribed and paid in the phase, if any, for subscription of shares not otherwise subscribed and paid up.

Cemig will keep its stockholders and the market opportunely and appropriately informed on the conclusion of this transaction.
