Item 7.01 Regulation FD Disclosure.

During the first quarter 2017, Verizon Communications Inc. (Verizon) reorganized the customer groups within its Wireline segment. Previously, the customer groups in the Wireline segment consisted of Mass Markets (which included Consumer Retail and Small Business subgroups), Global Enterprise and Global Wholesale. Pursuant to the reorganization, there are now four customer groups within the Wireline segment:

Consumer Markets, which includes the customers previously included in Consumer Retail;
Enterprise Solutions, which includes the large business customers, including multinational corporations, and federal government customers previously included in Global Enterprise;
Partner Solutions, which includes the customers previously included in Global Wholesale; and
Business Markets, a new customer group, which includes U.S.-based small business customers previously included in Mass Markets and U.S.-based medium business customers, state and local government customers and educational institutions previously included in Global Enterprise.

As a convenience to investors, we are providing unaudited historical financial information that recasts the operating revenue results for these reorganized customer groups within the Wireline segment for each of the eight quarters ended December 31, 2016. Total Wireline segment operating revenues remain unchanged from previously reported results.

As a reminder, the operating results for all periods presented herein exclude the results of Verizon's local exchange business and related landline activities in California, Florida and Texas, which were sold to Frontier on April 1, 2016.

This information is provided in Exhibit 99 and also posted to the Verizon Investor website at www.verizon.com/about/investors.

The information provided pursuant to this item 7.01 is furnished and shall not be deemed to be filed with the Securities and Exchange Commission or incorporated by reference in any filing under the Securities Exchange Act of 1934, as amended, or the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in any such filing.
