(CMC Steel Fabricators) and CMC Steel US, LLC (CMC Steel US) and, together with CMC Steel Fabricators, the Purchasers, entered into a Stock and Asset Purchase Agreement (the Purchase Agreement) with GNA Financing, Inc. (GNA Financing), Gerdau Ameristeel US, Inc. (Gerdau US), Gerdau Ameristeel Sayreville Inc. (Gerdau Sayreville) and Gerdau Ameristeel WC, Inc. (Gerdau WC) and, together with GNA Financing, Gerdau US and Gerdau Sayreville, the Sellers).

Pursuant to the terms and conditions of the Purchase Agreement, at the closing, Purchasers will acquire (the Acquisition) substantially all of Sellers' rebar fabrication facilities in the U.S. as well as the steel mini-mills (the Mills) located in or around Rancho Cucamonga, California, Jacksonville, Florida, Sayreville, New Jersey and Knoxville, Tennessee (collectively, the Business) for a cash purchase price of \$600.0 million, which is subject to a customary purchase price adjustment as described in the Purchase Agreement.

The Purchase Agreement contains customary representations, warranties and covenants related to the Business. From the date of the Purchase Agreement until the closing, the Sellers are required to operate the Business in the ordinary course and to comply with certain covenants regarding the operation of the Business. The obligations of the Purchasers are guaranteed by the Company. The obligation of Purchasers to consummate the Acquisition is not subject to any condition related to the availability of financing.

The closing of the Acquisition is subject to the satisfaction or waiver of customary closing conditions, including, among others, (i) the absence of any law or order prohibiting the transactions contemplated by the Purchase Agreement, (ii) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), (iii) the accuracy of representations and warranties set forth in the Purchase Agreement and compliance with covenants set forth in the Purchase Agreement (in each case, subject to certain materiality or material adverse effect qualifications), and (iv) the absence of any material adverse effect with respect to the Business or any of the Mills. The Company expects to close the Acquisition before the end of calendar year 2018.

The Purchase Agreement contains certain termination rights for the parties, including if the Acquisition does not close before 5:30 p.m. Eastern time on December 29, 2018, which may be extended by either party until March 29, 2019, if the waiting period under the HSR Act with respect to the Acquisition has not expired or been terminated or if there is a challenge to the Acquisition under antitrust laws preventing the consummation of the Acquisition, but all other closing conditions have been satisfied or waived. Purchasers have agreed to pay GNA Financing a termination fee of \$40.0 million upon termination of the Purchase Agreement under specified circumstances including, among others, a material breach by Purchasers of their antitrust efforts covenant.

At closing, GNA Financing and Purchasers will enter into a transition services agreement pursuant to which GNA Financing and certain of its affiliates will provide, or cause third parties to provide, certain services to accommodate the transition of the Business to Purchasers.

Subject to certain limitations and conditions set forth in the Purchase Agreement, Sellers and Purchasers have agreed to indemnify each other for, among other things, breaches of representations, warranties and covenants contained in the Purchase Agreement, and certain tax and other pre- and post-closing liabilities. To supplement the indemnification provided by the Sellers, the Purchasers have obtained representation and warranty insurance.
