Item 1.01. Entry into a Material Definitive Agreement.

On January 15, 2019, Chimera Investment Corporation (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Morgan Stanley & Co. LLC, RBC Capital Markets, LLC, UBS Securities LLC, Wells Fargo Securities, LLC, J.P. Morgan Securities LLC and Keefe, Bruyette & Woods, Inc., as representatives of the several underwriters named therein (collectively, the Underwriters), pursuant to which the Company agreed to offer and sell 7,400,000 shares of its 8.00% Series D Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock, \$0.01 par value per share (the Series D Preferred Stock), at a public offering price of \$25.00 per share (the Preferred Stock Offering). The Underwriters were granted an option to purchase up to an additional 1,110,000 shares of Series D Preferred Stock to cover over-allotments, if any, bringing the total number of shares of Series D Preferred Stock that may be issued in the Preferred Stock Offering to 8,510,000 shares of Series D Preferred Stock. In the Underwriting Agreement, the Company made certain customary representations, warranties and covenants and agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended.

The Preferred Stock Offering is expected to close on January 23, 2019, subject to customary closing conditions, and will result in estimated net proceeds, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company, of approximately \$178.9 million (or approximately \$205.7 million if the Underwriters exercise their over-allotment option in full).

This description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is hereby incorporated by reference into this Item 1.01.

Item 3.03. Material Modifications to Rights of Security Holders.

On January 17, 2019, the Company filed, with the State Department of Assessments and Taxation of the State of Maryland (the SDAT), Articles Supplementary (the Articles Supplementary) to the Articles of Amendment and Restatement of the Company (the Charter) classifying and designating 8,510,000 shares of the Company's authorized preferred stock, \$0.01 par value per share, as the Series D Preferred Stock, with the powers, designations, preferences and other rights as set forth therein.

The Articles Supplementary, among other things, provide that the Company will pay cumulative cash dividends on the Series D Preferred Stock when and as declared by the Company's Board of Directors. The initial dividend rate for the Series D Preferred Stock, from and including January 23, 2019, to but not including March 30, 2024, will be equal to 8.00% per annum of the \$25.00 liquidation preference per share (equivalent to the fixed annual rate of \$2.00 per share). On and after March 30, 2024, dividends on the Series D Preferred Stock will accumulate at a percentage of the \$25.00 liquidation preference equal to an annual floating rate of the three-month LIBOR plus a spread of 5.379% per annum. Dividends on the Series D Preferred Stock will be payable quarterly in arrears on the 30th day of each March, June, September and December, when and as declared, beginning on June 30, 2019 (provided that if any dividend payment date is not a business day, then the dividend which would otherwise have been payable on that dividend payment date may be paid on the next succeeding business day).

The Series D Preferred Stock ranks senior to the Company's common stock, \$0.01 par value per share (Common Stock), with respect to the payment of dividends and rights upon the voluntary or involuntary liquidation, dissolution or winding up of the Company.

The Series D Preferred Stock will not be redeemable before March 30, 2024, except under certain limited circumstances intended to preserve the Company's qualification as a real estate investment trust (REIT) and except upon the occurrence of a Change of Control (as defined in the Articles Supplementary). On or after March 30, 2024,

the Company may, at its option, redeem, in whole or in part, at any time or from time to time, the Series D Preferred Stock at redemption price of \$25.00 per share, plus any accumulated and unpaid dividends thereon (whether or not authorized or declared) to, but excluding, the redemption date. In addition, upon the occurrence of a Change of Control, the Company may, at its option, redeem some or all of the shares of Series D Preferred Stock, in whole or in part, within 120 days after the first date on which such Change of Control occurred at \$25.00 per share plus any accumulated and unpaid dividends to, but excluding, the redemption date. The Series D Preferred Stock has no stated maturity, is not subject to any sinking fund or mandatory redemption and will remain outstanding indefinitely unless repurchased or redeemed by the Company or converted into Common Stock in connection with a Change of Control by the holders of Series D Preferred Stock.

Upon the occurrence of a Change of Control, each holder of Series D Preferred Stock will have the right (subject to the Company's election to redeem the Series D Preferred Stock in whole or in part, as described above, prior to the Change of Control Conversion Date (as defined in the Articles Supplementary)) to convert some or all of the Series D Preferred Stock held by such holder on the Change of Control Conversion Date into a number of shares of the Common Stock per share of Series D Preferred Stock determined by formula, in each case, on the terms and subject to the conditions described in the Articles Supplementary, including provisions for the receipt, under specified circumstances, of alternative consideration.

There are restrictions on ownership of the Series D Preferred Stock intended to preserve the Company's qualification as a REIT. Holders of Series D Preferred Stock generally have no voting rights, but have limited voting rights if the Company fails to pay dividends for six or more full quarterly dividend periods (whether or not consecutive) and under certain other circumstances.

A copy of the Articles Supplementary and Form of Series D Preferred Stock Certificate are filed as Exhibits 3.2 and 4.1, respectively, to this Current Report on Form 8-K and incorporated herein by reference. The description of the terms of the Articles Supplementary in this Item 3.03 is qualified in its entirety by reference to Exhibit 3.2.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On January 17, 2019, the Company filed (a) the Articles Supplementary and (b) Articles of Amendment (the Amendment) to the Charter with the SDAT. The Amendment increases the number of shares of Common Stock authorized to be issued from 300,000,000 to 500,000,000 shares. The Amendment became effective upon its filing with the SDAT.

The information about the Articles Supplementary set forth under Item 3.03 of this Current Report on Form 8-K is hereby incorporated by reference into this Item 5.03.

A copy of the Amendment is filed as Exhibit 3.1 to this Current Report on Form 8-K and incorporated herein by reference. The description of the terms of the Amendment in this Item 3.03 is qualified in its entirety by reference to Exhibit 3.1.

Item 9.01. Financial Statements and Exhibits.
