SILVERADO FINANCIAL, INC.
(formerly Rhombic Corporation)
(A Development Stage Company)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS THREE MONTHS ENDED JUNE 30, 2003

The unaudited financial statements included herein were prepared from the records of the Company in accordance with Generally Accepted Accounting Principles. These financial statements reflect all adjustments which are, in the opinion of management, necessary to provide a fair statement of the results of operations and financial position for the interim periods. Such financial statements generally conform to the presentation reflected in the Company's Forms 10-QSB and 10-KSB filed under its previous name of Rhombic Corporation with the Securities and Exchange Commission for the year ended December 31, 2002. The current interim period reported herein should be read in conjunction with the Company's Form 10-KSB subject to independent audit at the end of the year.

A majority of the shareholders of record on February 10, 2003 voted to amend the Articles of Incorporation of the Registrant to change the name of the Company to Silverado Financial, Inc. and to change the authorized common shares to 100,000,000 and the authorized preferred shares to 5,000,000 as described in an information statement filed on Form 14C with the Securities and Exchange Commission on February 11, 2003. The Registrant filed with the Secretary of State of Nevada a Certificate of Amended Articles of Incorporation on March 21, 2003.

At the beginning of business on April 29, 2003 the Company changed its trading name and trading symbol to "SLVO" on the OTCBB and decreased the number of issued and outstanding shares of common stock by issuing one new share for each five shares held. This action was done in conjunction with the shareholder approval of February 10, 2003 to amend the Articles of Incorporation.

On May 9, 2003, in a non-arms length transaction with John E. Hartman, the company's president, the company issued 729,452 shares of restricted common stock at a purchase price of \$0.175 per share, which was based on the prior five days average trading price, in exchange for all of the outstanding shares of Realty Capital Corporation. The purchase price of Realty Capital Corporation was \$127,654 and was the net asset value of Realty Capital Corporation, as determined by an independent, third party valuation. The shares were issued under Section 4(2) of the 1933 Securities Act.

As shown in the accompanying financial statements, the Company had a net loss of \$222,095 for the three months ended June 30, 2003. It has incurred an accumulated deficit of \$9,045,118 and has a deficit in working capital of approximately \$167,017 as of June 30, 2003. The ability of the Company to continue as a going concern is dependent on obtaining additional capital and financing and operating at a profitable level. The Company intends to seek additional capital either through debt or equity offerings, or a combination thereof, and to seek acquisitions which will generate sales volume with operating margins sufficient to achieve profitability. The financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern. The independent auditor's report on the financial statements for the year ended December 31, 2002 expressed substantial doubt about the ability of the Company to continue as a going-concern. The results of operations for the period ended June 30, 2003 are not necessarily indicative of the results that may be expected for the year ending December 31, 2003.

SUCH FORWARD-LOOKING STATEMENTS INCLUDE, BUT ARE NOT LIMITED TO, THE SEEKING OF REVENUE PRODUCING ACQUISITIONS, THE DEVELOPMENT PLANS FOR THE TECHNOLOGIES OF THE COMPANY, TRENDS IN THE RESULTS OF THE COMPANY'S DEVELOPMENT, ANTICIPATED DEVELOPMENT PLANS, OPERATING EXPENSES AND THE COMPANY'S ANTICIPATED CAPITAL REQUIREMENTS AND CAPITAL RESOURCES. THESE FORWARD-LOOKING STATEMENTS INVOLVE RISKS, UNCERTAINTIES AND OTHER FACTORS. ALL FORWARD-LOOKING STATEMENTS INCLUDED IN THIS DOCUMENT ARE BASED ON INFORMATION AVAILABLE TO THE COMPANY ON THE DATE HEREOF AND SPEAK ONLY AS OF THE DATE HEREOF. THE FACTORS DISCUSSED BELOW UNDER "FORWARD-LOOKING STATEMENTS" AND ELSEWHERE IN THIS QUARTERLY REPORT ON FORM 10-QSB ARE AMONG THOSE FACTORS THAT IN SOME CASES HAVE AFFECTED THE COMPANY'S RESULTS AND COULD CAUSE THE ACTUAL RESULTS TO DIFFER MATERIALLY FROM THOSE PROJECTED IN THE FORWARD-LOOKING STATEMENTS. IN ADDITION, THE FOLLOWING DISCUSSION IS INTENDED TO PROVIDE AN ANALYSIS OF THE COMPANY'S FINANCIAL CONDITION AND PLAN OF OPERATION AND SHOULD BE READ IN CONJUNCTION WITH THE COMPANY'S FINANCIAL STATEMENTS AND THE NOTES THERETO.

GENERAL:

Since its inception during 1994 as Rhombic Corporation, the Company has been in the development stage and its efforts have been primarily focused on the acquisition of the rights to innovative technologies that could ultimately be developed into numerous applications. During the years of 1999 through 2001 it began to focus on the research and development of its portfolio of acquired technologies and to develop specific applications in order to make them commercially marketable. The business strategy of the Company was to develop a specific application from a technology, then commence or contract for a marketing effort for the developed application that would generate sales.

In 2002 the Company concluded that it could not raise capital to pursue its planned efforts for its scientific technology and began seeking potential acquisition candidates. During the fourth quarter of 2002 the Company appointed John Hartman as Chief Executive Officer and director and Sean Radetich as a director.

On November 11, 2002, the board of directors of the Registrant approved the issuance of 22,000,000 restricted shares of its common stock for the acquisition of all of the issued and outstanding shares of Financial Software, Inc. ("FSI"). The transaction was closed on November 19, 2002. The value of the consideration in the exchange was determined at arms length by FSI and the registrant. FSI was in the financial services technology and publishing industry.

A majority of the shareholders of record on February 10, 2003 voted to amend the Articles of Incorporation of the Registrant to change the name of the Company to Silverado Financial, Inc. and to change the authorized common shares to 100,000,000 and the authorized preferred shares to 5,000,000 as described in an information statement filed on Form 14C with the Securities and Exchange Commission on February 11, 2003. The Registrant filed with the Secretary of State of Nevada a Certificate of Amended Articles of Incorporation on March 21, 2003.

It is the intention of Silverado Financial, Inc. "Silverado" to become a multifaceted technology and real estate services company. To achieve its new business plan, Rhombic will acquire or modify its current software technology to target the real estate lending markets and to serve as a parent to companies that would provide financial publishing, mortgage brokerage and mortgage banking real estate services to customers through a developed software application.

Silverado is currently considering the acquisition of firms or the establishment of business lines in the mortgage brokerage, investment advisory, insurance brokerage and commercial and residential mortgage banking sectors.

On May 9, 2003, in a non-arms length transaction with John E. Hartman, the company's president, the company issued 729,452 shares of restricted common stock at a purchase price of \$0.175 per share, which was based on the prior five days average trading price, in exchange for all of the outstanding shares of Realty Capital Corporation. The purchase price of Realty Capital Corporation was \$127,654 and was the net asset value of Realty Capital Corporation, as determined by an independent, third party valuation. The shares were issued under Section 4(2) of the 1933 Securities Act.

The competition in the technology proliferation and transfer market is highly intense and is based on product and technology recognition and acceptance, novelty and marketability of an invention, price, and sales expertise. The new

Edgar Filing: SILVERADO FINANCIAL INC - Form 10QSB

management of the Company is reviewing its intellectual property and patents and considering seeing potential buyers.

11

The Company does not have any employees and uses consultants for matters pertaining to coordinating technology development and administration. The Company may hire employees during the next twelve months depending upon its success in developing prototype applications for sale and financing more development.

RESULTS OF OPERATIONS:

Comparison of Quarter Ended June 30, 2003 and 2002

The Company generated revenues of \$17,825 from operations during the second quarter of 2003. This marks the first time the company has generated any revenues since inception. Management's objective during the second quarter of 2003 was to acquire an operating company, to begin generating revenue and to continue to reform its capital structure to attract investment capital and attract potential acquisitions.

During the second quarter of 2003 the Company incurred \$169,987 in general and administrative expenses which was comprised of accrued compensation expense of \$40,000 to its officers and \$129,987 of office expenses and out of pocket costs involved with the restating the Company's capital structure.

The Company incurred \$50,118 in consulting fees.

During the second quarter of 2003, the Company sold 30,000 shares of Showintel Networks, Inc. and all of its shares of Rockford Technologies, Inc and recorded a net gain of \$153.

LIQUIDITY AND CAPITAL RESOURCES:

At June 30, 2002 the Company had \$17,102 in cash and \$31,612 in current payables. At June 30, 2003 the Company had approximately \$1,529 in cash, \$14,377 in receivables, \$and \$17,775 in marketable securities and approximately \$200,698 in current payables.

During the second quarter of 2003, the Company sold shares of Showintel Networks, Inc. and Rockford Technologies, Inc. and received \$2,854 in cash which was used added to its general funds.

The Company decreased its accounts payable by \$93,403 due to accrued compensation expense of \$40,000 to its officers and approximately \$53,403 in consulting fees.

The Company incurred \$6,226 of interest expense on its debt of \$304,500 of which \$5,425 was incurred for the software of FSI and \$801 was related to loans for cash in a private placement from accredited investors.

On October 11, 2002, the Company began a private placement to accredited investors for \$250,000. The terms of the offering are a 10% annual interest bearing note that can be converted by the holder into restricted common shares at \$.40 with a warrant to buy an equal amount of shares at \$.45. The term of the note is one-year from the subscription date and the registrant has the right to extend the note for an additional year. The term of the warrant is for three years from the subscription date. As August 1, 2003 the company has subscribed \$26,000 under this private placement. The company has paid \$1,600 in commissions

Edgar Filing: SILVERADO FINANCIAL INC - Form 10QSB

in connection with the subscriptions and has received \$24,400 in net proceeds. However, there is no assurance that it will be able to generate capital sufficient to meet these long-term needs. If it can't meet these requirements, it may not be able to continue as a going concern.

12

The Company believes that it has sufficient capital and resources to support operations for the next twelve months. It anticipates that the capital requirements for the balance of the period ending December 31, 2003 will require that additional cash be raised from external sources. It believes that this requirement will be met by cash equity investments.

SUBSEQUENT EVENTS:

None.

FORWARD LOOKING STATEMENTS:

Certain statements made in this report on Form 10-QSB are "forward looking" statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements of the Company to be materially different from any future results implied by such forward looking statements. Although the Company believes that the expectations reflected in such forward looking statements are based upon reasonable assumptions, the Company's actual results could differ materially from those set forth in the forward looking statements. Certain factors that might cause such a difference might include: the failure of the registrants efforts to secure additional equity capital, the inability to successfully execute the revised business plan, the success or failure to implement the management to operate possible acquisitions profitably, and the registrant's planned marketing, public relations and promotional campaigns.

RISK FACTORS:

The Company continues to be subject to a number of risk factors, including the uncertainty of developing a commercial application for its intellectual property, the ability of management to successfully acquire and manage revenue generating operating companies profitably, the need for additional funds, competition, technological obsolescence and the difficulties faced by development stage companies in general.
