## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Includes 5,953 shares owned indirectly through the People's United Bank 401(k) Plan (including 588 shares acquired through dividend reinvestment). Also includes 5,682 investment units accrued under the People's United Bank excess benefits plan and 593 shares owned indirectly through the People's United Financial, Inc. Employee Stock Ownership Plan (including 19 shares acquired through dividend reinvestment). Information is based on 12/01/08 Plan statements.

(2) This transaction was executed in multiple trades at prices ranging from \$17.45 to \$17.59. The reported price reflects the weighted average sales price. The reporting person hereby undertakes to provide upon request by the SEC staff, People's United Financial, Inc. or a shareholder of People's United Financial, Inc. full information regarding the number of shares and prices at which the transaction was effected.

(3) Under the Company's excess benefit plan, each investment unit represents the economic equivalent of one share of People's United Financial, Inc. common stock. Excess benefit plan balances are distributable following a participant's termination of employment with the Company. Prior to November 1, 2008, excess benefit plan balances maintained on behalf of a participant, such as the reporting person, were deemed to have been proportionately invested in the same manner as the participant chose to invest actual balances in the Company's 401(k) plan. (continued in footnote 4)

(4) (continued from footnote 3) Beginning November 1, 2008, the plan was amended to (a) reflect that all plan contributions made following such date would be directed to a new investment to be credited with earnings at a fixed annual rate of return established annually, and (b) permit participants to make an irrevocable, one-time election pursuant to which all existing plan balances would be directed to this new investment. The reporting person made such election, which resulted in the transfer of the value of 5,682 investment units to the fixed rate investment.

(5) Not subject to previously reported periodic vesting due to discretionary acceleration in December 2005.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
