Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The securities represent deferred shares of the issuer's common stock credited to the reporting person's deferred compensation account pursuant to dividend equivalent rights. Those rights resulted initially in the addition of cash sums to the account equal to the dividends which would have been paid during the 2014 calendar year on the deferred stock credited to such account had that stock actually been issued and outstanding on each dividend payment date, and the accumulated sums were then converted into additional shares of deferred stock on January 2, 2015 based on the average of the closing selling prices of the issuer's common stock on each of the dates during the 2014 calendar year on which actual dividends on the common stock were paid. The resulting shares will be distributed as actual shares of

the issuer's common stock following the reporting person's cessation of service as a member of the issuer's board of directors.

Includes 1,286 shares of the issuer's common stock underlying restricted stock units and 8,732 shares of deferred stock which will be

distributed as actual shares of the issuer's common stock following the reporting person's cessation of board service. Each restricted stock (2) unit will entitle the reporting person to receive one share of the issuer's common stock when that unit vests. The units will vest in full

upon the reporting person's continuation in Board service through the day immediately preceding the date of the issuer's 2015 annual shareholders meeting, subject to accelerated vesting under certain prescribed circumstances.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
