These shares were granted as performance share units and vest one hundred percent on August 13, 2021, with an additional one year holding period (4 years total until settlement), subject to acceleration and cancellation upon the occurrence of certain events. Each performance share unit converts into the number of shares of common stock determined by applying an EPS Performance multiplier to the number of units vesting on the third anniversary of the date of grant. The EPS Performance multiplier is based on the cumulative adjusted EPS over the three year vesting period relative to a target cumulative adjusted EPS. The minimum EPS Performance multiplier is 0% and the maximum EPS Performance multiplier is 200%. These shares represent the performance share units granted, assuming an EPS Performance multiplier of 100%.

- (5) The options vest in three equal annual installments beginning on August 13, 2019, subject to acceleration or forfeiture in certain specified circumstances.
