PROXY STATEMENT

General Information

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Air Industries Group, a Nevada corporation (the “Company,” “we,” “our” or “us”), of proxies to be voted at our 2018 Annual Meeting of Stockholders (the “Annual Meeting” or the “Meeting”) and at any adjournment or postponement of the Meeting. The Annual Meeting will take place on Thursday, November 29, 2018, beginning at 10:00 a.m., Eastern Time, at our offices, 360 Motor Parkway, Suite 100, Hauppauge, New York 11788.

This Proxy Statement, the Notice of Annual Meeting, our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as amended, and accompanying proxy are being furnished to holders of our common stock, par value \$0.001 per share (“Common Stock”), on or about October 19, 2018. Web links and addresses contained in this Proxy Statement are provided for convenience only, and the content on the referenced websites does not constitute a part of this Proxy Statement.

Frequently Asked Questions About the Annual Meeting and Voting

1. Who is entitled to vote at the Annual Meeting?

Holders of our Common Stock as of October 4, 2018 (the “Record Date”) are entitled to receive the Notice of Annual Meeting and to vote their shares at the Meeting. Holders of our Common Stock on the Record Date are entitled to one vote for each share held of record on the Record Date.

2. How many shares of Common Stock are “outstanding”?

As of October 4, 2018, there were 26,413,737 shares of Common Stock outstanding and entitled to be voted at the Annual Meeting.

3. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered in your name with our transfer agent, Broadridge Corporate Issuer Solutions, Inc., you are the “stockholder of record” of those shares. This Notice of Annual Meeting and Proxy Statement and any accompanying materials have been provided directly to you by Air Industries Group.

If your shares are held through a broker, bank or other holder of record, you hold your shares in “street name” and you are considered the “beneficial owner” of those shares. This Notice of Annual Meeting and Proxy Statement and any accompanying documents have been provided to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or on the Internet. Absent instructions from you, under applicable regulatory requirements, your broker may vote your shares on the ratification of the appointment of our independent registered public accounting firm for fiscal 2018, but may not vote your shares on the election of directors, approval of the issuance of shares to Michael Taglich, Robert Taglich and Taglich Brothers, Inc. in connection with the private placement of our Subordinated Notes due May 31, 2019 or any of the other proposals to be voted on at the Annual Meeting.

4. Why did I receive a notice of internet availability of proxy materials instead of a full set of proxy materials?

In accordance with the rules of the U.S. Securities and Exchange Commission (“SEC”), we are permitted to furnish proxy materials, including this proxy statement and our annual report, to stockholders by providing access to these documents on the Internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request so. Instead, the notice provides instructions on how to access and review the proxy materials on the Internet. The notice also provides instructions on how to submit your proxy and voting instructions via the Internet. If you would like to receive a printed copy or an electronic copy (via email) of our proxy materials, please follow the instructions for requesting the materials in the notice.

5. How do I vote?

You may vote using any of the following methods:

By mail

Complete, sign and date the accompanying proxy or voting instruction card and return it in the prepaid envelope. If you are a stockholder of record and return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by your proxy card as recommended by the Board of Directors.

By telephone or on the Internet

Air Industries Group has established telephone and Internet voting procedures for stockholders of record. These procedures are designed to authenticate your identity, to allow you to give your voting instructions and to confirm that those instructions have been properly recorded. Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day until 11:59 p.m., Eastern Time, on November 28, 2018.

The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. We therefore recommend that you follow the voting instructions in the materials you receive.

If you vote by telephone or on the Internet, you do not have to return your proxy or voting instruction card.

Telephone. You can vote by calling the toll-free telephone number on your proxy card. Please have your proxy card handy when you call. Easy-to-follow voice prompts will allow you to vote your shares and confirm that your instructions have been properly recorded.

Internet. The website for Internet voting is www.proxyvote.com. Please have your proxy card handy when you go to the website. As with telephone voting, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials.

In person at the Annual Meeting

Stockholders who attend the Annual Meeting may vote in person at the Meeting. You may also be represented by another person at the Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspector of election with your ballot to be able to vote at the Annual Meeting.

Your vote is important. Please complete your proxy card promptly to ensure that your vote is received timely.

6. What can I do if I change my mind after I vote?

If you are a stockholder of record, you can revoke your proxy before it is exercised by:

giving written notice to the Corporate Secretary of the Company;

delivering a valid, later-dated proxy, or a later-dated vote by telephone or on the Internet, in a timely manner; or

voting by ballot at the Annual Meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your broker, bank or other holder of record. All shares for which proxies have been properly submitted and not revoked will be voted at the Annual Meeting.

7. How will your proxy vote your shares?

Your proxy will vote according to your instructions. If you vote by mail and complete, sign, and return the proxy card but do not indicate your vote, your proxy will vote “FOR” each of the director nominees, “FOR” approval of the issuance of shares to Michael Taglich, Robert Taglich and Taglich Brothers, Inc. (collectively, the “Taglich Parties”) in connection with the private placement of our Subordinated Notes due May 31, 2019 (the “Note Offering”) and “FOR” ratification of the appointment of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm for the fiscal year ending December 31, 2018, which votes represent the recommendations of the Board with respect to such matters. The Board does not intend to bring any other matter for a vote at the Annual Meeting, and neither we nor the Board knows of anyone else who intends to do so. However, on any other business that properly comes before the Annual Meeting, your proxies are authorized to vote on your behalf using their best judgment.

8. Where can you find the voting results?

We intend to announce the preliminary voting results at the Annual Meeting and will publish the final results in a Current Report on Form 8-K, which we will file with the SEC no later than four business days following the Annual Meeting. If the final voting results are unavailable in time to file a current report on Form 8-K with the SEC within four business days after the Annual Meeting, we intend to file a Form 8-K to disclose the preliminary results and, within four business days after the final results are known, will file an additional current report on Form 8-K with the

SEC to disclose the final voting results.

9. What is a broker non-vote?

If you are a beneficial owner whose shares are held of record by a broker, you must instruct the broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a “broker non-vote.” In these cases, the broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required under the rules of the New York Stock Exchange (“NYSE”).

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under NYSE rules to vote your shares on the ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm, even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors, the approval of the issuance of shares to the Taglich Parties in connection with the Note Offering or any other proposal, in which case a broker non-vote will occur and your shares will not be voted on these matters.

10. What is a quorum for the Annual Meeting?

The presence of the holders of shares of common stock representing 13,206,869 votes, a majority of the Common Stock issued and outstanding and entitled to vote at the Annual Meeting, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum.

11. What are the voting requirements to elect the directors and to approve each of the proposals discussed in this Proxy Statement?

Election of Directors

Directors are elected by a plurality of the votes cast at the Annual Meeting. This means that the seven persons receiving the highest number of affirmative "for" votes at the Annual Meeting will be elected. Abstentions and broker non-votes are not counted as votes "for" or "against" a director nominee.

Approval of Issuance of Shares to the Taglich Parties in connection with the Note Financing

The votes cast "for" must exceed the votes cast "against" to approve the issuance of shares to the Taglich Parties in connection with the Note Financing. Abstentions are not counted as votes "for" or "against" this proposal. The 204,999 shares issued to the Taglich Parties in connection with the Note Financing may not be voted on this proposal. Consequently, the votes of the holders of only 26,208,738 shares of Common Stock will determine whether the issuance of 204,999 shares to the Taglich Parties in connection with the Note Offering are approved in accordance with the applicable rules of the NYSE American.

Ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm

The votes cast "for" must exceed the votes cast "against" to approve the ratification of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm. Abstentions are not counted as votes "for" or "against" this proposal.

12. How will my shares be voted at the Annual Meeting?

At the Meeting, the Board of Directors (the persons named in the proxy card or, if applicable, their substitutes) will vote your shares as you instruct. If you sign your proxy card and return it without indicating how you would like to vote your shares, your shares will be voted as the Board of Directors recommends, which is:

FOR the election of each of the director nominees named in this Proxy Statement;

FOR approval of the issuance of shares to the Taglich Parties in connection with the Note Offering; and

FOR ratification of the appointment of Rotenberg Meril Solomon Bertiger & Guttilla, P.C as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

13. Could other matters be decided at the Annual Meeting?

As of the date of this Proxy Statement, we did not know of any matters to be presented at the Annual Meeting, other than those referred to in this Proxy Statement.

If you return your signed and completed proxy card or vote by telephone or on the Internet and other matters are properly presented at the Annual Meeting for consideration, the individuals named as proxies on the enclosed proxy card will have the discretion to vote on your behalf.

14. Who will pay for the cost of the Annual Meeting and this proxy solicitation?

The Company will pay the costs associated with the Annual Meeting and solicitation of proxies, including the costs of transmitting the proxy materials. In addition to solicitation by mail, our directors, officers and regular employees (who will not be specifically compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy materials to their principals, and we will reimburse them for their expenses. We have retained Broadridge Issuer Corporate Solutions, Inc. to assist in the mailing, collection and administration of proxies. We have not retained a soliciting agent to assist in the solicitation of proxies.

MATTERS TO COME BEFORE THE ANNUAL MEETING

PROPOSAL ONE:

Election of Directors

Nominees

At the Annual Meeting, seven directors, who have been nominated by the Nominating Committee of the Board of Directors, are to be elected, each to hold office (subject to our By-Laws) until the next annual meeting and until his successor has been elected and qualified. The information concerning the nominees and their security holdings has been furnished by them to us.

Information Concerning the Board of Directors

Board Leadership Structure and Risk Oversight

The Board does not have a policy requiring separation of the roles of Chief Executive Officer and Chairman of the Board. Nevertheless, Michael N. Taglich is Chairman of the Board and Lou Melluzzo is Chief Executive Officer of the Company.

The Board has determined that a non-employee director serving as Chairman is in the best interests of our stockholders at this time. This structure ensures a greater role of non-employee Directors in the active oversight of our business, including risk management oversight, and in setting agendas and establishing Board priorities and procedures. This structure also allows the Chief Executive Officer to focus to a greater extent on the management of our day-to-day operations.

The Board of Directors as a whole is responsible for consideration and oversight of risks facing the Company, and is responsible for ensuring that material risks are identified and managed appropriately. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including reports on noteworthy risk-management issues. Members of the Company's senior management team regularly report to the full Board about their areas of responsibility and a component of these reports is risk within the area of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting on risks is conducted as needed or as requested by the Board or one of its committees.

Board Independence

Our Board of Directors has determined that Robert Schroeder, David Buonanno, Peter Rettaliata and Michael Porcelain are “independent directors” within the meaning of NYSE American Rule 803A(2).

Director Compensation

Non-employee Directors are entitled to receive compensation for serving as directors and may receive option grants from our company. Each Director also is entitled to be repaid or prepaid all traveling, hotel and incidental expenses reasonably incurred or expected to be incurred in attending meetings of our Board of Directors or committees of our Board of Directors or stockholder meetings or otherwise in connection with the discharge of his duties as a Director. The compensation committee will assist the directors in reviewing and approving the compensation structure for our directors.

The following table sets forth certain information regarding the compensation paid to, earned by or accrued for, our directors during the fiscal year ended December 31, 2017.

Board Meetings; Committees and Membership

The Board of Directors held six meetings during the fiscal year ended December 31, 2017 (“fiscal 2017”). During fiscal 2017, each of the directors then in office attended more than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings of all committees of the Board on which such director served.

We maintain the following committees of the Board of Directors: the Audit Committee, the Compensation Committee and the Nominating Committee. Each committee is comprised entirely of directors who are “independent” within the meaning of NYSE American Rule 803A(2). Each committee acts pursuant to a separate written charter, and each such charter has been adopted and approved by the Board of Directors. Copies of the committee charters are available on our website at airindustriestgroup.com under the heading “Investor Relations.”

Audit Committee. Messrs. Porcelain, Schroeder and Buonanno are members of the Audit Committee. Mr. Porcelain serves as Chairman of the Audit Committee and also qualifies as an “audit committee financial expert,” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K. The Board has determined that each member of our Audit Committee meets the financial literacy requirements under the Sarbanes-Oxley Act and SEC rules and the independence requirements under NYSE American Rule 803A(2).

Executive Compensation Policies as They Relate to Risk Management

The Compensation Committee and management have considered whether our compensation policies might encourage inappropriate risk taking by the Company's executive officers and other employees. The Compensation Committee has determined that the current compensation structure aligns the interests of the executive officers with those of the Company without providing rewards for excessive risk taking by awarding a mix of fixed and performance based or discretionary bonuses with the performance based compensation focused on profits as opposed to revenue growth.

During the years ended December 31, 2017 and 2016, less than 1% of the total compensation paid to employees was paid in performance-based compensation, including commissions and bonuses.

The following table shows the grant of equity awards to the Named Executive Officers during 2017. Equity Incentive Plans

We have four equity incentive plans, the 2017 Equity Incentive Plan (the “2017 Plan”), which our Board of Directors adopted on July 24, 2017 and our stockholders approved on October 3, 2017, the 2016 Equity Incentive Plan (“the “2016 Plan”), which our Board of Directors adopted in June 2016 and our stockholders approved on November 30, 2016, the 2015 Equity Incentive Plan (the “2015 Plan”), which our Board of Directors adopted in March 2015 and our stockholders approved in June 2015, and the 2013 Equity Incentive Plan (the “2013 Plan”), which our Board of Directors adopted in May 2013 and our stockholders approved in July 2013. The Plans are virtually identical, except

that the 2017 Plan authorizes the issuance of 1,200,000 shares of Common Stock, the 2016 Plan and the 2015 Plan authorize the issuance of 350,000 shares of Common Stock and the 2013 Plan authorizes the issuance of 600,000 shares of Common Stock.

The Plans permit the Company to grant stock awards and non-qualified and incentive stock options to employees, directors and consultants. The Plans are administered by the Compensation Committee of the Board and each has a term of ten years from the date it was adopted by the Board.

We adopted the Plans to provide a means by which employees, directors, and consultants of our Company and those of our subsidiaries and other designated affiliates, which we refer to together as our affiliates, may be given an opportunity to purchase our common stock, to assist in retaining the services of such persons, to secure and retain the services of persons capable of filling such positions, and to provide incentives for such persons to exert maximum efforts for our success and the success of our affiliates.

Transactions with Related Persons

Our Policy Concerning Transactions with Related Persons

Under Item 404 of SEC Regulation S-K, a related person transaction is any actual or proposed transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, including those involving indebtedness not in the ordinary course of business, to which we or our subsidiaries were or are a party, or in which we or our subsidiaries were or are a participant, in which the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, beneficial owners of more than 5% of any class of our voting securities (a “significant shareholder”), or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

We recognize that transactions between us and any of our Directors or Executives or with a third party in which one of our officers, directors or significant shareholders has an interest can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our Company and stockholders.

The Audit Committee of the Board of Directors is charged with responsibility for reviewing, approving and overseeing any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K), including the propriety and ethical implications of any such transactions, as reported or disclosed to the Committee by the independent auditors, employees, officers, members of the Board of Directors or otherwise, and to determine whether the terms of the transaction are not less favorable to us than could be obtained from an unaffiliated party.

Transactions

The following includes a summary of transactions since January 1, 2017, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and in which any related person had or will have a direct or indirect material interest.

From time to time when needed, we have borrowed funds from Michael Taglich and Robert Taglich, as discussed below. In addition, as discussed below, Taglich Brothers, of which Michael Taglich and Robert Taglich are principals,

has acted as placement agent for offerings of our securities and provided us with other investment banking and advisory services.

On February 7, 2017, we issued and sold to Robert Taglich our 8% Subordinated Convertible Note due January 31, 2019 in the principal amount of \$250,000 (one of a series of our 8% Subordinated Convertible Notes due January 31, 2019, hereinafter referred to as the “8% Notes”), together with a five year warrant to purchase 19,230 shares of Common Stock for a purchase price of \$250,000. The 8% Note issued to Robert Taglich originally had a conversion price of \$3.71 per share. As a result of recent amendments to the 8% Notes, the conversion price of the 8% Notes has been reduced to \$1.50 per share. The warrant issued to Robert Taglich has an exercise price of \$3.71 per share. The conversion price of the 8% Notes and the exercise price of the warrants, as well as the number of shares issuable upon conversion of the 8% Notes and the exercise of the warrants, are subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations. The warrants may be exercised until January 31, 2022 and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise.

As compensation for its services as placement agent for the private placement in February 2017 of the 8% Notes, we issued to Taglich Brothers, in lieu of cash payment of sales commissions, 8% Notes in the aggregate principal amount of \$80,000. We also issued to Taglich Brothers five-year placement agent warrants to purchase 29,816 shares of Common Stock at an exercise price of \$4.45 per share having the same terms as the warrants issued to purchasers of the 8% Notes in the February 2019 private placement.

On March 8, 2017, we issued and sold to Robert Taglich an 8% Note in the principal amount of \$100,000, together with a five year warrant to purchase 7,692 shares of Common Stock for a purchase price \$100,000. The 8% Note issued to Robert Taglich originally had a conversion price of \$3.30 per share. As a result of recent amendments to the 8% Notes, the conversion price of the 8% Notes has been reduced to \$1.50 per share. The warrant issued to Robert Taglich has an exercise price of \$3.30 per share. The conversion price of the 8% Notes and the exercise price of the warrants, as well as the number of shares issuable upon conversion of the 8% Notes and the exercise of the warrants, are subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations. The warrants may be exercised until January 31, 2022 and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise.

As compensation for its services as placement agent for the private placement in March 2017 of the 8% Notes, we issued to Taglich Brothers, in lieu of cash payment of sales commissions, 8% Notes in the aggregate principal amount of \$96,000 and five-year warrants to purchase a total of 7,386 shares of Common Stock (of which warrants to purchase 3,416 shares have an exercise price of \$3.30 per share, warrants to purchase 3,354 shares have an exercise price of \$3.78 and warrants to purchase 616 shares have an exercise price of \$4.00). We also issued to Taglich Brothers placement agent warrants to purchase a total of 36,877 shares of Common Stock, of which warrants to purchase 17,030 shares have an exercise price of \$3.30 per share, warrants to purchase 16,770 shares have an exercise price of \$3.78 and warrants to purchase 3,077 shares have an exercise price of \$4.00.

On March 17, 2017, we borrowed \$200,000 and \$300,000 from each of Michael Taglich and Robert Taglich, respectively, evidenced by our promissory notes in the principal amounts of \$200,000 and \$300,000 (the "Taglich Notes"). The Taglich Notes bear interest at the rate of 7% per annum and are payable on March 17, 2018. The Taglich Notes were subsequently amended to provide for the automatic conversion of the indebtedness evidenced thereby into shares of Common Stock at a conversion price of \$1.50 per share, the public offering price of the shares of our Common Stock sold in the public offering in July 2017 (the "Public Offering"), and upon stockholder approval of certain restructuring transactions (the "Restructuring Transactions") on October 3, 2017, were converted into a total of 346,992 shares of Common Stock, of which 138,797 were issued to Michael Taglich and 208,195 were issued to Robert Taglich.

On May 2, 2017, we borrowed \$500,000 from each of Michael Taglich and Robert Taglich, and on May 10, 2017 we borrowed an additional \$250,000 from each of Michael Taglich and Robert Taglich (collectively, the "Taglich Loans"). The Taglich Loans were exchanged for an equal principal amount of our Subordinated Convertible Notes due May 2019 (the "May 2018 Notes").

On May 12, 2017 each of Michael Taglich and Robert Taglich acquired \$774,217 principal amount of our May 2018 Notes, together with warrants to purchase 93,279 shares of our Common Stock, in consideration for the cancellation of the indebtedness related to the Taglich Loans. On May 19, 2017, a partnership of which Michael Taglich and Robert Taglich are partners (the "Taglich Partnership"), acquired \$205,780 principal amount of May 2018 Notes and

warrants to purchase 24,792 shares of our Common Stock for a purchase price of \$199,786. The warrants, when issued, were exercisable at an initial exercise price of \$2.49 per share until May 12, 2022, and may be exercised on a cashless basis for a lesser number of shares based upon prevailing market prices when exercised. The exercise price of the warrants is subject to anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as recapitalizations, mergers and other business combination transactions. In accordance with the terms of the warrants, the exercise price has been reduced to \$1.50 per share, the public offering price of the shares of Common Stock sold in the Public Offering. We have agreed to pay Taglich Brothers \$176,155 in sales commissions in connection with the May 2018 Note financing.

The May 2018 Notes owned by Michael Taglich, Robert Taglich and the Taglich Partnership were subsequently amended to require stockholder approval for the conversion thereof to comply with applicable rules of the NYSE American, and upon stockholder approval of the Restructuring Transactions on October 3, 2017, were converted into a total of 1,169,475 shares of Common Stock, of which 516,144 shares were issued to each of Michael Taglich and Robert Taglich, with the remaining 137,187 shares issued to the Taglich Partnership.

In connection with the Public Offering, on July 12, 2017, we amended the Certificate of Designation authorizing the issuance of the Series A Preferred Stock, to provide for the automatic conversion of the outstanding shares of Series A Preferred Stock into shares of Common Stock at a conversion price of \$1.50 per shares, the public offering price of the shares sold in the Public Offering, subject to stockholder approval in accordance with the applicable rules of the NYSE American, including the automatic conversion of 298,968 shares of Series A Preferred Stock beneficially owned by Michael Taglich and 105,696 shares of Series A Preferred Stock beneficially owned by Robert Taglich, into 1,993,120 shares and 704,640 shares, respectively, of Common Stock. Upon stockholder approval of the Restructuring Transactions on October 3, 2017, the outstanding shares of Series A Preferred Stock were converted into shares of Common Stock.

On November 29, 2017, Michael Taglich and Robert Taglich purchased 144,927 shares and 72,463 shares, respectively, of our Common Stock, together with warrants to purchase an additional 48,000 shares and 24,000 shares, respectively, of Common Stock, for a purchase price of \$200,000 and \$100,000, respectively, as part of a private placement of our equity securities. The purchase price for the shares and warrants purchased by Michael Taglich and Robert Taglich was \$1.38 per share, the closing price of a share of common stock immediately prior to the purchase. The warrants have an exercise price of \$1.50 per share, subject to certain anti-dilution and other adjustments, including stock splits, and in the event of certain fundamental transactions such as mergers and other business combinations, and may be exercised on a cashless basis for a lesser number of shares depending upon prevailing market prices at the time of exercise. The warrants may be exercised until November 30, 2022. For acting as placement agent, we agreed to pay Taglich Brothers \$56,000 (8% of the amounts invested), payable at our option, in cash or additional shares of common stock and warrants.

On March 29, 2018 and April 4, 2018, Michael Taglich and Robert Taglich advanced \$1,000,000 and \$100,000, respectively, to our company for use as working capital. In May 2018, these advances were applied against the purchase price of our Subordinated Notes due May 31, 2019 (the “Notes”), which we issued together with shares of Common Stock (the “Shares”), as part of a private placement (the “Note Offering”). We issued to Michael Taglich a Note in the principal amount of \$1,000,000, together with 178,571 shares of Common Stock, for a purchase price of \$1,000,000 and we issued to Robert Taglich a Note in the principal amount of \$100,000, together with 17,857 shares of Common Stock. Seventy percent (70%) of the total purchase price for the Notes and Shares purchased by each investor was allocated to the Notes, with the remaining thirty percent (30%) allocated to the Shares. The number of Shares issued to Michael Taglich and Robert Taglich was calculated based upon \$1.68, the closing price of the Common Stock on the trading day immediately preceding the date they purchased the Notes and shares of Common Stock in the Note Offering. In addition, we issued to Taglich Brothers, which acted as placement agent for the Note Financing, a Note in the principal amount of \$48,000 and 8,571 shares of Common Stock in lieu of cash payment for the sales commissions with respect to the Note Financing.

In September 2018, holders of a majority of the outstanding principal amount of our 8% Notes consented to an amendment to the terms of the 8% Notes to extend the maturity date to December 31, 2020 and to provide that interest on the 8% Notes, as amended (the “Amended Notes”), shall accrue and be paid on the due date of the Amended Notes or, if earlier, upon conversion of the Amended Notes into shares of our Common Stock. From and after September 30, 2018, interest on the unpaid principal amount of the Amended Notes shall accrue and be paid at the rate of six (6%)

percent per annum, if paid in cash, or at the rate of eight (8%) percent per annum if converted into Common Stock.

At September 30, 2018, Michael Taglich, Robert Taglich and Taglich Brothers (collectively, the “Taglich Parties”) owned \$1,300,000, \$650,000 and \$382,000, respectively, principal amount of 8% Notes, with accrued interest thereon from the date of issuance through September 30, 2018 of \$203,613, \$120,097 and \$68,294, respectively. In consideration for waiving all defaults in payment of principal and accrued interest on the 8% Notes through the date of the amendment, the conversion price of the Amended Notes owned by the Taglich Parties and the other holders of the Amended Notes has been reduced to \$1.50 per share, subject to the anti-dilution adjustments set forth in the Amended Notes and the 8% Notes, and we issued to the Taglich Parties and the other holders of the 8% Notes such number of shares of our common stock calculated based upon a value of \$1.39 per share, the closing market price of our Common Stock on the NYSE American on September 28, 2018, the date immediately prior to the date the holders of a majority of the outstanding principal amount of the 8% Notes approved the amendment as is equal to the interest accrued on their 8% Notes from the date of issuance through September 30, 2018. As a result, we issued to Michael Taglich, Robert Taglich and Taglich Brothers 146,484 shares, 86,401 shares and 49,132 shares, respectively, of our Common Stock.

For soliciting noteholders in connection with the adoption of the amendments, we have agreed to pay Taglich Brothers \$95,550, representing a fee equal to 2% of the outstanding principal amount of Notes whose registered holders (other than Taglich Brothers) received shares of our Common Stock in lieu of cash payment of accrued interest on the 8% Notes as of September 30, 2018.

On October 1, 2018, we sold 800,000 shares of our Common Stock and warrants to purchase 280,000 additional shares of our Common Stock for gross proceeds of \$1,000,000 to RBI Private Investment III, LLC, an accredited investor within the meaning of Rule 501(a) of Regulation D under the Securities Act (“Regulation D”), in a private offering exempt from the registration requirements of the Securities Act under Rule 506 of Regulation D and Section 4(a)(2) of the Securities Act. We have agreed to pay Taglich Brothers \$70,000 (7% of the gross proceeds of the offering) for acting as placement agent for the offering.

Taglich Brothers or its affiliates may in the future provide investment banking, commercial banking and/or other services to us from time to time, for which they may in the future receive customary fees and expenses.

The foregoing transactions were reviewed and approved by the Audit Committee or our Board of Directors. We believe that the terms of each transaction were not less favorable to us than those terms that could be obtained from an unaffiliated third party.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information known to us regarding beneficial ownership of our Common Stock as of October 4, 2018, as adjusted for recent amendments to our 8% Subordinated Convertible Notes (the “Notes”) described below (the “Note Amendments”), by (i) each person known by us to own beneficially more than 5% of our outstanding Common Stock, (ii) each of our directors, (iii) our chief executive officer and the other Named Executive Officers, and (iii) all of our directors and executive officers as a group.

Pursuant to the Note Amendments, we have issued a total of 663,286 shares of Common Stock in payment of accrued but unpaid dividends on the Notes at September 30, 2018.

Except as otherwise indicated, we believe, based on information provided by each of the individuals named in the table below, that such individuals have sole investment and voting power with respect to such shares, subject to community property laws, where applicable. As of October 4, 2018, we had outstanding 26,413,737 shares of Common Stock. The ownership percentages set forth in the table have been calculated based upon an adjusted total of 27,077,023 shares of Common Stock, which gives effect to the issuance of the 663,286 shares issued in connection with the Note Amendments. Except as stated in the table, the address of the holder is c/o our company, 360 Motor Parkway, Suite 100, Hauppauge, New York 11788.

Audit Committee Report to Stockholders

Pursuant to rules adopted by the SEC designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of our Board of Directors submits the following report:

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors, each of whom is independent within the meaning of NYSE MKT Rule 803A(2). The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal controls over financial reporting, disclosure controls and procedures and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with Public Company Accounting Oversight Board (PCAOB) standards and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee has established a mechanism to receive, retain and process complaints on auditing, accounting and internal control issues, including the confidential, anonymous submission by employees, vendors, customers and others of concerns on questionable accounting and auditing matters.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2017 audited consolidated financial statements. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standards Update No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the PCAOB in Rule 3200T. In addition, the Audit Committee received the written disclosures from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed the independent registered public accounting firm's independence from the Company and its management.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for fiscal 2017 filed with the SEC.

The Audit Committee also has appointed, subject to stockholder ratification, Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018.

Respectfully submitted,

THE AUDIT COMMITTEE

Michael D. Porcelain, Chairman

Robert C. Schroeder

David J. Buonanno

The Report of the Audit Committee should not be deemed filed or incorporated by reference into any other filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates the Report of the Audit Committee therein by reference.

PROPOSAL TWO

Approval of Issuance of Shares to Michael Taglich, Robert Taglich and Taglich Brothers in Connection with Private Placement of Subordinated Notes due May 31, 2019

In May 2018, we completed a private placement of an aggregate principal amount of \$1,200,000 of our Subordinated Notes due May 31, 2019 (the “Notes”), together with a total of 215,062 shares of Common Stock (the “Shares”), for a total purchase price of \$1,200,000 (the “Note Financing”), with three accredited investors, including Michael Taglich and Robert Taglich, directors of our company. In addition, we issued to Taglich Brothers, of which Michael Taglich and Robert Taglich are the principals, which acted as placement agent for the Note Financing, a Note in the principal amount of \$48,000 and 8,571 shares of Common Stock in lieu of cash payment for sales commissions with respect to the Note Financing. We allocated seventy percent (70%) of the total purchase price for the securities purchased by each investor to the Notes with the remaining thirty percent (30%) allocated to the Shares.

Michael Taglich and Robert Taglich invested \$1,000,000 and \$100,000, respectively, in the Note Financing. Based upon the foregoing formula for allocating the purchase price between the Note and the Shares, we issued to Michael Taglich a Note in the principal amount of \$1,000,000, together with 178,571 shares of Common Stock, and to Robert Taglich a Note in the principal amount of \$100,000, together 17,857 shares of Common Stock. The number of shares we issued to Michael Taglich and Robert Taglich was calculated based upon \$1.68, the closing price of the Common Stock on the trading day immediately preceding the date of their purchase.

Section 711 of the rules of the NYSE American Stock Exchange (“NYSE American Rules”), upon which our shares of Common Stock are listed, requires stockholder approval for the issuance of shares of a company’s common stock to directors, officers, employees or consultants of the company, with certain exceptions.

Section 713 of the NYSE American Rules requires stockholder approval for the issuance of shares of a company’s common stock (other than as part of a public offering) to officers, directors and principal stockholders of a company at less than the greater of book value and the closing market price of its common stock on the trading date immediately preceding the date of the closing relating to that issuance.

Based upon the listing application we had filed with the NYSE American in connection with the Note Financing which set forth the formula we intended to use to allocate the purchase price between the Note and the Shares, we were of the belief that stockholder approval for the issuance of the shares to Michael Taglich and Robert Taglich would not be required. However, subsequent to the issuance of the Notes and Shares, we were advised by the staff of the NYSE American that stockholder approval for the issuance of the shares of Common Stock to Michael Taglich and Robert Taglich was required under Section 711 of the NYSE American Rules. The staff of the NYSE American's position was based upon its view that the entire purchase price paid in the Note Financing should have been allocated to the Notes and that no value should have been allocated to the Shares. Consequently, by this Proposal, we are seeking stockholder approval for the issuance to Michael Taglich and Robert Taglich of 178,571 shares and 17,857 shares, respectively, of our Common Stock as part of the Note Financing and the issuance of 8,571 shares of Common Stock to Taglich Brothers in part payment of sales commissions payable with respect to the Note Financing.

The votes cast "for" must exceed the votes cast "against" to approve the Proposal to Approve the Issuance of Shares to Michael Taglich, Robert Taglich and Taglich Brothers in connection with the Note Financing. Abstentions are not counted as votes "for" or "against" this proposal. The shares issued to Michael Taglich, Robert Taglich and Taglich Brothers in connection with the Note Financing are not entitled to vote on this proposal. If this proposal is not approved by the stockholders at the Annual Meeting, the shares of Common Stock issued to Michael Taglich, Robert Taglich and Taglich Brothers in connection with the Note Financing will be cancelled and we will be obligated to refund the amounts Michael Taglich and Robert Taglich paid for their Notes and Shares.

PROPOSAL THREE:

Independent Registered Public Accounting Firm

The Audit Committee has appointed Rotenberg Meril Solomon Bertiger & Guttilla, P.C. to serve as our independent registered public accounting firm and to audit our consolidated financial statements for the fiscal year ending December 31, 2018. Rotenberg Meril Solomon Bertiger & Guttilla, P.C. does not expect to have a representative present at the Annual Meeting.

We are asking our stockholders to ratify the selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm for the fiscal year ending December 31, 2018. Although ratification is not required by our By-laws or otherwise, the Board is submitting the selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. to our stockholders for ratification because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate practice. In the event that our stockholders fail to ratify the selection, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and the best interests of our stockholders.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

As required by our Audit Committee charter, our Audit Committee pre-approved the engagement of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. for all audit and permissible non-audit services. The Audit Committee annually reviews the audit and permissible non-audit services performed by our principal accounting firm and reviews and approves the fees charged by our principal accounting firm. The Audit Committee has considered the role of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. in providing tax and audit services and other permissible non-audit services to us and has concluded that the provision of such services, if any, was compatible with the maintenance of such firm's independence in the conduct of its auditing functions.

During fiscal year 2017 and fiscal year 2016, the aggregate fees which we paid to or were billed by Rotenberg Meril Solomon Bertiger & Guttilla, P.C. for professional services were as follows:

	Year Ended	
	December 31,	
	2017	2016
Audit Fees ⁽¹⁾	\$832,000	\$721,000
Audit Related Fees ⁽²⁾	-	4,000
Tax Fees ⁽³⁾	72,000	92,000
	\$904,000	\$817,000

(1) Fees for services to perform our annual audit of financial statements, review of financial statements included in our quarterly filings included in Form 10-Q, and fees for services that are normally provided by the accountant for statutory and regulatory filings. This category includes fees for services rendered that only the auditor reasonably can provide, including comfort letters, consents, assistance with and review of documents filed with the SEC and accounting and financial reporting consultations billed as audit services. The annual audit fee included in this category was \$500,000 and \$516,000 for 2017 and 2016, respectively. Registration statements, consents and comfort letter fees were \$93,000 and \$47,000 for 2017 and 2016, respectively. The balance of the fees in this category were for the reviews of our quarterly financial statements.

(2) Fees for assurance and related services that are traditionally performed by our independent registered public accounting firm, such as due diligence services related to mergers and acquisitions, accounting consultation and audits in connections with acquisitions, consultation concerning financial accounting and reporting standards not classified as audit fees and attest services not required by statute or regulation.

(3) Fees for tax compliance, tax advice and planning. Tax compliance generally involves preparation of original and amended tax returns, claims for refunds and tax payment-planning services. Tax planning and tax advice encompass a diverse range of services, including assistance with tax audits and appeals, tax advice related to mergers and acquisitions and requests for rulings or technical advice from taxing authorities.

The proposal to ratify the Audit Committee's selection of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. as our independent registered public accounting firm will require the affirmative vote of the holders of a majority of the outstanding shares of common stock cast in person or by proxy.
