Item 1.02. Termination of a Material Definitive Agreement

On December 15, 2005, the Board of Directors of 1st Constitution Bancorp (the Company) terminated the Company's Directors' Deferral Plan, effective as of December 31, 2005. The termination prohibits any new deferrals on and after

Edgar Filing: 1ST CONSTITUTION BANCORP - Form 8-K

December 15, 2005. The Directors' Deferral Plan, which was established effective as of October 1, 2002, was an unfunded plan of deferred compensation for non-employee directors. The plan allowed participants to defer the receipt of directors' fees payable to them by either the Company or 1st Constitution Bank and to direct the notional investment of the deferred fees, in which case the director's account would be credited with the notional return. The plan was terminated because it was not being utilized by directors in sufficient numbers to justify the expense of plan operation. Only one director had participated in the plan since its inception and there were no directors currently making deferrals under the plan. Termination of the plan did not affect any previous deferrals made by directors.
