Item 4. Ownership

The securities reported herein are beneficially owned by one or more open end investment

companies or other managed accounts that are investment management clients of Franklin

Edgar Filing: - Form

Mutual Advisers, LLC ("FMA"), an indirect wholly owned subsidiary of Franklin Resources,

Inc. ("FRI"). When an investment management contract (including a sub advisory

agreement) delegates to FMA investment discretion or voting power over the securities

held in the investment advisory accounts that are subject to that agreement, FRI treats

FMA as having sole investment discretion or voting authority, as the case may be, unless

the agreement specifies otherwise. Accordingly, FMA reports on Schedule 13G that it has

sole investment discretion and voting authority over the securities covered by any such

investment management agreement, unless otherwise noted in this Item 4. As a result for

purposes of Rule 13d 3 under the Act, FMA may be deemed to be the beneficial owner of

the securities reported in this Schedule 13G.

Beneficial ownership by investment management subsidiaries and other affiliates of FRI

is being reported in conformity with the guidelines articulated by the SEC staff in

Release No. 34 39538 (January 12, 1998) relating to organizations, such as FRI, where

related entities exercise voting and investment powers over the securities being

reported independently from each other. The voting and investment powers held by FMA are

exercised independently from FRI (FMA's parent holding company) and from all other

investment management subsidiaries of FRI (FRI, its affiliates and investment management

## Edgar Filing: - Form

subsidiaries other than FMA are, collectively, "FRI affiliates").  
Furthermore, internal

policies and procedures of FMA and FRI establish informational barriers  
that prevent the

flow between FMA and the FRI affiliates of information that relates to the  
voting and

investment powers over the securities owned by their respective investment  
management

clients. Consequently, FMA and the FRI affiliates report the securities  
over which they

hold investment and voting power separately from each other for purposes  
of Section 13

of the Act.

Charles B. Johnson and Rupert H. Johnson, Jr. (the "Principal Shareholders") each own in

excess of 10% of the outstanding common stock of FRI and are the principal stockholders

of FRI. However, because FMA exercises voting and investment powers on behalf of its

investment management clients independently of FRI, beneficial ownership of the

securities reported by FMA is not attributed to the Principal Shareholders. FMA

disclaims any pecuniary interest in any of the securities reported in this Schedule 13G.

In addition, the filing of this Schedule 13G on behalf of FMA should not be construed as

an admission that it is, and it disclaims that it is, the beneficial owner, as defined

in Rule 13d 3, of any of such securities.

Furthermore, FMA believes that it is not a "group" with FRI, the Principal Shareholders, or their respective affiliates within the meaning of Rule 13d 5 under the

Act and that none of them is otherwise required to attribute to any other the

beneficial ownership of the securities held by such person or by any persons or

entities for whom or for which FMA or the FRI affiliates provide investment management
