The Reporting Persons intend to engage in discussions with management and the Board of the Issuer about possible ways to reduce the discount. The Reporting Persons reserve the right to take any action they deem appropriate related to this issue.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed above. Depending on various factors including, without limitation, the Issuers financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, each of the Reporting Persons may in the future take such actions with respect to his/its investment in the Issuer as he/it deems appropriate including, without limitation, seeking Board representation, making proposals to the Issuer concerning changes to the capitalization, ownership structure or operations of the Issuer, purchasing additional Shares, selling some or all of its Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing its intention with respect to any and all matters referred to in Item 4.
