Statement of Material Fact

Telemar Norte Leste S.A. (TMAR), Tele Norte Leste Participações S.A. (TNL), Amazônia Celular S.A. (Amazônia Celular) and Tele Norte Celular Participações S.A. (TNCP), in addition to the information released in the Statements of Material Fact dated as of December 20, 2007, December 21, 2007, March 6, 2008 and March 7, 2008, hereby inform the public that all of the conditions precedent established under the stock purchase agreement (Stock Purchase Agreement) between TMAR and Vivo Participações S.A. (Vivo) dated December 20, 2007 have been satisfied, and as a result, the closing of the transaction agreed to thereunder occurred today, including the transfer to TMAR of 1,292,679 common shares and 3,715 preferred shares of TNCP (hereinafter referred to collectively as the Shares). The Shares represent 51.86% of the common shares, 0.09% of the preferred shares, and 19.34% of the total share capital of TNCP, which, in turn, controls Amazônia Celular.

The aggregate acquisition price for the Shares under the Stock Purchase Agreement was R\$128,599,660.51. This amount corresponds to an acquisition price of R\$99.38 per common share of TNCP, which is equivalent to a price of R\$152.01 per common share of Amazônia Celular. Such prices were adjusted by the average of the daily rates of the Interbank Deposit Certificate - CDI from August 2, 2007 until the date hereof. Additionally, TMAR acquired from Vivo certain rights for the subscription of new shares to be issued by TNCP, as set forth in CVM Ruling nº 319/1999, as amended, for the price of R\$22,610,739.14.

In view of the closing under the Stock Purchase Agreement, TMAR intends to submit, together with Credit Suisse (Brasil) S.A. Corretora de Títulos e Valores Mobiliários in its capacity as dealer manager, to the Brazilian Securities Commission (CVM) requests for the registration of public tender offers for the acquisition of any and all common shares of TNCP and Amazônia Celular (Tender Offers) held by their respective non-controlling shareholders, in compliance with article 254-A of Law nº 6,404/76 and CVM Ruling nº 361/02.

The Tender Offer for TNCP common shares will be at the price of R\$79.51 per common share, and the Tender Offer for Amazônia Celular common shares will be at the price of R\$121.61 per common share. The prices to be offered for these shares in the Tender Offers are equal to 80% of the amount paid by TMAR to Vivo under the Stock Purchase Agreement for the common shares of TNCP and Amazônia Celular, in compliance with the provisions of article 254-A of Law nº 6,404/76.

In view of the occurrence of the closing of the acquisition by TMAR of the shares corresponding to the control block of TNCP, TMAR also intends to submit to the São Paulo Stock Exchange (the Bovespa) drafts of notices of voluntary tender offers (the Voluntary Tender Offers) for the outstanding preferred shares issued by TNCP and Amazônia Celular. The Voluntary Tender Offers will be made for the acquisition of any and all preferred shares of TNCP and Amazônia Celular and will be made at the price of R\$33.00 per preferred share of TNCP and R\$25.55 per preferred share of Amazônia Celular, which may be preferred class A, B, C, D or E shares. The commencement of the Voluntary Tender Offers is subject to the non-occurrence of any material adverse event that might affect TMAR's decision to commence the Voluntary Tender Offers and to the approval of the notices of the Voluntary Tender Offers by the Bovespa.

TMAR hereby reiterates that the commencement of the Voluntary Tender Offers is subject to the overall conditions in the capital and financial markets and the non-occurrence of any event that may materially alter TMAR's perspective regarding the profitability of TNCP and Amazônia Celular and therefore, impact TMAR's decision to commence the Voluntary Tender Offers.

The Voluntary Tender Offers are not intended to cancel the registration of TNCP or Amazônia Celular as publicly traded companies with the CVM. TMAR's management will inform its shareholders and the market of the satisfaction of the conditions that would enable the Tender Offers and the Voluntary Tender Offers to proceed as well as any other events that may impact their occurrence.
