RELEVANT FACT

In compliance with Article 157, Paragraph 4 of Law n. 6.404/76 and the Securities and Exchange Commission of Brazil CVM Instruction n. 358/2002, **CPFL ENERGIA S.A.** informs that, on August 20, 2009, received the following Relevant Fact, which is reproduced below:

Pursuant to CVM Instruction 358/2002, 521 Participações S.A. (Company), with its registered offices at Rua Senador Dantas, 105, 37th floor in the city and state of Rio de Janeiro, notifies the market and its shareholders that the underlying controller of the Company, Caixa de Previdência dos Funcionários do Banco do Brasil (Previ), with the objective of restructuring its corporate investments as a means of reducing the administrative and financial costs arising from its indirect investments, has decided that the Company shall transfer its total shareholding in CPFL Energia S.A. (CPFL) to its shareholders. Therefore, as a first step towards implementing the transfer of the shareholding held by the Company in CPFL, at the Company s Extraordinary General Meeting, held on August 20, 2009, approval was given for the payment of the remaining balance of dividends declared at the Company s Ordinary General Meeting, held on April 28, 2009 through the delivery to the shareholders of shares issued by CPFL.

São Paulo, August 21, 2009.

José Antonio de Almeida Filippo
Chief Financial and Investors Relations Officer

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
