13. 14. The decision to launch the Offer has been further based on the assumption that, until the end of the Offer period, no event with an extraordinary negative impact on the situation of the financial markets, both national and international, will occur.

15. The assumptions in 12., 13. and 14. above are made for the purpose of a possible exercise, by the Offeror, of the rights foreseen in article 128 of the Portuguese Securities Code, upon authorisation by the CMVM.

16. The Target Company's by-laws do not include any restriction foreseen in article 182-A of the Portuguese Securities Code, and articles 182 and 182-A of the Portuguese Securities Code do not apply to CSN, since it is a company incorporated and operating under the laws of Brazil. In any case, CSN is a public company with its shares admitted to trading in BOVESPA - Bolsa de Valores de São Paulo and in the New York Stock Exchange and its by-laws do not include any restriction similar to those foreseen in article 182-A of the same Code.
